The Elephant, the Tiger, and the Cell Phone

For More Than Four Decades After Gaining Independence, India, With Its Massive Size And Population, Staggering Poverty And Slow Rate Of Growth, Was Associated With The Plodding, Somnolent Elephant, Comfortably Resting On Its Achievements Of Centuries Gone By. Then In The Early 1990S The Elephant Seemed To Wake Up From Its Slumber And Slowly Begin To Change Until Today, In The First Decade Of The Twenty-First Century, Some Have Begun To See It Morphing Into A Tiger. As India Turns Sixty, Shashi Tharoor, Novelist And Essayist, Reminds Us Of The Paradox That Is India, The Elephant That Is Becoming A Tiger: With The Highest Number Of Billionaires In Asia, It Still Has The Largest Number Of People Living Amid Poverty And Neglect, And More Children Who Have Not Seen The Inside Of A Schoolroom Than Any Other Country. So What Does The Twenty-First Century Hold For India? Will It Bring The Strength Of The Tiger And The Size Of An Elephant To Bear Upon The World? Or Will It Remain An Elephant At Heart? In More Than Sixty Essays Organized Thematically Into Six Parts, Shashi Tharoor Analyses The Forces That Have Made Twenty-First Century India And Could Yet Unmake It. He Discusses The Country S Transformation In His Characteristic Lucid Prose, Writing With Passion And Engagement On A Broad Range Of Subjects, From The Very Notion Of Indianness In A Pluralist Society To The Evolution Of The Once Sleeping Giant Into A World Leader In The Realms Of Science And Technology; From The Men And Women Who Make Up His India Gandhi And Nehru And The Less Obvious Ramanujan And Krishna Menon To An Eclectic Array Of Indian Experiences And Realities, Virtual And Spiritual, Political And Filmi. The Book Is Leavened With Whimsical And Witty Pieces On Cricket, Bollywood And The National Penchant For Holidays, And Topped Off With An A To Z Glossary On Indianness, Written With Tongue Firmly In Cheek. Diverting And Instructive As Ever, Artfully Combining Hard Facts And Statistics With Personal Opinions And Observations, Tharoor Offers A Fresh, Insightful Look At This Timeless And Fast-Changing Society, Emphasizing That India Must Rise Above The Past If It Is To Conquer The Future.

Tamilnadu A Journey in Time Part II

Stretching across nearly the entire width of peninsular India, the Vindhya Range symbolically divides the North and South. South of the Vindhya range lies a triangular-shaped mass of ancient rock, the Deccan Plateau, which slopes gently eastward towards the Bay of Bengal. Godavari, Krishna and the Cauvery are Southern rivers that originate in the rain-soaked peaks of the Western Ghats. The Western Ghats Mountain Range or the Sahyadri Range begins South of the Tapti River, close to the boundary of Maharashtra and Gujarat. The Western Ghats begin to rise north of Mumbai, running parallel to the coast, until they reach the tip of the peninsula of India. Here, they merge with the southernmost portion of the Eastern Ghats, a chain of low interrupted ranges that sweeps northeast in the direction of Chennai. A spirit of adventure is evident in the efforts of these explorers. Braving malarial jungle, these hardy men doggedly worked the land, crafting beautiful and productive estates out of the pristine

forests. It was an enterprise in the best sense, leaving a legacy for the later generations to build on. In Tamilnadu: A Journey in Time Part II, we embark on a journey of about three thousand years' history of the evolution of dynasties, colonial explorations, trade, missionary work; sprinkles of stories from personal diaries interwoven with anecdotal tales and punctuated with biographies, mostly as book excerpts, which will take us back to a long-buried era when West met the East. We bring you the modern world as we see it today, as the East reaches out to the West.

Clash of Singularity: The Sentinels Saga

An unusual clash happened between two powerful secret societies – The Sentinels and The Guardians and their masters Jaywardhan and Rudra Pratap. In this duel of principles, strengths and virtues get embroiled: A warrior from another time A group of friends from IIM-Lucknow A mysterious mercenary and A clan of Indian sages An Exhilarating storyline that vividly unfolds itself in a real world setting with a fistful of mythology and mystery combined for a gripping narrative.

