1 String of Spaghetti + 2 Friends = A Noodle-Cooking, Crime-Solving Adventure! Sometimes Rico acts a bit odd -- his mom calls him a "proddity" -- but he's GENIUS at noticing little things nobody else does. Like a string of spaghetti stuck to the sidewalk. Or the big buckteeth of that boy in the blue motorcycle helmet. Or the strange behavior of the neighbors in his apartment building. Oscar is a true prodigy, with a high IQ and high anxieties to match. He's the one who wears the blue helmet -- to protect his precious brain! Oscar may have a lot of book smarts, but he needs Rico's help to face his biggest fears. And when other kids mysteriously start going missing, it's up to the two friends to use their noodles, keep track of the clues, and crack the case! Funny, sweet, and just the right amount of scary, THE SPAGHETTI DETECTIVES shows how two opposite, seemingly mismatched kids can put their heads together and be better as a pair.

Seventeen-year-old Phil has felt like an outsider as long as he can remember. All Phil has ever known about his father is that he was Number Three on his mother's long list—third in a series of affairs that have set Phil's family even further apart from the critical townspeople across the river. As for his own sexuality, Phil doesn't care what the neighbors will think; he's just waiting for the right guy to come along. But Phil can't remain a bystander forever. Not when he's surrounded by his mother, Glass, who lives by her own rules and urges Phil to be equally strong; his sister, Dianne, who is abrupt and willful, with secrets to share; his uncle Gable, a restless mariner, defined by his scars; his best friend, Kat, who is generous but possessive. And finally, there is distant Nicholas, with whom Phil falls overwhelmingly in love—until he faces the ultimate betrayal and must finally find his worth . . . and place in the world.

A hard-hitting, and emotional story set in South Africa, following Themba and his dreams of becoming a famous footballer. Themba grows up dreaming of becoming a football star. One day he leaves the village and travels with his sister to the city in search of their mother. Life is a struggle and Themba has to grow up fast. A lucky break gives him the chance to train as a footballer and play professionally – but Themba has a secret – should he tell the truth about his HIV and risk everything he's ever dreamed of? ~ Themba won an IBBY award - Best Book for Young People. Karin Chubb was Shortlisted for the Marsh Award for Children's Literature in Translation for Themba, a unique award celebrating the high quality and diversity of translated fiction for young readers. The book was also made into an award-winning film. "Beautifully translated from the original ... it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Books, Teens and Magazines "Themba reminds me of my own childhood and youth in a township close to a small village in the Transvaal in South Africa: Like him I wanted to escape poverty, like him I had the hope that our world will be a just world one day – and like him I loved my mother who was working at the time as a maid for a white family. To be very honest: in soccer Themba seems to be simply better than I was." Archbishop Desmond Tutu "READ OF THE MONTH" Pride magazine "...an inspirational coming of age drama about a young South African boy's escape from poverty and the pursuit of a dream." Spilng onliner "It's a rags to riches story – a story of hope, of dreaming your dreams and achieving them, and it's also a story of friendship..." The Sunday Independent "It's a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it." Durning Library teenage reading group "Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough – poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book – it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." From award-winning Norwegian author Arne Svingen comes "an uplifting coming-of-age story" (The Wall Street Journal) about a relentlessly positive teenager who uses his love of opera to cope with his less-than-perfect home life. Bart is an eternal optimist. At thirteen years old, he's had a hard life. But Bart knows that things won't get any better if you have a negative attitude. His mother has pushed him into boxing lessons so that Bart can protect himself, but Bart already has defense mechanisms: he is relentlessly positive...and he loves opera. Listening to—and singing—opera is Bart's greatest escape, but he's too shy to share this with anyone. Then popular Ada befriends him and encourages him to perform at the school talent show. Ada can't keep a secret to save her life, but Bart bonds with her anyway, and her openness helps him realize that his troubles are not burdens that he must bear alone. The Ballad of a Broken Nose is a sweet story about bravery, fear, bullying, sports, and music. But most of all it is about the important days of your life, days when everything seems to happen at once and nothing will ever be the same again.

But good ideas? Most of them seem like bad ideas. Reckless. Foolish. Ridiculous. Still, by accomplishing everything on the list, rule-abiding Edie feels certain that she can become the effortlessly brave adventurer she dreams of being, just like her daring cousin and bold grandmother. For this one summer at least, bad ideas are the best shot she has at becoming who she wants to be. Bad Idea Number One: It's time for a new set of rules.
