Alexander Hamilton

You've seen the show, you've sung the songs, now read the full story of America's most misunderstood founding father. 'I was swept up by the story. I thought it 'out-Dickens' Dickens in the unlikeliness of this man's rise from his humble beginnings in Nevis in the Caribbean, to changing, helping shape our young nation. And it's uniquely an immigrant story and it's uniquely a story about writers... It's an amazing biography' LIN-MANUEL MIRANDA Alexander Hamilton was an illegitimate self-taught orphan from the Caribbean who overcame all the odds to become George Washington's aide-de-camp and the first Treasury Secretary of the United States. Few figures in American history are more controversial than Alexander Hamilton. In this masterful work, Chernow shows how the political and economic power of America today is the result of Hamilton's willingness to champion ideas that were often wildly disputed during his time. He charts his titanic feuds with Jefferson, Adams, Madison, Monroe and Burr; his highly public affair with Maria Reynolds; his loving marriage to his loyal wife Eliza; and the notorious duel with Aaron Burr that led to his death in July 1804.

Who Was Alexander Hamilton?

Read the story of the Founding Father who inspired the smash Broadway musical. Born in the British West Indies and orphaned as a child, Alexander Hamilton made his way to the American Colonies and studied to become a lawyer. He joined a local militia during the American Revolution, rose to the rank of Major General, and became the chief aide to General George Washington. After the war, he became the first U.S. Secretary of the Treasury. He founded the Bank of New York and The New York Post newspaper. He served as a delegate to the Constitutional Convention and is also celebrated as a co-author of The Federalist Papers, a series of essays that are still used today to interpret the U.S. Constitution. The end of his life became a national scandal when he was shot and killed in a duel with then-Vice President Aaron Burr.

Alexander Hamilton

A founder of the United States turned cultural phenomenon thanks to the hit Broadway musical *Hamilton*, Alexander Hamilton helped create American democracy. Follow his story from orphaned immigrant to successful statesman.

Alexander Hamilton

The #1 New York Times bestseller, and the inspiration for the hit Broadway musical *Hamilton*! Pulitzer Prize-winning author Ron Chernow presents a landmark biography of Alexander Hamilton, the Founding Father who galvanized, inspired, scandalized, and shaped the newborn nation. "Grand-scale biography at its best—thorough, insightful, consistently fair, and superbly written . . . A genuinely great book." —David McCullough "A robust full-length portrait, in my view the best ever written, of the most brilliant, charismatic and dangerous founder of them all." —Joseph Ellis Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton. Chernow's biography gives Hamilton his due and sets the record straight, deftly illustrating that the political and economic greatness of today's America is the result of Hamilton's countless sacrifices to champion ideas that were often wildly disputed during his time. "To repudiate his legacy," Chernow writes, "is, in many ways, to repudiate the modern world." Chernow here recounts Hamilton's turbulent life: an illegitimate, largely self-taught orphan from the Caribbean, he came out of nowhere to take America by storm, rising to become George Washington's aide-de-camp in the Continental Army, coauthoring *The Federalist Papers*, founding the Bank of New York, leading the Federalist Party, and becoming the first Treasury Secretary of the United States. Historians have long told the story of America's birth as the triumph of Jefferson's democratic ideals over the aristocratic intentions of Hamilton. Chernow presents an entirely different man, whose legendary ambitions were motivated not merely by self-interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power. His is a Hamilton far more human than we've encountered before—from his shame about his birth to his fiery aspirations, from his intimate relationships with childhood friends to his titanic feuds with Jefferson, Madison, Adams, Monroe, and Burr, and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza. And never before has there been a more vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July of 1804. Chernow's biography is not just a portrait of Hamilton, but the story of America's birth seen through its most central figure. At a critical time to look back to our roots, Alexander Hamilton will remind readers of the purpose of our institutions and our heritage as Americans. 9780143034759

