The Glory Now Revealed

Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise,

loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited to clouds and harps and angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

Mystery Unveiled

You can find the spiritual gateways of supernatural power! Author David Herzog has accessed gateways of the supernatural. His life and ministry have accelerated as a result of tapping these incredible portals. Living in the Glory Every Day shares astounding and practical biblical truths that can function in your everyday life. Ministering in and traveling extensively to Israel and other Middle Eastern nations, the author has conducted extensive research on the connection between the wisdom of the ancients, Israel, and the supernatural, and how to use that wisdom to reactivate the greater glory today.

Living in the Glory Every Day

The author of the New York Times bestsellers The Harbinger, The Mystery of the Shemitah, The Book of Mysteries, and The Paradigm, now opens up the jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy, and much more.

The Oracle

Father M. Joachim Tierney, O.C.S.O., instilled in the author his desire to discover the mystery of the visions and revelations of the Lord that St. Paul was shown when he was caught up into the third Heaven, paradise, as seen in 2 Corinthians 12:1-7. What they uncovered in their quest for this hidden knowledge is that St. Paul was shown the great mystery of Christ's Second Coming. And that this extraordinary mystery, now being revealed, is St. Paul's Gospel yet to be preached by the Church. St. Paul writes: "Now to him that is able to establish you according to 'my gospel' and the preaching of Jesus Christ according to 'the revelation of the mystery, ' which was kept secret from eternity, which 'now' is made manifest by the scriptures of the prophets..." (Romans 16:25-26) This secret mystery, the preaching of Jesus Christ according to St. Paul's gospel, is woven throughout St. Paul's letters. In fact, the word "mystery" is seen eighteen times in his epistles, whereas in the gospels of Matthew, Mark, Luke and John the word mystery can be found just once, or not at all depending on which version of the Bible. This great mystery veiled in his letters is what has made them, until now, difficult to understand. A key was needed to unlock this powerful gift of knowledge. In his letter to the Colossians 4:3-6, St. Paul requests prayers that "a door of speech to speak the mystery of Christ" be opened by God. The key opening the door to the preaching of this glorious mystery of Christ is now being manifested in this prophetic unveiling of Sacred Scripture.

For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. *On First Principles* is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."
