

The Great Leader And The Fighter Pilot A True Story About The Birth Of Tyranny In North Korea

[#Kim Il-sung](#) [#North Korea](#) [#Tyranny](#) [#Biopic](#) [#Political history](#)

Explore the gripping true story of how tyranny took root in North Korea, chronicling the rise of Kim Il-sung from a decorated fighter pilot to the all-powerful Great Leader. This compelling narrative delves into the events and personalities that shaped a nation under authoritarian rule, offering a chilling insight into the birth of one of the world's most isolated regimes.

Oktober 2022 zum Gespräch geladen.

Begrüßung

Wie haben Sie von dem Ereignis erfahren und was waren Ihre ersten Gedanken?

War es nur der Punkt, dass er verhindern möchte, dass die Ukraine NATO-Mitglied wird?

Die meisten Europäer sind sich darin einig, dass ein gemeinsames Ziel darin besteht, der Ukraine in dieser Situation beizustehen. Jetzt ist nach der Invasion am 24. Februar der Eindruck entstanden, Ungarn würde nicht wirklich an der Seite der Ukraine stehen.

Ich bin also in einer anderen Position, darf ich an der Stelle noch mal kurz nachfragen. Haben Sie richtig verstanden, dass mit einer Bundeskanzlerin Angela Merkel es nicht zu einem Ukraine-Krieg gekommen wäre?

Das Hauptargument für die Sanktionen lautet ja: Wir werden Russland nicht darin unterstützen, oder wir werden Russland nicht dabei helfen, den Krieg gegen die Ukraine zu finanzieren. Das ist ja ein Argument.

Sie gehen davon aus, dass Russland Öl und Gas liefern würde, wenn wir keine Sanktionen hätten.

Aber was macht sie denn so sicher, dass das überhaupt der Fall wäre?
 Führen schon aus, dass der Konflikt zwischen Russland und der Ukraine ein lokaler Konflikt war?
 Was macht Sie sicher, dass die russische Seite bereit ist, sich auf eine Feuerpause einzulassen?
 Hat die Visegrad-Gruppe aufgrund der unabhängigen Position Ungarns aktuell und Polens positioniert sich ja diametral zu den ungarischen Positionen noch eine Zukunft?
 Welche Rolle spielt die Ukraine in diesem geopolitischen Spiel?
 Was sind die schärfsten Kritiker, die Sie persönlich kennen?
 Wie stellen Sie sich ein Szenario vor, auf dessen Basis eine Art dauerhafte Friedensordnung in dieser Region geschaffen werden könnte?
 Wie werden unsere Kinder oder unsere Enkel auf diese Zeit und auf die Politiker schauen?
 Was glauben Sie, wie man in 50 oder 100 Jahren auf diese Zeit zurückblicken wird?

A History of Russia Volume 1

This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US, Canada and around the world. Moss's accessible history includes full treatment of everyday life, the role of women, rural life, law, religion, literature and art. In addition, it provides many other features that have proven successful, including: a well-organized and clearly written text, references to varying historical perspectives, numerous illustrations and maps, fully updated bibliographies accompanying each chapter as well as a general bibliography, a glossary, and chronological and genealogical lists.

A History of Russia; Volume 1

Written by the renowned historian V. O. Kliuchevski, this classic work offers a sweeping overview of the history of Russia from the earliest times to the late nineteenth century. Kliuchevski's vivid narrative style brings to life the key events and personalities that shaped Russia's political, social, and cultural landscape, from the rise of the Kievan Rus to the reign of Catherine the Great. This book is a must-read for anyone interested in the history of Russia and its impact on the world. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Cambridge History of Russia: Volume 1, From Early Rus' to 1689

An authoritative history of Russia from early Rus' to the reign of Peter the Great.

A History of Russia, Volume 1

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. A History of Russia, V1

This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US, Canada and around the world. Moss's accessible history includes full treatment of everyday life, the role of women, rural life, law, religion, literature and art. In addition, it provides many other features that have proven successful with both professors and students, including: a well-organized and clearly written text, references to varying historical perspectives, numerous illustrations and maps that supplement and amplify the text, fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works, a glossary, and chronological and genealogical lists. Moss's A History of Russia will appeal to academics, students and general readers alike.

A History of Russia Volume 1

"Scholarly, intellectually stimulating, and readable. It is not only a very good guide through the record of Russian development, but it makes one go deeper by the way it raises interesting questions."--Frederick C. Barghoorn Generally recognized as the standard one-volume history of Russia, this monumental work describes Russia's growth from the times of the nomadic tribes to the Cold War and examines the social, religious, and cultural as well as the political and economic aspects of Russian civilization. Professor Vernadsky reviews the origins of the Russian state, Kievan Russia, the Mongol period, the tsardom of Moscow in the sixteenth and seventeenth centuries, and the Russian empire from Peter the Great to Nicholas II. The last third of the book discusses the revolution of 1917 and the emergence of the Soviet Union as a world power.

A History of Russia

A History of Russia covers the entire span of the country's history, from ancient times to the post-communist present. Keeping with the hallmark of the text, Riasanovsky and Steinberg examine all aspects of Russia's history-political, international, military, economic, social, and cultural-with a commitment to objectivity, fairness, and balance. New chapters on politics, society, and culture since 1991 explore Russia's complex experience after communism and discuss its chances of becoming a more stable and prosperous country in the future. Widely acclaimed as the best one-volume history available, A History of Russia is available in two split volumes-the first covers early Russia through the nineteenth century and the second ranges from 1855 to the present. Volume II features an additional introductory chapter that links Russia's modern history to the events that preceded it.

A History of Russia

A History of Russia is a classic work of historical scholarship, covering the vast sweep of Russian history from its earliest days to the late 19th century. Written by renowned French historian Alfred Rambaud, this book provides a detailed and engaging account of Russia's political, social, and cultural development over the centuries. Essential reading for anyone interested in Russian history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

History of Russia

Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material, which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada and around the world.

A History Of Russia Volume 2

This first volume of the Cambridge History of Russia covers the period from early ('Kievan') Rus' to the start of Peter the Great's reign in 1689. It surveys the development of Russia through the Mongol invasions to the expansion of the Muscovite state in the sixteenth and seventeenth centuries and deals with political, social, economic and cultural issues under the Riurikid and early Romanov rulers. The volume is organised on a primarily chronological basis, but a number of general themes are also addressed, including the bases of political legitimacy; law and society; the interactions of Russians and non-Russians; and the relationship of the state with the Orthodox Church. The international team of authors incorporates the latest Russian and Western scholarship and offers an authoritative new account of the formative 'pre-Petrine' period of Russian history, before the process of Europeanisation had made a significant impact on society and culture.

A History Of Russia

Provides an all-encompassing look at the history of Russia, Central Asia, and Mongolia Beginning with the breakup of the Mongol Empire in the mid-thirteenth century, Volume II of this comprehensive

work covers the remarkable history of “Inner Eurasia,” from 1260 up to modern times, completing the story begun in Volume I. Volume II describes how agriculture spread through Inner Eurasia, providing the foundations for new agricultural states, including the Russian Empire. It focuses on the idea of “mobilization”—the distinctive ways in which elite groups mobilized resources from their populations, and how those methods were shaped by the region’s distinctive ecology, which differed greatly from that of “Outer Eurasia,” the southern half of Eurasia and the part of Eurasia most studied by historians. This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century. Filled with figures, maps, and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region, *A History of Russia, Central Asia and Mongolia: Volume II: Inner Eurasia from the Mongol Empire to Today, 1260-2000* is a magisterial but accessible account of this area’s past, that will offer readers new insights into the history of an often misunderstood part of the world. Situates the histories of Russia, Central Asia, and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region’s geography shaped its history Places great emphasis on how “mobilization” played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era *A History of Russia, Central Asia and Mongolia: Volume II* is an ideal book for general audiences and for use in undergraduate and graduate courses in world history. The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past, for every curious person in every part of the world. It will comprise some two dozen volumes, of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time. The volumes are narrative in form, giving balanced attention to social and cultural history (in the broadest sense) as well as to institutional development and political change. Each provides a systematic account of a very large subject, but they are also both imaginative and interpretative. The Series is intended to be accessible to the widest possible readership, and the accessibility of its volumes is matched by the style of presentation and production.

The Cambridge History of Russia: Volume 1, From Early Rus' to 1689

Chronicles the history of the Russian Empire from the Mongol Invasion, through the Bolshevik Revolution, to the aftereffects of the Cold War.

A History of Russia, Central Asia and Mongolia, Volume II

Accessible to students, tourists and general readers alike, this book provides a broad overview of Russian history since the ninth century. Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991. Since then, new material has come to light on the history of the Soviet era, providing new conceptions of Russia’s pre-revolutionary past. The book traces not only the political history of Russia, but also developments in its literature, art and science. Bushkovitch describes well-known cultural figures, such as Chekhov, Tolstoy and Mendeleev, in their institutional and historical contexts. Though the 1917 revolution, the resulting Soviet system and the Cold War were a crucial part of Russian and world history, Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power.