Alexander Hamilton

The untold story of the founding father's likely Jewish birth and upbringing—and its revolutionary consequences for understanding him and the nation he fought to create. In *The Jewish World of Alexander Hamilton*, Andrew Porwancher debunks a string of myths about the origins of this founding father to arrive at a startling conclusion: Hamilton, in all likelihood, was born and raised Jewish. For more than two centuries, his youth in the Caribbean has remained shrouded in mystery. Hamilton himself wanted it that way, and most biographers have simply assumed he had a Christian boyhood. With a detective's persistence and a historian's rigor, Porwancher upends that assumption and revolutionizes our understanding of an American icon. This radical reassessment of Hamilton's religious upbringing gives us a fresh perspective on both his adult years and the country he helped forge. Although he didn't identify as a Jew in America, Hamilton cultivated a relationship with the Jewish community that made him unique among the founders. As a lawyer, he advocated for Jewish citizens in court. As a financial visionary, he invigorated sectors of the economy that gave Jews their greatest opportunities. As an alumnus of Columbia, he made his alma mater more welcoming to Jewish people. And his efforts are all the more striking given the pernicious antisemitism of the era. In a new nation torn between democratic promises and discriminatory practices, Hamilton fought for a republic in which Jew and Gentile would stand as equals. By setting Hamilton in the context of his Jewish world for the first time, this fascinating book challenges us to rethink the life and legend of America's most enigmatic founder.

The Jewish World of Alexander Hamilton

Though a renowned Founding Father, Alexander Hamilton's fame has recently received a boost from the hit musical *Hamilton*. He was chosen as the subject of that work because of his extraordinary biography. He was raised by a single mother in the Caribbean, volunteered to be a soldier in the American Revolution, rose to become the U.S. Secretary of the Treasury, and tragically killed in a duel

with Aaron Burr. This accessible book presents Hamilton's life story to young readers through engaging text and includes surprising facts, relevant quotes from Hamilton himself, and striking historical images.

Alexander Hamilton

The America that Alexander Hamilton knew was largely agricultural and built on slave labor. He envisioned something else: a multi-racial, urbanized, capitalistic America with a strong central government. He believed that such an America would be a land of opportunity for the poor and the newcomers. But Hamilton's vision put him at odds with his archrivals who envisioned a pastoral America of small towns, where governments were local, states would control their own destiny, and the federal government would remain small and weak. The disputes that arose during America's first decades continued through American history to our present day. Over time, because of the systems Hamilton set up and the ideas he left, his vision won out. Here is the story that epitomizes the American dream—a poor immigrant who made good in America. In the end, Hamilton rose from poverty through his intelligence and ability, and did more to shape our country than any of his contemporaries. Related subjects and concepts discussed in the book include: Law and Legal Concepts Due process Bill of Rights Freedom of Speech and the Press Originalism / nonoriginalism (theories of Constitutional interpretation) Government Checks and Balances Democracy Electoral College Republic Financial Concepts Capitalism Credit Inflation Interest Mercantilism Securities: Stocks and Bonds Tariffs Taxes Miscellaneous Demagogues Dueling Pastoralism About the Series The Making of America series traces the constitutional history of the United States through overlapping biographies of American men and women. The debates that raged when our nation was founded have been argued ever since: How should the Constitution be interpreted? What is the meaning, and where are the limits of personal liberty? What is the proper role of the federal government? Who should be included in "we the people"? Each biography in the series tells the story of an American leader who helped shape the United States of today.

A graphic novel biography of the American legend who inspired the hit Broadway musical *Hamilton*. Alexander Hamilton was one of the most influential figures in United States history—he fought in the Revolutionary War, helped develop the Constitution, and as the first Secretary of the Treasury established landmark economic policy that we still use today. Cut down by a bullet from political rival Aaron Burr, Hamilton has since been immortalized alongside other Founding Fathers such as George Washington and Thomas Jefferson—his likeness even appears on the ten-dollar bill. In this fully-illustrated and impeccably researched graphic novel-style history, author Jonathan Hennessey and comic book illustrator Justin Greenwood bring Alexander Hamilton's world to life, telling the story of this improbable hero who helped shape the United States of America.

Alexander Hamilton

A fascinating and entertaining biography of Alexander Hamilton, in graphic novel format. *Alexander Hamilton: The Fighting Founding Father!* tells the story of one of the most ambitious and controversial figures in American history in a graphic novel format. From a rough childhood on the Caribbean island of Nevis to the highest levels of American politics, Alexander Hamilton's life was filled with adventure, conflict, and controversy. Full-color illustrations and an entertaining narrative make this graphical biography of America's first Secretary of the Treasury accessible for readers of all ages.

The Works of Alexander Hamilton

The vital words of Alexander Hamilton, including essays, private correspondence, and public statements Alexander Hamilton is best known as the United States' first Secretary of the Treasury and the author of the majority of *The Federalist Papers*, a series of essays that outlined the basic concepts and premises of the U.S. Constitution. Since the founding of the nation, these essays have been used by the U.S. Supreme Court as an authoritative guide to the intentions of the Founding Fathers in cases involving constitutional interpretation. Included in this volume are five of the most important essays from *The Federalist Papers*, plus personal correspondence and public statements from across Hamilton's career as a statesman.