Fuzzy Analysis of School Dropouts and Their Life After

The Present Book, New History Of Ancient India, Is An Attempt To Present The Indian History In The Light Of Recent Discoveries And Excavations Made In This Field. The History Of India Before The Invasion Of Alexander The Great In 328 B.C. Has Been Generally Considered A Myth. Accordingly, Brahma, Vishnu And Mahesh, Manu And Mandhata, Harishchandra And Bhagirath, Shri Rama And Shri Krishna, All Have Been Treated Non-Historical, Mythical Personages. But The Recent Discoveries Like Those Of Dwarka Of Shri Krishna In The Sea And Lanka Of Ravana In Orissa As Well As The Authentic Determining Of The Date Of Floods, That Find Mention In The Purana, Have Outrightly Refuted The Past Presumptions. With New Things Coming To Light, It Is Desirable That History Be Rewritten. It Is With This View That The Present Book Has Been Written. It Aims At Presenting The Information In An Analytic Manner And Also In Chronological Order. Beginning From The Vedic Yuga, The Book Presents An In-Depth Study Of Devasura Yuga, Satya Yuga, Dwapar Yuga And Kaliyuga. All The Information, Both Conventional And Recent, Provided In The Book Are Authentic As They Are Taken From The Authoritative Sources. The Book Is Unique In Its Presentation As It Richly Provides Maps Of Ancient States, Photographs And Figures, Which Not Only Give A Glimpse Of The Related Age Or Yuga But Also Facilitate Easy Understanding Of Information. Since Miracles, Exaggerations, Mysteries And Supernatural Powers Find No Reference Here, The Book Can Be Held A Complete, Authoritative Text On Ancient Indian History. It Is Hoped That The Students, Research Scholars And Even Teachers Of Indian History Will Find This Book Highly Useful And Indispensable For Having A Thorough And Updated Knowledge Of Ancient India. Even The General Readers Will Find This Book Extremely Interesting And Informative.

Silappadikaram

The Right Spouse is an engaging investigation into Tamil (South Indian) preferential close kin marriages, so-called Dravidian Kinship. This book offers a description and an interpretation of preferential marriages with close kin in South India, as they used to be arranged and experienced in the recent past and as they are increasingly discontinued in the present. Clark-Decès presents readers with a focused anthropology of this waning marriage system: its past, present, and dwindling future. The book takes on the main pillars of Tamil social organization, considers the ways in which Tamil intermarriage establishes kinship and social rank, and argues that past scholars have improperly defined "Dravidian" kinship. Within her critique of past scholarship, Clark-Decès recasts a powerful and vivid image of preferential marriage in Tamil Nadu and how those preferences and marital rules play out in lived reality. What Clark-Decès discovers in her fieldwork are endogamous patterns and familial connections that sometimes result in flawed relationships, contradictory statuses, and confused roles. The book includes a fascinating narration of the complex terrain that Tamil youth currently navigate as they experience the complexities and changing nature of marriage practices and seek to reconcile their established kinship networks to more individually driven marriages and careers.

The Right Spouse

Madurai Shanmukhavadivu Subbulakshmi was the first musician ever to be awarded the Bharat Ratna, India's highest civilian honor. She is the first Indian musician to receive the Ramon Magsaysay award, often considered Asia's Nobel Prize, in 1974 with the citation reading "Exacting purists acknowledge Srimati M. S. Subbulakshmi as the leading exponent of classical and semi-classical songs in the Karnataka tradition of South India."

Song of the Soul

"This pioneering study derives Hinduism from the traditions brought to South Asia by Aryan-speaking pastoralists from the Eurasian steppes and those of the Indus Civilization, reconstructed from its visual and inscriptional remains and from West Asian and classical/modern South Asian sources"--

The setting is Madurai District in Tamil Nadu, India. The author and his young family arrive just nine years after India's independence. He is assigned to do development work under the Church of South India in a poor village area during 1956-61. The memoir progresses from the excitement in adjusting to a new culture and learning the South Indian language Tamil to the author's application of his skills to help poor villagers, all of whom turn out to be Dalits, the outcasts of South Indian society. In the end, his devotion to his work with the villagers comes into a major conflict with the fact that he and his family have to go on furlough to the United States at the end of the term, and there is a strong likelihood that they would not return due to his wife's unhappiness with being in India. Much of the memoir is devoted to telling the stories of his friends and colleagues in India who inspired him. They are the primary reason why he is truly at home in India and why he wrote the book.

Getting Girls to School

Why does the usually aloof and reticent Paul suddenly want to meet Ali after Susanna's death? Why does the possibility of an unfinished manuscript by a longforgotten writer fascinate Ali and Abhi to the extent that they undertake a journey to Marayoor, a town deep in the heart of Kerala to meet the unknown Susanna? First published in Malayalam in 2019, Susanna's Granthapura is Ajai Mangattu's uniquely crafted novel that celebrates the strong bonds that form between people who share a love of reading and of books.

