Raising Prayerful Kids

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional

cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Object Lessons

Nothing captures the attention of young people (and adults) like a creative object lesson. This hands-on book gives pastors, teachers, speakers, and homeschoolers 77 exciting science activities that reveal the order and grandeur of creation and encourage an appreciation of all God has made. These easy experiments illustrate the laws of nature, teach Bible principles, and affirm God's power as Creator. With catchy or unexpected results, the demonstrations make Bible truth unforgettable. The clearly explained experiments use common household objects, require little setup, and are illustrated with pictures and diagrams.

Albion's Seed

A scrambled mess . . . Humpty Dumpty had a great fall. Or--as his brother Detective Joe Dumpty thinks--was he pushed? This case isn't all it's cracked up to be. Suspects are plenty (as are the puns) in this scrambled story of nursery rhyme noir. Was it Little Miss Muffet? There's something not right about her tuffet. Or could it have been Chicken Little, who's always been a little cagey? Or was it the Big Bad Wolf, who's got a rap sheet as long as a moonless night? Joe's on the beat and determined to find the truth. Readers of all ages will delight in the word play and hilarious illustrations in this mystery of what really happened to Humpty Dumpty on that fateful day.

Contemporary life is leaving us frazzled, overwhelmed, and out of sorts. Our life's rhythm is often borrowed from the pace of life around us. Humans have created such a loud, fast tempo of perfection and production that we often forget--if we ever knew it at all--the rhythms designed for our well-being. In *The Sacred Pulse*, pastor and author April Fiet invites us to examine the frantic patterns of our lives to reclaim the deeper, sacred pulses that pattern our days. Through stories, scripture, and practical guidance for daily living, she lays out twelve rhythms--including gardening, handcrafts, friendship, and holidays--that are both sustainable and sustaining. Everyday acts like mealtime and shopping, and sporadic rhythms like the occasional snow day: reclaiming these patterns can remind us of the holy movement of God in the world. In a world of hustle and bravado, silencing the noise takes practice. *The Sacred Pulse* shows us how to strip away all of the competing beats we have settled for so we can tap into the joyful, holy rhythms of life.

77 Fairly Safe Science Activities for Illustrating Bible Lessons

Engage and energize young readers with a fresh take on the Gospel story of Jesus. Charmingly illustrated and very accessible, *The Simple Little Salvation Story* takes readers on a journey to help them easily understand God's loving plan of salvation. And it helps parents answer lots of difficult questions along the way -- like why did Jesus have to die for our sins? And what are sins, anyway? *The Simple Little Salvation Story* isn't just a retelling of Bible stories with colorful pictures and short sentences. In fact it doesn't even start with Adam and Eve. It starts with robots. Yes, robots. Then it moves into skateboarding and helping senior citizens across the street. And then it introduces what sin is and God's amazing plan to wash us clean of it so we can live with Him forever. So add some of Jesus' dramatic story to your story time. Or give it to a child or grandchild on a special religious occasion or holiday. It will help explain – in an engaging way with beautiful illustrations from noted artist Shirley Chiang – what all this Christian salvation stuff is about, anyway. Praise for *The Simple Little Salvation Story*: “The analogy of the robots had me hooked immediately. I've taught Religion for over 40 years and I would read this to my students in a heartbeat!” — Pam Ferguson, Holy Family Catholic School, St. Petersburg, FL “The Simple Little Salvation Story captures the essence of the most profound theological truths and communicates them in a way that is simple and understandable to our children. Get this book. Read it, but most of all read it aloud and make sure someone else is listening!” —Dr. Willy Rice, Senior Pastor, Calvary Baptist Church, Clearwater, FL (60 pages; ages 5+)

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

The Acts of the Apostles

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

The Giving Tree

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying—namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know

you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel-and this book-good news.