Russia and the Russians

An introduction, complete in one volume, to the history of Russia from medieval times to the fall of Khrushchev and beyond. A study of the geographical setting in which the Russian state grew to its present super-power status is followed by five chapters which discuss the political, social, and economic history of the country, and four final chapters examine respectively the role of the Church, Soviet government and politics, the economy of the Soviet state, and the international relations of the USSR. Each chapter has been specially commissioned for this volume, and the writers are acknowledged experts in their fields. Every chapter is followed by a guide to further reading. This is perhaps the most comprehensive and authoritative collaborative history of Russia yet to appear. It will be read as a continuous account, and will also be consulted as a standard reference guide in libraries of universities, colleges, and schools wherever Russian and Soviet history, European history, and international relations are studied. It forms the first part of the three-volume *Companion to Russian Studies*, the two other parts of which deal with Russian language and literature, and Russian art and architecture respectively.

A Concise History of Russia

Bernard Pares, in his classic, *A History of Russia*, takes the reader a long way towards a knowledge and understanding that few single volume histories have been able to give. From the Russia of pre-history down through the Tsars (the famous and infamous), through two World Wars, Stalin and finally the dawn of modern times, Pares takes us on a voyage of discovery.

Companion to Russian Studies: Volume 1

An Economic History of Russia;

Russia had an extraordinary twentieth century, undergoing upheaval and transformation. Updating his acclaimed *History of Modern Russia*, Robert Service provides a panoramic perspective on a country

whose Soviet past encompassed revolution, civil war, mass terror, and two world wars. He shows how seven decades of communist rule, which penetrated every aspect of Soviet life, continue to influence Russia today. This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor, Dmitri Medvedev.

A History of Russia, Volume 2

Excerpt from History of Russia, Vol. 1 of 3: From the Earliest Times to 1882 Mr. Ralston, who is considered one of the most thorough Russian scholars in England, adds his testimony as follows. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. A History of Russia

A History of Russia: Peoples, Legends, Events, Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union. Informed by the burgeoning historiography of the 1990s, the text balances political and economic explorations of everyday life, social roles, cultural dynamics, and gender issues. Many texts on this subject are written from a pre-Confederation point of view that may be unsuitable for today's classroom. This text provides strong coverage of 20th-century Russia and the U.S.S.R. without sacrificing its coverage of earlier historical periods.

A History of Russia, Volume 3

The first edition, 1974, was endorsed by BCL3 . Here are added two chapters to bring the work through 1985. Annotation copyright Book News, Inc. Portland, Or.

A History of Russia Volume 3

A comprehensive overview of twentieth-century Russian history that treats the years from 1917 to 2000 as a single period and analyses the peculiar mixture of political, economic and social ingredients that made up the Soviet compound. It takes the reader from the age of communist rule to the changes that occurred in 1991 and the more uncertain world of Yeltsin and Putin.

A HISTORY OF MODERN RUSSIA

An examination of political, social and cultural developments in the Soviet Union. The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia, from the turn of the century to the revolution of 1917. Kenz envisions that revolution as a crisis of authority that posed the question, 'Who shall govern Russia?' This question was resolved with the creation of the Soviet Union. Kenz traces the development of the Soviet Union from the Revolution, through the 1920s, the years of the New Economic Policies and into the Stalinist order. He shows how post-Stalin Soviet leaders struggled to find ways to rule the country without using Stalin's methods but also without openly repudiating the past, and to negotiate a peaceful but antipathetic coexistence with the capitalist West. In this second edition, he also examines the post-Soviet period, tracing Russia's development up to the time of publication.

History of Russia, Vol. 1 of 3

Now completely revised in this eighth edition, A History of Russia covers the entire span of the country's history, from ancient times to the post-communist present. Keeping with the hallmark of the text, Riasanovsky and Steinberg examine all aspects of Russia's history--political, international, military, economic, social, and cultural--with a commitment to objectivity, fairness, and balance, and to reflecting recent research and new trends in scholarly interpretation. New chapters on politics, society, and culture since 1991 explore Russia's complex experience after communism and discuss its chances of becoming a more stable and prosperous country in the future. Widely acclaimed as the best one-volume history available, A History of Russia is also available in two split volumes--the first covers early Russia through the nineteenth century and the second ranges from 1855 to the present. Volume II features an additional introductory chapter that links Russia's modern history to the events that preceded it.

Modern Russian History, Being an Authoritative and Detailed History of Russia from the Age of Catherine the Great to the Present;

This revised edition of a detailed one-volume history on Russia includes a new chapter on the Gorbachev years, from the initiation of glasnost and perestroika to the failed coup of August 1991, and an updated bibliography.

A History of Russia

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1914 edition. Excerpt: ...administration was brought into accordance with the regiments of the line. When the militiamen retired after fifteen years' service, they returned into Odnodv01tchestvo, the class of odnodvortsi. Up till 1764 enlistment took place once in five years; but in that year the calls seem to have been more frequent, for the odnodvortsi complain of enlistment being made twice in one year." The numbers drawn for recruits became also more numerous, for the odnodvortsi complained that one recruit was, in at least one place, called from every twenty-five souls.' At the third census, in 1762, there were 510,000 0ti'rt0ti'u0rtsi.5 Gradually the distinction between State peasantry in general and odnodvortsi was broken down, excepting so far as concerned the peculiarities of their military service. In 1769 the regiments of the Ukraine were wholly absorbed in the regular troops of the line, and the special military obligations of the odnodvortsi ceased to exist.6 The extension of the frontiers by the annexation of the Crimea rendered the existence of a special border force unnecessary, and by the removal of the frontier to the north coast of the Black Sea the situation of the odnodvortsi settlements, considered as frontier posts, became anomalous, and the military obligations of the odnodvortsi came to be equalized with those of the other peasants of the Treasury." The household tax had been imposed upon the odnod-uortsi, as upon peasants of all classes, on its introduction in the seventeenth century,8 and when the taxation of peasants was readjusted in the time of Peter the Great, the odnodvortsi and the other peasants remained upon an equal footing. Under the Ukase of 2nd September 1724 the principle of " mutual guarantee...

A History of Russia

Pharaoh Key - Tödliche Wüste

Das finale Abenteuer für Gideon Crew, den modernen Indiana Jones – ein actiongeladener Wissenschafts-Thriller aus der Feder des Bestseller-Duos Preston/Child Was tut man, wenn man weiß, dass man nur noch zwei Monate zu leben hat? Gideon Crew geht auf Schatzsuche, denn soeben hat ein jahrelanger Rechenprozess den mysteriösen Phaistos-Diskus entschlüsselt. Zusammen mit Manuel Garza bricht Gideon in eine gottverlassene Wüstengegend an der Grenze zwischen Ägypten und dem Sudan auf. Bereits bei der abenteuerlichen Anreise verlieren sie ihre gesamte Ausrüstung und fast alles Bargeld. Und am Zielort angelangt, müssen sie feststellen, dass sie nicht die Einzigen sind, die sich plötzlich für eines der menschenfeindlichsten Gebiete der Welt interessieren. "Eine absolute Tour de Force. Gideon Crew könnte genauso gut in einem Kracher von Ludlum auftreten oder bei Ocean's Eleven mitmachen." David Baldacci "Douglas Preston und Lincoln Child sind Experten für atemberaubende Spannung, die dem Leser alles abverlangt und abgeht wie eine Rakete." Literaturmarkt.info "Es ist ein klassischer Actionthriller, der bestens unterhält." Neue Luzerner Zeitung zu "Mission – Spiel auf Zeit" Die Gideon Crew-Thriller des Erfolgsduos Preston/Child: Mission – Spiel auf Zeit Countdown – Jede Sekunde zählt Lost Island – Expedition in den Tod Ice Limit – Abgrund der Finsternis

Pharaoh Key - Tödliche Wüste

Don't miss the this exciting, New York Times bestselling adventure from Preston & Child, in which the secrets of a mysterious ancient tablet may point the way to untold treasure--or unspeakable danger. "I just want to be crystal clear about this: if it has value, we're gonna steal it. Are you with me?"Effective Engineering Solutions has been inexplicably shut down and the head of the company, Eli Glinn, has all but vanished. Fresh off a diagnosis that gives him only months to live, Gideon Crew is contacted by one of his coworkers at EES, Manuel Garza, who tells him the two have mere hours to collect their belongings before the office closes forever. After years of dedicated service and several high-risk missions, theirs seems like the most ignoble of terminations-until Gideon and Garza happen upon an incredible discovery.After centuries of silence, a code-breaking machine at EES has cracked the long-awaited translation of a centuries-old stone tablet, the Phaistos Disc, that dates back to an otherwise completely unknown, ancient civilization. The mysteries of the message itself hint at incredible treasures, and perhaps even a world-altering secret. No one remains at EES to take on this most remarkable mission but Gideon and Garza. The two agree to solve the mystery of the disc's message and split the spoils: the perfect parting gift their employer doesn't know he has given.What lies at the end of the trail may save Gideon's life-or bring it to a sudden, shocking close. As Gideon and Garza soon discover, some missions are more dangerous than others. But as Gideon has proved again and again, there's no such thing as too great a risk when you're living on borrowed time.

