## Buried by the Times

### Publisher Description

## Buried by the Times

An in-depth look at how The New York Times failed in its coverage of the fate of European Jews from 1939–45. It examines how the decisions that were made at The Times ultimately resulted in the minimizing and misunderstanding of modern history's worst genocide. Laurel Leff, a veteran journalist and professor of journalism, recounts how personal relationships at the newspaper, the assimilationist tendencies of The Times' Jewish owner, and the ethos of mid-century America, all led The Times to consistently downplay news of the Holocaust. It recalls how news of Hitler's 'final solution' was hidden from readers and - because of the newspaper's influence on other media - from America at large. Buried by The Times is required reading for anyone interested in America's response to the Holocaust and for anyone curious about how journalists determine what is newsworthy.

## Buried

A SUNDAY TIMES BESTSELLER 'Tender, fascinating ... Lucid and illuminating' Robert Macfarlane  
Funerary rituals show us what people thought about mortality; how they felt about loss; what they believed came next. From Roman cremations and graveside feasts, to deviant burials with heads rearranged, from richly furnished Anglo Saxon graves to the first Christian burial grounds in Wales, Buried provides an alternative history of the first millennium in Britain. As she did with her pre-history of Britain in Ancestors, Professor Alice Roberts combines archaeological finds with cutting-edge DNA research and written history to shed fresh light on how people lived: by examining the stories of the dead. PRE-ORDER CRYPT, THE FINAL BOOK IN ALICE ROBERTS' BRILLIANT TRILOGY – OUT FEBRUARY 2024.

## Plunder

From a gifted young writer, the story of his quest to reclaim his family's apartment building in Poland--and of the astonishing entanglement with Nazi treasure hunters that follows Menachem Kaiser's brilliantly told story, woven from improbable events and profound revelations, is set in motion when the author takes up his Holocaust-survivor grandfather's former battle to reclaim the family's apartment building in Sosnowiec, Poland. Soon, he is on a circuitous path to encounters with the long-time residents of the building, and with a Polish lawyer known as "The Killer." A surprise discovery--that his grandfather's cousin not only survived the war, but wrote a secret memoir while a slave laborer in a vast, secret Nazi tunnel complex--leads to Kaiser being adopted as a virtual celebrity by a band of Silesian treasure seekers who revere the memoir as the indispensable guidebook to Nazi plunder. Propelled by rich original research, Kaiser immerses readers in profound questions that reach far beyond his personal quest. What does it mean to seize your own legacy? Can reclaimed property

repair rifts among the living? Plunder is both a deeply immersive adventure story and an irreverent, daring interrogation of inheritance--material, spiritual, familial, and emotional.

### The Buried Giant

\*Kazuo Ishiguro's new novel Klara and the Sun is now available\*The Romans have long since departed, and Britain is steadily declining into ruin. The Buried Giant begins as a couple, Axl and Beatrice, set off across a troubled land of mist and rain in the hope of finding a son they have not seen for years. They expect to face many hazards - some strange and other-worldly - but they cannot yet foresee how their journey will reveal to them dark and forgotten corners of their love for one another. 'A beautiful fable with a hard message at its core . . . There won't, I suspect, be a more important work of fiction published this year.' John Sutherland, The Times 'An exceptional novel . . . The Buried Giant does what important books do: it remains in the mind long after it has been read, refusing to leave.' Neil Gaiman, New York Times Book Review 'A beautiful, heartbreaking book about the duty to remember and the urge to forget.' Alex Preston, Observer

### The Ravine

A single photograph--an exceptionally rare "action shot" documenting the horrific murder of a Jewish family--drives a riveting forensic investigation by a gifted Holocaust scholar.

### The Buried Mirror

An exploration of Spanish culture in Spain and the Americas traces the social, political, and economic forces that created that culture.

### Say Nothing: A True Story Of Murder and Memory In Northern Ireland

WINNER OF THE ORWELL PRIZE FOR POLITICAL WRITING 2019 A BARACK OBAMA BEST BOOK OF 2019 SHORTLISTED FOR THE NATIONAL BOOK AWARD FOR NONFICTION 2019 TIME's #1 Best Nonfiction Book of 2019 A NEW YORK TIMES BESTSELLER 'A must read' Gillian Flynn

### Beyond Belief

This most complete study to date of American press reactions to the Holocaust sets forth in abundant detail how the press nationwide played down or even ignored reports of Jewish persecutions over a twelve-year period.

