Last Scene Alive

'A heroine as capable and complex as P. D. James's Cordelia Gray' (Publishers Weekly) When a Hollywood film crew descends on the small town of Lawrenceton, Georgia, part-time librarian Aurora Teagarden gets a behind-the-scenes look at movie making - and reprises her role as an amateur sleuth . . . It's been more than a year since her husband Martin's death, and Roe Teagarden is still in mourning. All she wants is to be left alone to grieve - but that becomes impossible when a movie company arrives in Lawrenceton. They've come to make a film based on a book written by her onetime boyfriend Robin Crusoe, a book that detailed their shared investigation of a series of murders that occurred years before. The locals are delighted. Roe is not. But Robin is just beginning to win her over when the lead actress - who is playing Roe - is killed. Once again, the two of them join forces to thwart a killer - without knowing that Roe herself is the next target . . .

A Fool and His Honey

'A heroine as capable and complex as P. D. James's Cordelia Gray' (Publishers Weekly) Though Roe has proven she can handle just about anything, even this part-time librarian may not be ready for the full-time crisis that comes her way in the sixth Aurora Teagarden mystery . . . Roe's life finally seems to have settled into a comfortable pattern. Her marriage to Martin is going well, she's back at work at the Lawrenceton library - and best if all, she hasn't found a dead body in quite a while. But then one afternoon her handyman goes crazy in her front yard. Roe suspects this is a sign of more bad things to come. And she is right. Soon Martin's niece, Regina, shows up with a baby that no one knew she had. Then she disappears, leaving behind the child-and a murdered husband. To find her, Roe and Martin retrace her steps from sunny Georgia back to snowy Ohio, where they will uncover dark family secrets - at their own peril . . .

A Bone to Pick

'A heroine as capable and potentially complex as P. D. James's Cordelia Gray' (Publishers Weekly) Death comes calling on small-town librarian Aurora Teagarden in this entertaining mystery from #1 New York Times and Sunday Times bestselling author Charlaine Harris. Going to two weddings - one of a former lover - and a funeral for a member of her disbanded crime study club keeps Aurora "Roe" Teagarden quite busy for a few months. Unfortunately, her personal life seems to be at a standstill - until her fortunes unexpectedly change. After the funeral Roe learns that Jane Engle, the deceased, has named her as heir to a rather substantial estate, which includes money, jewelry, and a house complete with a skull hidden in a window seat. Knowing Jane, Roe concludes that the elderly woman has purposely left her a murder to solve. So she must identify the victim and figure out which one of Jane's ordinary-seeming neighbors is a murderer - without putting herself in deadly danger . . .

Poppy Done to Death

'Harris draws the guilty and the innocent into an engrossing tale while inventing a heroine as capable and complex as P. D. But Roe's stepsister-in-law Poppy has climbed her way up the waiting list of the group - only to die on the day she's supposed to be inducted. What makes Poppy's murder even worse are the rumors of infidelity on both sides of the marriage swirling around town. To find the killer, Roe must determine if the sordid stories are true. Suspects abound, and the things she uncovers make her question her own heart, but her passion for the truth drives her on: into the path of the cold-blooded killer . . . It's a harmless pastime - until the night she finds a member dead, killed in a manner that eerily resembles the crime the club was about to discuss. But when she discovers the beaten body of her father's nurse on Linton property, Catherine quickly realizes her parents' death was no accident. Though the sleepy Southern town that Catherine's family has called home for generations still prickles with racial tension and decades-old classism, Catherine never expected that Lowfield, Mississippi, could harbor a murderer. Now, it seems everyone has a terrible secret. But how many people in Lowfield would kill to keep them hidden? Catherine finds herself both the sheriff's lead suspect and the killer's next target. With the help of her handsome editor, Randall, and her quirky fellow reporter, Tom, Catherine must untangle the dark roots of the murders and stop the killer who wears a neighbor's face. All the Little Liars

Sunday Times bestseller Charlaine Harris returns at last to her fan favourite Aurora Teagarden series with a brand new mystery Librarian Aurora Teagarden is basking in the news of her pregnancy when disaster strikes her small town: four children, including her fifteen-year-old brother, Philip, have vanished from the school football field. What's even more worrisome is the dead body found at their last known location. While the local police comb the county for the missing children, Aurora and her new husband, true crime writer Robin Crusoe, begin their own investigation. Could the two incidents have something to do with a group of school bullies? Are Aurora's father's gambling debts related to the disappearance of her brother? Or could it be that Philip himself, new to town and relatively unknown, is the one responsible? With Christmas approaching, Aurora is determined to find her brother . . . if he's still alive. But then other strange things happen around Roe, ranging from peculiar (her irascible cat turns up wearing a pink ribbon) to violent (her assistant at the library is attacked) to potentially deadly (her ex-lover is stabbed). Clearly there is a personal message in this madness that Roe must decipher - before it is too late . . . A Longer Fall

#1 New York Times bestselling author Charlaine Harris returns with the second of the Gunnie Rose series, in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job, transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straight-forward job turns into a massacre as the crate is stolen. And yet, when a kidnapping attempt is made upon Felicia her past and her future crash together in violent ways. Continuing immediately after The Russian Cage, this fantastical fourth book takes a side step, exploring the Holy Russian Empire while also showcasing the dynamic depths of magic within Harris's alternate North America in curious mysteries.