The Pharaoh Key

Rasante Action trifft eiskalten Grusel: Teil 19 der Thriller-Reihe mit Special Agent Pendergast! Ein grausiger Anblick erwartet eines Morgens die Urlauber auf einer Insel vor Floridas Golfküste: Am Strand des tropischen Paradieses werden über hundert identische blaue Sneaker angeschwemmt – und in jedem von ihnen steckt ein menschlicher Fuß! Special Agent Pendergast ist sich sicher, dass die Gliedmaßen nicht von den Insassen eines kubanischen Gefängnisses stammen, wie die Küstenwache vermutet. Auf eigene Faust lässt er von der Ozeanografin Pamela Gladstone ein Strömungsprofil erstellen, das in eine ebenso unvermutete wie tödliche Richtung weist ... Unterstützt von Constance Greene und Agent Coldmoon legt Aloysius Pendergast sich diesmal mit einem Gegner an, der nicht nur über all ihre Schritte informiert zu sein scheint – er ist auch mächtiger und skrupelloser als jeder Feind, mit dem sie es bislang zu tun hatten. Mit Special Agent Aloysius Pendergast haben die amerikanischen Bestseller-Autoren Preston & Child ein Kult-Ermittler erschaffen, der aus der Thriller-Literatur nicht mehr wegzudenken ist. Ebenso cool wie brillant löst Agent Pendergast mysteriöse, bizarre und unheimliche Fälle, bei denen die Action nie zu kurz kommt. Die Thriller-Reihe mit Special Agent Pendergast ist in folgender Reihenfolge erschienen: Relic – Museum der Angst Attic – Gefahr aus der Tiefe Formula – Tunnel des Grauens Ritual – Höhle des Schreckens Burn Case – Geruch des Teufels

Darc Secret – Mörderische Jagd Maniac – Fluch der Vergangenheit Darkness – Wettlauf mit der Zeit Cult – Spiel der Toten Fever – Schatten der Vergangenheit Revenge – Eiskalte Täuschung Fear – Grab des Schreckens Attac – Unsichtbarer Feind Labyrinth – Elixier des Todes Demon – Sumpf der Toten Obsidian – Kammer des Bösen Headhunt – Feldzug der Rache Grave – Verse der Toten Ocean – Insel des Grauens Bloodless – Grab des Verderbens

OCEAN - Insel des Grauens

BEYOND THE ICE LIMIT That thing is growing again. We must destroy it. The time to act is now... With these words begins Gideon Crew's latest, most dangerous, most high-stakes assignment yet. Failure will mean nothing short of the end of humankind on earth. Five years ago, the mysterious and inscrutable head of Effective Engineering Solutions, Eli Glinn, led a mission to recover a gigantic meteorite--the largest ever discovered--from a remote island off the coast of South America. The mission ended in disaster when their ship, the Rolvaag, foundered in a vicious storm in the Antarctic waters and broke apart, sinking-along with its unique cargo-to the ocean floor. One hundred and eight crew members perished, and Eli Glinn was left paralyzed. But this was not all. The tragedy revealed something truly terrifying: the meteorite they tried to retrieve was not, in fact, simply a rock. Instead, it was a complex organism from the deep reaches of space. Now, that organism has implanted itself in the sea bed two miles below the surface-and it is growing. If it is not destroyed, the planet will be doomed. There is only one hope: for Glinn and his team to annihilate it, a task which requires Gideon's expertise with nuclear weapons. But as Gideon and his colleagues soon discover, the "meteorite" has a mind of its own-and it has no intention of going quietly...

Beyond the Ice Limit

Nora Kelly, a young archaeologist in Santa Fe, receives a letter written sixteen years ago, yet mysteriously mailed only recently. In it her father, long believed dead, hints at a fantastic discovery that will make him famous and rich---the lost city of an ancient civilization that suddenly vanished a thousand years ago. Now Nora is leading an expedition into a harsh, remote corner of Utah's canyon country. Searching for her father and his glory, Nora begins to unravel the greatest riddle of American archeology. but what she unearths will be the newest of horrors...

Thunderhead

NASA is building a probe to be splashed down in the Kraken Mare, the largest sea on Saturn's great moon, Titan. It is one of the most promising habitats for extraterrestrial life in the solar system, but the surface is unstable and dangerous, requiring the probe to be outfitted with artificial intelligence software. Melissa Shepherd, a brilliant programmer, has developed 'Dorothy', a powerful, self-modifying AI whose potential is both revolutionary and terrifying. When miscalculations lead to a catastrophe during testing, Dorothy flees into the internet. Former CIA agent Wyman Ford is tapped to help track down the rogue AI. As Ford and Shepherd search for Dorothy, they realize that her horrific experiences in the wasteland of the Internet have changed her in ways they can barely imagine. And they're not the only ones looking for the wayward program: the AI is also being pursued by a pair of Wall Street traders who want to capture her code and turn her into a high-speed trading bot. Traumatized, angry, and relentlessly hunted, Dorothy devises a plan. As the pursuit of Dorothy converges on a deserted house on the coast of Northern California, Ford faces the question: is rescuing Dorothy the right thing? Is the AI bent on saving the world . . . or on wiping out the cancer that is humankind?

The Kraken Project

Fans of Dan Brown, Clive Cussler and Scott Mariani will love this high-octane, edge-of-your-seat international thriller from the pen of prizewinning author Tom Harper. It has everything you could want: great plot, great pace, great suspense and a great twist... 'In the tradition of The Da Vinci Code, a page-turner of a novel. Like Dan Brown, Tom Harper knows how to ratchet up the tension.' -- Choice 'FANTASTIC FANTASTIC FANTASTIC' -- ***** Reader review 'A page-turner: not a single moment of boredom' -- ***** Reader review 'Could not put it down!' -- ***** Reader review ***** A BRUTAL MURDER. A DAMAGED SURVIVOR. A RACE AGAINST TIME... In a villa on the coast of Montenegro, Abby Cormac witnesses the brutal murder of her lover, diplomat Michael Lascaris. The last thing she remembers is a gun pointed directly at her and wakes to find herself alone and at the centre of a diplomatic nightmare. Everyone wants an answer but no one wants to listen. Even her employers at the Foreign Office believe

she's hiding something. As Abby tries to piece together the last few months of Michael's life in order to get at the truth, she soon realises that he wasn't quite what he seemed. What exactly was his relationship with one of the most ruthless men in the Balkans? And what links Michael's gift to her of a gold necklace, a 4th century manuscript left in the shadow of Emperor Constantine's palace at Trier and an inscription on a tomb in Rome? When Abby investigates further, it becomes clear that someone wants to suppress a secret, one that has been kept hidden for centuries. And they will stop at nothing to do so...

Secrets of the Dead

IN 1695, a notorious English pirate buried his bounty in a maze of booby-trapped tunnels on an island off the coast of Maine. In three hundred years, no one has breached this cursed and rocky fortress. Now a treasure hunter and his high-tech, million-dollar recovery team embark on the perfect operation to unlock the labyrinth's mysteries. First the computers fail. Then the crewmen begin to die. The island has guarded its secrets for centuries, and it isn't letting them go--without a fight.

Riptide

Tens of millions of people around the world are dead. Half of China is a nuclear wasteland. Mysterious flesh-eating spiders are marching through Los Angeles, Oslo, Delhi, Rio de Janeiro, and countless other cities. According to scientist Melanie Gruyer, however, the spider situation seems to be looking up. Yet in Japan, a giant, truck-sized, glowing egg sack is discovered, even as survivors in Los Angeles panic and break the quarantine zone. Out in the desert, survivalists Gordo and Shotgun are trying to invent a weapon to defeat the spiders. But even if they succeed it may be too late, because President Stephanie Pilgrim has been forced to enact the plan of last resort: The Spanish Protocol. Every country must fight for itself. And the spiders are on the move...