### Buried

SOME THINGS SHOULD REMAIN BURIED . . . The gripping first book in a brand new thriller series by the Queen of Crime Drama, Lynda La Plante. \_\_\_\_\_ DC Jack Warr and his girlfriend Maggie have just moved to London to start a new life together. Though charming, Jack can't seem to find his place in the world - until he's drawn into an investigation that turns his life upside down. In the aftermath of a fire at an isolated cottage, a badly charred body is discovered, along with the burnt remains of millions of stolen, untraceable bank notes. Jack's search leads him deep into a murky criminal underworld - a world he finds himself surprisingly good at navigating. But as the line of the law becomes blurred, how far will Jack go to find the answers - and what will it cost him? In BURIED, it's time to meet DC Jack Warr as he digs up the deadly secrets of the past . . . \_\_\_\_\_

PRAISE FOR BURIED: 'It's quite a challenge to make a detective constable the lead character in a crime novel, but Lynda La Plante does a cracking job of it in BURIED. DC Jack Warr is clearly destined for higher things, and I look forward to following his progress' - PETER ROBINSON, No. 1 Sunday Times bestselling author of the DCI Banks series 'A compelling, clever plot with a brilliant cast of diverse characters. Utterly riveting' - RACHEL ABBOTT, million-selling author of ONLY THE INNOCENT 'Lynda La Plante practically invented the thriller' Karin Slaughter

### The Buried

An intimate account of the Arab Spring, and Egypt's past and present, seen through the eyes of a wide range of Egyptians: political operators, archaeologists and garbage collectors; women, the queer community and migrants.

## Buried in Books

In the latest in this New York Times bestselling series, matrimony and murder collide as San Francisco book-restoration expert Brooklyn Wainwright walks down the aisle... Brooklyn has it all covered. She's triple-checked her wedding to-do list, and everything is on track for the upcoming ceremony with the love of her life, security expert Derek Stone. Not everyone has been as lucky in love as Brooklyn. Her old library college roommates Heather and Sara lost touch twelve years ago when Sara stole Heather's boyfriend. Brooklyn was caught in the middle and hasn't seen her former besties since their falling-out. When they both arrive in town for the annual librarians' convention and then show up at her surprise bridal shower, Brooklyn is sure drama will ensue. But she's touched when the women seem willing to sort out their differences and gift her rare copies of *The Three Musketeers* and *The Blue Fairy Book*. Brooklyn's prewedding calm is shattered when one of her formerly feuding friends is found murdered and Brooklyn determines that one of the rare books is a forgery. She can't help but wonder if the victim played a part in this fraud, or if she was targeted because she discovered the scam. With a killer and con artist on the loose, Brooklyn and Derek—with the unsolicited help of their meddling mothers—must catch the culprit before their big day turns into a big mess.

## The Lost Tommies

'Lost Tommies' brings together never-before-seen images of Western Front tommies and their amazing stories in a beautiful collection that is part thriller, part family history and part national archive.

## Don't Say We Didn't Warn You

Two sisters unite to survive a traumatic upbringing—from absentee parents to a wilderness camp for troubled teens—in this “relentless and spooky” (Joy Williams) debut novel from an essential new voice. “A story that’s so weird, it has to be true. . . . Keeps our attention in a chokehold.”—The New York Times  
**ONE OF THE BEST BOOKS OF THE YEAR:** Good Housekeeping “When the Juvenile Transportation Services come for you in the night in a preordained kidnapping, complete with an unmarked van and husky guardsmen you can’t outmatch, you have been sold for a promise.” A young woman thinks she has escaped her past only to discover that she’s been hovering on its edges all along: She and her younger sister bide their time in a dilapidated warehouse in a desolate town north of New York City; their parents settled there with dreams of starting an art commune. But after the girls’ father vanishes, all traces of stability disappear for the family, and the girls retreat into strange worlds of their own mythmaking and isolation. As the sisters both try to survive their increasingly dark and dangerous adolescences, they break apart and reunite repeatedly, orbiting each other like planets. Both endure stints at the Veld Center, a wilderness camp where troubled teenage girls are sent as a last resort, and both emerge more deeply warped by the harsh outdoor survival experiences they must endure and the attempts by staff to break them down psychologically. With a mesmerizing voice and uncanny storytelling style, this is a remarkable debut about two women who must struggle to understand the bonds that link them and how their traumatic history will shape who they choose to become as adults.

