Practice Makes Perfect

She's in the front office. He's a star player. It's a match-up guaranteed to melt the ice... Left winger Jared Landry is one of the (gorgeous) faces of Vancouver's Warriors hockey team—except he's not comfortable in the spotlight. He gets that charity events are important to the community, he just wants to contribute in his own way. Face-time with the fans puts him in a vulnerable position, bringing up past memories—and present complications. But a certain fiery newcomer won't take no for an answer... Meghan O'Riley is the Warriors' new events coordinator, and she wants everyone on board—including Jared. Meghan knows he has a history of flaking out on important occasions, and she has no patience for his devil-may-care attitude. But Meghan will have to hone her rookie flirting skills to get the star to commit to the team—and maybe even to her...

A Summer In Europe

On her thirtieth birthday, Gwendolyn Reese receives an unexpected present from her widowed Aunt Bea: a grand tour of Europe in the company of Bea's Sudoku and Mahjongg Club. The prospect isn't entirely appealing. But when the gift she is expecting--an engagement ring from her boyfriend--doesn't materialize, Gwen decides to go. At first, Gwen approaches the trip as if it's the math homework she assigns her students, diligently checking monuments off her must-see list. But amid the bougainvillea and stunning vistas of southern Italy, something changes. Gwen begins to live in the moment--skipping down stone staircases in Capri, running her fingers over a glacier in view of the Matterhorn, racing through the Louvre, and taste-testing pastries at a Marseilles cafe. Reveling in every new experience--especially her attraction to a charismatic British physics professor--Gwen discovers that the

ancient wonders around her are nothing compared to the renaissance unfolding within. . . "A thinking woman's love story, it swept me away to breathtaking places with a cast of endearing characters I won't soon forget. Bravissima!" –Susan McBride, author of *Little Black Dress Praise for Marilyn Brant's*
According to Jane "A warm, witty and charmingly original story." --Susan Wiggs, *New York Times* bestselling author "Brant infuses her sweetly romantic and delightfully clever tale with just the right dash of Austen-esque wit." –Chicago Tribune "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel."

Virtual Economies

How the basic concepts of economics—including markets, institutions, and money—can be used to create and analyze economies based on virtual goods. In the twenty-first-century digital world, virtual goods are sold for real money. Digital game players happily pay for avatars, power-ups, and other game items. But behind every virtual sale, there is a virtual economy, simple or complex. In this book, Vili Lehdonvirta and Edward Castronova introduce the basic concepts of economics into the game developer's and game designer's toolkits. Lehdonvirta and Castronova explain how the fundamentals of economics—markets, institutions, and money—can be used to create or analyze economies based on artificially scarce virtual goods. They focus on virtual economies in digital games, but also touch on serious digital currencies such as Bitcoin as well as virtual economies that emerge in social media around points, likes, and followers. The theoretical emphasis is on elementary microeconomic theory, with some discussion of behavioral economics, macroeconomics, sociology of consumption, and other social science theories relevant to economic behavior. Topics include the rational choice model of economic decision making; information goods versus virtual goods; supply, demand, and market equilibrium; monopoly power; setting prices; and externalities. The book will enable developers and designers to create and maintain successful virtual economies, introduce social scientists and policy makers to the power of virtual economies, and provide a useful guide to economic fundamentals for students in other disciplines.

The Bureau of Suspended Objects: Objects in Use

This book accompanies "The Bureau of Suspended Objects" installation at the Contemporary Jewish Museum, opening January 28. The objects in this book correspond to the second section of the display: objects that belong to me or that I grew up with at my parents' house. They come from bookshelves, desks, attics, and shoeboxes, and have been owned long enough to have acquired some emotional value – thus becoming more than an anonymous product at the store. However, it's possible that this aura of meaning is visible only to their owners.

Second Quest

Second Quest is a stand-alone graphic novella inspired by *Zelda*. It's an original story about a young woman from a small town in the sky who begins to suspect that the legends about her home aren't true.

Remote Research

Remote studies allow you to recruit subjects quickly, cheaply, and immediately, and give you the opportunity to observe users as they behave naturally in their own environment. In *Remote Research*, Nate Bolt and Tony Tulathimutte teach you how to design and conduct remote research studies, top to bottom, with little more than a phone and a laptop.

How to Play a Video Game

Baggywrinkles

Welcome to the world of Baggywrinkles--a rollicking, educational survey of maritime lore, built around cartoonist Lucy Bellwood's time aboard tall ships. From the scourge of scurvy to the exhilaration of

climbing the rigging for the first time, Lucy's comics bring the reader into a world of high seas history and informative adventure with "a sheer and unrelenting sense of joy (Andy Oliver, Broken Frontier)."