M. S. SUBBULAKSHMI

Mission theory, including motivations, goals, and theology, has always been part of mission activities, but most written history of the Modern Missionary Movement, especially from North America, has neglected its clear articulation. This book addresses that dearth by examining mission goals in the American Madura Mission of the American Board of Commissioners for Foreign Missions between the years 1830 and 1916, noting a change in emphasis from church-centered to society-centered goals during this period. Goals of the AMM in India received shape through the interaction of ABCFM Foreign Corresponding Secretaries, articulating official goals of the Boston Board, with specific missionaries of the AMM, relating their success stories and articulating hopes for their work through letters and journals. Highlighting the work of AMM missionaries, William Tracy, William Capron, Frank Van Allen and Eva Swift, and their interaction with Board Secretaries Rufus Anderson, Nathaniel Clark and James Barton, demonstrates the dynamic process through which goals were forged in the AMM and in ABCFM work in other parts of the world.

The Roots of Hinduism

The peerless young Kovalan leaves his loyal wife Kannaki for the courtesan Madhavi, and though he returns to her, he still meets his death because of her ill-omened ankle bracelet. The Shilappadikaram has been called an epic and even a novel, but it is also a book of general education. Adigal packed his story with information: history merging into myth, religious rites, caste customs, military lore, descriptions of city and country life. And four Cantos are little anthologies of the poetry of the period (seashore and mountain songs, hunters and milkmaid s song). Thus the story gives us a vivid picture of early Indian life in all its aspects.

Home in India

This book provides a social history of the Tamil Jainas, a minority community living in Tamil Nadu in south India. It holds special significance in the method of studying the community, living in villages of Tamil Nadu and retrieving their perspectives on their past. This is a new approach in terms of historiography from extant works on Jainism in south India. A major feature of this book is the hitherto uncovered aspect of the question of language and identity, caste and the modern socio-political movements in Tamil Nadu, such as the Self-Respect Movement (initiated by 'Periyar'), in which some Tamil Jainas were active participants. Special features in the book include photographs of the community and monuments, maps, and a unique style, which combines a journalistic approach and academic historical research. This book is of interest to readers of Tamil language and history, and to anyone working on the idea of politics of marginalisation of religious identities, idea of memory, and community narratives of shared history in the face of religious persecution.

Report on Public Instruction in the Madras Presidency for ...

With the equilibrium of existence upon the planet teetering perilously to chaos, the Sentinels and the Guardians were compelled to forge an unlikely alliance as they grappled with a world in turmoil. Simultaneously, adding weight to Rudra's troubles, a new world order reared its ugly head, threatening to subsume mankind. Now, thrust against an ancient blade steeped with the echoes of genocide, Rudra and Jaywardhan were faced with a profound question. Despite a menagerie of metahumans at their disposal and a powerful singular like Achyut by their side, how were they supposed to stop... A Living God!

Susanna's Granthapura

The topics covered in this book include Dravidas, Three Tamil Academies, Lemuria or Kumari continent, Tolkappiam and Tribes of Nilgris. They were published in the last 11 years in my two blogs. They are of enormous interest to Tamils. They have created big controversies in the olden days... The debate over those topics are still on. Foreign writers projected Dravidians as primitive and uncultured community... Max Muller said that the Aryans came into India from outside; in the same way Bishop Caldwell said that the Dravidians came from Mediterranean region. Mr. Kanakasabai Pillai who wrote 'Tamils 1800 years Ago', said that Tamils came into India from Mongolia. Some historians proposed that the Three Tamil Sangam are a myth; no two scholars agreed on these topics.

Changing Goals of the American Madura Mission in India, 1830-1916

Reading History with the Tamil Jainas

....another person yelled near the carcass of the buffalo. A lady screamed, "She seems dead!" The little girl Ramayee asked, "Patti, you sold me just for thirty rupees?" the girl sobbed and accepted the old lady's proposal. Was it good or bad? Nethuni asked, "What happened to my neighbours?" Kani replied, "They wiped off the people on those two or three streets. Most of them including men, women and babies fled to the North. On the way, many perished due to the shelling and..."

Dawn Of Duality : The Beginning Of An End

This wide-ranging volume focuses on changes in language and gender in ten different national sites as a result of globalization. The papers draw on a variety of sociolinguistic methodologies to consider workplaces, schools, media discourse, beauty pageants, musical stars, and marriages in which 'modern' and 'traditional', 'local' and 'global' identities are constructed and contested.
