Tea Leaf Reading

Read your future in tea leaves with this miniature guide to the ancient art of tea leaf reading. Every aspect is made easy, with instructions for picking out the correct utensils, dividing your cup, and even an in-depth glossary of symbols. This Miniature Edition is perfect for finding all the secrets at the bottom of your teacup.

Reading Tea Leaves

Find your fortune sip by sip Reading Tea Leaves is your ultimate guide to the ancient art of tasseography—divination with tea leaves. Traditionally a practical, everyday form of divination often practiced by women, tea-leaf reading gave glimpses into the drama of daily life—who was stopping by after supper and if a letter was on the way. The process is simple: brew yourself a cup of loose-leaf tea, settle down somewhere comfy, and sip it intentionally. Once you've reached the bottom of the cup, the tea leaves that remain will take the form of shapes and symbols that can give you guidance, spark your intuition, and even give you a hint of the future. Originally published by an unnamed "Highland Seer" in the early 20th century this new edition has been updated for modern readers and features a foreword by tasseography experts Leanne Marrama and Sandra Mariah Wright. Reading Tea Leaves will teach you everything you need to know to begin reading the leaves yourself. Inside you'll find a dictionary of symbolic meanings to help you successfully interpret the images you see in the cup, along with ten illustrated example readings to allow you to hone your interpretive skills. Reading Tea Leaves is a warm-hearted invitation to celebrate the small, magical moments we encounter every day.

Tea Leaf Reading

A fun beginners guide to reading the symbols found in the leaves. Stir the leaves to find out your destiny! The ancient practice of tasseomancy, or tea leaf reading, originated in ancient China and later became associated with gypsies who spread the practice around the world. It is one of the easiest forms of divination to learn--all it takes is tea leaves, some hot water, and a creative mind! Tea leaf reading is

a form of fortune-telling that uses the symbols and images left in a cup by the tea leaves after the liquid is gone. Those images--much like the shapes we see in cloud formations--can be interpreted by the tea leaf reader. This easy-to-use guide will teach you: the proper preparation of tea using coffee grounds instead of tea meanings of common symbols and images astrological and tarot-related symbols Discover the meaning(s) of almost any shape you find at the bottom of a tea cup with help from the A-to-Z guide of more than 500 symbols.

The Cup of Destiny

Reading tea leaves is a traditional divinatory method passed on through generations. The Cup of Destiny reveals the secrets of this ancient method, allowing you to make predictions for yourself and your friends. This kit includes a beautiful, decorated cup and saucer for making readings, and an illustrated book explaining how to interpret the patterns you will find in your cup. The first part of the book describes the ritual of turning the cup counter-clockwise and draining the left-over tea into the saucer. It goes on to explain the meanings of over 200 of the signs and symbols you are likely to see in the leaves when making a reading. The explanations accompanying these allow you to relate them to real events and future possibilities, providing clear insights which can be startlingly accurate: a heart near the rim of the cup means that love is not far away, while a cake may signify a celebration or a party. So, have a cup of tea and see what the leaves have to say about your future!

Herbal Tea Magic for the Modern Witch

Dive into the world of green witchery and uncover the destiny that awaits at the bottom of your tea cup with this guide to spells, rituals, and divination. Enter the enchanting world of herbal magic with this perfect book for present-day witches. This all-in-one guide will show you how to cultivate the use of various herbs, magical tea rituals, and the mystical art of tea leaf divination. Learn the perfect tea to brew for every occasion, from lunar readings to morning meditations. Master spells to heal and invigorate the spirit and uncover anyone's destiny at the bottom of a teacup. Inside you'll find: A comprehensive list of herbs and their magical properties A brief history of tea divination A symbol dictionary to assist in reading tea leaves Tea recipes, rituals, and spells And much more Packed with magic you can incorporate into daily life, this book is a must-have for tea lovers and aspiring witches alike!

Tea Leaf Reading for Beginners

Indulge in the age old custom of reading tea leaves.

Palm Reading

Explore the magic and the mystery of palm reading in this fully-illustrated guide to the ancient art. Noted psychic Dennis Fairchild reveals the secrets of the centuries-old art of palmistry, showing how to interpret the lines and formations in the hand. This useful, mini book fits in the palm of your very own hand, and is an enchanted guide to the ways in which our palms can reveal character and predict fate and fortunes. With full-color illustrations throughout, this captivating primer covers all the essentials needed to perform insightful palm readings for yourself and your friends.