Alexander Hamilton

Alexander Hamilton is one of the least understood, most important, and most impassioned and inspiring of the founding fathers. At last Hamilton has found a modern biographer who can bring him to full-blooded life; Richard Brookhiser. In these pages, Alexander Hamilton sheds his skewed image as the "bastard brat of a Scotch peddler," sex scandal survivor, and notoriously doomed dueling partner of Aaron Burr. Examined up close, throughout his meteoric and ever-fascinating (if tragically brief) life, Hamilton can at last be seen as one of the most crucial of the founders. Here, thanks to Brookhiser's accustomed wit and grace, this quintessential American lives again.

The Life of Alexander Hamilton

A compilation from The Papers of Alexander Hamilton has been fashioned into a unique and informative narrative that allows him to tell his life story.

Alexander Hamilton: The Fighting Founding Father!

Written by Hamilton himself to confess to the affair he conducted with Maria Reynolds, *Alexander Hamilton: Adultery and Apology* is Hamilton's attempt to defend and rationalize his misdoings, and ultimately salvage what was left of his reputation. The pamphlet was originally published in 1796 after accusations of the adultery arose. This personal exposé reveals a man, whom the public initially revered as a politician and Founding Father, as a flawed human-being. Within these documents Hamilton describes his exploits in impeccable detail and languid prose, at the risk of tarnishing his public image, to prove to the public that he had nothing to hide. With a new foreword by Robert Watson, presidential scholar and author of *Affairs of State*, delve into this exquisite, essential account of history's most scandalous love affairs.

Selected Works of Alexander Hamilton

He is one of the most compelling of America's Founding Fathers, an orphan who came to America with little but ambition. He went on to become a General in the Revolutionary War, created the US's financial system and is immortalised on the \$10 bill. Hamilton's life is fascinating, and it can serve as an example to us all. For anyone interested in success, romance, money, honour or duelling Hamilton has worthwhile advice. Combining biography and history with humour, this is advice that has survived for over three hundred years: * Seduce with your strengths * Go to war for your promotion * Being right trumps being popular * Learn from your enemies Lin Manuel Miranda's 'Hamilton The Musical' has received rave reviews all over the world, including from everyone's favourite US president Barack Obama. An accessible, entertaining biography, which also asks: how can Hamilton influence contemporary life?

ALEXANDER HAMILTON, American

Long considered the forgotten founding father and primarily known for the duel with Aaron Burr that ended his life, Alexander Hamilton has recently achieved a new level of fame because of the hit Broadway musical *Hamilton*, inspired by the New York Times best-selling biography by acclaimed historian Ron Chernow. Now the editors of *TIME* present this special edition that celebrates Hamilton and his many accomplishments: as one of the primary architects of the Constitution, an aide and counsel to General George Washington, and the first secretary of the Treasury, as well as his intense, long-standing rivalry with Thomas Jefferson and how it affects our government to this day. Also included in this fully illustrated edition are "Six Things You Didn't Know About Alexander Hamilton," an interview with Chernow, the making of the Broadway musical, why Hamilton's days on the \$10 bill are numbered, and much more. *TIME* brings keen insight to the improbable life of the illegitimate son of a Caribbean merchant who would go on to help shape our nation, lay the foundation for the modern economy, and become the inspiration for a musical that is inspiring Americans to interpret history in an entirely new way.

Alexander Hamilton

Find out who lived and who died in the incredible story of the founding father who made America modern--and became the toast of Broadway. This richly illustrated biography portrays Hamilton's fascinating life alongside his key contributions to American history, including his role as an early abolitionist. He played a crucial part in the political, legal, and economic development of the new nation, but noted Hamilton scholar Richard Sylla reveals the flesh-and-blood man with captivating details of

his private life as well as his infamous duel with Vice President Burr. Sylla expertly tells Hamilton's incredible story like no other.

Alexander Hamilton: Adultery and Apology

Fans of American history and the hit Broadway play are sure to enjoy the true story of Founding Father Alexander Hamilton in this Level 3 biographical Reader from National Geographic Kids.

Alexander Hamilton's Guide to Life

Examines Hamilton's policies as secretary of the treasury.

