Robert E. Howard, Boxing Fiction, Fists of Iron, Pulp Fiction, Short Stories

Explore the raw and visceral world of boxing through the powerful prose of Robert E. Howard in 'Fists of Iron Round 1: The Collected Boxing Fiction.' This collection showcases Howard's talent for crafting gripping tales of courage, brutality, and the human spirit within the squared circle, offering a glimpse into the golden age of boxing through the eyes of a master storyteller.

El pequeño Nicolás

El pequeño Nicolás es un buen chico y no tiene problemas en ayudar a los demás. Por eso, cuando su madre le manda hacer un recado, él va encantado. Pero ¿qué ocurre cuando por el camino Nicolás se va encontrando con sus amigos? Y es que Nicolás quiere ayudar, lo malo es que luego las cosas se le suelen torcer... En las nuevas historias inéditas del Pequeño Nicolás, reencontramos el humor y la ternura con que Goscinny y Sempé retratan a su travieso protagonista y a sus compañeros del cole. Alcestes, Rufo, Clotario? ¡¡todos están aquí!!

El pequeño Nicolás

UK edition. The day-to-day adventures of an amusing, endearing young school boy.

El pequeño Nicolás

Like its predecessors, this book serves as a guide to any adult interested in selecting books in Spanish for children in preschool through high school. Most of the books included in the guide have been published since 1984 and come from Argentina, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Mexico, Nicaragua, Puerto Rico, Spain, Sweden, the U.S., Uruguay, and Venezuela. The author has identified books that highlight the lifestyle, folklore, history, fiction, poetry, theater, and classical literature of Hispanic cultures as expressed by Hispanic authors and has also included nonfiction and bilingual books and Spanish translations of popular fiction and nonfiction. With appendices and indexes.

El pequeño Nicolás

Los padres de Nicolás sorprenden al niño con la noticia de que la familia va a pasar las vacaciones de verano en la playa. ¡Qué bien! Las olas, la arena, los juegos con los amigos... Claro que, cuando llueve, tienes que ser muy ingenioso para no aburrirte... Donde no hay manera de aburrirse es en el Campamento Azul, al que acude el pequeño Nicolás un año después. Puedes estar aterrorizado, pero ¿aburrirte? ¡Nunca!

Ojo con el pequeño Nicolás

Un tesoro recuperado ¿Sabíais que El Pequeño Nicolás, de Sempé y Goscinny, nació bajo la forma de una historieta a color? Estas son las páginas inéditas escritas en 1955 por René Goscinny y dibujadas por Jean-Jacques Sempé. Gracias a esta edición, descubriréis la versión original de El Pequeño Nicolás.

El pequeño Nicolás. ¡Diga!

Nicolás cada día comprende menos a los adultos. No entienden que quiera comprarse cincuenta tabletas de chocolate o que si tiene una linterna, es para estar todo el tiempo alumbrando con ella. Sin embargo a ellos les parece tan normal regalarle continuamente juegos de la oca. Menos mal que los cambia continuamente con los amigos del colegio, que son estupendos...

Nicholas

A Nicolás y a sus amigos el sonido de la campana cuando llega la hora del recreo les suena a música celestial porque por fin pueden poner en práctica todo lo que se les ha pasado por la cabeza durante la clase. Lo malo es que en el patio está el Caldo, ¡el vigilante más temido sobre la faz de la Tierra!

El pequeño Nicolás

Llega a la Biblioteca del Pequeño Nicolás el título que más profesores siguen recomendando a sus alumnos y con el que todos empezamos a querer a este entrañable personaje: El Pequeño Nicolás. El pequeño Nicolás se lo pasa en grande en el cole. Siempre armando líos con sus compañeros: Alcestes, su mejor amigo, Eudes, Godofredo, Aniano, María Eduvigis, que es fantástica, Joaquín, Rufo, Clotario. Pero no todo va a ser felicidad: ¡se acerca el día de entrega de notas!

La vuelta al cole del pequeño Nicolás

Aunque se han acabado ya las vacaciones, la vuelta al cole tiene algunas cosas divertidas: hay que comprar zapatos nuevos, un estuche, una cartera... y luego romperlo todo; eso sí, siempre sin querer. Además hay que enseñarles a los amiguetes lo moreno que uno se ha puesto. Pero, ¿cómo conseguir que el moreno aguante hasta que empiece el cole? El pequeño Nicolás tiene soluciones para todo...

El pequeño Nicolás, ¡se rueda!

¿Cuántos mejores amigos tienes tú? Porque el pequeño Nicolás tiene un montón. Su primer mejor amigo tiene un padre que le compra de todo, su segundo mejor amigo es el preferido de la profe. El tercero es el más fuerte, el cuarto es el último de la clase... Y no hay que olvidarse de María Eduvigis, la hija de los vecinos, ¡es un encanto!

El pequeño Nicolás. ¡Diga!

A boy who doesn't like books or libraries discovers that reading is fun.

El pequeño Nicolás. El chiste

Nicholas and his friends have great adventures at recess.

El pequeño Nicolás

El pequeño Nicolás es un chico buenísimo y generoso y siempre piensa en los demás. Es capaz, incluso, de pedir regalos de Navidad solo para la gente que quiere. ¡Montones y montones de regalos!

El pequeño Nicolás

Alain Bonnard, the owner of a small art cinema in Paris, is a dyed-in-the-wool nostalgic. In his Cinéma Paradis there are no buckets of popcorn, no XXL colas, no Hollywood blockbusters. Alain holds firm to his principles of quality - to show films that bring dreams to life, make people fall in love. And Alain would do anything for his clientele - particularly the mysterious woman in the red coat who, for some time now, has turned up every Wednesday and always sits in row seventeen. What could her story be? Finally one evening Alain plucks up courage to invite the unknown beauty to dinner. But just as the most tender of love stories is getting under way, something happens that turns Alain's life upside down, shoving his little cinema unexpectedly into the public eye. So when the woman in the red coat suddenly vanishes from his life, the cinema owner can't help but wonder if it is more than a coincidence. Taking matters into his own hands, Alain sets off in search of the stranger he has come to love - roll the opening credits for a timeless cinematic romance worthy of the Parisian silver screen!

Books in Spanish for Children and Young Adults

Cuando, en vez de soledad, encuentras una civilización completa. Antonia, una geóloga que permanece viajando en búsqueda de un mineral poco común, encuentra algo más de lo que esperaba: Meridia, una civilización entera. Una civilización que hace siglos decidió apartarse de los humanos y vivir en un archipiélago oculto del resto del mundo. Hasta ahora. Al ser atacada por los enemigos de los meridios, Antonia es llevada a La Ciudadela, una fortaleza militar. Allí conocerá a los meridios, una comunidad que tiene la habilidad de percibir los sentimientos de los demás, y se verá obligada a enfrentar el desprecio que han sentido hacia los humanos por cientos de años.