Tea Cup Reading and Fortune Telling by Tea Leaves

Thank you for checking out this book by Theophania Publishing. We appreciate your business and look forward to serving you soon. We have thousands of titles available, and we invite you to search for us by name, contact us via our website, or download our most recent catalogues. It is somewhat curious that among the great number of books on occult science and all forms of divination which have been published in the English language there should be none dealing exclusively with the Tea-cup Reading and the Art of Telling Fortunes by the Tea-leaves: notwithstanding that it is one of the most common forms of divination practised by the peasants of Scotland and by village fortune-tellers in all parts of this country. In many of the cheaper handbooks to Fortune-telling by Cards or in other ways only brief references to the Tea-cup method are given; but only too evidently by writers who are merely acquainted with it by hearsay and have not made a study of it for themselves.

A Dark History of Tea

A look at Britain's storied history with the beloved beverage, including slavery, war, drug smuggling, fortune telling, and the economy's globalisation. A Dark History of Tea looks at our long relationship

with this most revered of hot beverages. Renowned food historian Seren Charrington-Hollins digs into the history of one of the world's oldest beverages, tracing tea's significance on the tables of the high and mighty as well as providing relief for workers who had to contend with the ardours of manual labour. This humble herbal infusion has been used in burial rituals, as a dowry payment for aristocrats; it has fuelled wars and spelled fortunes as it built empires and sipped itself into being an integral part of the cultural fabric of British life. This book delves into the less tasteful history of a drink now considered quintessentially British. It tells the story of how, carried on the backs of the cruelty of slavery and illicit opium smuggling, it flowed into the cups of British society as an enchanting beverage. Chart the exportation of spices, silks and other goods like opium in exchange for tea, and explain how the array of good fortunes—a huge demand in Britain, a marriage with sugar, naval trade and the existence of the huge trading firms—all spurred the first impulses of modern capitalism and floated countries. The story of tea takes the reader on a fascinating journey from myth, fable and folklore to murky stories of swindling, adulteration, greed, waging of wars, boosting of trade in hard drugs and slavery and the great, albeit dark engines that drove the globalisation of the world economy. All of this is spattered with interesting facts about tea etiquette, tradition and illicit liaisons making it an enjoyable rollercoaster of dark discoveries that will cast away any thoughts of tea as something that merely accompanies breaks, sit downs and biscuits. Praise for *A Dark History of Tea* "The author gathers many of the dangerous and morbid events throughout tea history and compiles them into one well-researched book. An entertaining read for anyone looking for interesting tea history." —Sara Shacket, *Tea Happiness*

Reading the Leaves

An illustrated guide to tapping into your intuition through the simple act of sitting down to a cup of tea. Whether you're wondering about career, finances, love, or health, Salem witches Sandra Mariah Wright and Leanne Marrama are here to help build your intuitive skills and transform your life. *Reading the Leaves* shows you how to:

- brew a cup of tea for divination purposes
- interpret more than 200 time-tested symbols that are most likely to show up, such as hearts and anchors, and what their size, location, and relationship to other shapes mean
- set an intention
- create a regular tea ritual
- keep a tea leaf reading journal
- do a reading for family and friends
- make their favorite tea time recipes
- respond when a "bad" symbol shows up

You already possess the tools, and with Sandra and Leanne's guidance, the true journey of self-discovery can begin. You don't have to be a witch to find your inner magic.

Fortune in a Coffee Cup

Turn a cup of joe into a cup of "know" with the help of Sophia, a professional psychic and spiritual teacher who offers a break from the daily grind. Illustrations.

Tea Cup Reading, Orion Plain and Simple

A practical guide on the revealing art of tea cup reading. The art of reading tea leaves has been practised for centuries by everyone from Buddhist monks to Bedouins to Gypsies. Once very popular in Britain and Ireland and all the countries they settled, the practice has all but faded away. Now, this concise book provides quick, easy, and fun instructions for practising tasseography today. The book includes everything needed to become an accomplished practitioner:

- * a brief history of tea and coffee
- * advice on brewing and serving
- * basic rules of tea leaf and cup reading
- * handy tips for instant readings

* an illustrated dictionary of 361 symbols with precise definitions Tea Cup Reading is an essential reference for this fascinating interpretive art.

