The Biker's Plaything

Lord: One thing I won't tolerate is a rat. When anyone on my payroll screws me over, I enjoy making an example of them. It was no different when I caught my accountant selling club secrets to my enemies-I made him suffer. The rat had a daughter, and it was only fitting to wipe out the bastard's bloodline. When I had Ally Prixman at my mercy, things didn't go according to plan. There was something captivating about the curvy blonde, and I couldn't pull the trigger. Instead, I offered to keep her as a plaything. She'd fulfill all my sexual fantasies until I bored of her, then she could have her freedom. Ally had no choice

but to agree. And I didn't expect to keep her for long. Ally: He killed my estranged father and wanted me dead. For some reason he decided to have mercy on me, although I'm not so sure being Lord's sex toy is much better than death. He's the leader of the Straight to Hell MC and known for his brutality. Surely he won't have mercy on me for being a virgin. I'm mad at myself for not hating my situation more, but I'm impossibly attracted to Lord. His scars and tattoos don't scare me, and it doesn't take long for me to fall for the biker. I have to remind myself I'm only a temporary part of the club. Lord's only using me up until he spits me out. Some men just aren't capable of love.

Scary

Gene Sheridan earned the appropriate nickname when Legend Gib Phelps employed at Twirled World Ink-Scary. No one made it out of his old neighborhood without scars both mental and physical. At one time, Scary thought he had a chance that as until his ex found slumming with someone like him wasn't worth his trust fund. No-strings hookups became his go-to when he needed to relieve some tension. Co-owning a bar called Brawlers with his best friend, Tank, made it easy to find a body to use for the night. If not happy he was content with his life, but one man made content seem like such a terrible thing. Elijah Vaughn worried about everything. His life was put on hold at eighteen when his mostly-absent parents died on one of their many adventures leaving him to raise his six-year-old brother, Brody. He'd never had anything or anyone that was just his. When Brody met a tattoo artist named Trouble, Elijah hadn't realized how much it would change his life. He met a massive man named Scary and he was terrified how the man made him feel. Tank Davis lost his voice the night he was attacked and had this throat slit ear-to-ear. It kept him in a world of silence. Silent and intimidating, he scared off more men than he drew to him. His best friend Scary and him made a life for themselves in small town Georgia with their bar Brawlers. Most night everyone could find him working security at the door. Scary called in a favor and Tank met the one man he couldn't resist, proper and upstanding Elijah Vaughn. Can one man accept that there's not one perfect man for him, but two damaged souls who need him to be whole?

Denying the Alpha

Want, need, pain, and joy were emotions Shade had never known existed before Lily. He knew the first time he saw her face that she was going to change his life forever. The thing he hadn't expected was how hard it would be to hide who and what he was from her. Each step he took out of the shadows revealed more of himself, until only one secret remained. Shade arrogantly believed he could help heal the wounds from her past, but now it was his own past that was trying to tear them apart. To keep Lily, Shade would have to use the very skills he had been trying to hide from her. The skills that made him a killer ... a soulless monster.

7th Circle is the first of a new series set in Shadow Grove. Several characters cross over to the Madison Kate series but it is not necessary to read MK's story first. HADES is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. eee Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all. eee 7th Circle is book ONE of FOUR.