No Way! Okay, Fine

"Brodie is whip smart; merging pop-culture references with vulnerable, personal experiences to create a collection that reads like a hilarious catch-up call with an old friend. What a pleasure to hear from this fresh, extremely relevant point of view." Abbi Jacobson, CO-CREATOR / WRITER / STAR of BROAD CITY "I wish Brodie was the voice of my inner monologue; narrating me through life with her fierce intelligence and never-ending pop culture references. Instead, I'll just settle for this extremely relatable, unashamedly funny, powerful and beautifully vulnerable book No Way! Okay, Fine." - Courtney Barnett, ARIA award winning and Grammy nominated songwriter and musician. 'I identified early on that my role in relationships was the sidekick, the platonic female cast member in an all-male production, or the friend who was relied on selectively when other options were unavailable. I was the comic relief or the stand-in, never the lead. I knew this, I felt it, I wrote it down, but I didn't dare say it aloud because that would prove that I cared and caring wasn't cool.' From the small town in regional Australia where she was told that 'girls can't play the drums' to New York City and back again, Brodie has spent her life searching screens, books, music and magazines for bodies like hers, girls who loved each other, and women who didn't follow the silent instructions to shrink or hide that they've received since literal birth. This is the story of life as a young woman through the lenses of feminism and pop culture. Brodie's story will make you re-evaluate the power of pop culture in our lives - and maybe you will laugh and cry along the way. 'Brodie Lancaster is a thoughtful and patient writer, and this book is a generous, deep dive into her psyche. Brodie's thoughts about her body, her friends and lovers, her choices and fears are all presented with the same staccato blast of pop culture touchstones, and if you love boy bands/the internet/reality television/the Gilmore Girls/literally every other thing that is good in the world, you will adore this book.' - Emma Straub, bestselling author of THE VACATIONERS and MODERN LOVERS.

And We're Off

A Seventeen Magazine Best Book of the Year "A winsome, hilarious tale about losing the map and finding a better way to a happy ending. I loved it!" —#1 New York Times bestselling author Jennifer Weiner Seventeen-year-old Nora Holmes is an artist, a painter from the moment she could hold a brush. She inherited the skill from her grandfather, Robert, who's always nurtured Nora's talent and encouraged her to follow her passion. Still, Nora is shocked and elated when Robert offers her a gift: an all-expenses-paid summer trip to Europe to immerse herself in the craft and to study history's most famous artists. The only catch? Nora has to create an original piece of artwork at every stop and send it back to her grandfather. It's a no-brainer: Nora is in! Unfortunately, Nora's mother, Alice, is less than thrilled about the trip. She worries about what the future holds for her young, idealistic daughter—and her opinions haven't gone unnoticed. Nora couldn't feel more unsupported by her mother, and in the weeks leading up to the trip, the women are as disconnected as they've ever been. But seconds after saying goodbye to Alice at the airport terminal, Nora hears a voice call out: "Wait! Stop! I'm coming with you!" And . . . they're off. 13 Little Blue Envelopes meets Gilmore Girls in this fun, funny, and bittersweet summer adventure from Observer writer and the hilarious voice behind @GuyInYourMFA, Dana Schwartz.

Designing for Performance

As a web designer, you encounter tough choices when it comes to weighing aesthetics and performance. Good content, layout, images, and interactivity are essential for engaging your audience, and each of these elements have an enormous impact on page load time and the end-user experience. The Unmapped Lands

"Alanna Rye may be straightforward to the point of rudeness and more than a little short-tempered, but what she lacks in grace, she makes up for with the ability to turn her enemies into small rodents. As a witch of uncommon power, she's used to dealing with unusual situations, from surviving alone in the Canadian wilderness to spending time as a bear, and when a demon in an expensive suit strolls into her apartment one autumn afternoon, she doesn't bat an eye. Corraling the occasional stray emissary of Hell is all in a day's work. But when a friend accidentally opens a portal to a parallel universe, balance must be restored to not one, but two worlds, and the challenge may be more than even Alanna can handle. She must travel to the farthest reaches of an alien realm and try to set things right-- all the while keeping an eye on the demon Joe, who has no choice but to come along for the ride" -- from author's web page.

An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an

elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

Kemp: The Road to Crécy

Mei and Yuzu are two stepsisters that have fallen in love and must keep their relationship secret from their friends and family. But Mei has a secret of her own: her grandfather has arranged a marriage for her and the wedding is fast approaching. Will Mei follow her family's plan, or will she stay by Yuzu's side?

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? A USA TODAY BESTSELLER 'I'm insisting you date her. Five dates together, then I'll have this surgery.' Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger?

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album-like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer? and make him fall in love with me. I was hired to inspire-to become embedded into every lyric he wrote. Then, I was to set fire to it all-to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself-to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.