Psychic Self-Defense

Psychic Self-Defense Dion Fortune - "Psychic Self-Defense" is one of the best guides to detection and defence against psychic attack from one of the leading occult writers of the 20th century. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defence guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defence. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognise them.

The Tea Girl of Hummingbird Lane

A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city. After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for generations. A powerful story about a family, separated by circumstances, culture, and distance, *Tea Girl of Hummingbird Lane* paints an unforgettable portrait of a little known region and its people and celebrates the bond that connects mothers and daughters.

The Secret of Our Success

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such

as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

Tea Leaf Reading

The newest Little Giant[™] Encyclopedia is tea-licious--a tasty brew of tea information and history: an ABC of tea, from Assam and Black to Tikkam and Yunnan; tea ceremonies around the world; tips on tea's health benefits; advice on preparing the perfect * and entertaining sidebars, quotes, and quizzes. Over half the book is devoted to a "How to Read Me!"--an instruction manual on tea leaf reading, with guidance on symbols, meanings, and omens, as well as on which type of cup to use, how to swirl the leaves properly, and hints for the novice. It will turn you into an enlightened tea master with a renewed appreciation for the drink that has warmed hands and hearts for generations.

Tea Cup Reading

Had a nice cup of tea? A great cup of coffee? Then it's time to read the leaves - or coffee grounds with this guide to tea cup reading. This guide provides a dictionary of leaf and ground shapes and interpretations, and also includes details on cup preparation and techniques for reading tea cups.

Seeing Like a State

"One of the most profound and illuminating studies of this century to have been published in recent decades."--John Gray, *New York Times Book Review* Hailed as "a magisterial critique of top-down social planning" by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail--sometimes catastrophically--in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."--*New Yorker* "A tour de force."-- Charles Tilly, Columbia University

Guided Tarot

Your essential guide to reading tarot cards seamlessly--with confidence and ease Each of us holds gifts deep within and, with tarot, we have the power to unlock those gifts and make transformative discoveries. For beginner tarot readers, learning the cards--all 78 of them--and understanding how to use spreads may seem daunting. Tarot expert Stefanie Caponi explains that interpreting the cards is a blend of knowing the card meanings, listening to your heart, and trusting your intuition. In her book, *Guided Tarot*, she offers easy exercises to nurture and grow your intuition, not only to understand the cards' universal meanings, but to channel your own meanings. This comprehensive guide also shows you how to attune your energy to the deck for more accurate readings. Soon you'll be confident in doing readings for yourself and even your friends. *Guided Tarot* features:

- Guided exercises to strengthen your intuition and tarot interpretation skills.
- Tarot card profiles with astrological, numerological, and elemental meanings, guidance for career, love, and spiritual life, and reverse card interpretations.
- Beginner's tools offering step-by-step advice to prepare for and perform readings along with a variety of introductory spreads to try
- The Celtic Cross explained and deconstructed to help beginners master this popular spread with ease.
- Quick reference chart with card images and key upright and reversed meanings.

With *Guided Tarot* as the companion to your deck, you'll learn more about yourself, get divine guidance with life decisions, and overcome obstacles in your relationships--all while celebrating your unique gifts and honoring your higher self.

A Book for All Readers

Reproduction of the original: *A Book for All Readers* by Ainsworth Rand Spofford

Dictionary of St. Lucian Creole

Volumes in the Trends in Linguistics. Documentation series focus on the presentation of linguistic data. The series addresses the sustained interest in linguistic descriptions, dictionaries, grammars and editions of under-described and hitherto undocumented languages. All world-regions and time periods are represented.

Blood Meridian

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Leaf Reader

Emily Arsenault (*The Rose Notes*) makes her YA debut with a "page-ripping whodunit" about Marnie Wells, who comes face-to-face with the occult when she discovers her ability to read tea leaves might help solve the mystery of a classmate's disappearance. Marnie Wells knows that she creeps people out. It's not really her fault; her brother is always in trouble, and her grandmother, who's been their guardian since Mom took off is . . . eccentric. So no one even bats an eye when Marnie finds an old book about reading tea leaves and starts telling fortunes. The ceremony and symbols are weirdly soothing, but she knows—and hopes everyone else does too—that none of it's real. Then basketball star Matt Cotrell asks for a reading. He's been getting emails from someone claiming to be his best friend, Andrea Quinley, who disappeared and is presumed dead. And while they'd always denied they were romantically involved, a cloud of suspicion now hangs over Matt. But Marnie sees a kindred spirit: someone who, like her, is damaged by association. Suddenly, the readings seem real. And, despite the fact that they're telling Marnie things about Matt that make him seem increasingly dangerous, she can't shake her initial attraction to him. In fact, it's getting stronger. And that could turn out to be deadly.