## Schindler's List

In remembrance of the 75th anniversary of the liberation of Auschwitz and the Nazi concentration camps, this award-winning, bestselling work of Holocaust fiction, inspiration for the classic film and “masterful account of the growth of the human soul” (Los Angeles Times Book Review), returns with an all-new introduction by the author. An “extraordinary” (New York Review of Books) novel based on the true story of how German war profiteer and factory director Oskar Schindler came to save more Jews from the gas chambers than any other single person during World War II. In this milestone of Holocaust literature, Thomas Keneally, author of *The Book of Science and Antiquities* and *The Daughter of Mars*, uses the actual testimony of the Schindlerjuden—Schindler’s Jews—to brilliantly portray the courage and cunning of a good man in the midst of unspeakable evil. “Astounding...in this case the truth is far more powerful than anything the imagination could invent” (Newsweek).

## The Horus Heresy: The Buried Dagger

Book 54 in the New York Times Bestselling series *The Horus Heresy*. Discover the last battles leading to the Siege of Terra... The skies darken over Terra as the final battle for the Throne looms ever closer... As the Traitor primarchs muster to the Warmaster’s banner, it is Mortarion who is sent ahead as the vanguard of the Traitor forces. But as he and his warriors make way, they become lost in the warp and

stricken by a terrible plague. Once thought of as unbreakable, the legendary Death Guard are brought to their knees. To save his Legion, Mortarion must strike a most terrible bargain that will damn his sons for eternity. Meanwhile, in the cloisters of Holy Terra, a plot is afoot to create sedition and carnage in advance of the Horus's armies. Taking matters into his own hands, Malcador the Sigillite seeks to put a stop to any insurrection but discovers a plot that he will need all of his cunning and battle-craft to overcome.

### Fired Up!

Discusses how pottery was made and used in ancient times and describes how archaeologists use these vessels today to learn about the past.

### Buried in Time

/Carolyn Keene /Carolyn Keene Nancy Drew investigates sabotage and murder at a local archaeological dig, while the Hardy Boys trace an unmarked shipment of uranium, and their paths cross in Oklahoma, to discover

### Buried Onions

On the mean streets of southeast Fresno, 19-year-old Eddie is just trying to get by. All he wants is to forget his violent past, hold down a job, and walk a straight line. But after his cousin's murder, Eddie finds himself drawn back into the cycle of violence.

### The Factory

From the award-winning author of *Weasels in the Attic*, a modern fable about the world of work Beyond the town, there is the factory. Beyond the factory, there is nothing. Within the sprawling industrial complex, three new employees are each assigned a department. There, each must focus on a specific task: one shreds paper, one proofreads documents, and another studies the moss growing all over the expansive grounds. As they grow accustomed to the routine and co-workers, their lives become governed by their work--days take on a strange logic and momentum, and little by little, the margins of reality seem to be dissolving: Where does the factory end and the rest of the world begin? What's going on with the strange animals here? And after a while--it could be weeks or years--the three workers struggle to answer the most basic question: What am I doing here? With hints of Kafka and Beckett and unexpected moments of creeping humour, *The Factory* is a vivid, and sometimes surreal, portrait of the absurdity and meaninglessness of the modern workplace.

