Fallen in Love

A collection of four love stories featuring Shelby, Miles, and other characters from the Fallen series.

Fallen in Love

Unexpected. Unrequited. Forbidden. Eternal. Everyone has their own love story. And in a twist of fate, four extraordinary love stories combine over the course of a romantic Valentine's Day in Medieval England. Miles and Shelby find love where they least expect it. Roland learns a painful lesson about finding-and losing love. Arianne pays the price for a love so fierce it burns. And for the first -and last-time, Daniel and Luce will spend a night together like none other. Lauren Kate's FALLEN IN LOVE is filled with love stories . . . the ones everyone has been waiting for. True love never says goodbye . . .

Unforgiven

High school can be hell. Cam knows what it's like to be haunted. He's spent more time in Hell than any angel ever should. And his freshest Hell is high school, where Lilith, the girl he can't stop loving, is serving out a punishment for his crimes. Cam made a bet with Lucifer: he has fifteen days to convince the only girl who really matters to him to love him again. If he succeeds, Lilith will be allowed back into the world, and they can live their lives together. But if he fails . . . there's a special place in Hell just for him. Tick-tock. The long-awaited new novel in the global bestselling Fallen series.

Fallen

Suspected in the death of her boyfriend, seventeen-year-old Luce is sent to a Savannah, Georgia, reform school where she meets two intriguing boys and learns the truth about the strange shadows that have always haunted her.

Fallen

SOME ANGELS ARE DESTINED TO FALL. Instant. Intense. Weirdly familiar . . . The moment Luce looks at Daniel she knows she has never felt like this before. Except she can't shake the feeling that she has . . . and with him - a boy she doesn't remember ever setting eyes on. Will her attempt to find out why enlighten her - or destroy her? Dangerously exciting and darkly romantic. Fallen is a thrilling story about forbidden love.

Rapture

The sky is dark with wings . . . And time is running out for Luce and Daniel. In order to stop Lucifer from erasing the past, they must find the place where the Fall began. Only Luce can break the curse, and it is her choice alone that will decide all of their fates. But as Dark Forces gather, great sacrifices will have to be made in this final, epic struggle . . . In the fight for Luce, and for Love, who will win? The astonishing climax to the **FALLEN** series. Heaven can't wait any longer.

Torment

Love never dies . . . It took Lucinda an eternity to find her beloved angel, Daniel. But he waited for her. Now they are forced apart again, to protect Luce from the Outcasts - immortals who want her dead. During their separation, Luce learns about her mysterious past lives. But the more she discovers, the more she suspects Daniel is hiding something. What if Daniel's version of the past isn't true? Is it really their destiny to be together? Or is Luce actually meant to be with someone else? The thrilling sequel to the international bestseller, *Fallen*.

Passion

Sweeping across centuries, **PASSION** is the third novel in the unforgettably epic and worldwide bestselling **FALLEN** series. A New York Times bestseller A USA Today bestseller More than 3 million series copies in print! Luce would die for Daniel. And she has. Over and over again. Throughout time, Luce and Daniel have found each other, only to be painfully torn apart: Luce dead, Daniel left broken and alone. But perhaps it doesn't need to be that way. . . . Luce is certain that something—or someone—in a past life can help her in her present one. So she begins the most important journey of this lifetime . . . going back eternities to witness firsthand her romances with Daniel . . . and finally unlock the key to making their love last. Cam and the legions of angels and Outcasts are desperate to catch Luce, but none are as frantic as Daniel. He chases Luce through their shared pasts, terrified of what might happen if she rewrites history. Because their romance for the ages could go up in flames . . . forever. "Sexy and fascinating and scary . . . I loved loved loved it!" —P. C. Cast, New York Times bestselling author on *Fallen*

Teardrop

Seventeen-year-old Eureka's life is taking on dark undercurrents that don't make sense . . . Her mother killed in a freak accident. Her best friend, Brooks, behaving like a stranger. And Ander. The boy with eyes like the ocean who is everywhere she goes. Uncovering her mother's legacy – a stone, a locket and an ancient tale of romance and heartbreak – Eureka begins to question everything she thought she knew. Only one thing is certain: everything she loves can be washed away.

Torment

In this second novel of the bestselling *Fallen* series, Luce has the chance to track down her past lives . . . but what if she's not ready to face the truths they reveal?

The Betrayal of Natalie Hargrove

South Carolina high school senior Nat has worked hard to put her trailer-park past behind her, and when she and her boyfriend are crowned Palmetto Prince and Princess everything would be perfect, except that a prank they played a few nights before went horribly awry

The Fallen

Martin Luna struggles to rebuild his life after the death of his little brother and finds himself getting in trouble in school and at home.

The Fallen Series: 4-Book Collection

A 4-book digital collection of the bestselling **FALLEN** novels: **FALLEN**, **TORMENT**, **PASSION**, and **RAPTURE**, available together for the first time in an ebook omnibus edition with a preview chapter of Lauren Kate's novel *Teardrop*. And don't miss **FALLEN** on the big screen! The first book in the worldwide bestselling **FALLEN** series is now a motion picture available for streaming.

Waterfall

Eureka's tears have flooded the earth and now Atlantis is rising, along with its evil king, Atlas. Eureka is the only one who can stop him — but first she must learn how to fight. She travels across the ocean with Ander to try and make sense of the dark world her sorrow has created. But dark secrets are hidden in the depths — will she be strong enough to defeat Atlas, or is her broken heart just what he needs to power his rising kingdom? Eureka has the chance to save the world. But she'll have to give up on everything — even love . . .