A Little Bit of Palmistry

In the popular "Little Bit of" series: a fresh, accessible introduction to reading palms . . . and learning more about our lives. By studying the hand's shape and lines of the palm, you can divine your own--or someone else's--past, present, and future. Cassandra Eason lays out the basics of this ancient practice by discussing the importance of "life lines," "heart lines," and other truths written in our palms. It's a fascinating way to discover more about our own lives and the lives of others.

What to Do When You Can't Decide

You're at a fork in the road. Now what? It may surprise you, but you already have the answer -- you just need to tap into your inner-guidance system. In "What To Do When You Can't Decide," you'll find three effective techniques to access your innate wisdom: Pendling, using a handheld instrument; Muscle-testing, allowing your fingers to "do the talking"; and the Chits, a personalized form of the I Ching. These techniques allow you to bypass the anxiety-ridden conscious mind to access a deeper subconscious intelligence. The result? You can make reliable decisions, end second-guessing, and enhance the flow in your life. The book includes practical exercises, a trouble-shooting guide, and advanced techniques for deciding what to do in any situation. * * * * * ELIZABETH LESSER, co-founder of Omega Institute and author of the New York Times bestseller "Broken Open" writes: "I highly recommend 'What To Do When You Can't Decide.' Accessing one's subconscious intelligence is a tricky subject to teach or write about, and I'd only venture into those waters with a trustworthy, down-to-earth, intelligent guide. That's Meg Lundstrom. She brings a unique combination of skills and insight to this subject: a masterful blend of science, history, and personal wisdom; an artful command of language; and a warm and welcoming way of allowing us to play around with multiple tools in the decision-making process. By the end of the book, you'll find a way that works best for you on this wilderness adventure called life." DONNA EDEN, author of "Energy Medicine," writes: "What a fun and valuable book! Meg Lundstrom has produced a wonderfully practical guide for asking questions and finding answers about yourself and your world -- and for showing how all of us can divine information from the mundane to the profound. I love it!" ***** This Second Edition, in paperback, is published by the author with minor editing changes. The First Edition in paperback, published by Sounds True of Boulder, Colorado, is out

of print. The original e-book edition can be purchased online from Amazon.com, SoundsTrue.com, and other websites.

A black base A 48-page mini book, with a brief history and tips on how to use your crystal ball

Reading Today

New technologies are changing our reading habits. Laptops, e-readers, tablets and other handheld devices supply new platforms for reading, and we must learn to manage them by scrolling, clicking or tapping. Reading Today places reading in current literary and cultural contexts in order to analyse how these contexts challenge our conceptions of who reads, what reading is, how we read, where we read, and for what purposes – and then responds to the questions this analysis raises. Is our reading experience becoming a 'flat' one? And does reading in a media environment favour quick reading? Alongside these questions, the contributors unpack emerging strategies of reading. They consider, for example, how paying attention to readers' emotional reactions as an indispensable component of reading affects our conception of the reading process. Other chapters consider how reading can be explored through such topics as experimental literature, the contemporary encyclopedic novel and the healing power of books.

A Dictionary of English Folklore

Are there any legends about cats? Is Cinderella an English story? What is (or was) a Mumming Play? The subject of folklore covers an extremely wide field, with connections to virtually every aspect of life. It ranges from the bizarre to the seemingly mundane. Similarly, folklore is as much a feature of the modern technological age as the ancient world, of every part of the country, both urban and rural, and of every age group and occupation. Containing 2,000 entries, from dragons to Mother Goose, May Day to Michaelmas, this new reference work is an absorbing and entertaining guide to English folklore. Aimed at a broad general readership, the dictionary provides an authoritative reference source on such legendary characters as the Babes in the Wood, Jack the Giant Killer, and Robin Hood, and gives entertaining and informative explanations of a wide range of subjects in folklore, from nosebleeds and wishbones to cats and hot cross buns.