Skitter

This book provides insights into the fascinating life of the Lesser Flamingo (*Phoeniconaias minor*) and describes how this enigmatic bird has adapted to the extreme conditions of tropical soda lakes and can even withstand the caustic effects of brine. However, humans are increasingly disrupting the natural cycles of these wetlands, and for these pink birds characteristic of these salt lakes, it is becoming more and more difficult to find suitable habitats, food and breeding grounds. Their fate is considered a cautionary example of man's dealings with nature. Will the Lesser Flamingo survive in a man-made world? Flamingos are considered to be an embodiment of the Phoenix, and the author interweaves his personal experiences with and observations of the flamingos' unusual habitats with the Phoenix motif in order to stimulate reflection on the circle of life. Written in an accessible style that combines science, biological information and the author's own travels and fieldwork, the book also includes a wealth of captivating images. As such, it offers a unique resource for biologists and nature-loving Africa and Asia enthusiasts alike.

Lesser Flamingos

The #1 NYT bestselling authors Preston & Child bring the true story of the ill-fated Donner Party to new life in this thrilling novel of archaeology, history, murder, and suspense. Nora Kelly, a young curator at the Santa Fe Institute of Archaeology, is approached by historian Clive Benton with a once-in-a-lifetime proposal: to lead a team in search of the so-called "Lost Camp" of the tragic Donner Party. This was a group of pioneers who earned a terrible place in American history when they became snow-bound in the California mountains in 1847, their fate unknown until the first skeletonized survivors stumbled out of the wilderness, raving about starvation, murder-and cannibalism. Benton tells Kelly he has stumbled upon an amazing find: the long-sought diary of one of the victims, which has an enigmatic description of the Lost Camp. Nora agrees to lead an expedition to locate and excavate it-to reveal its long-buried secrets. Once in the mountains, however, they learn that discovering the camp is only the first step in a mounting journey of fear. For as they uncover old bones, they expose the real truth of what happened, one that is far more shocking and bizarre than mere cannibalism. And when those ancient horrors lead to present-day violence on a grand scale, rookie FBI agent Corrie Swanson is assigned the case...only to find that her first investigation might very well be her last.

Old Bones

INSTANT NEW YORK TIMES BESTSELLER Gideon Crew--brilliant scientist, master thief--is living on borrowed time. When his mysterious employer, Eli Glinn, gives him an eyebrow-raising mission, he has no reason to refuse. Gideon's task: steal a page from the priceless Book of Kells, now on display in New York City and protected by unbreakable security. Accomplishing the impossible, Gideon steals the parchment--only to learn that hidden beneath the gorgeously illuminated image is a treasure map dating back to the time of the ancient Greeks. As they ponder the strange map, they realize that the treasure it leads to is no ordinary fortune. It is something far more precious: an amazing discovery that could perhaps even save Gideon's life. Together with his new partner, Amy, Gideon follows a trail of cryptic clues to an unknown island in a remote corner of the Caribbean Sea. There, off the hostile and desolate Mosquito Coast, the pair realize the extraordinary treasure they are hunting conceals an even greater shock-a revelation so profound that it may benefit the entire human race . . . if Gideon and Amy can survive.

Krautrock sampler

The world's grandest theme park is a place known for its cutting-edge robots, awe-inspiring holographics, and white-knuckle thrills. Stretching out beneath a vast golden dome in the desert north of Las Vegas, Utopia attracts some 65,000 visitors a day who travel into the pleasure dome via a gleaming monorail to experience state-of-the-art rides, fireworks, light shows, amazing robotics and even a gambling casino. When serious mishaps start to disrupt the once flawless technology and a popular rollercoaster nearly kills a rider, the brilliant computer engineer who designed much of the technology is summoned to put things right. But on the day that Andrew Warne arrives, Utopia finds itself in the grip of something far more sinister and every man, woman and child trapped in the dome are at risk. As the minutes tick away, Warne's struggle to outwit his opponents becomes increasingly urgent - his teenage daughter is just one of the unsuspecting potential victims amongst the crowd in the park. With hair-raising thrills and heart-stopping twists, Lincoln Child takes the reader on a rollercoaster ride which is a complete tour-de-force.

The Lost Island

THE HUNTERS If you seek, they will find... The treasure: For two thousand years, Alexander the Great's legendary tomb - and the extraordinary riches within - has remained hidden, but recent events hold the key to locating the fabled vault. Only one team can solve the mystery that has plagued historians for centuries. The mission: The Hunters - an elite group assembled by an enigmatic billionaire to locate the world's greatest treasures - are tasked with finding the tomb. Following clues to Egypt, they encounter hostile forces determined to stop them. What started as a treasure hunt quickly becomes a rescue mission that will take the lives of hundreds and leave a city in ruins. As the danger mounts, will the Hunters rise to the challenge? Or will the team be killed before they find the ultimate prize? High-octane action. Brilliant characters. Classic Kuzneski.

Utopia

A MOST ANTICIPATED BOOK OF 2019: Entertainment Weekly | USA Today | Parade | Cosmopolitan | New York Post | PopSugar | Goodreads "Jessica Barry's Freefall is not only an enthralling, impossible-to-put down mystery that keeps the pages flying, but it is also a gorgeous, resonant tale of a mother's unconditional love for her daughter. I could not recommend this more!" — Aimee Molloy, New York Times bestselling author of The Perfect Mother "An absorbing treat." — PEOPLE Magazine "The corporate malfeasance and shady conspiracies of John Grisham, with the frank feminism of two rounded female protagonists." — Entertainment Weekly They say your daughter is dead. You know they're wrong. When her fiancé's private plane crashes in the Colorado Rockies, everyone assumes Allison Carpenter is dead. But Maggie, Allison's mother back home in Owl Creek, Maine, refuses to believe them. Maggie knows her daughter – or she used to, anyway. For the past two years, the two women have been estranged, and while Maggie doesn't know anything about Ally's life now – not even why she was on a private plane to begin with – she still believes in her girl's strength, and in their love for each other. As Allison struggles across the treacherous mountain wilderness, Maggie embarks on a desperate search for answers about the world Allison has been involved in. What was she running from? And can Maggie uncover the truth in time to save her? Told from the perspectives of a mother and daughter separated by distance but united by an unbreakable bond, Freefall is a heart-stopping, propulsive thriller about two tenacious women overcoming unimaginable obstacles to protect themselves and the ones they love.

The Forbidden Tomb (The Hunters 2)

INSTANT #1 NEW YORK TIMES BESTSELLER: Agent Pendergast faces his most unexpected challenge yet when bloodless bodies begin to appear in Savannah, GA. A fabulous heist: On the evening of November 24, 1971, D. B. Cooper hijacked Flight 305—Portland to Seattle—with a fake bomb, collected a ransom of \$200,000, and then parachuted from the rear of the plane, disappearing into the night...and into history. A brutal crime steeped in legend and malevolence: Fifty years later, Agent Pendergast takes on a bizarre and gruesome case: in the ghost-haunted city of Savannah, Georgia, bodies are found with no blood left in their veins—sowing panic and reviving whispered tales of the infamous Savannah Vampire. A case like no other: As the mystery rises along with the body count, Pendergast and his partner, Agent Coldmoon, race to understand how—or if—these murders are connected to the only unsolved skyjacking in American history. Together, they uncover not just the answer...but an unearthly evil beyond all imagining.

Freefall

After his wife, Helen, is brazenly abducted before his eyes, Special Agent Pendergast furiously pursues the kidnappers, chasing them across the country and into Mexico. But then, things go terribly, tragically wrong; the kidnappers escape; and a shattered Pendergast retreats to his New York apartment and shuts out the world. But when a string of bizarre murders erupts across several Manhattan hotels-perpetrated by a boy who seems to have an almost psychic ability to elude capture-NYPD Lieutenant D'Agosta asks his friend Pendergast for help. Reluctant at first, Pendergast soon discovers that the killings are a message from his wife's kidnappers. But why a message? And what does it mean? When the kidnappers strike again at those closest to Pendergast, the FBI agent, filled anew with vengeful fury, sets out to track down and destroy those responsible. His journey takes him deep into the trackless forests of South America, where he ultimately finds himself face to face with an old evil that-rather than having been eradicated-is stirring anew... and with potentially world-altering consequences. Confucius once said: "Before you embark on a journey of revenge, first dig two graves." Pendergast is about to learn the hard way just how true those words still ring.

Bloodless

National Book Award finalist Julie Anne Peters delivers a moving, classic love story with a coming out theme and a modern twist. The largest known meteorite has been discovered, entombed in the earth for millions of years on a frigid, desolate island off the southern tip of Chile. At four thousand tons, this treasure seems impossible to move. New York billionaire Palmer Lloyd is determined to have this incredible find for his new museum. Stocking a cargo ship with the finest scientists and engineers, he builds a flawless expedition. But from the first approach to the meteorite, people begin to die. A frightening truth is about to unfold: The men and women of the Rolvaag are not taking this ancient, enigmatic object anywhere. It is taking them.