### Buried Alive

Electrifying, highly acclaimed, and intensely personal, this new and updated version of Myra Friedman's classic biography of Janis Joplin teems with dramatic insights into Joplin's genius and into the chaotic times that catapulted her to fame as the legendary queen of rock. It is a stunning panorama of the turbulent decade when Joplin's was the rallying voice of a generation that lost itself in her music and found itself in her words. From her small hometown of Port Arthur, Texas, to San Francisco's Haight-Ashbury, from the intimate coffeehouses to the supercharged concert halls, from the glitter of worldwide fame to her tragic end in a Hollywood hotel, here is all the fire and anguish of an immortal, immensely talented, and troubled performer who devoured everything the rock scene had to offer in a fatal attempt to make peace with herself and her era. Yet, in an eloquent introduction recently written by the author, Joplin emerges from her "ugly duckling" childhood as a woman truly ahead of her time, an outrageous rebel, a defiant outcast and artist of incomparable authenticity who, almost in spite of herself, became to so many a symbol of triumph over adversity. This edition also contains an afterword detailing the whereabouts of a large and colorful cast of characters who were part of Joplin's life, as well as "We Remember Janis," a new chapter of poignant and affectionate anecdotes told by friends.

### The Past and Other Things That Should Stay Buried

"A fearless and brutal look at friendships...you will laugh, rage, and mourn its loss when it's over."  
—Justina Ireland, New York Times bestselling author of *Dread Nation* "Simultaneously hilarious and moving, weird and wonderful." —Jeff Zentner, Morris Award-winning author of *The Serpent King* Six Feet Under meets *Pushing Daisies* in this quirky, heartfelt story about two teens who are granted extra time to resolve what was left unfinished after one of them suddenly dies. A good friend will bury your

body, a best friend will dig you back up. Dino doesn't mind spending time with the dead. His parents own a funeral home, and death is literally the family business. He's just not used to them talking back. Until Dino's ex-best friend July dies suddenly—and then comes back to life. Except not exactly. Somehow July is not quite alive, and not quite dead. As Dino and July attempt to figure out what's happening, they must also confront why and how their friendship ended so badly, and what they have left to understand about themselves, each other, and all those grand mysteries of life. Critically acclaimed author Shaun Hutchinson delivers another wholly unique novel blending the real and surreal while reminding all of us what it is to love someone through and around our faults.

### Buried

Luke Mullen, the missing teenage son of a former police officer, was last seen getting into a car with an older woman. No one knows whether he went willingly or was abducted, whether he's living or dead. Then the videotape arrives . . . On special assignment, Detective Inspector Tom Thorne is in charge of the investigation into Luke's disappearance. But it's the information that Tony Mullen, the boy's father, is not freely sharing that Thorne finds particularly disturbing—like the names of dangerous criminals who have openly threatened the tough ex-detective and his entire family. Something shocking and deadly may well be buried deep in old cases and past lives. But Thorne knows he doesn't have the luxury of time to dig—especially when a kidnapper brutally demonstrates that he is willing to kill.

### The Remains of the Day

\*Kazuo Ishiguro's new novel *Klara and the Sun* is now available\***WINNER OF THE BOOKER PRIZE**A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the countryside and into his past. 'A triumph . . . This wholly convincing portrait of a human life unweaving before your eyes is inventive and absorbing, by turns funny, absurd and ultimately very moving.' *Sunday Times*'A dream of a book: a beguiling comedy of manners that evolves almost magically into a profound and heart-rending study of personality, class and culture.' *New York Times Book Review*

### Under Jerusalem

A spellbinding history of the hidden world below the Holy City—a saga of biblical treasures, intrepid explorers, and political upheaval “A sweeping tale of archaeological exploits and their cultural and political consequences told with a historian's penchant for detail and a journalist's flair for narration.” —*Washington Post* In 1863, a French senator arrived in Jerusalem hoping to unearth relics dating to biblical times. Digging deep underground, he discovered an ancient grave that, he claimed, belonged to an Old Testament queen. News of his find ricocheted around the world, evoking awe and envy alike, and inspiring others to explore Jerusalem's storied past. In the century and a half since the Frenchman broke ground, Jerusalem has drawn a global cast of fortune seekers and missionaries, archaeologists and zealots, all of them eager to extract the biblical past from beneath the city's streets and shrines. Their efforts have had profound effects, not only on our understanding of Jerusalem's history, but on its hotly disputed present. The quest to retrieve ancient Jewish heritage has sparked bloody riots and thwarted international peace agreements. It has served as a cudgel, a way to stake a claim to the most contested city on the planet. Today, the earth below Jerusalem remains a battleground in the struggle to control the city above. *Under Jerusalem* takes readers into the tombs, tunnels, and trenches of the Holy City. It brings to life the indelible characters who have investigated this subterranean landscape. With clarity and verve, acclaimed journalist Andrew Lawler reveals how their pursuit has not only defined the conflict over modern Jerusalem, but could provide a map for two peoples and three faiths to peacefully coexist.