The Poppy War

"I have no doubt this will end up being the best fantasy debut of the year [...] I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest A Library Journal, Paste Magazine, Vulture, BookBub, and ENTROPY Best Books pick! Washington Post "5 Best Science Fiction and Fantasy Novel" pick! A Bustle "30 Best Fiction Books" pick! A brilliantly imaginative talent makes her exciting debut with this epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's *Grace of Kings* and N.K. Jemisin's *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara

Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

Watching the English

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Composed of more than 600 objects dating from 1740 to 1945.

Harry Potter and the Goblet of Fire

Vanafca. 14 jaar.

Ritual

From handshakes and toasts to chant and genuflection, ritual pervades our social interactions and religious practices. Still, few of us could identify all of our daily and festal ritual behaviors, much less explain them to an outsider. Similarly, because of the variety of activities that qualify as ritual and their many contradictory yet, in many ways, equally legitimate interpretations, ritual seems to elude any systematic historical and comparative scrutiny. In this book, Catherine Bell offers a practical introduction to ritual practice and its study; she surveys the most influential theories of religion and ritual, the major categories of ritual activity, and the key debates that have shaped our understanding of ritualism. Bell refuses to nail down ritual with any one definition or understanding. Instead, her purpose is to reveal how definitions emerge and evolve and to help us become more familiar with the interplay of tradition, exigency, and self-expression that goes into constructing this complex social medium.

Art of Tea-Leaf Reading

The ancient art of tea-leaf reading is one of the simplest forms of divination. In this fascinating book, you'll find step-by-step instructions for interpreting tea leaves, along with an illustrated directory to the meaning of 300 shapes and symbols. The symbols are divided into six categories, enabling you to gain instant answers to questions about romance, travel, work, money, health, family and friends. Consulting the leaves as part of a morning ritual can be a great way to start the day, providing you with personal guidance for the day ahead. Reading tea leaves is also an enjoyable pastime to engage in with friends and family -- they'll be amazed as you reveal what the future has in store for them. Full-color illustrations.

Woman of Light

NATIONAL BESTSELLER • A "dazzling, cinematic, intimate, lyrical" (Roxane Gay) epic of betrayal, love, and fate that spans five generations of an Indigenous Chicano family in the American West, from the author of the National Book Award finalist *Sabrina & Corina* "Sometimes you just step into a book and let it wash over you, like you're swimming under a big, sparkling night sky."—Celeste Ng, author of *Little Fires Everywhere* and *Everything I Never Told You* **A PHENOMENAL BOOK CLUB PICK AND AN AUDACIOUS BOOK CLUB PICK •** **ONE OF THE BEST BOOKS OF THE YEAR:** Book Riot There is one every generation, a seer who keeps the stories. Luz "Little Light" Lopez, a tea leaf reader and

laundress, is left to fend for herself after her older brother, Diego, a snake charmer and factory worker, is run out of town by a violent white mob. As Luz navigates 1930s Denver, she begins to have visions that transport her to her Indigenous homeland in the nearby Lost Territory. Luz recollects her ancestors' origins, how her family flourished, and how they were threatened. She bears witness to the sinister forces that have devastated her people and their homelands for generations. In the end, it is up to Luz to save her family stories from disappearing into oblivion. Written in Kali Fajardo-Anstine's singular voice, the wildly entertaining and complex lives of the Lopez family fill the pages of this multigenerational western saga. *Woman of Light* is a transfixing novel about survival, family secrets, and love—filled with an unforgettable cast of characters, all of whom are just as special, memorable, and complicated as our beloved heroine, Luz. **ONGLISTED FOR THE JOYCE CAROL OATES PRIZE • ONGLISTED FOR THE CAROL SHIELDS PRIZE FOR FICTION**

Tea-Ology

Tea-ology- A Guide To All Things Tea! by Maya-Rose Nash From its early beginnings, to how Tea found its way into our cups and hearts, Tea-Ology is filled with historic and interesting facts about Tea. The author has blended her love of the Victorian Era and family traditions, with all things tea, for the reader to not only learn about the world's second most popular beverage, but to discover some useful and practical information. Recipes, hosting a tea party and a section devoted to the art of tea leaf reading, including a tutorial on becoming an expert in the age old form of divination. So brew a pot of tea and pick up a copy and get ready to discover Tea-Ology!
