Pearl Magic

Marc and Ethan discover they are magic dragon riders for two funny, exciting Chinese King Dragons, Ping and Yu. They all go on adventures to save the world from flood and drought caused by climate change brought about by the evil Treasure Dragon. Yes, the adventures are exciting and sometimes scary - occasionally very scary. But the dragons are fun loving (underneath that naughty exterior) and very caring and so are the boys. More importantly, this story is about how Marc and Ethan and their two king dragons grow to love one another and learn they will do anything to help each other out in tricky situations. There are floods and there is drought and Marc and Ethan are fed up with having to play indoors... - what's happening to the weather? In this world, rainfall is usually managed by the Lung-Wang (watery Chinese king dragons to you and me). But the Lung-Wang have been captured by the fearsome Treasure Dragon and his slippery snakes and put in horrible steel cages under the mountains. So they can't do what they have to. Only four king dragons have escaped the horrific Treasure Dragon's grasp; brothers, Ping and Yu and their mother, Mai, and father, Li. These feisty dragons have to save their friends and family but alone they don't have the power. They know that king dragons' magic increases greatly with dragon riders and they need to find at least two riders - quickly. But the last known dragon riders died 100 years ago so it all seems hopeless... That is until the dragons find Marc and Ethan, two young cousins who are half Chinese and half not. And the cousins

know absolutely nothing about dragons, being dragon riders and Chinese life in general. They don't seem very promising dragon riders at all. But Ping goes to find the two boys anyway and persuades them to train to become dragon riders for himself and his brother Yu. This series has four stories about exciting (and sometimes very scary) adventures of Ping and Yu, the king dragons, their dragon riders and all their friends and family as they go about saving the Lung-Wang from the fearsome Treasure Dragon and bring the weather back to normal. . In this first story Pearl Magic, Ping and Yu train Marc and Ethan to become dragon riders so they can be given the magic of the pearl and the pearl's dragon rider powers. It's not easy; the boys have to learn kung fu and to fight with swords, they have to learn how to deal with the young dragons teasing and they have to learn how to work hard and overcome some very scary obstacles. They nearly give up several times but the lure of magic and the fun they have with their mischievous dragons is too great to give up.

The Dragon Riders

Millions of readers adore Christopher Paolini's Inheritance Cycle: its earnest hero, its breathtaking battles and, of course, its awe-inspiring dragon Saphira. But there's so much more to the series than meets the eye—and Secrets of the Dragon Riders, edited by today's second hottest dragon-writer James A. Owen, shows readers what they're missing. Why might Roran be the real hero of the Inheritance Cycle? What does Paolini's writing have in common with role-play games and modern action films? Are teenage writers judged more harshly than their adult counterparts? The YA authors in Secrets of the Dragon Riders—some of them no older than Paolini when he wrote Eragon—each take on a different aspect of the series to engage and entertain Paolini fans.

Dragon Riders of Osnen

The first dragon rider in over a hundred years has been born. And it's a girl. Never before has a female been chosen to ride a dragon. The Elite, a guild comprised exclusively of dragon riders, is dead according to most. No one has seen a rider in decades. The problems they used to fight overwhelm the world. Dragons are thought to be near extinction. However, the Elite aren't dead... It's just that a bunch of crusty, old men who do nothing that benefits the world at large are easy to mistake as useless corpses. Sophia Beaufont is about to change all of that. When the dragon egg that magnetized to her hatches, it sets Sophia on a new course. The Elite are immediately notified. She's expected to train. To defend. To fight. Sophia is ready to conquer evil, as the dragon riders should have been doing for centuries. However, the Elite have been turning a blind eye, allowing the world to be overrun by criminals. That's all about to change. S. Beaufont isn't a girl who will be told to sit down and relax when a war is brewing that only a dragon rider can extinguish.

A cluster of small mining towns are in danger as a horde of goblins are assembling in the hills. Scouting their camp reveals a familiar face - one that they never expected to see again. Wilson's Dragon School, Christopher Paolini's Eragon and Anne McCaffrey's Dragon Riders of Pern will feel right at home. Tooth and Claw is the seventh episode of the series Dragon Riders of Osnen.

Dragon Riders of the Realm Book 2 Caves of Conquest

For use in schools and libraries only. At a time when the number of Dragonriders has fallen too low for safety and only one Weyr trains the creatures and their riders, the Red Star approaches Pern, threatening it with disaster.

Dragonflight

After learning that humans are headed toward his hidden home, Firedrake, a silver dragon, is joined by a brownie and an orphan boy in a quest to find the legendary valley known as the Rim of Heaven, encountering friendly and unfriendly creatures along the way, and struggling to evade the relentless pursuit of an old enemy.

If only statues could speak. As the Order works to rebuild, Eldwin is promoted and given his first official task: investigate the disappearance of a missing child. What he assumes will be an easy assignment

quickly proves more troublesome and sinister than he imagined, especially when he discovers there's more than one child that has vanished. A mysterious figure is behind it all, and despite the use of magic, the figure continues to evade Eldwin at every turn. To make matters worse, something in the city of Tiradale is making Sion sick. With mounting problems, and an angry baron on his hands, Eldwin must find the children before he's thrown into the dungeon. Fans of Sarah K.L. Wilson's *Dragon School*, Christopher Paolini's *Eragon* and Anne McCaffrey's *Dragon Riders of Pern* will feel right at home. *Eyes of Stone* is the sixth episode of the series *Dragon Riders of Osney*.

Eyes of Stone

Evalina Voll is a simple farm girl who dreams of one day becoming a dragon rider. The only problem is there hasn't been a female dragon rider chosen in almost fifty years. One day, a rare red-and-black dragon is found injured in a meadow near her home. The events that follow propel Evalina on an adventure of a lifetime. Evalina finds herself far from home in King's Citadel, training to be a dragon rider. Whispers of a dark prophecy puts Evalina and the land of Eryieth at great risk. A seer's prophecy marked the choosing of the next female dragon rider with the return of an ancient evil to the land. Entrusted with a great secret, Evalina embarks on an adventurous quest to locate a mythical amulet that can either save or destroy Eryieth.

Dragon Chosen

Dragons, myth, and magic unite in the third installment of Cornelia Funke's bestselling *Dragon Rider* series. Ben and the Greenblooms must protect a mythical new creature rising from the ocean -- a creature who can bring either light or darkness to whoever it first meets. A new peril has emerged in the world of *Fabulous Creatures*. One that could cause the disappearance of their kind. Luckily, all of our favorite characters are back--Ben and Firedrake, his wonderful dragon friend, plucky Guinevere and the Greenbloom family, Sorrel the irrepressible brownie, the miniature man Twigleg and a host of new *Fabulous Animals* and sturdy helpers. But the threat is real and quickly encroaching. A villain from the family's past is seeking revenge. And all the while, the mysterious Aurelia, the most fabulous and powerful creature of all, moves across oceans to its final destination, introducing a new underwater world to enjoy.

The Aurelia Curse (Dragon Rider #3)

An early chapter book for ages 6-9. This is the first book in the chapter series, which continues the story from the *What Color is Your Dragon?* picture book series.
