Sinners of Erspia

The Sinners of Erspia are the inhabitants of a bizarre world, ruled and guided by the hands of Ormazd and Ahriman, twin gods of good and evil. Histrina, a child of Ormazd, is taken by the evil hordes to a camp of terror where she meets Laedo, a man stranded far from his home. Together they start on a hallucinatory journey to understand and escape from the surreal world that holds them prisoner.

The Sinners of Erspia

The Sinners of Erspia are the inhabitants of a bizarre world, ruled and guided by the hands of Ormazd and Ahriman, twin gods of good and evil. Histrina, a child of Ormazd, is taken by the evil hordes to a world of terror where she meets Laedo, a man stranded far from his home. Together they start on a hallucinatory journey to understand and to escape from the surreal world that holds them prisoner. This is a novel about the susceptibility of the human mind and how it adapts to the extremes of terror and delight. A novel that could only have escaped from the astounding imagination of Barrington Bayley. "Bayley is the zen master of modern science fiction." -- Bruce Sterling "The most original SF writer of his generation." -- Michael Moorcock

The Unicorn Girl

Three races, two existing in the dreams of the third. One young woman must reunite them all. In so doing she will search the depths of her soul, cross time and space and descend to the darkest of all nights wherein lies the heart of all--The Source.

Night Seekers

This reference tracks the development of speculative fiction influenced by the advancement of science and the idea of progress from the eighteenth century to the present day. The major authors and publications of the genre and significant subgenres are covered. Additionally there are entries on fields of science and technology which have been particularly prolific in provoking such speculation. The list of acronyms and abbreviations, the chronology covering the literature from the 1700s through

the present, the introductory essay, and the dictionary entries provide science fiction novices and enthusiasts as well as serious writers and critics with a wonderful foundation for understanding the realm of science fiction literature. The extensive bibliography that includes books, journals, fanzines, and websites demonstrates that science fiction literature commands a massive following.

Fantasy Annual

Accurate and reliable biographical information essential to anyone interested in the world of literature. The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world, including many up-and-coming writers as well as established names. With over 8,000 entries, this updated edition features:

- * Concise biographical information on novelists, authors, playwrights, columnists, journalists, editors, and critics
- * Biographical details of established writers as well as those who have recently risen to prominence
- * Entries detailing career, works published, literary awards and prizes, membership, and contact addresses where available
- * An extensive listing of major international literary awards and prizes, and winners of those prizes
- * A directory of major literary organizations and literary agents
- * A listing of members of the American Academy of Arts and Letters

Historical Dictionary of Science Fiction Literature

What is "urban"? How can it be described and contextualised? How is it used in theory and practice? Urban processes feature in key international policy and practice discourses. They are at the core of research agendas across traditional academic disciplines and emerging interdisciplinary fields. However, the concept of "the urban" remains highly contested, both as material reality and imaginary construct. The urban remains imprecisely defined. Defining the Urban is an indispensable guide for the urban transdisciplinary thinker and practitioner. Parts I and II focus on how "Academic Disciplines" and "Professional Practices," respectively, understand and engage with the urban. Included, among others, are Architecture, Ecology, Governance and Sociology. Part III, "Emerging Approaches," outlines how elements from theory and practice combine to form transdisciplinary tools and perspectives. Written by eminent experts in their respective fields, Defining the Urban provides a stepping stone for the development of a common language—a shared ontology—in the disjointed fields of urban research and practice. It is a comprehensive and accessible resource for anyone with an interest in understanding how urban scholars and practitioners can work together on this complex theme.

International Who's Who of Authors and Writers 2004

"A reliable guide to what science fiction is" Christopher Priest, award-winning science fiction author "A really good introduction to the genre" SFX Magazine "Perceptive and glorious" Ian Watson, author of the screenplay for Steve Spielberg's A.I. Want to become a science fiction buff? Want to expand your reading in your favourite genre? This is a good place to start! From the publishers of the popular Good Reading Guide comes a rich selection of some of the finest SF novels ever published. With 100 of the best titles fully reviewed and a further 500 recommended, you'll quickly become an expert in the world of science fiction. The book is arranged by author and includes some thematic entries and special categories such as SF film adaptations, SF in rock music and Philip K. Dick in the mass media. It also includes a history of SF and a new definition of the genre, plus lists of award winners and book club recommendations. Foreword by Christopher Priest, the multiple award-winning SF author.

Among the Sinners

"Science fiction literature, also known as sci-fi and sf, is one of the more recent and popular genres. It only truly emerged during the 20th century and has not stopped growing in terms of authors, titles, and readers. It has also evolved into a variety of subgenres, ranging from hard sf to soft sf and utopias to dystopias, with more than a smattering of horror, detective, war, and feminist titles. Stableford covers all of this and more, taking a close look at what has become a booming industry, with specialized writers, publishers, and fan magazines and literature from the United States, United Kingdom, France, Russia, and many other countries. The chronology charts the genre's dazzling growth; the introduction provides exceptional insight into what science fiction literature is all about; and the dictionary section examines writers, books, themes, and other specifics."--BOOK JACKET.

The Mammoth Book of Best New Horror

Essays on British writers of fantasy and science fiction discuss the changing attitudes towards this genre, including serious consideration by critics. Covers the publication of science fiction in comic books, limited productions of publications by fan presses, the difference between British and American science fiction, the birth of the New Wave, and the revival of horror fiction as a distinct genre.

Defining the Urban

A young draftee named Victor Willard goes AWOL in Germany after an altercation with a commanding officer. Porgy is an African-American GI involved with the international Black Panthers and German radicals. Victor and a female radical named Ana fall in love. They move into Ana's room in a squatted building near the US base in Frankfurt. The international campaign to free Black revolutionary Angela Davis is coming to Frankfurt. Porgy and Ana are key organizers and Victor spends his days and nights selling and smoking hashish, while becoming addicted to heroin. Police and narcotics agents are keeping tabs on them all. Politics, love, and drugs. Truths, lies, and rock and roll. All the Sinners, Saints is a story of people seeking redemption in a world awash in sin. This is the third novel in the Seventies series by Jacobs, and is a prequel to Short Order Frame Up (ISBN- 9780977459094) and Co-Conspirator's Tale (ISBN- 9780983206309).