Two Graves

Wyman Ford is called up for a secret expedition to Cambodia to locate the source of strangely beautiful gemstones that do not appear to be of this world. Meanwhile, a brilliant meteor lights up the Maine coast. Two young women borrow a boat and set out for a distant island anxious to find the impact crater. A scientist at the National Propulsion facility discovers an inexplicable source of gamma rays in the outer Solar System. He is found decapitated and the data missing. High resolution NASA images reveal an unnatural feature hidden in the depths of the crater on Mars - and it appears to have been activated. Sixty hours and counting . . . 'A superb read! Thoughtful and flat-out entertainment - a page-turning thriller. You'll be up all night with this book' Jeffery Deaver on Blasphemy

The Ice Limit

NEW YORK TIMES BESTSELLER • In this riveting, high-octane thriller, an ancient creature is inadvertently released to wreak havoc on the inhabitants of a desolate arctic landscape. Alaska's Federal Wilderness Zone is one of the most dangerous and inhospitable places on Earth. For paleoecologist Evan Marshall, an expedition to the Zone offers an once-in-a-lifetime opportunity to study the mounting effects of climate change. But once there, Marshall and his intrepid team make an astonishing discovery: an enormous prehistoric animal encased in solid ice. Despite repeated warnings from the local village, and Marshall's own mounting concern, the expedition sponsors want the creature cut from the ice, thawed, and revealed on a live television spectacular... But then the creature disappears and an unspeakable horror is unleashed. Don't miss Lincoln Child's new thriller, *Chrysalis*!

Impact

In this #1 New York Times bestseller, FBI Agent Pendergast reluctantly teams up with a new partner to investigate a rash of Miami Beach murders . . . only to uncover a deadly conspiracy that spans decades. After an overhaul of leadership at the FBI's New York field office, A. X. L. Pendergast is abruptly forced to accept an unthinkable condition of continued employment: the famously rogue agent must now work with a partner. Pendergast and his new colleague, junior agent Coldmoon, are assigned to investigate a rash of killings in Miami Beach, where a bloodthirsty psychopath is cutting out the hearts of his victims and leaving them with cryptic handwritten letters at local gravestones. The graves are unconnected save in one bizarre way: all belong to women who committed suicide. But the seeming lack of connection between the old suicides and the new murders is soon the least of Pendergast's worries. Because as he digs deeper, he realizes the brutal new crimes may be just the tip of the iceberg: a conspiracy of death that reaches back decades.

Terminal Freeze

A Cincinnati detective questions everything he knows--and everyone he trusts--in the new novel of romantic suspense from New York Times bestseller Karen Rose. Homicide detective Adam Kimble is no stranger to battling demons. But Meredith Fallon is a different kind of weakness: one that could actually be good for him, if only he would let himself depend on her. Meredith has loved Adam for a year, and seeing how hard he's worked to deal with his PTSD makes her feelings only stronger, but she respects his needs. Her work keeps her busy anyway: she counsels sexually abused women like Mallory Martin to help them reintegrate into the world. But someone doesn't want Meredith helping women like Mallory, and Meredith finds herself in the crosshairs of a very determined killer. Adam would risk anything for her, but they'll soon find out she isn't the only target...

Verses for the Dead (Free Preview: The First Four Chapters)

Special Agent Pendergast and Constance Greene have been called to Exmouth, a small town on the wild Atlantic coast of Massachusetts, to investigate a seemingly innocuous theft. But what they discover at the crime scene changes the course of their investigation: a sealed burial chamber, complete with rusted leg irons, fragments of bone and claw marks on the inside-face of its bricks. Then a historian is found murdered in the desolate salt marshes that surround the town, his face mutilated, his body carved with arcane symbols. Exmouth has a grim history dating back to the aftermath of the Salem witch trials. And now a dark secret, centuries old, is rising to the surface.

Edge of Darkness

An out-of-control arsonist seeking revenge. A fireman and a detective on his tail. **COUNT TO TEN** is a compulsive thriller, part of the Chicago series, by Sunday Times bestseller Karen Rose. Abandoned years ago to the foster-care system, two young brothers end up in an unimaginable hell and when one dies, the other vows revenge on those responsible. Chicago Fire department veteran Reed Solliday immediately knows he needs help when an autopsy reveals that a young girl found in the wreckage of an explosion was raped and murdered before fire ripped through the house. Determined to bury herself in work after her partner is shot, Detective Mia Mitchell understands Solliday's case will be her most challenging to date. An arsonist who has escalated in this way is rare and they both know time to find him is running out....

Crimson Shore

New York Times bestseller **A TRAGIC DISAPPEARANCE** After a harrowing, otherworldly confrontation on the shores of Exmouth, Massachusetts, Special Agent A.X.L. Pendergast is missing, presumed dead. **A SHOCKING RETURN** Sick with grief, Pendergast's ward, Constance, retreats to her chambers beneath the family mansion at 891 Riverside Drive--only to be taken captive by a shadowy figure from the past. **AN INTERNATIONAL MANHUNT** Proctor, Pendergast's longtime bodyguard, springs to action, chasing Constance's kidnapper through cities, across oceans, and into wastelands unknown. **BUT IN A WORLD OF BLACK AND WHITE, NOTHING IS AS IT SEEMS** And by the time Proctor discovers the truth, a terrifying engine has stirred--and it may already be too late . . .

Count to Ten (The Chicago Series Book 5)

The case that will make Detective Antoinette Conway's murder squad career. Or break it. There's the murder squad you set your sights on, back at the beginning of your career: the one where you're playing knife-edge mind-games with psychopathic geniuses. And there's the one you actually work on. The night shifts. The vicious pranks that go too far. Sifting the dregs for the case that might just be special. Tonight's case isn't it. Uniforms call it in as a slam-dunk domestic. Except when Conway takes a good look at the victim's face, she realises she's seen her somewhere before. And she knows there's a different answer. And it takes her breath away. This is the case she imagined. Precision-cut and savage, lithe and momentous.

The Obsidian Chamber

'Breathtaking -- an elaborately twisted ballad of class resentments, family burdens, regret and passion' The Washington Post 'An author of exceptional talent and insight' Sunday Independent 'In all your life, only a few moments matter. I was lucky. I got to see one of mine face to face, and recognise it for what it was.' The course of Frank Mackey's life is set by one defining moment when he was nineteen. The time his girlfriend, Rosie Daly, failed to turn up for their rendezvous in Faithful Place, failed to run away with him to London as planned. Frank never heard from, or of, her again. Twenty years on, Frank is still in Dublin, working as an undercover cop. He's cut all ties with his dysfunctional family. Until his sister calls to say that Rosie's suitcase has been found ...

The Trespasser

The international award-winning, bestselling phenomenon, now available in English for the first time. Tomorrow, the sun will rise for the first time in 40 days. Thirty minutes of daylight will herald the end of the polar night in Kautokeino, a small village in northern Norway, home to the indigenous Sami people. But in the last hours of darkness, a precious artifact is stolen: an ancient Sami drum. The most important piece in the museum's collection, it was due to go on tour with a UN exhibition in a few short weeks. Hours later, a man is murdered. Mattis, one of the last Sami reindeer herders, is found dead in his gumpy. Are the two crimes connected? In a town fraught with tension--between the indigenous Samis fighting to keep their culture alive, the ultra-Lutheran Scandinavian colonists concerned with propagating their own religion, and the greedy geologists eager to mine the region's ore deposits--it falls to two local police officers to solve the crimes. Klemet Nango, an experienced Sami officer, and Nina Nansen, his much younger partner from the south of Norway, must find the perpetrators before it's too late... THIS EDITION INCLUDES A READING GROUP GUIDE

Faithful Place

For use in schools and libraries only. Investigating a series of savage murders that disrupt a massive new exhibition at the New York Museum of Natural History, graduate student Margo Green finds a clue in a failed Amazonian expedition.

Forty Days Without Shadow

"It has been a good summer for forensics expert Dr David Hunter. His relationship is going well and he's in demand again as a police consultant. His life seems to be on an even keel. But not for long. The call comes from an old associate: a body has been found, and she'd like Hunter to take a look ... St Jude's Hospital now stands empty. Slowly rotting and silently awaiting demolition, the vast, oppressive building's only visitors have been society's outcasts, addicts and dealers. And it's here that the partially mummified corpse has been discovered. Hunter is not sure how long the body has been hidden in the hospital's cavernous loft, but he's seen enough to know it's a young woman. And that she was pregnant.

As the remains are removed for closer examination, a floor collapses revealing a previously sealed off part of a ward. Bricked up inside this hidden chamber are three beds. Two of them are occupied ... What other grisly secrets will St Jude's reveal? The local community is alarmed and the police need answers. For David Hunter, what began as a challenging if straightforward case is about to become a twisted nightmare threatening him and those around him."--Provided by publisher.

