The Complete Official Austin-Healey 100-six and 3000, 1956-1968

This manual was prepared in close cooperation with British Leyland Motors in order to provide complete, authentic and up-to-date maintenance and repair information to owners, dealership service departments, and other professional mechanics. The Workshop Manual is the official factory manual and includes information from the Driver's Handbook, which is the handbook provided with every new Austin-Healey. This manual contains emission control information that applies specifically to Austin-Healeys manufactured for the United Kingdom and North American markets, and a complete, illustrated catalogue of special tools. The publisher has incorporated additional factory procedures and specifications that have become available following the publication of the original factory information. This manual is therefore the most up-to-date, accurate, and comprehensive service information available for the Austin-Healey.

Emission Control Service Manual--imported Car, 1968-73