100 Must-read Science Fiction Novels

ROTTA DI COLLISIONE (1973) Mentre l'umanità è dominata dai Titani, che si ritengono la nuova "razza pura"

The A to Z of Science Fiction Literature

Italy 1252. Inquisition. Accusation. Fear. Torture. The guilty and the innocent dying for sins real and imagined in the flames of the burning stake. Neilsville, 1978. Peter Blasam has come to this sleepy desert town to teach its youth, and finds a mystery of mounting horror. Something is happening to the young girls of St. Francis Xavier High School -- something evil. In bloodlet and terror a suicide contagion has swept the two... while a dark order of its holy men enacts a secret medieval ritual. Is hysteria manipulating these innocent children into violent self-destruction? Or has supernatural force, a thirteenth-century madness, returned to... Punish The Sinners.

British Fantasy and Science-fiction Writers Since 1960

Life was not possible on that watery world except on the Hundred Islands. The Empire of Arelia ruled them all - all except one. Peldain was entirely covered with a forest so impenetrable and so deadly that all attempts to explore it were disastrous. Then a man came out of that jungle - a human - who told the Arelians that at the center of the island a secret kingdom flourished. There was nothing for it but to organise an expedition. However deadly the alien forest might be, if one man could get out, an army could get in. So Lord Vorduthe landed and began the assault on the great green enemy. Nobody could have foreseen the horrors with which the forest defended itself. Nobody could have foreseen the price that would be paid by Vorduthe's men. And only Vorduthe himself would learn the incredible secret of the island...if his mind could stand it.

All the Sinners, Saints

When the Colonnaders plucked him from a life of misery and their surgeons rebuilt his twisted body with silicon bones, Joachim Boaz renamed himself after THE PILLARS OF ETERNITY. Now he seeks Meirjainh the Wanderer, a planet that plots its own course between stars: for on its surface lies a gem that offers mastery over time itself . . .

Rotta di collisione (Urania)

He was unique. Alone in a world that did not understand him, he tested the super powers of his mind and body. More than a machine, but less than a man, he searched restlessly for the truth. Before his quest was done, he had died and been reborn, had fought his way from a grim dungeon to a royal throne. Jasperodus, the only super-robot to have been granted consciousness, must decide whether to share his soul-possessing secrets with the other robots or to betray them to save mankind.

Punish the Sinners

Robot evolution has advanced to the point that intelligent robots have liberated themselves from servitude, defending themselves from servitude, defending themselves against the humans who work to exterminate them using super-machines. The ultimate hope of the most powerfully intelligent robots lies in the attainment of human consciousness. And they are willing to steal men's souls if they must, to get this final elusive quality for themselves. Only one free robot, Jasperodus, has been granted true consciousness - a soul - by his maker, now long dead. Brought into the soul research project by force, Jasperodus faces a moral dilemma: to release his secret and bring about the final downfall of humanity to a new race of super-robots, or to keep his own kind forever from the light of consciousness. And the mechanized armies of the humans press ever forward, seeking the robot hideout.

The Forest of Peldain

WE DEMAND THAT YOU HAND OVER THE OBJECT. Impossible. Ownership is in the hands of our clients. HUMAN OWNERSHIP OF THE OBJECT IS NOT ADMISSIBLE. STREALL CLAIM IS ABSOLUTE. YOU WILL NOTIFY US OF WHEREABOUTS It is already in transit. WE WILL INTERCEPT. NOTIFY. Your claim must be made through the courts. HUMAN COURTS MEAN NOTHING TO THE STREALL. EITHER YOU COMPLY OR TREALL FLEETS WILL OCCUPY YOUR SYSTEM.

The Pillars of Eternity

When empires hung on the turn of a card... Cheyne Scarne was a gambler - a lucky one. What he didn't know about randomness wasn't worth knowing. He had brains to get right to the heart of the Grand Wheel - the syndicate that controlled all illegal activity in the planets under human control. But what Scarne had staked to get that far was chickenfeed compared to what he would risk to get into the real big time - the massive intergalactic combine that dwarfed the empires of mere men. For Scarne, double-crossing at every deal, had laid his life on the line to win a game where no one knew the value of the cards and the rules changed with every trick!

The Soul of the Robot

Karl Krabbe and Boris Bouche, partners, explorers, interstellar chancers, don't care much for the law. They don't care much for anything - except profit. Their staff bondman nuclear engineer Roncie Northrop doesn't care much about anything either, except that he's already tried to abscond from the control of the rapacious and illegally operating pair once. When K&B's exploration ship comes upon the small planet Tenacity, they see a good business opportunity. Tenacity is waterless, a desert planet. But it had water once, and they realize that with some adroit but spectacular geological engineering it can be given its oceans back. That suits the dominant lobster-like Tlixix fine. They are tired of living like aliens in their domed refuges. Of course, the numerous intelligent species which have evolved since the great dehydration will perish, but so what? As for Roncie, whose part in the project is crucial, he doesn't like it much, but what can he do? He's only a bondman. Krabbe and Bouche strike a deal, and business is business...

The Rod of Light

After The Knights of the Limits, here is a second collection of endlessly inventive stories by Barrington J. Bayley; dark fables resounding with sombre undertones - love used as a weapon, God assassinated by the ingenuity of man, the secret of death revealed, the inexplicable explained! Tales which will be pondered on, and remembered. Contains the following: Sporting with the Chid The God-Gun The Ship that Sailed the Ocean of Space The Radius RidersMan in Transit Wizard Wazo's Revenge The Infinite Searchlight Integrity Perfect Love The Countenance Life Trap Farewell Dear Brother The Seed of Evil

The Star Virus

Pout, the chimera, half-man, half-ape, was incorporated into one of the plants or vice versa. He was jammed into a squatting position, while the stems, entering at his buttocks, merged with his legs, his arms and his torso, emerging at knees, elbows, and through his abdomen and thorax. A large, yellow-petalled flower seemed to frame his face. It was his face that rivetted Ikematsu's attention, while the chimera squirmed in dumb distress, glaring with huge piteous eyes. For in that face, set into it as if set in pudding, was the zen gun. The gun was his face, or a part of it. The barrel pointed straight out in place of a nose... the stock merged with and disappeared into Pout's pendulous mouth. Ikematsu leaned toward the chimera. "How you loved your toy! Now it is truly yours!"