### The Family Shadow

A Victorian era murder. A modern-day family researcher. Can she solve the century old puzzle of a racehorse trainer's death and his wife's disappearance? A dual timeline historical mystery with long-buried secrets.

### Time Bomb

Seven students trapped in their school after a bomb goes off must fight to survive while also discovering who among them is the bomber in this provocative new thriller from the author of the New York Times bestselling Testing Trilogy. Perfect for fans of *This Is Where It Ends*. A congressman's daughter who has to be perfect. A star quarterback with a secret. A guy who's tired of being ignored. A clarinet player who's done trying to fit in. An orphaned rebel who wants to teach someone a lesson. A guy who wants people to see him, not his religion. They couldn't be more different, but before the morning's over, they'll all be trapped in a school that's been rocked by a bombing. When they hear that someone inside is the bomber, they'll also be looking to one another for answers. Told from multiple perspectives, *Time Bomb* will keep readers guessing about who the bomber could be--and what motivated such drastic action.

### Estimation of the Time Since Death

*Estimation of the Time Since Death* remains the foremost authoritative book on scientifically calculating the estimated time of death postmortem. Building on the success of previous editions which covered the early postmortem period, this new edition also covers the later postmortem period including putrefactive changes, entomology, and postmortem r

### Buried in a Good Book

2023 EDGAR AWARD WINNER: LILIAN JACKSON BRAUN MEMORIAL PRIZE "A slapstick comedy of murder." —Library Journal "This first in series is truly original, funny, and well written. A real standout." —Mystery Scene Bestselling thriller writer Tess Harrow is almost at the end of her rope when she arrives with her teenage daughter at her grandfather's rustic cabin in the woods. She hopes this will be a time for them to heal and bond after Tess's recent divorce, but they've barely made it through the door when an explosion shakes the cabin. Suddenly it's raining fish guts and...is that a human arm? Tess was hardly convincing Gertie that a summer without Wi-Fi and running water would be an adventure. Now she's thrust into a murder investigation, neighbors are saying they've spotted Bigfoot in the woods near her cabin, and the local sheriff is the spitting image of her character Detective Gabriel Gonzales—something he's less than thrilled about. With so much more than her daughter's summer plans at stake, it's up to Tess to solve this case before anyone else gets hurt. Put your sleuthing hat on—*Buried in a Good Book* features: A thriller writer who knows way more than anyone should about death and dismemberment Her young daughter who's more intrigued by dead bodies than she probably should be An isolated cabin in the woods that's probably—definitely—hiding something The tiny mountain town that seems less than troubled by a sudden abundance of murders

### Kingdom of the Blind

'A wonderful addition to a fantastic series' ELLY GRIFFITHS 'This gloriously shocking book grips from the very first page' DENISE MINA The entrancing crime thriller featuring Chief Inspector Armand Gamache, from number one New York Times bestselling author Louise Penny \*\*\*\*\* When Armand Gamache receives a letter inviting him to an abandoned farmhouse outside of Three Pines, the former head of the Sûreté du Québec discovers that a complete stranger has named him as an executor of her will. The bequests are so wildly unlikely that he suspects the woman must have been delusional - until a body is found. But it isn't the only menace Gamache is facing. The investigation into the events that led to his suspension delves deeper, and he takes increasingly desperate measures to rectify previous actions. As he does, Gamache begins to see his own blind spots - and the terrible things hiding there . . . \_\_\_\_\_ Praise for the award-winning Chief Inspector Armand Gamache series: 'One of the most interesting detectives in crime fiction' The Times 'Fascinating characters, a twisty plot and wonderful surprise endings' Ann Cleeves 'Wonderfully satisfying' Kate Mosse 'Louise Penny is one of the greatest crime writers of our times' Denise Mina 'Supremely satisfying' Observer 'Gamache has become to Canada what Hercule Poirot is to Belgium' The New York Times 'The series is deep and grand and altogether extraordinary . . . Miraculous' Washington Post \_\_\_\_\_ This edition contains bonus extra content from Louise Penny, including a map of Three Pines

