This is my biggest passion in the sales training space ...

Intro

Drop the enthusiasm

They don't want the pitch

3. Pressure is a "No-No"

It's about them, not you

5. Get in their shoes

We need to create value through our questions

"No" isn't bad

If you feel it, say it

Get deep into their challenges

Tie those challenges to value

Make it a two-way dialogue

Budget comes later

selling value, value-based selling, sales techniques, customer value, persuasion skills

Mastering the art of selling value is crucial for long-term sales success. This approach focuses on highlighting the benefits and worth your product or service offers to the customer, rather than solely emphasizing price. By understanding and communicating the inherent value, you can build stronger relationships, increase customer loyalty, and ultimately drive revenue growth.