The Grand Wheel

The alien ruins that dotted Earth's landscape were an enigma. Archaeologist Rond Heshke dismissed as a ridiculous hoax the photographic evidence which suggested that the ruins disobeyed the laws of time. The Titanium Legions believed that the ruins had been left behind by an invading force from space, which had been repelled in a past age and whose imminent return was feared. It was not until the Titanium scientists perfected their time machines that the truth began to emerge piece by piece: that the builders of the ruins belonged not to the stars but to Earth's own future, and that the dreaded confrontation was indeed shortly due - not with aliens, but in a form more horrifying, more calamitous, than anything imaginable... For Earth was to be the victim of an extraordinary cosmic accident. Time itself was about to collide! Mankind's leaders became even more fanatical, pressing on with new plans, determined at all costs to survive...

The Great Hydration

INSTANT NEW YORK TIMES BESTSELLER "Fresh and exhilarating. . . Cosby keeps his eye on the story and the pedal to the metal." —Stephen King, *The New York Times Book Review* A Black sheriff. A serial killer. A small town ready to combust. The new novel from New York Times bestselling and Los Angeles Times Book Prize-winning author S. A. Cosby, "one of the most muscular, distinctive, grab-you-by-both-ears voices in American crime fiction." —Washington Post. "An atmospheric pressure cooker." —People Titus Crown is the first Black sheriff in the history of Charon County, Virginia. In recent decades, quiet Charon has had only two murders. But after years of working as an FBI agent, Titus knows better than anyone that while his hometown might seem like a land of moonshine, cornbread, and honeysuckle, secrets always fester under the surface. Then a year to the day after Titus's election, a school teacher is killed by a former student and the student is fatally shot by Titus's deputies. As Titus investigates the shootings, he unearths terrible crimes and a serial killer who has been hiding in plain sight, haunting the dirt lanes and woodland clearings of Charon. With the killer's possible connections to a local church and the town's harrowing history weighing on him, Titus projects confidence about closing the case while concealing a painful secret from his own past. At the same time, he also has to contend with a far-right group that wants to hold a parade in celebration of the town's Confederate history. Charon is Titus's home and his heart. But where faith and violence meet, there will be a reckoning. Powerful and unforgettable, *All the Sinners Bleed* confirms S. A. Cosby as "one of the most muscular, distinctive, grab-you-by-both-ears voices in American crime fiction" (*The Washington Post*).

The Seed of Evil

An invaluable source of information on the personalities and organizations of the literary world.

The Zen Gun

Join an unlikely hero as he watches Moby-Dick sink the Pequod, dodges cannibals on Robinson Crusoe's island, raises a glass with Beowulf, and literally goes to Hell and back. This rollicking adventure begins with a shipwreck on an island where notable characters of literature, history, and folklore coexist — Hamlet and Oedipus, Don Quixote and Doctor Faustus, Becky Sharp and Daniel Boone. From carousing with Robin Hood to crossing swords with the Green Knight and stealing a ride on Huck Finn's raft, our traveler, A. Clarence Shandon, undertakes a whirlwind tour of the classics. And just as the truths of great stories ennoble those who take them to heart, a selfish and cynical drifter is transformed into the gallant knight known as Silverlock. "Here in your hand is the stuff of wonder," declared science-fiction author Poul Anderson, adding, "There are few such glorious romps in all the world's literature, and surely none that surpass this one." Unjustly overlooked for decades, this book lover's book has developed a devoted cult following and richly deserves a wider audience. Whether or not you recognize its scores of literary allusions, you'll savor its wealth of battles, quests, romances, songs, and laughter.

Collision with Chronos

Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as *The Strange Case of Dr Jekyll and Mr Hyde*, *Dr Jekyll and Mr Hyde*, or simply *Jekyll & Hyde*.

All the Sinners Bleed

Jed Brindle is an alien. At least, that's what they call him on Earth. He's really a colony-bred soldier - augmented with cyborg implants - with the Extraterrestrial Peacekeeping Force, fighting for control of what used to be the United States. When he and his squad are sent behind enemy lines on a kidnap operation, it isn't long before things start to go wrong. Marooned in the desert with two wounded comrades and his quarry, Jed's mission becomes not just a struggle for survival but also a journey to rediscover the quiet, reliable farm boy he was before he became a machine for killing. "...should be required reading for anyone who still subscribes to the popular, dangerous fantasy of the nobility of war." (Lisa Tuttle, *Time Out*) "It has been several years since a first novel has grabbed me the way Keith Brooke's *Keepers of the Peace* did. It's a well-crafted, very personal look at the way war changes (and doesn't change) a kid from the sticks ... It is smooth, clean and elegant; a very straightforward book whose writing recalls the 1950s Heinlein, telling the tale without getting in the way." (Tom Whitmore, *Locus*) "This is a very fine debut novel ... Recommended both for the vision of the future and the excellent characterisation." (Paul Brazier, *Nexus*) "Brooke balances action with introspection, the lyrical with a gritty documentary 'realism' in stark contrast to the usual shoot-'em-up adventure. Anyone who has thrilled to the exploits of lunar rebels or others among sf's doughty warriors should read *Keepers of the Peace* - as an antidote. It's a gripping story of challenge and skin-of-the-teeth survival, but it's also much more: an anti-war testament with a direct power that requires no preaching." (Faren Miller, *Locus*)

International Who's Who of Authors and Writers 2008

Brilliant, poetic, a master of fantastic symbolism and emotional portraiture, John Crowley is one of the finest contemporary American novelists. As Harold Bloom writes in his Preface to this book, "Crowley writes so magnificently that only a handful of living writers can equal him as a stylist . . . Of novelists, only Philip Roth consistently writes on Crowley's level." *Engine Summer*; *Little, Big*; *Aegypt*; *Great Work of Time*; *The Translator*: these are only the highlights of a twenty-five year literary career of extraordinary depth and eloquence. Yet Crowley has not been the subject of a full-length critical study until now; *Snake's-Hands* remedies this lack, in full. In *Snake's-Hands*, Alice K. Turner and Michael Andre-Driussi assemble a host of brilliant essays on the fiction of John Crowley, by such eminent writers and critics as John Clute, Thomas M. Disch, James Hynes, Brian Attebery, and Bill Sheehan. Explore with them Crowley's fantastic retellings of the Hundred Years' War and of innumerable beast fables; his subtle rendering of the bucolic decline of Earth; his astonishing, multi-leveled vision of the fairylands deep within mundane reality; his British Empire upon which the sun, heartbreakingly, never can set; his glowing, brooding trio of Hermetic masterpieces; his tale of poetry at war with nuclear annihilation. Wonders of artistry, the artistry of wonder: Crowley is a genius, and *Snake's-Hands* demonstrates this alluringly, in a potent mosaic of insights. *Snake's-Hands: The Fiction of John Crowley* is the essential guide to the work of a great writer, and a landmark of criticism in its own right.