The Relic

At a snowbound inn on the edges of the Northern Kingdom, a blizzard keeps the guests trapped for several days. Among them are miners, nobles, fearsome bandits and an old warrior called Havalð, who seeks nothing but warmth while he waits for death. Then a mysterious guest appears: Leandra, a half-elf swordmage who is sent on a mission by the queen of Illian. She wants to find the mythical city of Askir, the long-forgotten capital of a once powerful empire. When Havalð uncovers that a dangerous creature is hiding among the guests of the inn, he and Leandra are forced to work together and confront an ancient power ...

The Scent of Death

Introducing Gideon Crew: trickster, prodigy, master thief At twelve, Gideon Crew witnessed his father, a world-class mathematician, accused of treason and gunned down. At twenty-four, summoned to his dying mother's bedside, Gideon learned the truth: His father was framed and deliberately slaughtered. With her last breath, she begged her son to avenge him. Now, with a new purpose in his life, Gideon crafts a one-time mission of vengeance, aimed at the perpetrator of his father's destruction. His plan is meticulous, spectacular, and successful. But from the shadows, someone is watching. A very powerful someone, who is impressed by Gideon's special skills. Someone who has need of just such a renegade. For Gideon, this operation may be only the beginning . . .

The First Horn

An informative in-depth look at the lives of several extraterrestrials (E.T.'s), Extraterrestrial Biological Entities (E.B.E.'s), and aliens, what their lives are like on their planets in their galaxies, what their spaceships are like, and how they are connected to us here on Earth. In addition, the book delves into how they are important to our religion and military strength. This novel also looks at some historical revelations, future predictions, and current happenings including an interesting collection of anecdotes regarding an ex-CIA agent who gets his wishes granted. It's the author's intention to, at the very least, bridge the gaps that exist between the religions of our generation. One gap is between our present long standing accepted knowledge of our concept of God, and our comprehensible real God. As well, a gap exists between how we are told we should interpret and demonstrate the meaning of God and how we show our faith and prove our belief in the living Creator. These are some things that the author thinks everyone needs to know about God, Satan, and UFOs. This book has been a long time in the making, twenty years, but somehow it still manages to remain ahead of its time, in most cases.

Gideon's Sword

Summoned to a remote oil rig to diagnose a strange medical ailment among the rig workers, ex-Navy physician Peter Crane soon discovers that the condition is linked to the underwater excavation being done at science research station Deep Storm.

Les Avaries

"A timely, speculative thought experiment in perspective, privilege, and identity." —Kirkus "The conceit behind Shusterman's latest is truly unique. While it exhibits the author's usual storytelling aplomb, it also manages to delve into more serious and timely subject matter, such as racism, sexism, and homophobia. Despite these heavy topics, the story still moves at a lively pace and, thanks to a zany sci-fi twist, manages to pack in a few laughs as well." —Booklist All it takes is one hit on the football field, and suddenly Ash's life doesn't look quite the way he remembers it. Impossible though it seems, he's been hit into another dimension—and keeps on bouncing through worlds that are almost-but-not-really his own. The changes start small, but they quickly spiral out of control as Ash slides into universes where he has everything he's ever wanted, universes where society is stuck in the past...universes where he finds himself looking at life through entirely different eyes. And if he isn't careful, the world he's learning to see more clearly could blink out of existence... This high-concept novel from the National Book

Award-winning and New York Times-bestselling author of the Arc of a Scythe series tackles the most urgent themes of our time, making this a must-buy for readers who are starting to ask big questions about their own role in the universe.

Game Changer

How Would You Survive as an Aztec?

Describes Aztec home life, families, farming, meals, work, clothing, trade, festivals, government, wars, health, and beliefs.

Co Ed Usa

From chocolate to chewing gum to the Day of the Dead, the Aztecs continue to influence all aspects of contemporary life. Read this book to find out more about how we encounter links to the ancient world every day.

What Did the Aztecs Do For Me?

It's the year 1492, the height of the Aztec Empire, and Ten Vulture is learning to become a priest—and a deadly warrior. On his adventures, he has to learn a secret language and rituals and make human sacrifices to the gods. Visit the largest city in the Americas and take part in the ultimate bloodletting ceremony alongside Ten Vulture. You'll need a courageous heart and a strong stomach!

How to Live Like an Aztec Priest

The Aztec Empire did not recoil from the face of an impending doom, they struggled faithfully. Destined to emerge from their humble beginnings, it grew into a highly-complex devoted civilization refusing to live at the mercy of more neighboring powerful rulers. Their powerful pochteca combed the valley for luxury items while markets dotted their lands. Inside you will find... Introduction How the Aztecs Are Portrayed and How Their History Survives Defining Moments and their Search to Expand and Save the World Their Philosophy: its Impact on Social Life and How it Served the Kings Conclusion Isolated from the Old World until the devastating Spanish conquest, the Aztec m c hualtin (commoners) and nobles enhanced their positions while kings and relentless warriors dealt with the political realities of powerful dynasties and rivaling kingdoms. They developed a philosophy, an order and a society built on loyalty, stoic honor and sacrifice as they embraced the temporary nature of things. Investigate the era of the Fifth Sun and what defined the Aztecs and their relationship with the divine.

The Aztecs

It's About Forgiveness by Albi Gorn. A delightful comedy about a man who seeks out his wife in heaven to ask for forgiveness. When The Cherry Blossoms Bloom by Steven A. Shapiro. Two joggers who meet in a park breathe life into each other's lives. Do Us Part by Alan Lutwin. Sometimes forgetfulness can be the best tonic for soothing the stress of a long-term relationship. Love-This Game Is Real by Tremaine Hickman. A poetic story about a girl and a guy anxiously waiting to play the game of love without getting played. Cause And Regret Loss Of Sanity by Frank Tamez. A woman at a Bus Stop contemplates regret and guilt while life interjects in this surreal world of love, loss and lust. Other plays include: About The Rabbits by Frank O'Donnell; Summer's Time by Michael Alvarez; Virgin Rock by Kevin Christopher Snipes; Loyal Companion by Joseph Wohlgemuth; The Upside Down Mirror by Emanuel Fleischmann; Protect The Crotch by Tim J. MacMillan; Madrid by Paul M. Buzinski; Requiem For A Life by Tony Macy-Perez; Fun On The Bayou by Vivian Neuwirth; Grave Concerns by Susan E. Sneeringer; Cut Short by Jonathan Zungre; The ABC Slump by Ernest Curcio; and many more!

The Best Plays from the Strawberry One-Act Festival

*Discusses the legends and controversies surrounding Montezuma's life and death, and the conquest of the Aztec Empire by Cortes *Describes the Aztec Empire, the city of Tenochtitlan, and the human sacrifice rituals. *Includes pictures of historic art depicting Montezuma and important people, places, and events. "Cortés and all of us captains and soldiers wept for him, and there was no one among us that knew him and had dealings with him who did not mourn him as if he were our father, which was not surprising, since he was so good. It was stated that he had reigned for seventeen years, and was the best king they ever had in Mexico, and that he had personally triumphed in three wars against countries he had subjugated. I have spoken of the sorrow we all felt when we saw that Montezuma was dead. We even blamed the Mercederian friar for not having persuaded him to become a Christian." - Bernal Díaz del Castillo Nearly 500 years after his death and the demise of his empire, Moctezuma II is the most famous ruler of the most famous civilization in the New World, the Aztec. For centuries the legends surrounding his life and the conquest of the Aztecs by Hernan Cortes have fascinated readers and historians alike. Moctezuma was born around 1466 in the legendary Aztec city of Tenochtitlan and into the ruling family of the Aztec Confederacy. In the Nahuatl language, his name means "Angry Lord" or "Strong Armed Lord," and he was the ninth ruler of the Aztecs, who called their leaders tlatoani. Though he is the best known ruler of the Aztec today, he was actually the second Aztec tlatoani to bear the name Moctezuma, after he assumed the throne from his uncle. The Spanish conquest of the Aztec and some of the myths and legends surrounding it have made his name (and variations of it like Montezuma) instantly recognizable around the globe, his life is shrouded in mystery; Bernal Diaz del Castillo's *The Conquest of New Spain* and Miguel Leon-Portilla's translation of the Aztec observation of the conquest, *The Broken Spears*, recorded but a few details about the last Aztec ruler's life. Also, these two sources are only concerned with the circumstances surrounding the Spanish conquest of the Aztecs and therefore only deal with the very end of Moctecuma II's life and reign. Thus, his early life largely remains a mystery. So what is known about the famous Aztec ruler? Naturally, there is still a fierce debate over what happened during the conquest of the Aztec, and one of the most controversial episodes of the conquest was Moctezuma's death. But all of the sources agree that Moctezuma - sometimes called Moctezuma the Younger - generally possessed a reputation as a valiant warrior and was considered a courageous combat leader among his people. Myths and legends have helped fill in the blanks, regardless of their accuracy, and many of them have since become the best known details of Moctezuma's life. *The Last Emperor of the Aztecs* chronicles the life and legacy of the famous ruler and examines the myths, legends and historical accounts in an attempt to separate fact from fiction. Along with pictures of famous art depicting important people, places, and events, you will learn about Moctezuma II like you never have before.