Love at First

"The most delightful cast of characters I've met in ages...a modern romance masterpiece." —New York Times bestseller Christina Lauren "Constantly revealing new layers of lyricism...Love at First is poetry, then — sometimes an artful sonnet, other times halting free verse. Sixteen years ago, a teenaged Will Sterling saw—or rather, heard—the girl of his dreams. Standing beneath an apartment building balcony, he shared a perfect moment with a lovely, warm-voiced stranger. It's a memory that's never faded, though he's put so much of his past behind him. Now an unexpected inheritance has brought Will back to that same address, where he plans to offload his new property and get back to his regular life as an overworked doctor. Instead, he encounters a woman, two balconies above, who's uncannily familiar . . . No matter how surprised Nora Clarke is by her reaction to handsome, curious Will, or the whispered pre-dawn conversations they share, she won't let his plans ruin her quirky, close-knit building. Bound by her loyalty to her adored grandmother, she sets out to foil his efforts with a little light sabotage. But beneath the surface of their feud is an undeniable connection. A balcony, a star-crossed couple, a fateful meeting—maybe it's the kind of story that can't work out in the end. Or maybe, it's the perfect second chance . . .

Kissing Kate

Kate was lissa's best friend. they've shared everything for four years. then one night at a drunken party, Kate leaned in to kiss lissa, and lissa kissed her back. And now Kate is pretending lissa doesn't exist. Confused and alone, lissa's left questioning everything she thought she knew about herself, and about life. but with the help of a free-spirit new friend, lissa's beginning to find the strength to realize that sometimes falling in love with the wrong person is the only way to find your footing.

The Quick

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SLATE • Includes an exclusive conversation between Lev Grossman and Lauren Owen For fans of Anne Rice, *The Historian*, and *The Night Circus*, an astonishing debut, a novel of epic scope and suspense that conjures up all the magic and menace of Victorian London 1892: James Norbury, a shy would-be poet newly down from Oxford, finds lodging with a charming young aristocrat. Through this new friendship, he is introduced to the drawing-rooms of high society and finds love in an unexpected quarter. Then, suddenly, he vanishes without a trace. Alarmed, his sister, Charlotte, sets out from their crumbling country estate determined to find him. In the sinister, labyrinthine London that greets her, she uncovers a hidden, supernatural city populated by unforgettable characters: a female rope walker turned vigilante, a street urchin with a deadly secret, and the chilling "Doctor Knife." But the answer to her brother's disappearance ultimately lies within the doors of the exclusive, secretive Aegolius Club, whose predatory members include the most ambitious, and most bloodthirsty, men in England. In her first novel, Lauren Owen has created a fantastical world that is both beguiling and terrifying. *The Quick* will establish her as one of fiction's most dazzling talents. "A suspenseful, gloriously atmospheric first novel, and a feast of gothic storytelling that is impossible to resist."—Kate Atkinson "A cracking good read . . . Owen takes the gothic conventions of the vampire novel in a refreshing new direction."—Deborah Harkness, author of *A Discovery of Witches* and *The Book of Life* "A good old-fashioned vampire novel . . . Daughter of Smoke & Bone

The first book in the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages--not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the

question that haunts her, and she's about to find out. When one of the strangers--beautiful, haunted Akiva--fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. Love in English

A fresh, joyful YA novel that is layered with themes of immigration, cultural identity, and finding your voice in any language. Sixteen-year-old Ana is a poet and a lover of language. Except that since she moved to New Jersey from Argentina, she can barely find the words to express how she feels. At first Ana just wants to return home. Then she meets Harrison, the very cute, very American boy in her math class, and discovers the universal language of racing hearts. But when she begins to spend time with Neo, the Greek Cypriot boy from ESL, Ana wonders how figuring out what her heart wants can be even more confusing than the grammar they're both trying to master. After all, the rules of English may be confounding, but there are no rules when it comes to love. With playful and poetic breakouts exploring the idiosyncrasies of the English language, *Love in English* is witty and effervescent, while telling a beautifully observed story about what it means to become "American."

When in French

A language barrier is no match for love. Lauren Collins discovered this firsthand when, in her early thirties, she moved to London and fell for a Frenchman named Olivier—a surprising turn of events for someone who didn't have a passport until she was in college. But what does it mean to love someone in a second language? Collins wonders, as her relationship with Olivier continues to grow entirely in English. Are there things she doesn't understand about Olivier, having never spoken to him

in his native tongue? Does “I love you” even mean the same thing as “je t’aime”? When the couple, newly married, relocates to Francophone Geneva, Collins—fearful of one day becoming “a Borat of a mother” who doesn’t understand her own kids—decides to answer her questions for herself by learning French. When in French is a laugh-out-loud funny and surprising memoir about the lengths we go to for love, as well as an exploration across culture and history into how we learn languages—and what they say about who we are. Collins grapples with the complexities of the French language, enduring excruciating role-playing games with her classmates at a Swiss language school and accidentally telling her mother-in-law that she’s given birth to a coffee machine. In learning French, Collins must wrestle with the very nature of French identity and society—which, it turns out, is a far cry from life back home in North Carolina. Plumbing the mysterious depths of humanity’s many forms of language, Collins describes with great style and wicked humor the frustrations, embarrassments, surprises, and, finally, joys of learning—and living in—French.