Lords of Tsamra

"A massive series of powerful earthquakes on a worldwide scale reduce towns and cities to rubble and plunge the survivors into barbarism. Most of western Europe is dramatically uplifted, transforming the English Channel into a muddy desert, while elsewhere lands are plunged below sealevel and flooded. The protagonist is Matthew Cotter, a Guernsey horticulturalist who finds himself one of only a handful of survivors on the former island. Cotter decides to trek across the empty seabed to England, in the faint hope that his daughter has somehow survived. He finds the situation on the former mainland has descended to barbarism, with competing bands of scavengers preying on survivors. He and his companion, a young boy, finally make their way to the borders of Sussex, where his daughter was staying, only to discover that the land has slipped beneath the sea. Cotter, along with some survivors from the mainland, eventually returns to Guernsey."--Wikipedia.

Silverlock

The exposition of the faith of Mary, the mother of Jesus; Mary, the sister of Martha and Lazarus of Bethany; and Mary Magdalene and their lives after the crucifixion.

Dr Jekyll and Mr Hyde (Annotated)

This new collection of essays, commissioned from a range of scholars across the world, takes as its theme the reception of Rome's greatest poet in a time of profound cultural change. Amid the rise of Christianity, the changing status of the city of Rome, and the emergence of new governing classes,

Vergil remained a bedrock of Roman education and identity. This volume considers the different ways in which Vergil was read, understood and appropriated; by poets, commentators, Church fathers, orators and historians. The introduction outlines the cultural and historical contexts. Twelve chapters dedicated to individual writers or genres, and the contributors make use of a wide range of approaches from contemporary reception theory. An epilogue concludes the volume.

Keepers of the Peace

Three Dark Crowns meets Pretty Little Liars in this sensational and striking new fantasy from debut author Ellen Goodlett. Three girls. Three deadly secrets. Only one can wear the crown. The king is dying, his heir has just been murdered, and rebellion brews in the east. But the kingdom of Kolonya and the outer Reaches has one last option before it descends into leaderless chaos. Or rather, three unexpected options. Zofi has spent her entire life trekking through the outer Reaches with her band of Travelers. She would do anything to protect the band, her family. But no one can ever find out how far she's already gone. Akeylah was raised in the Eastern Reach, surrounded by whispers of rebellion and abused by her father. Desperate to escape, she makes a decision that threatens the whole kingdom. Ren grew up in Kolonya, serving as a lady's maid and scheming her way out of the servants' chambers. But one such plot could get her hung for treason if anyone ever discovers what she's done. When the king summons the girls, they arrive expecting arrest or even execution. Instead they learn the truth: they are his illegitimate daughters, and one must become his new heir. But someone in Kolonya knows their secrets, and that someone will stop at nothing to keep the sisters from their destiny... to rule. Magic, mystery, and blackmail abound in the first book of this sensational and striking fantasy duology.

Snake's Hands

The entertainment world lost several legendary stars and a host of other men and women involved in the performing arts in 2008. Notables who died include Heath Ledger, Barry Morse, Suzanne Pleshette, Bo Diddley, Tim Russert, Eartha Kitt, Beverly Garland and Isaac Hayes. Obituaries of these and other performers and filmmakers, musicians and producers, dancers and composers, writers and others associated with the performing arts who died in 2008 can be found in this comprehensive reference work. For each, the date, place, and cause of death are provided, along with a recap of their career and citations from major newspaper and periodical stories reporting the death. Filmographies are given for film and television performers, and photographs of many of the individuals are included. Individual books in this annual series are available dating back to 1994. A subscription plan is available for future issues.

Starman

When Lily Dunn was just six years old, her father left the family home to follow his guru to India, trading domestic life for clothes dyed in oranges and reds and the promise of enlightenment with the cult of Bhagwan Shree Rajneesh. Since then he has been a mystery to her. She grew up enthralled by the image of him; effervescent, ambitious and elusive, a writer, publisher and entrepreneur, a man who would appear with gifts from faraway places, and with whom she spent the long, hot summers of her teenage years in Italy, in the company of his wild and wealthy friends. Yet he was also a compulsive liar, a delinquent, a man who abandoned his responsibilities in a pursuit of transcendence that took him from sex addiction, via the Rajneesh cult, to a relentless chase of money, which ended in ruin and finally addiction to alcohol and prescription drugs. A detective story that charts two colliding narratives, *Sins of My Father* is a daughter's attempt to unravel the mysteries of a father who believed himself to be beyond reproach. A dazzling work of literary memoir, it asks how deep legacies of shame and trauma run, and if we can reconcile unconditional love with irreparable damage.

The Sins of Our Fathers

The final novella set in the universe of James S. A. Corey's NYT-bestselling *Expanse* series. Now a Prime Original series. This story will be available in the complete *Expanse* story collection, *Memory's Legion*. HUGO AWARD WINNER FOR BEST SERIES Through one of the gates, a colony stands alone. Their supplies are low. Their defences, weak. The leadership is uncertain, and the community fragile. Huge alien beasts threaten the little they have left. But the worst monsters are human, and the greatest dangers are the past they brought. Her Father's Sins

Does Queenie have the strength to overcome her father's sins and grasp love and happiness? Josephine Cox brings us the first instalment of Queenie's story in *Her Father's Sins*, the unforgettable saga of a young woman's refusal to settle for second best. Perfect for fans of *Dilly Court* and *Sheila Newberry*. Queenie seemed born to suffer. Her mam died giving birth to her, her drunken father George Kenney ignored her unless he was cursing her, and only beloved Auntie Biddy provided an anchor for the little girl. Growing up in post-war Blackburn, life could be tough when Biddy had to take in washing to make ends meet - at a time when the washing machine began to gain popularity. After Auntie Biddy's death there was only Queenie to care for the home and to earn money, and no one to protect her from the father who blamed his daughter for her mother's death. But Queenie is resilient. And in spite of hardship, she grows up tall and strikingly beautiful with her deep grey eyes and her abundant honey-coloured hair. Love, in the shape of Rick Marsden, might have released her from the burden of the drink-sodden George. But the sins of the fathers cannot be easily forgotten... What readers are saying about *Her Father's Sins*: 'A well written book and one that I found I couldn't put down until I had read it from cover to cover in one go!' 'This is an excellent story with the various strands all marvellously coming together at the end' 'I loved every word of the book - five stars'

Sins of Our Fathers

Struggling with depression and a gambling addiction after losing his son in a car accident, small-town banker JW is caught embezzling and blackmailed by his boss into sabotaging an innocent competitor. By the Oscar-nominated screenwriter of *House of Sand and Fog*.