The Last Emperor of the Aztecs

Did you know that the Aztecs sacrificed 500 to 700 people every year in order to satisfy Gods? For many years, the Aztecs have captured our imaginations. Stories from the original European invaders combined with unique, awe-inspiring ruins and legends that speak of palaces of gold create an image of Aztec society defined by grandeur, wealth, and splendor. But who exactly were the Aztecs? Where did they come from? How did they rise to control such a wide expanse of land? And if they were so powerful, how was it possible for them to fall from power and dominance just three years after contact was first made with the Spaniards? These are just some of the questions that this new captivating history book aims to answer. In *Aztec History: A Captivating Guide to the Aztec Empire, Mythology, and Civilization* you will discover topics such as: Where Did the Aztecs Live? The Truth About Who the Aztecs Really Were Remarkable Insights into Government, City-States, and Expansion The Arrival of the Spanish and the Decline of the Empire A Day in the Life of an Aztec Citizen The Sovereign, the Dignitaries, and the Nobles Agriculture and Diet Religion Shocking Discoveries of Human Sacrifice And much, much more! Discusses Montezuma's life and death, and the conquest of the Aztec Empire by Cortes.

The Last Emperor of the Aztecs

Make the most of your next road trip with these essential tips and tricks for planning the ultimate epic adventure. During COVID-19, we've all had to find different ways to travel. From the disruptions of airlines to the possibility of many travel restrictions at your destination, the car has become a more attractive (and safer) option. One part Bushcraft 101 and one part vacation planning workbook, *The Road Trip Survival Guide* provides guidance for new road trippers as well as essential tips and tricks for even the most experienced roadsters including: -How to organize your car for trips -Packing lists for different types of vacations, from city breaks to outdoor adventures -How to develop the perfect road trip itinerary that will suit the whole family -Recipes and recommendations for the best car snacks (easy access and less mess!) -Tips and tricks for making your trip more eco-friendly -How to reroute a road trip gone wrong -And more! *The Road Trip Survival Guide* is a must-have for anyone planning a vacation. Perfectly designed to fit in a glove box or back-seat pocket, you can now stop dreaming, hit the open road, and start experiencing the perfect road trip.

The Road Trip Survival Guide

Rene Perez has the ability to stop time. In fact, time stops as soon as you start reading one of his short stories. You find yourself transported into the minds and lives of people you thought you didn't know. Suddenly they are your best friends. They live in Texas. Most of them are Hispanic. But their problems are universal. Like Alfredo, driving home from Dallas to Greenton with the body of his friend "Frankie" Ochoa in the back of his hearse and his son Ramon ready to drive if Alfredo's eyesight fails again. Or Joey, just back from basic training and ready to ship out with his Marine platoon. He's having beers with his best friend J.R. at Flojo's, a bar outside of Greenton run by Liz and Vicente, "the toughest couple in town." Or Benny, who drops into Flojo's for the first time in years and finds his one-time friend Gumby drinking himself into oblivion. Turns out Gumby's luck is even worse than Benny's. Or Virginia, the schoolteacher who's trying to become better educated in the hope that her son who went to Stanford will come back home to Corpus Christi. Or Eric, who spent all his money on two flashy wheels for his car and put them both on the passenger side so that they'll impress everyone on the sidewalk as he passes. Or Andy, who breaks into a home he's always wanted to see from the inside. You'll want to know them all. And you will count yourself fortunate to have met them.

Highway Construction Practices in the State of Arizona

Who is Itzamna? What is Xolotl? Why are myths so important in our lives? Myths are a rich source of history. People use them to make sense of our world. Even before myths were written down, people told and retold the stories of the gods and goddesses of their homeland. Readers of Mayan and Aztec Mythology will learn the history of myths, as well as their deeper meaning. From the Aztec feathered serpent god Quetzalcoatl to the Mayan rain god Chac, this book helps kids understand the myths that shape and direct people's lives. *Abdo & Daughters* is an imprint of Abdo Publishing, a division of ABDO.

Along These Highways

The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001) In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. *Pyramid of Fire* is an epic poem that provides a vehicle to transport the initiate into the higher realms of

consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

Mayan and Aztec Mythology

An offbeat look at past civilisations Focusing on the unusual, this new series explores ancient worlds and cultures from a very different point of view. Did you know that one of the greatest Viking warriors was called Thorbjorn the Feeble? Or that a Roman tournament once involved 10,000 gladiators and 11,000 wild animals? Each book contains a table of contents, a glossary and an index.

Pyramid of Fire: The Lost Aztec Codex

The Aztecs

If you are curious about how the extraordinary Aztecs lived and ran their empire, then keep reading! The remarkable Aztecs formed a vast, organized empire renown for military prowess, expansive trade, intriguing culture, and ingenious agriculture - all from an island in a swamp. But where was their mysterious homeland of Aztlan? How did they ascend to dominance in the Valley of Mexico? Explore the mesmerizing origins of the Aztecs, discover how a wandering desert tribe came to rule much of present-day Mexico, and investigate the spectacular - albeit somewhat depraved - culture that set their civilization apart. This easy-to-read, comprehensive, and engaging history of the Aztec Empire will unlock the little-known and awe-inspiring stories and culture of a legendary people. This well-researched and authoritative presentation, accompanied by striking illustrations, brings the Aztec civilization to life. Here are some of the fascinating questions you will explore: What secrets have recent archaeological finds uncovered about the Aztecs and other Mesoamerican cultures? How did the startling cultures that existed before the Aztecs influence them? What made these pre-existing cultures famous? What prophecies propelled the Mexica into their empire-building destiny and formed their self-identity? Why did the Mexica build their astonishing city on an island in the middle of a lake? How did it grow into one of the largest cities in the world at that time? Was their mysterious homeland of Aztlan a real place? If so, where was it? What's this story about an eagle on a cactus eating a rattlesnake? How did the Mexica turn the tables to rule over the tribes that once dominated them? What intrigue led to the coalition armies and the Triple Alliance? How did the Aztecs form their extensive network of power and organize their far-flung city-states? What were their mythology and religion like? Did they actually practice human sacrifice? How did they use their stunning sculptures and brilliant artwork as a type of propaganda? Were they really one of the first civilizations to require education for all classes and both boys and girls? What did they eat? Was it anything like present-day Mexican food? How did the common people live? What did they do for fun? What did the Aztecs do when the Spaniards landed in their territory? How did conquistador Hernán Cortés cunningly form alliances with the Aztecs' enemies? And much, much more! Scroll up and click the "add to cart" button to learn more about the incredible Aztecs!

Mexican Vistas

*Includes pictures *Includes Spanish accounts of the Aztec's human sacrifices *Includes footnotes and a bibliography for further reading "They strike open the wretched Indian's chest with flint knives and hastily tear out the palpitating heart which, with the blood, they present to the idols...They cut off the arms, thighs and head, eating the arms and thighs at ceremonial banquets. The head they hang up on a

beam, and the body is...given to the beasts of prey." - Bernal Diaz, a Spaniard who described the Aztec's human sacrifice From the moment Spanish conquistador Hernan Cortés first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans, the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. As a result, even though the Aztecs continue to interest people across the world centuries after their demise, it has fallen on archaeologists and historians to try to determine the actual history, culture, and lives of the Aztecs from the beginning to the end, relying on excavations, primary accounts, and more. That said, more is known about Aztec religious practices than any other aspect of their culture, mostly because the major element in the public ceremonies was focused on human sacrifice. The rituals were apparently so gruesome that they horrified even the Spanish, who were not exactly known for their gentility when it came to war and religious fervor. A Spaniard named Bernal Diaz described what happened at one religious ceremony: "They have a most horrid and abominable custom which truly ought to be punished and which until now we have seen in no other part, and this is that, whenever they wish to ask something of the idols, in order that their plea may find more acceptance, they take many girls and boys and even adults, and in the presence of these idols they open their chests while they are still alive and take out their hearts and entrails and burn them before the idols, offering the smoke as sacrifice. Some of us have seen this, and they say it is the most terrible and frightful thing they have ever witnessed." Naturally, Cortés and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. The Spanish used the Aztec's religious practices as a justification for Cortés' conquest, but even though the Spanish attempted to burn as much as they could, plenty of information about Aztec mythology also survived. The Mythology and Religion of the Aztec examines the history and legacy of the religion practiced by the famous Mesoamerican empire. Along with pictures and a bibliography, you will learn about Aztec religion and mythology like you never have before, in no time at all.