TIME Alexander Hamilton

Patriot, soldier, lawyer, founding father, nation builder, and statesman: Alexander Hamilton was all those things and more. This fascinating biography introduces this prominent and popular figure in American history to children. Filled to the brim with photos, quotes, and maps, Alexander Hamilton is sure to be a hit with fans of both history and the smash Broadway musical. Engagingly written, it follows Hamilton from childhood to his tragic death, focusing on his hard work, cunning, and opportunistic zeal. It also shows Hamilton's darker side; his recklessness and the tragedies that ultimately kept him from even greater heights.

Alexander Hamilton

From the New York Times bestselling author of Irena's Children comes a "vivid, compelling, and unputdownable new biography" (Christopher Andersen, #1 New York Times bestselling author) about the extraordinary life and times of Eliza Hamilton, the wife of founding father Alexander Hamilton, and a powerful, unsung hero in America's early days. Fans fell in love with Eliza Hamilton—Alexander Hamilton's devoted wife—in Lin-Manuel Miranda's phenomenal musical Hamilton. But they don't know her full story. A strong pioneer woman, a loving sister, a caring mother, and in her later years, a generous philanthropist, Eliza had many sides—and this fascinating biography brings her multi-faceted personality to vivid life. This "expertly told story" (Publishers Weekly) follows Eliza through her early years in New York, into the ups and downs of her married life with Alexander, beyond the aftermath of his tragic murder, and finally to her involvement in many projects that cemented her legacy as one of the unsung heroes of our nation's early days. This captivating account of the woman behind the famous man is perfect for fans of the works of Ron Chernow, Lisa McCubbin, and Nathaniel Philbrick.

National Geographic Kids Readers: Alexander Hamilton (Readers)

Added title pages, engraved."The collector's Federal edition of the Works of Alexander Hamilton is limited to six hundred signed and numbered sets."First edition (500 copies) in 9 vols., published 1885-86. "Bibliography of the 'Federalist'": v. 11, p. xxxi-xl.

Alexander Hamilton

Fans of the Broadway musical Hamilton and American history lovers will want to share this illustrated biography of Alexander Hamilton with their young readers. Did you know that one of our Founding Fathers was not born in America? An orphan from the West Indies, Alexander Hamilton came to the colonies and played an important role in the Revolutionary War, rising to become General George Washington's right-hand man. But his accomplishments don't stop there! He helped obtain the ratification of the Constitution; he was America's first secretary of the treasury; and he established the first national bank and the U.S. Mint. A man of ambition, loyalty, and principle, he is now being celebrated as the prominent patriot he was. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics—for children who are ready to read on their own.

Alexander Hamilton

Alexander Hamilton: Founding Father is the story of one of America's great founding fathers, Alexander Hamilton. The book is a detailed account of this very important but controversial figure in American history. The story is a "classic rags to riches" one and begins with his childhood in the British West Indies. Though his life is filled with tragedy and he is very poor, Hamilton manages to distinguish himself through his writing and his business skills. Eventually, he leaves the West Indies and immigrates to

North America where he receives a first rate education. Later, he becomes a hero in the Revolutionary War and is appointed to be General George Washington's right hand man. Because of his service to Washington, Hamilton becomes the Secretary of the Treasury when Washington is elected President. As a member of the new government, Hamilton makes significant contributions including setting up a banking system and a currency system which are still used today. He also plays a major role in the ratification of the United States Constitution. While Alexander Hamilton: Founding Father primarily focuses on Hamilton's great contributions, it also presents his dark side. Though Hamilton married a wealthy woman and became a member of the aristocracy, he was also involved in a scandalous affair and ultimately died in a duel defending his honor.

Eliza Hamilton

"A treasure trove for financial and public policy geeks . . . will also help lay readers go beyond the hit musical in understanding Hamilton's lasting significance." —Publishers Weekly While serving as the first treasury secretary from 1789 to 1795, Alexander Hamilton engineered a financial revolution. He established the treasury debt market, the dollar, and a central bank, while strategically prompting private entrepreneurs to establish securities markets and stock exchanges and encouraging state governments to charter a number of commercial banks and other business corporations. Yet despite a recent surge of interest in Hamilton, US financial modernization has not been fully recognized as one of his greatest achievements. This book traces the development of Hamilton's financial thinking, policies, and actions through a selection of his writings. Financial historians and Hamilton experts Richard Sylla and David J. Cowen provide commentary that demonstrates the impact Hamilton had on the modern economic system, guiding readers through Hamilton's distinguished career. It showcases Hamilton's thoughts on the nation's founding, the need for a strong central government, problems such as a depreciating paper currency and weak public credit, and the architecture of the financial system. His great state papers on public credit, the national bank, the mint, and manufactures instructed reform of the nation's finances and jumpstarted economic growth. Hamilton practiced what he preached: he played a key role in the founding of three banks and a manufacturing corporation—and his deft political maneuvering and economic savvy saved the fledgling republic's economy during the country's first full-blown financial crisis in 1792. "A fascinating examination of Hamiltonian economics." —The Washington Times

