Halfway to the Grave

'Praise be to Our Lady of Eternal Sorrows, and blessed be the Ascended Martyr.' Those were the words on lips of the faithful: Blessed be the Ascended Martyr, and woe betide you if you thought otherwise. The word Unbeliever had become a death sentence on the streets in those days. Gangster, soldier, priest. Governor, knight, and above all, Queen's Man. Once, Tomas Piety looked after his men, body and soul, as best he could. Then those who ran his country decided his dark talents would better serve in the corridors of power. Crushed by the power of the Queen's Men and with the Skanian menace rising once more on the streets of Ellinburg, Tomas Piety is forced to turn to old friends, old debts and untrustworthy alliances. Meanwhile in the capital city of Dannsburg, Dieter Vogel is beginning to wonder if the horror he has unleashed in the Martyr's Disciples might be getting out of control. With revolution brewing and tragedy and terrorism running rife in the cities, Piety and Vogel must each weigh the cost of a crown.

Fifty-five fictional cities, each described in beautiful detail - each with a woman's name... In *Invisible Cities* Marco Polo conjures up cities of magical times for his host, the Chinese ruler Kublai Khan, but gradually it becomes clear that he is actually describing one city: Venice. As Gore Vidal wrote 'Of all

tasks, describing the contents of a book is the most difficult and in the case of a marvellous invention like *Invisible Cities*, perfectly irrelevant.' This is a captivating meditation on culture, language, time, memory and the nature of human experience. 'Invisible Cities changed the way we read and what is possible in the balance between poetry and prose... The book I would choose as pillow and plate, alone on a desert island' Jeanette Winterson 'Touches inexhaustibly on the essence of the human urge to create cities, be in cities, speak of cities' Guardian 'A subtle and beautiful meditation' Sunday Times

Jagang, Emperor of the Imperial Order, has invoked an ancient magic, unleashing a lethal plague that sweeps across the land like a firestorm. To halt it, Richard, Wielder of the *Sword of Truth*, must seek out the legendary Temple of the Winds, a repository of dangerous magics consigned to the Underworld three thousand years ago. But the path of the Seeker is never an easy one – for entry to the Temple of the Winds comes at a price, and as Richard and Kahlan will discover, the cost of leaving is even greater.

A Good Old-Fashioned Cowboy

Amidst the gas lamp shadows former soldier-turned-mercenary John Vanguard hunts criminals at the behest of his corrupt employer, Captain Felix Sanquain. Shamed by his deserter past and seeking to make amends for his many misdeeds, a chance encounter with Tarryn Leersac - a skilled young would-be-assassin fallen from the graces of high society - leads Vanguard to become an unlikely mentor. Charged with hunting down the killer of two guards left washed up on the banks of the canal, the further Vanguard delves into the underbelly of the city the more he finds himself entangled in a web of secrets and lies. A prominent aristocrat is missing. Crime lords, con men and harlots run amok and the city teeters on the brink of another revolution. With his already precarious reputation hanging by a thread, Vanguard must piece together how and why the last war came to pass, find a way to earn redemption for his mistakes and come to terms with the past in a city where few survive, and even fewer can be trusted. A Grimdark novel with elements of adventure and gaslight fantasy, *'We Men of Ash and Shadow'* explores themes of redemption, loyalty, and betrayal against the backdrop of a world where

survival often means compromising your values. 'We Men of Ash and Shadow' is an adult fantasy novel and as such, contains adult themes and language.

Now a major television series, *CARDINAL*, and the first book in the John Cardinal series. When four teenagers go missing in the small northern town of Algonquin Bay, the extensive police investigation comes up empty. Everyone is ready to give up except Detective John Cardinal, an all-too-human loner whose persistence only serves to get him removed from homicide. Haunted by a criminal secret in his own past and hounded by a special investigation into corruption on the force, Cardinal is on the brink of losing his career—and his family. Then the mutilated body of thirteen-year-old Katie Pine is pulled out of an abandoned mineshaft. And only Cardinal is willing to consider the horrible truth: that this quiet town is home to the most vicious of serial killers. The case as it unfolds proves eerily reminiscent of the Moors murders in Britain, as an unassuming young man and his belligerently loyal girlfriend scout young victims for their macabre games. With the media, the provincial police and his own department questioning his every move, Cardinal follows increasingly tenuous threads towards the unthinkable. Time isn't only running out for him, but for another young victim, tied up in a basement wondering when and how his captors will kill him.

We Men of Ash and Shadow