The Sins of the Father

Engrossing and memorable, *The Sins of the Father* is the second novel in international bestseller Jeffrey Archer's celebrated *Clifton Chronicles*. It takes us to New York in 1939 where our hero Harry Clifton is in desperate need of help. Only days before Britain declares war on Germany, Harry joins the Merchant Navy, unable to face long-held family secrets and the fact he will never be able to marry his true love Emma Barrington. But when his ship is sunk mid-Atlantic, Harry takes the opportunity to assume the identity of one of his deceased rescuers and begin a new life. Landing in America, he quickly

discovers he has made a mistake and without any way to prove his true identity, Harry is now chained to a past that could be far worse than the one he had hoped to escape . . . Brimming with intrigue, the Clifton Chronicles continues its powerful journey with family loyalties stretched to their limits and fates decided. Continue the bestselling series with *Best Kept Secret* and *Be Careful What You Wish For*.

Sins of Fathers

'Michael is living proof that love always has the power to bring you home.' Charlie Mackesy 'A cracking read. Really gets to the bottom of the madness of a man fighting his demons.' Ray Winstone 'His life may have had its ups and downs, but it is wonderful example of God's transforming power.' Nicky Gumbel, Vicar of HTB & pioneer of ALPHA 'Take it from me, Michael got up to some mischief. And to find some peace at the end of it all! You really need to hear this story.' Former London Crime Boss Growing up, Michael wanted nothing more than to follow in his dad's footsteps and join the family business. Aged 18, he did just that and entered into the glamorous, dangerous world of organised crime. Michael's father, a career criminal and contemporary of the infamous Krays, was a wayward role model. Soon Michael's criminal activities were funding a reckless lifestyle of drugs, sex, and violence. But the high couldn't last. In 1993 both men were arrested for their involvement in a £13-million smuggling operation. Michael was sentenced to twelve years, serving time in the same prison as his dad. Inside HMP Exeter, Michael found something he had never expected: answers. A chance encounter in the prison chapel led to an experience that would shake the foundations of his life. This is a true story of trauma and transformation, one man's search for redemption, and the struggle to become the father he never had.

For the Sins of My Father

Roy DeMeo was one of the Mafia's most cold-blooded killers - personally responsible for up to 200 murders. His grisly methods of disposing of his victims appear to have been an inspiration for similar killings enacted in TV's hugely popular *The Sopranos*. Albert DeMeo is his son. who led the Gambino family's most fearsome killers and thieves, through the eyes of a son who had never known any other kind of life. Coming of age in an opulent Long Island house where money was abundant but its source was unclear, Al became Roy's confidant, sent to call in loans at age 14 and gradually coming to understand what his father actually did for a living: loan shark, car thief, porn purveyor and, above all, murderer. But when Al was 17, Roy's body was found in the trunk of a car, a gangland slaying that placed Al between federal prosecutors seeking his testimony and a Mob crew determined to keep him quiet. DeMeo's horrific criminal life, and the revelations led his son to a nervous breakdown. How could he have spent his life looking up to, and loving, a vicious killer? Roy's dangerous and doomed life, Al DeMeo embarked on a courageous quest for the truth, reconciliation, and honour. With the implacable narrative drive of a thriller and the power of a painfully honest memoir, *For the Sins of My Father* presents a startling perspective on the underworld of organized crime, exposing the cruel legacy of a Mafia life.

The Sins of the Fathers

National identity and political legitimacy always involve a delicate balance between remembering and forgetting. All nations have elements in their past that they would prefer to pass over - the catalog of failures, injustices, and horrors committed in the name of nations. Yet denial and forgetting carry costs as well. Nowhere has this precarious balance been more potent, or important, than in the Federal Republic of Germany, where the devastation and atrocities of two world wars have weighed heavily in virtually every moment and aspect of political life. 'The Sins of the Fathers' confronts that difficulty head-on, exploring the variety of ways that Germany's leaders since 1949 have attempted to meet this challenge, with a particular focus on how those approaches have changed over time.

Sins of Our Fathers

Never has it been so easy to buy a human being. The more innocent, the higher the price tag. Ginger Vincent took the underground world of human trafficking by storm with her technology-based black market. As a woman, she's got her work cut out for her when the vultures begin to circle, closing in on all she's built. When someone more beast than man is taken on a routine acquisition run-who has no name other than Sin-Ginger's curiosity gets the better of her. She decides to keep him close to learn his secrets. Little does she know, Sin is there for a reason, and that reason is to take her down. With equally bleak histories and jaded world views, they both begin to question everything they believe in the face of one another. When two dark souls collide, will the world burn, or will they? *Sins of our Fathers*

is a DARK romance with themes not suitable for those under 18 or those with triggers. Please check the trigger warnings before proceeding, and don't say I didn't warn you. Prequel: Sins of the Family

The Sins of the Fathers

The pretty young prostitute is dead. Her alleged murderer—a minister's son—hanged himself in his jail cell. The case is closed. But the dead girl's father has come to Matthew Scudder for answers, sending the unlicensed private investigator in search of terrible truths about a life that was lived and lost in a sordid world of perversion and pleasures.

Sins of the Fathers

A parent's worst nightmare. A lawyer's biggest challenge. A young boy's life on the line. The unimaginable has happened. A thirteen-year-old boy has fired a rifle into a baseball game, killing several of the kids on the field. Parents are devastated. The townspeople are horrified. When public opinion swells to an enraged cry for justice, an ambitious deputy district attorney sees his opportunity—a sensational trial that will catapult him into the D.A.'s office in the upcoming election. There's just one obstacle: the boy's defense attorney, Lindy Field. To all appearances, the case is a slam-dunk. Convict the killer, make him pay. But it's not that simple. Lindy's young client is unwilling—or unable—to help Lindy defend him. And as the case progresses, it becomes clear that someone doesn't want the truth revealed. As Lindy delves into the haunted world of her client's torment, she finds a spiritual darkness that dredges up her own troubled past. And when dangerous forces close in around her, Lindy must fight for answers not only in the justice system, but in the very depths of her soul.