Highway Construction Practices in the State of New Mexico

Who were the Aztecs and where did they live? What games did the Aztec children play? Find the answers to these fascinating questions -- and many more -- in this beautifully illustrated volume. Children will find out how the Aztecs lived, what their homes were like, why their gods played such a major role in their lives, and why and how they fought battles and invaded other lands. They'll discover Aztec household goods, food, clothes, weapons, customs and ritual artifacts, writings, and many other things. The back cover forms an exciting fold-out game which lets readers rewrite history when they take on the roles of Montezuma and Cortes as they battle in a final conquest for the Aztec lands. Also included are a pictorial map of the Aztec lands and a fold-out time line.

The Aztec Empire: an Enthralling Overview of the History of the Aztecs, Starting with the Settlement in the Valley of Mexico

Aztec History The Aztec Empire did not recoil from the face of an impending doom, they struggled faithfully. Destined to emerge from their humble beginnings, it grew into a highly-complex devoted civilization refusing to live at the mercy of more neighboring powerful rulers. Their powerful pochteca combed the valley for luxury items while markets dotted their lands. Inside you will find... - Introduction - How the Aztecs Are Portrayed and How Their History Survives - Defining Moments and their Search to Expand and Save the World - Their Philosophy: its Impact on Social Life and How it Served the Kings - Conclusion Isolated from the Old World until the devastating Spanish conquest, the Aztec macehualtin (commoners) and nobles enhanced their positions while kings and relentless warriors dealt with the political realities of powerful dynasties and rivaling kingdoms. They developed a philosophy, an order and a society built on loyalty, stoic honor and sacrifice as they embraced the temporary nature of things. Investigate the era of the Fifth Sun and what defined the Aztecs and their relationship with the divine.

The Mythology and Religion of the Aztec

This is a humorous entertaining adventure story. You are there in the center of a government investigation of a terrorist group operating in London, England. Bill Bund, Foreign Service Agent, as the head of a Rapid Response Team, has to stop the sinister Adolpho Barco reign of terror on an embassy building somewhere in the world. Time is running short. Watch Bund's team move into action. A romantic interlude with a pretty woman adds spice to this thriller. Will the citizens of London fall prey to an evil crooked man? Can good detective work prevent an attack? Brace yourself for an inside view of a fight between good and evil.

Aztec Times

Read for FREE with Kindle Unlimited! Aztec Mythology: A Comprehensive Guide to Aztec Mythology including Myths, Art, Religion, and Culture Do you want to learn about Aztec Mythology? The Aztecs originated as a nomadic tribe in northern Mexico around the beginning of the 13th century. From their magnificent capital city of Tenochtitlan, the Aztecs rose to become one of the most powerful empires in Mesoamerica by the 16th century. They built a vast empire through military conquest and tribute, which brought many other city-states under their control. In 1519, Spanish conquistador Hernán Cortés arrived at Tenochtitlan, where he captured the Aztec emperor Moctezuma II and eventually destroyed the Aztec civilization. The legacy of the Aztecs lives on today, but they are often misunderstood as a primitive hunter-gatherer society. In fact, they were highly advanced, with a complex social hierarchy, a sophisticated calendar system, and a rich mythology. Their name "Aztec" comes from the Nahuatl word "Aztlān," which means "White Land." This book explores the origins of the name, the history of the Aztecs, and their culture, art, religion, and mythology. It also includes a preview of what you'll learn in the full guide.

Reports and Documents

*Includes pictures of Aztec art, ruins, and more. *Includes art depicting Montezuma and important people, places, and event in his life. *Describes daily life for the Aztecs, including the legendary city of Tenochtitlan and their infamous human sacrifice rituals. *Includes Hernan Cortés's Second Letter to Holy Roman Emperor Charles V, one of the most descriptive firsthand accounts of the Aztecs and Tenochtitlan. "Cortés and all of us captains and soldiers wept for him, and there was no one among us that knew him and had dealings with him who did not mourn him as if he were our father, which was not surprising, since he was so good. It was stated that he had reigned for seventeen years, and was the best king they ever had in Mexico, and that he had personally triumphed in three wars against countries he had subjugated. I have spoken of the sorrow we all felt when we saw that Montezuma was dead. We even blamed the Mercederian friar for not having persuaded him to become a Christian." - Bernal Díaz del Castillo From the moment Spanish conquistador Hernan Cortés first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans, the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. Naturally, Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. The Spanish conquest of the Aztec and some of the myths and legends surrounding it have made the name of its last emperor (and variations of it like Moctezuma and Montezuma) instantly recognizable around the globe. Still, Moctezuma II's life is shrouded in mystery; Bernal Diaz del Castillo's *The Conquest of New Spain* and Miguel Leon-Portilla's translation of the Aztec observation of the conquest, *The Broken Spears*, recorded but a few details about the last Aztec ruler's life. Also, these two sources are only concerned with the circumstances surrounding the Spanish conquest of the Aztecs and therefore only deal with the very end of Moctecuma II's life and reign. Thus, his early life largely remains a mystery. So what is known about the famous Aztec ruler? Naturally, there is still a fierce debate over what happened during the conquest of the Aztec, and one of the most controversial episodes of the conquest was Moctezuma's death. But all of the sources agree that Moctezuma - sometimes called Moctezuma the

Younger - generally possessed a reputation as a valiant warrior and was considered a courageous combat leader among his people. Myths and legends have helped fill in the blanks, regardless of their accuracy, and many of them have since become the best known details of Moctezuma's life. Montezuma and the Aztecs chronicles the Aztecs' lives, religion, art, cities, and empire, in an attempt to better understand the once dominant civilization. It also chronicles the life and death of its famous ruler and examines the myths, legends and historical accounts in an attempt to separate fact from fiction. Along with pictures of famous art depicting important people, places, and events, you will learn about Montezuma and the Aztecs like you never have before.

Report

How did the Aztecs write? What were the floating gardens of Lake Texcoco? How was the Aztec game of tlachtli like our modern game of basketball? Book jacket.

Aztec Civilization

"Can you imagine surviving in the rainforest? How did the Aztecs do it thousands of years ago and even develop a thriving civilization? This book explores the ... world of the Aztec Empire, from their gods and palaces to the secrets they carved into buildings. Readers also study Aztec artifacts, and piece together what they've learned to draw their own conclusions about each ... item"--Publisher description.

Foreign Agent

Widely considered one of the most important voices in the Chicano literary canon, José Antonio Burciaga was a pioneer who exposed inequities and cultural difficulties through humor, art, and deceptively simple prose. In this anthology and tribute, Mimi R. Gladstein and Daniel Chacón bring together dozens of remarkable examples of Burciaga's work. His work never demonstrates machismo or sexism, as he believed strongly that all Chicano voices are equally valuable. Best known for his books Weedee Peepo, Drink Cultura, and Undocumented Love, Burciaga was also a poet, cartoonist, founding member of the comedy troupe Cultura Clash, and a talented muralist whose well-known work The Last Supper of Chicano Heroes became almost more famous than the man. This first and only collection of Burciaga's work features thirty-eight illustrations and incorporates previously unpublished essays and drawings, including selections from his manuscript "The Temple Gang," a memoir he was writing at the time of his death. In addition, Gladstein and Chacón address Burciaga's importance to Chicano letters. A joy to read, this rich compendium is an important contribution not only to Chicano literature but also to the preservation of the creative, spiritual, and political voice of a talented and passionate man.

Arizona Highways

This case study is about the Aztecs of Central Mexico, a people who dominated a vast area of what is now Mexico by the time the Spanish conquistadors arrived in A.D. 1519, but who had humble beginnings as despised nomads. The story of the confrontation and the defeat of the Aztecs by the small force of Spaniards led by Hernan Cortes is told in the last chapter.

The Aztecs

This activity book features 25 projects such as making a surface survey of a site, building a screen for sifting dirt and debris at a dig, tracking soil age by color, and counting tree rings to date a find, teaches kids the techniques that unearthed Neanderthal caves, Tutankhamun's tomb, the city of Pompeii, and Tenochtitlan, capital of the Aztec empire. Kids will delight in fashioning a stone-age tool, playing a seriation game with old photographs of cars, "reading" objects excavated in their own backyards, and using patent numbers to date modern artifacts as they gain an overview of human history and the science that brings it back to life.

The Last Supper of Chicano Heroes

This book is dedicated to exploring the gods and goddesses that the Aztec people on the pre-Columbian American continent worshiped, and within the pages you will find subtopics like: The origins and influences on Aztec beliefs, or in other words: Where they got it all from. The most important themes in Aztec mythology. Gods and goddesses, and their background stories, from Aztec mythology. Aztec myths about the creation of the world. Details about the Aztec empire, their art, religion, and more. Legends about Aztec women who became goddesses after they died from childbirth. Aztec mythology

is intricate, complex, and the ideals behind some of their mythological beliefs were often intertwined with real life events. This book will examine how both myth and fact contributed to the culture and traditions of the Aztecs, and how these influences and some stories continue to live on throughout the centuries. Add this book to cart now.
