I am not suggesting that everyone should do the Meisner technique' - only that there is something we can all learn from its basic exercise ...

I am not saying that people should study the Meisner- technique. I am only describing one of the many aspects of acting which I have promised to try and explain.

Meisner was also very keen that actors learn their lines very well, very early, - and I mean VERY well! Strasberg exercise with Anthony Montes : relaxation and emotional preparation - Strasberg exercise with Anthony Montes : relaxation and emotional preparation by PlayGrounds Channel 98,116 views

7 years ago 51 minutes - Acting coach Anthony Montes takes you through one of the main Lee Strasberg exercises (method acting) on relaxation and ...

take you through relaxation exercise

take you through the five part place exercise

turn out the lights

start the five part place exercise

start with the sense of sound

rotate your head in a circle to the left

get in touch with the muscles in your neck

breathe in deep through your nose

get in touch with the muscles in your back

make your way back over the top of your chair

find your way back to the first position breathing deep through your nose

breathing deep through your nose out through your mouth

turn your body at the waist from left

breathing deep through your nose

focus your concentration inside your head at your temples

add now the sense of smell

open your eyes

create a soundtrack for myself of music