Sins of the Father

The questions surrounding how the Irish economy was brought to the brink – who was to blame, and who should pay for these mistakes – have been rightly debated at length. But beyond this very legitimate exercise, there are deeper questions that need to be answered. These questions relate to why we made the decisions we did, not just in the last 10 years, but over the last 80. How did certain industries become prominent at the expense of others, banking as opposed to fisheries, international markets as opposed to indigenous industry and job creation? Are our problems structural in nature, and most importantly, what do we need to know to make sure that this crisis does not happen again? These are the questions set by this book. It will look at the development of the Irish economy over the past eight decades, and will argue that the 2008 financial crisis, up to and including the IMF bailout of 2010 and the subsequent change of government, cannot be explained simply by the moral failings of those in banking or property development alone. The problems are deeper, more intricate, and more dangerous if we remain unaware of them, but also potentially avoidable in the future if we break the cycle.

It's Not a Man's World

It's Not A Man's World: How I conquered the sins of my father paints a vivid picture of what life is like for a male growing up in a fatherless household. It's the reflective process of one man's journey to heal himself from his father's rejection. It's a story of love, loss, and insecurities as L.T. fights to become a man in a world that sometimes seemed intent on making him fail. As he reflects on his path and invites readers into his world, he squashes the notion of the 'macho man' persona by exposing the truth that there are males who are silently fighting through some of life's most difficult challenges. L.T. encourages these males to become more vocal about their childhood experiences and vulnerabilities, as it is the only way they will be liberated from their pain. As L.T. learns the importance of conquering his father's sins, he realizes that it's not a man's world after all.

Sins of the Father

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Sins of My Fathers

My two fathers brought me up in 1950s Britain, a time when men had to hide their love for each other. Now Louis is the only one left and wants to tell me his own story.... Readers' reactions: "tender, engaging, effortless." "such a powerful relationship between Louis and his son.... a lovely writer" "a touching and thought-provoking read, full of atmosphere and emotion." "Julian Gray is an absolutely

lovely writer, and there is so much humanity and illumination in this novel." "I'm so happy I had a chance to read it.... and so enjoyed watching this tender love story unfold." "It is quickly apparent when a reader finds themselves in capable hands. I found the writing assured and with just the right combination of pace and context." "...a perspective that really deserves to be heard. Julian Gray is an excellent writer of character - they all felt so vivid and nuanced; each with their own demons, but all treated with such a tender touch that the reader was able to find redemptive qualities in all of them. The development of Louis and Rob's relationship and how each of them is shaped by their widely differing experiences of war and family, was particularly well done. Parenthood is so intricately explored - from the mixture of liberations and oppressions experienced by Vita's free-love approach and the conservative quiet of Louis' parents, to the tenderness of Louis and his son's relationship in the present. I really enjoyed the forays into psychoanalysis and art, and the wide scope of locations and stages of war across which Louis' story played out. The explorations of masculinity, vulnerability, and the multiple forms that love can take make for a powerful read. I very much enjoyed it."

Cat O' Nine Tales

Cat O' Nine Tales is the fifth collection of irresistible short stories from the master storyteller Jeffrey Archer, illustrated by the internationally acclaimed artist, Ronald Searle, creator of Molesworth. These twelve yarns are satisfying and ingeniously plotted, featuring richly drawn characters and Jeffrey Archer's trademark deliciously unexpected conclusions. They feature the mad, the bad and the dangerous to know, as well as more poignant and telling characters. As a collection they confirm his position as a master storyteller.

Sins of the Fathers

Seattle investigator J. P. Beaumont is drawn into an intriguing, and shockingly personal, case in this superb tale of suspense from New York Times bestselling author J. A. Jance. Former Seattle homicide cop, J. P. Beaumont, is learning to enjoy the new realities of retirement doing morning crossword puzzles by a roaring fireplace; playing frisbee with his new dog; having quiet lunches with his still working wife. But then his past comes calling. When a long ago acquaintance, Alan Dale, shows up on Beau's doorstep with a newborn infant in hand and asking for help locating his missing daughter, Beau finds himself faced with an investigation that will turn his own life upside down by dragging his none-too-stellar past onto a roller-coaster ride that may well derail his serene present. It turns out that, even in retirement, murder is still the name of J. P. Beaumont's game.

The Price We Must Pay for Our Father's Sins

This book is probably unlike any other you have read. After reading it you will acquire knowledge. Most people can relate to some of the tragedies the families in this book have experienced, and some continue to experience terrible tragedies at the present time. Many people you will read about in this book are ordinary. Therefore, as you read about them, you will feel some sadness, anger, frustration, and perhaps some hopelessness.

All His Father's Sins

The Chemistry of the Blood is one of Dr. M. R. De Haan's most widely read books. In it, his scientific background is uniquely combined with his skillful exposition of Scripture to correlate Scripture and science. In addition to the title chapter on The Chemistry of the Blood, Dr. De Haan also discusses such intriguing themes as 'The Chemistry of Tears,' 'The Chemistry of the Bible,' 'The Chemistry of Man,' and other striking truths.

The Chemistry of the Blood

An international bestseller which has sold over a million copies in the UK, Dreams From My Father is a refreshing, revealing portrait of a young man asking big questions about identity and belonging. The son of a Black African father and a white American mother, Barack Obama recounts an emotional odyssey, retracing the migration of his mother's family from Kansas to Hawai'i, then to his childhood home in Indonesia. Finally he travels to Kenya, where he confronts the bitter truth of his father's life and at last reconciles his divided inheritance. Written nearly fifteen years before becoming president, Dreams from My Father is an unforgettable read. It illuminates not only Obama's journey, but also our universal desire to understand our history and what makes us who we are.

Dreams From My Father

From the New York Times bestselling author of 20 books about the Secret Service, FBI, and CIA comes the detailed account of the life and times of the ambitious, powerful, masterfully manipulative Joseph Patrick Kennedy. For all his wealth and power, Joe Kennedy was not a happy man. He also had no shame. What he cared about was having power. Through the political dynasty that he founded, he achieved that for generations to come. If he hurt and corrupted others in the process, no one had the courage to challenge him. The results are the myths that continue to enshrine the Kennedy family and maintain it as a national obsession. This book explodes those myths. Utilizing extensive research and interviews with Kennedy family members and their intimates, speaking on record for the first time, Kessler reveals stunning details of Joseph Kennedy's enormous accomplishments and the terrible personal losses he suffered.