### The Buried

AN OLD ENEMY IS LAID TO REST . . . AND A NEW CRIME IS DISCOVERED Florence Lovelady, the most senior serving policewoman in Britain, visits convicted serial killer Larry Glassbrook in prison. Larry is coming to the end of his life but has one last task for Florence: to learn the identity of the remains discovered at children's home Black Moss Manor. The town Florence escaped narrowly with her life still holds many secrets. Will she finally learn the truth? Or will time run out for her first? The latest

Florence Lovelady thriller, set shortly after the bestselling first novel *The Craftsman* in the chilling, new series from Richard and Judy bestseller Sharon Bolton Praise for *The Craftsman* series 'Engaging, compulsive reading. Sharon Bolton at her best.' Rachel Abbott 'Beautifully dark and disturbing, I won't sleep well tonight.' Jenny Blackhurst 'Darkly gothic and brilliantly original, *The Craftsman* will have you spellbound.' JP Delaney 'I dare you to read it after dark.' Mark Edwards 'Fabulous, utterly unique storyline, that will effortlessly stand out in the crowd of thrillers.' Helen Fields 'The Craftsman is an absolutely terrific crime novel that takes your darkest fear and makes it reality.' Elly Griffiths 'The Craftsman goes to some very dark places, and will have readers looking nervously over their shoulder with every page they turn.' Mick Herron 'Filled with intrigue and suspense. *The Craftsman* is spellbinding.' Clare Mackintosh 'A brilliant blend of rich crime thriller with a hint of the gothic.' Sarah Pinborough

### A History of Masculinity

'Exhilarating . . . a work of scholarship, but also inspiration. . . Go and read Jablonka and change the world' Christina Patterson, Sunday Times 'An unexpected bestseller in France. . . it has sparked conversations' Challenges A highly acclaimed, bestselling work from one of France's preeminent historians What does it mean to be a good man? To be a good father, or a good partner? A good brother, or a good friend? In this insightful analysis, social historian Ivan Jablonka offers a re-examination of the patriarchy and its impact on men. Ranging widely across cultures, from Mesopotamia to Confucianism to Christianity to the revolutions of the eighteenth century, Jablonka uncovers the origins of our patriarchal societies. He then offers an updated model of masculinity based on a theory of gender justice which aims for a redistribution of gender, just as social justice demands the redistribution of wealth. Arguing that it is high time for men to be as involved in gender justice as women, Jablonka shows that in order to build a more equal and respectful society, we must gain a deeper understanding of the structure of patriarchy - and reframe the conversation so that men define themselves by the rights of women. Widely acclaimed in France, this is an important work from a major thinker.

### What Do You Want to Do Before You Die?

An illustrated selection of answers to the title's question, submitted online and collected by Ben Nemtin, Dave Lingwood, Duncan Penn and Jonnie Penn, collectively known as The Buried Life and featured in the MTV reality television series of the same name. Some answers include essays relating how the online submissions were accomplished. Also included are brief essays on how the four young men accomplished some of their lists' tasks and their experiences helping others complete their lists.

### The Abandonment of the Jews

The classic analysis of America's response to the Nazi assault on European Jews.

### Buried

Winner of the Edgar Award! Careful planning and constant control is Claudine's protection. Order is her weapon. She's long buried her own needs and dreams to cover for her alcoholic mom. But when Mom suddenly disappears-another alcoholic binge-seventeen-year-old Claudine finds herself all alone, and a much darker reality emerges from beneath years of angry denial and enabling behavior. And as the truth comes closer to the surface, Claudine must dig for the answers she's always worked so hard to cover up.

### Masquerade

On his way to deliver a splendid necklace to the Sun from the Moon, Jack Hare is diverted by a series of odd characters and when he finally reaches his destination he realizes that the necklace is missing. The reader is invited to answer several riddles and solve the mystery from clues given in the text.

