I'm Just No Good At Rhyming

"Highly recommended. I think it will make children wriggle with delight" – Stephen Fry If I ever find myself holding a gecko . . . I'll lecko. Forget what you think you know about poetry – this is something totally different. Chris Harris' I'm Just No Good At Rhyming combines wit, wordplay and nonsense with visual and verbal tricks to make you look at the world in a new and wonderfully upside-down way, reminiscent of Spike Milligan. I'm just no good at rhyming. It makes me feel so bad. I'm just no good at rhyming, And that's why I'm so blue. This entirely unique collection of wildly witty words offers a surprise around every corner, from the ongoing rivalry between the author and illustrator (mean poem and cruel portrait included), to the mysteriously misnumbered pages that can only be deciphered by a certain code-cracking verse, to a poem that is 100% genuinely infinite. Meet a balding werewolf, competitive boulders, a birthday piranha, and find out if grown-ups really are better! Why are grown-ups better than kids? 'Cause we got what it takes – We never, ever, ever, ever, ever, make mistakes! Adding to the fun: Lane Smith, winner of the CILIP Kate Greenaway Medal for There Is a Tribe of Kids, has spectacularly illustrated this extraordinary collection with nearly one hundred pieces of appropriately absurd art. It's a mischievous match made in heaven and the perfect gift for creative kids or immature grown-ups.

Yard Sale

Poems for children are different, especially depending on the age of kids. The "Yard Sale" is funny poems for 5-10 years old kids. Actually, this book fits for everybody, even adults, because, let's admit, we're all children somewhere deep inside, no matter how old we are. The funny poems for kids are pretty much serious layer of poetic works which form the basis of non-trivial perception of reality. There are many talking and naughty animals in this book. Indeed, the children's poetry is a genre of literature where should not be a sadness and negative emotions. The joke is the first sign of humor and, if you do not want your children grew up as sullen persons, who do not understand humor, try to joke with kids around more often; read them the funny stories and poems. The great thing about reading the comic rhymes for children is: they're having fun, laughing with joy, their spirit is lifting. It turns out that reading of such works even useful for health because the hormone of happiness is secreted also. The perfect examples of this kind of poetry are rhymes "Special Bat": "These Bats're resting upside-down; But this one not the same as others: He keeps his head on top precise... - "What are you doing, little brother?" - "I do the yoga exercise!". Or there is another one humorous rhyme - "Yard Sale": "The Lady-Bug does start yard sales, She offers to Hedgehog to buy some pretty nails; He was surprised then burst out crying: -"Hah-hah-hah! Hah-hah-hah! Don't be silly, little Bug! I don't need your pins and nails! Look at me: I have my own Pretty spiny little coat With one hundred spiky nails!" These humorous and naughty poems for kids are easy to read, sing or even yell loudly! Some people have no sense of humor at all just because they did not have funny books or role models during their childhood. However, such books form the basis of optimistic vision of the world. These mischievous rhymes could be called the teasers, that may be remembered from childhood and passed from generation to generation. So, have fun with your kids. The first book "The First Steps" written in the same style by the same author and available for the younger children.

Singer-Songwriters

The times they are a-changing: Who would have expected Bob Dylan to receive the Nobel Prize for Literature as the first songwriter ever? And the British Bob Dylan, i.e. Donovan, stated: Wir haben die Poesie, die Philosophie und Literatur, wir haben Mythen und Legenden in das Musikbusiness gebracht. These are some of the reasons why this book is dedicated to the use of songwriters in English Language Teaching. As all edited volumes in the SELT (Studies in English Language Teaching) series, it follows a triple aim: 1. Linking TEFL with related academic disciplines, 2. Balancing TEFL research and classroom practice, 3. Combining theory, methodology and exemplary lessons. This triple aim is reflected in the three-part structure of this volume: Part A (Theory), Part B (Methodology), Part C (Classroom) with six concrete lesson plans.

Lion Stew!

Whether it is a man with a lawn growing on his head or a story about a tooth fairy that goes broke paying for fallen teeth, this collection of children's poems will delight with its zany humor. The clever rhymes of author Damon M. Ellis in Lion Stew! Humorous Children's Poems are paired with equally whimsical illustrations by Micah Chambers-Goldberg. Each poem stands on its own, revealing unique characters and crazy situations in the tradition of Shel Silverstein and Jack Prelutsky. Children will love these playful poems filled with characters engaged in absurd activities and adventures. In "The Greatest Dive Never," a man never tires of bragging about a feat he will never actually perform: "Ladies and gentlemen gather and see the greatest dive ever in all history! Spectacular tricks I will fearlessly dare, when I spring from the board fifty feet in the air. I'll do six stunning spins and five furious flips, two twisty turns and four dangerous dips...", writes Ellis. Other poems are equally fantastic, ranging from a girl who talked too much to a boy who swallowed his own head. Children will get a gross-out lesson from reading a poem about why you shouldn't squash bugs, and they will nod their heads at a little ditty that proclaims that teachers shouldn't give homework. Intended for children ages five and up, these poems will also please parents and teachers who will find that the funny book leaves youngsters giggling and snickering. Whether it is a monster who keeps people awake with his loud snoring rather than the ferocity of his roar or a visit from Miss Bo Peep who charges would-be sleepers for counting her sheep, nobody is quite who they seem to be in Ellis' humorous poems. Witty and whimsical, these rhyming stories are full of figurative language and silly stories that will draw children's rapt attention and devotion.