The Sins of the Father

This book is a must have for every believer! The Bible teaches that there are three kinds of sin: Sin = to miss the mark; Transgression = to willingly disobey God; and Iniquity - which is generational sin that's been passed down. The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations. When you become a Christian your spirit is baptized into a new family, but your flesh can still operate under the generational curses of your bloodline. In this book, Bishop Foreman lays the groundwork to understanding what a generational curse is and how they can affect believers that are unaware of them. 90% of the issues that most people deal with are related to their father or absence thereof. The enemy has strategically removed the fathers out of many homes because children receive their identity from their father. Why has the enemy devoted so much time trying to hinder your family? It's not because you all are so messed up, it's because there's so much destiny and purpose in them that he wants to stop. If you don't interrupt the generational curses that have been operating in your life, you could end up rejecting your destiny. We'll identify the familiar spirits or certain patterns of behavior that are common to certain families. Bishop deals with discerning and destroying those destructive spirits that have been operating in your family and when you finish this book you will be fully equipped to identify, battle, and overcome every generational curse in your bloodline. It's time to stop blocking the blessing! God made up His mind about you. He's blessed you and He won't take it back! Find out what the blessing is and how to see it manifest in your life now! There's a generational blessing stored up in your bloodline and learn how to access it with this riveting, groundbreaking, and intentionally shocking book, *Sins of the Fathers*!

Sins of the Fathers

In the tradition of Herman Wouk, author of *Winds of War* and *War and Remembrance*, the novel *Sins of the Fathers* is the thoroughly researched historical sequel to *Wolf*. History hinged on a call as the German high command waited for Hitler's order to invade Czechoslovakia. That was the signal that would launch their revolt to bring down the Reich. Every detail of the coup was in place. Access roads to Berlin would be blocked. The city sealed. Communication centers taken. A commando squad sixty hand-picked men were ready to storm the Chancellery and seize Hitler. The only open question: to try Hitler as a traitor or execute him on the spot. *Sins of the Fathers* is the eye-opening novel based on historical facts of the efforts of German military leaders, career civil servants, and clergy to solicit England's assistance to bring down the tyrant in 1938. When Prime Minister Neville Chamberlain refused to meet with them, they turned to Winston Churchill, who secretly supported their cause. Armed with a strongly worded letter from the future prime minister, they waited for Hitler's telephone call ordering German troops to invade Czechoslovakia the signal for their uprising. But the call did not come. Instead, Prime Minister Chamberlain went to Hitler's apartment in Munich only to bow to the dictator's will. The invasion was over before it began and with that, so was the coup. Flying home, Chamberlain announced he had obtained "peace for our times." *Sins of the Fathers* the sequel to *Wolf* about Hitler's rise to power tells the dramatic true story of the foolish prime minister that undermined the coup to topple the regime, delivered Czechoslovakia to Hitler, saved the Führer's life, and paved the road to World War II.

Sins of the Fathers

"Larsson is one of the best current practitioners of Scandinavian crime fiction" *Financial Times* "A masterful storyteller . . . An astute social commentator" *Sunday Express* Winner of the Best Swedish Crime Novel of the Year 2021 (Swedish Crime Writers' Academy) Winner of the Storytel Award for Best Suspense Novel 2021 Winner of the Adlibris Award for Best Suspense Novel 2021 Forensic pathologist

Lars Pohjanen has only a few weeks to live when he asks Rebecka Martinsson to investigate a murder that has long since passed the statute of limitations. A body found in a freezer at the home of the deceased alcoholic, Henry Pekkari, has been identified as a man who disappeared without a trace in 1962: the father of Swedish Olympic boxing champion Börje Ström. Rebecka wants nothing to do with a fifty-year-old case - she has enough to worry about. But how can she ignore a dying man's wish? When the post-mortem confirms that Pekkari, too, was murdered, Rebecka has a red-hot investigation on her hands. But what does it have to do with the body kept in his freezer for decades? Meanwhile, the city of Kiruna is being torn down and moved a few kilometres east, to make way for the mine that has been devouring the city from below. With the city in flux, the tentacles of organized crime are slowly taking over . . . Fragile yet fierce Rebecka Martinsson returns in a spellbinding addition to the Arctic Murders series, now a Walter Presents drama for television. Translated from the Swedish by Frank Perry

The Sins of our Fathers

" Today, Thomas Dixon is perhaps best known as the author of the best-selling early twentieth-century trilogy that included the novel *The Clansman* (1905), which provided the core narrative for D.W. Griffith's groundbreaking and still-controversial film *The Birth of a Nation* . It was *The Sins of the Father* , however, that Dixon regarded as the most aesthetically satisfying child of his Ku Klux Klan saga. In this novel he telescopes the trilogy's sprawling historical canvas into one tightly scripted narrative. A best-seller in 1912, the novel's themes of interracial sex and incest outraged many upon its publication. Nearly a century later, Dixon's work is undergoing a critical reevaluation. A new introduction by Steven Weisenburger lends a valuable historical and critical perspective to this important and divisive classic of American literature. Thomas Dixon (1864-1946) was born in Shelby, North Carolina. He is also the author of *The Clansman* and *The Flaming Sword*. Steven Weisenburger, Mossiker Chair in Humanities at Southern Methodist University, is the author of several books, including *Modern Medea: A Family Story of Slavery and Child- murder from the Old South*.

The Sins of the Father

"Frederick Crews's *The Sins of the Fathers: Hawthorne's Psychological Themes* has become a classic in the field of Hawthorne studies and can be considered one of the most intelligent psychoanalytic readings of a major American writer."—Joel Porte, Cornell University "The best book we have on Hawthorne, bar none."—Giles Gunn, University of California, Santa Barbara

The Sins of the Fathers

Featuring a foreword by Will Self We'll all experience recovery at some point in our lives, whether from addiction, physical illness, mental health issues or loss. Many of us heal, and we may discover ways to live with our changed selves, to reclaim a life. We may find a new voice, or unearth a voice that has been submerged. Vitally, recovery can mean community. This anthology – which grew out of a small creative writing class run by Lily Dunn at Hackney Recovery Service, and was later broadened into a nationwide call for submissions by Dunn and her teaching partner, Zoe Gilbert – represents a community of writers: new, unheard voices alongside emerging and established authors. Theirs are stories from the dark back alleys, the deep crevices of the mind, and from the wild, ecstatic heights of life before, during and after recovery. These are voices that urgently need to be heard, in all their variety.