### Buried In a Bog

New York Times bestselling author Sheila Connolly introduces the first novel in the County Cork mystery series—set in a small village in Ireland where buried secrets are about to rise to the surface... Honoring the wish of her late grandmother, Maura Donovan visits the small Irish village where her Gran was born—though she never expected to get bogged down in a murder mystery. Nor had she planned to take a job in one of the local pubs, but she finds herself excited to get to know the people who knew

her Gran. In the pub, she's swamped with drink orders as everyone in town gathers to talk about the recent discovery of a nearly one-hundred-year-old body in a nearby bog. When Maura realizes she may know something about the dead man—and that the body's connected to another, more recent, death—she fears she's about to become mired in a homicide investigation. After she discovers the death is connected to another from almost a century earlier, Maura has a sinking feeling she may really be getting in over her head...

### Denying the Holocaust

The powerful and deeply disturbing book that was at the heart of the David Irving libel case, now dramatized in the film *Denial*. The denial of the Holocaust has no more credibility than the assertion that the Earth is flat. Yet there are those who insist that the death of six million Jews in Nazi concentration camps is nothing but a hoax perpetrated by a powerful Zionist conspiracy. For years those who made such claims were dismissed as harmless cranks operating on the lunatic fringe. But they have now begun to gain a hearing in respectable arenas. In this famous book, reissued now to coincide with the film based on the legal case it provoked, *Denial*, Deborah Lipstadt shows how--despite tens of thousands of witnesses and vast amounts of documentary evidence--this irrational idea not only has continued to gain adherents but has become an international movement, with 'independent' research centres, and official publications that promote a 'revisionist' view of recent history. *Denying the Holocaust* argues that this chilling attack on the factual record not only threatens Jews but has an unsuspected power to dramatically alter the way that truth and meaning are transmitted from one generation to another.

### Diary of an MP's Wife

Sunday Times Political Book of the Year A Book of the Year in the New Statesman, Financial Times, Telegraph, Guardian, Mail on Sunday and The Times 'They're the wickedest political diaries since Alan Clark's' Daily Mail 'Riotously candid' Decca Aitkenhead, Sunday Times What is it like to be a wife of a politician in modern-day Britain? Sasha Swire finally lifts the lid. For more than twenty years she has kept a secret diary detailing the trials and tribulations of being a political plus-one, and gives us a ringside seat at the seismic political events of the last decade. A professional partner and loyal spouse, Swire has strong political opinions herself - sometimes more 'No, Minister' than 'Yes'. She detonates the stereotype of the dutiful wife. From shenanigans in Budleigh Salterton to state banquets at Buckingham Palace, gun-toting terrorist busters in pizza restaurants to dinners in Downing Street sitting next to Boris Johnson, Devon hedges to partying with City hedgies, she observes the great and the not-so-great at the closest of quarters. The results are painfully revealing and often hilariously funny. Here are the friendships and the fall-outs, the general elections and the leadership contests, the scandals and the rivalries. Swire showed up, shored up and rarely shut up. She also wrote it all down. *Diary of an MP's Wife* is a searingly honest, wildly indiscreet and often uproarious account of what life is like in the thick of it.

### The Forger's Daughter

When a scream shatters the summer night outside their country house, reformed literary forger Will and his wife Meghan find their daughter Maisie shaken and bloodied, holding a parcel her attacker demanded she present to her father. Inside is a literary rarity the likes of which few have ever handled, and a letter laying out impossible demands regarding its future. After twenty years of living life on the straight and narrow, Will finds himself drawn back to forgery, ensnared in a plot to counterfeit the rarest book in American literature: Edgar Allan Poe's first publication, *Tamerlane*. Facing threats to his life and family, coerced by his former nemesis and fellow forger Henry Slader, Will must rely on the artistic skills of his other daughter Nicole to help create a flawless forgery of this 1827 publication regarded as the Holy Grail of American letters. Part mystery, part case study of the shadowy side of the book trade, and part homage to the writer who invented the detective tale, *The Forger's Daughter* portrays the world of literary forgery as diabolically clever, genuinely dangerous and inescapable, it would seem, to those who have ever embraced it.