The Works of Alexander Hamilton: Political essays [etc., 1792-1804] Contents. Index

This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo, Egypt. Although these women are part of a modernizing middle class, they also voluntarily adopt a traditional symbol of female subordination. How can this paradox be explained? An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle--as accommodating protest. These women, most of them clerical workers in the large government bureaucracy, are ambivalent about working outside the home, considering it a change which brings new burdens as well as some important benefits. At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity. The new veiling expresses women's protest against this. MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma, involving elements of both resistance and acquiescence.

The Works of Alexander Hamilton

Surveys the life of Alexander Hamilton, a founding father, later becoming the first Secretary of the Treasury.

The Works of Alexander Hamilton

"Hamilton's turbulent life, the dramatic birth of a nation, all against the richly evoked gritty background of the 18th century--Randall's book is propelled with the page-turning intensity of an epic novel." — Ronald Blumer, Peabody Award-winning writer A new reissue of this important biography of Alexander Hamilton—arguably one of the most brilliant and complex of our nation's founders. From his less than auspicious start in 1755 on the Caribbean island of Nevis, to his unhappy fate in 1804 in Weehawken, New Jersey, at the hands of his enemy Aaron Burr, Alexander Hamilton's short life left a huge legacy. Orphaned at eleven and apprenticed to a counting house, Hamilton learned the principles of business that helped him, as the first Secretary of the Treasury, create the American banking system and invent

the modern corporation. He served in the American Revolution, primarily as aide-de-camp to General Washington, and subsequently developed a successful legal career, co-wrote *The Federalist Papers*, and built a life in politics. Told in a highly readable style, Alexander Hamilton presents Hamilton's contributions to America, and what they mean today.

Alexander Hamilton: From Orphan to Founding Father

Get to know America's most controversial Founding Father through his own public writings and private letters. A brash immigrant who rose to become George Washington's right-hand man. A fierce partisan whose nationalist vision made him Thomas Jefferson's bitter rival. An unfaithful husband whose commitment to personal honor brought his life to a tragic early end. The amazing success of Lin-Manuel Miranda's musical *Hamilton* has stoked an extraordinary resurgence of interest in Alexander Hamilton, the brilliant and divisive founder who profoundly shaped the American republic. Now, Library of America presents an unrivaled portrait of Hamilton in his own words, charting his meteoric rise, his controversial tenure as treasury secretary, and his scandalous final years—all culminating in his infamous duel with Aaron Burr. Selected and introduced by acclaimed historian Joanne B. Freeman, *The Essential Hamilton* is a reader's edition of the Founding Father's public writings and private letters, plus the correspondence between Burr and Hamilton that led to their duel and two conflicting eyewitness accounts of their fatal encounter.

The Works of Alexander Hamilton: Miscellanies, 1774-1789: A full vindication; The farmer refuted; Quebec bill; Resolutions in Congress; Letters from Phocion; New-York Legislature, etc

Annotation Alexander Hamilton has been the focus of debate from his day to ours. On the one hand, Hamilton was the quintessential Founding Father, playing a central role in every key debate and event in the Revolutionary and Early Republic eras. Who was he really and what is his legacy? Was Hamilton a closet monarchist or a sincere republican?

Alexander Hamilton: Founding Father-

A biography profiling the life of Alexander Hamilton, a founding father of the United States and the first Secretary of the Treasury. Includes source notes and timeline.

Alexander Hamilton on Finance, Credit, and Debt

"Knott observes that Thomas Jefferson and his followers, and, later, Andrew Jackson and his adherents, tended to view Hamilton and his principles as "un-American." While his policies generated mistrust in the South and the West, where he is still seen as the founding plutocrat, Hamilton was revered in New England and parts of the mid-Atlantic states. Hamilton's image as a champion of American nationalism caused his reputation to soar during the Civil War, at least in the North. However, in the wake of Gilded Age excesses, progressive and populist political leaders branded Hamilton as the patron saint of Wall Street, and his reputation began to disintegrate."--BOOK JACKET.

The Papers of Alexander Hamilton

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.
