Chroniques de l'île Maurice

Ces quatorze courts textes écrits en français par des Mauriciens entraîneront le lecteur au-delà des clichés associés à cette île tropicale de l'océan Indien, dans les méandres des communautés, aux mémoires et aux langues diverses. Signes de la vitalité d'une littérature francophone capable de faire l'écho des voix les plus lointaines, ces brefs récits brillent d'éclats à la fois jubilatoires et tragiques, généreux et cruels. Une traversée entre langues et cultures qui mène à la rencontre de l'Autre et de soi.

L'Île de Tsong-ming à l'embouchure du Yang-tse-kiang

Réimpression inchangée de l'édition originale de 1880.

L'île de Chypre

23e édition revue et schtroumpfée ! 23e édition revue et schtroumpfée !

Histoire de l'île de Chypre sous le règne des princes de Lusignan

A general history of the Netherlands with the genealogie and memorable acts of the Earls of Holland, Zeeland, and West-Friseland, from Thierry of Aquitaine the first earl, successively unto Philip the Third, King of Spain continued unto this present year of our Lord 1608, out of the best authors that have written of that subiect.

Histoire de l'île de Chypre sous le règne des princes de la maison de Lusignan

Deux siècles durant, du 17^e au 19^e, l'île a fait l'expérience de l'esclavage colonial. Tout au long de cette période - néerlandaise, française et anglaise - le marronnage s'est révélé une composante indissociable de l'esclavage. Le présent ouvrage dépeint des scènes de résistance à l'asservissement et de conquête de la liberté. Surtout, il met pleins feux sur les opérations de guérilla entreprises par ces fugitifs noirs pour reconquérir leur dignité humaine, opérations qui souvent commençaient par des mutineries à bord des vaisseaux négriers. Esclavage et marronnage font partie du patrimoine historique de l'Île Maurice. En analysant tour à tour, l'arsenal juridique répressif - le Code Noir -, les meurtrières expéditions contre les marrons, les errances des fugitifs dans les bois et sur les mornes, puis en traçant le portrait de maints héros ou guérilleros, *Le Marronnage à l'Isle de France - Île Maurice* apparaît comme une somme inédite sur le marronnage mauricien.

Histoire de l'île de Chypre sous le règne des princes de la maison de Lusignan par L. de Mas Latrie

L'île de Caraquet. Un joyau de la baie des Chaleurs qui surveille perpétuellement la ville de Caraquet et ses habitants. Mais cette île cache beaucoup plus que ce que nous pouvons apercevoir depuis le quai de Caraquet de l'autre côté des eaux de la baie. L'île de Caraquet a une histoire ! Une histoire géologique avec ses plages, ses pierres de sable, ses fossiles d'une autre époque, de sa forêt de conifères. L'île de Caraquet a aussi une histoire vécue par des habitants venus arpenter ses rivages et habiter ses terres pour y construire un phare afin de guider les embarcations lors des intempéries. L'île de Caraquet a aussi une histoire d'exploitation de pierres de grès pour la construction de l'église de Caraquet. Et pourtant, cette île cache encore beaucoup plus que ça. C'est un territoire qui a du caractère et un vécu que plusieurs ignorent. Elle cache aussi des mystères et certaines légendes. Les auteurs Clarence LeBreton et Fidèle Thériault, vous présentent cet essai historique sur l'île de Caraquet qui vous impressionnera de la première page à la dernière. Mais ce bouquin est avant tout un legs historique à la population de Caraquet et de la Péninsule acadienne.

Recherches topographiques, statistiques et historiques sur l'Île de Noirmoutier

Des plantes médicinales de l'île de la Réunion et de leur application à la thérapeutique

Action sequences from "Kampfgeschwader Lützow" depicting Heinkel He 111s attacking British shipping - Action sequences from "Kampfgeschwader Lützow" depicting Heinkel He 111s attacking British shipping by hw97karbine 561,695 views 1 month ago 16 minutes - Kampfgeschwader Lützow was a German propaganda movie filmed in 1940 and released in February 1941. It depicted the ...

The "British" ship is armed with a Doppellafette C/30 twin 37mm gun mount, this weapon was semi-automatic but each round had to be loaded manually making it less than adequate against WWII aircraft and the Kriegsmarine suffered as a result.

The "British" aircraft are US-made Curtiss H75-C1 fighters that were captured by Germany after the fall of France. The remainder of the French order was actually diverted to Britain, and the aircraft did see limited RAF service, however this was only in India and Burma.

The Heinkel He 111 nose gunner frustrated by his limited field of fire improvises a new position for his MG 15. In practice crews did feel that firepower in the frontal arc was lacking and a second machinegun was frequently added as a field modification