A Wild and Precious Life

****A Sunday Times Book of the Year**** The closest you'll ever get to the most infamous drug kingpin in modern history, told by the person who stood by his side The story of Pablo Escobar, one of the wealthiest, powerful and violent criminals of all time has fascinated the world. Yet the one person closest to him has never spoken out – until now. Maria Victoria Henao met Pablo when she was 13, eloped with him at 15, and despite his numerous infidelities and violence, stayed by his side for the following 16 years until his death. At the same time, she urged him to make peace with his enemies and managed to negotiate her and her children's freedom after Pablo's demise. On the 25th anniversary of Pablo's death, the most intriguing character in the Escobar narrative is ready to share her story and reveal the real man behind the legend.

Mrs Escobar

This unforgettable father and son story confronts the legacy of the Vietnam War across two generations: “an important book that should be read by every American” (Ron Kovic, Vietnam Veteran and author of *Born on the Fourth of July*). Craig McNamara came of age in the political tumult and upheaval of the late 60s. While Craig McNamara would grow up to take part in anti-war demonstrations, his father, Robert McNamara, served as John F. Kennedy's Secretary of Defense and the architect of the Vietnam War. This searching and revealing memoir offers an intimate picture of one father and son at pivotal periods in American history. Because *Our Fathers Lied* is more than a family story—it is a story about America. Before Robert McNamara joined Kennedy's cabinet, he was an executive who helped turn around Ford Motor Company. Known for his tremendous competence and professionalism, McNamara came to symbolize “the best and the brightest.” Craig, his youngest child and only son, struggled in his father's shadow. When he ultimately fails his draft board physical, Craig decides to travel by motorcycle across Central and South America, learning more about the art of agriculture and making what he defines as an honest living. By the book's conclusion, Craig McNamara is farming walnuts in Northern California and coming to terms with his father's legacy. *Because Our Fathers Lied* tells the story of the war from the perspective of a single, unforgettable American family.

Because Our Fathers Lied

Father's Love Letter by Barry Adams is a series of paraphrased Scriptures that take on the form of a love letter from God and will impact your heart, soul and spirit. Experience the love you have been looking for all your life. This gift book contains beautiful full-color photographs and fifty-seven powerful devotional thoughts. A prayer that will help you put into words your response to God follows each devotional thought.

Father's Love Letter

Susan Howatch's dark, epic family saga is a must-read for fans of Winston Graham's *Poldark*. We all want what we cannot have, but when Mark Castallack sees his longed-for inheritance Penmarric, a gothic mansion on the bleak cliffs of Cornwall, and the mysterious, mesmerising Janna, he knows that he will make them his and nothing will stand in his way. Yet when Mark realizes his dreams, Penmarric only brings a legacy of conflict, jealousy, infidelity and betrayal. Spanning the Victorian era to the Second World War, this gripping story of one man and his two feuding families chronicles the tempestuous clashes between warring sons, wives and mistresses, and between a house divided against itself.

Sins of the Fathers

Family curses are reoccurring problems that steal, kill, and destroy. Scripture is clear God visits the iniquity of the fathers upon the children up to the third and fourth generation (Exodus 20:5). Curses have the right to come because of sin. Before you can break generational curses we need to identify what they look like. This book contains a list of the signs of family curses and how to clean your spiritual house.

Penmarric

This is the powerful and shocking story of the Atlantic slave traders. From 1441 to 1807, these traders, their dealings and political affiliates, organized one of the largest slave trades in history.

7 Signs of a Family Curse

"Marvin Olasky explores how his Jewish American father was impacted by World War 2, Reconstructionist Judaism, and social Darwinist teaching at Harvard-facing pain in order to understand and forgive"--

Sins of the Fathers

NEW YORK TIMES BESTSELLER • Senator John McCain's deeply moving memoir is the story of three generations of warriors and the ways that sons are shaped and enriched by their fathers. John McCain's grandfather, a four-star admiral and one of the navy's greatest commanders, led the strongest aircraft carrier force of the Third Fleet during World War II. McCain's father, also a four-star admiral, served as commander of all U.S. forces in the Pacific during the Vietnam War. It was in Vietnam that John McCain III faced the most difficult challenge of his life. A naval aviator, he was shot down over Hanoi in 1967. Recognized as the son of a top commander, McCain was tortured and imprisoned for five

and a half years. Despite this, he refused Vietnamese offers of an early release. What McCain learned from his grandfather and father enabled him to survive those hard years. A testament to the power of human endurance, *Faith of My Fathers* is the story of three men who fought for their country with courage and emerged with their honor intact. Praise for *Faith of My Fathers* "A thoughtful first-person take on survival, both physical and psychological . . . hard to top and impossible to read without being moved."—USA Today "A candid, moving, and entertaining memoir . . . impressive and inspiring, the story of a man touched and molded by fire who loved and served his country in a time of great trouble, suffering, and challenge."—Kirkus Reviews "A serious, utterly gripping account of faith, fathers, and the military."—Publishers Weekly (starred review) "Faith of My Fathers may also appeal to those who flocked to *Saving Private Ryan* and kept Brokaw's *The Greatest Generation* near the top of the bestseller lists."—Library Journal "Faith of My Fathers is the powerful story of a war hero. In it we learn much of what matters most. As prisoner (and later Senator) McCain instructs us: Glory is not an end in itself, but rather a reward for valor and faith. And the greatest freedom and human fulfillment comes from engaging in a noble enterprise larger than oneself. *Faith of My Fathers* teaches deep truths that are valid in any age but that warrant special attention in our own."—William J. Bennett

Lament for a Father

Kelvin Pierce was raised to be a hard core racist. His father, Dr. William Luther Pierce III, was founder and leader of the National Alliance, one of the most well-known White Supremacist organizations in the world. In 1978 William Pierce wrote *The Turner Diaries*, which has been labeled "the bible of the racist right" to this day. All the while, Pierce indoctrinated his son with tenets of White Supremacy, interspersed with physical and psychological abuse. By the time the author left home he was a seething morass of hate and suffering. Read about his eventual recovery and transformation.

Faith of My Fathers

Vicky van Zale's fight for survival against the three men who use her as a pawn in their struggles for wealth and power begins when her millionaire father manipulates her into an arranged marriage. Her battle with and ultimate victory over her father, her husband and finally her lover, who all try to use her to further their own ends, is set against a background of boardroom intrigue, brutal ambition and bitter masculine rivalry. This is a companion novel to *The Rich Are Different* and continues the gripping story of the Van Zale dynasty through two decades of conflict as the sins of the fathers are finally visited upon the next generation ...
