True Son of Tartarus

When Malkis of Tartarus insists upon attending the Interplanet Compact Conference being held on the planet Cytherea, Rona Scott experiences a terrifying premonition that he is in imminent danger. Soon, she receives word that his ship has been attacked and destroyed by their dreaded mortal enemies, the Gorgonians. Malkis is presumed dead. But Rona stubbornly refuses to believe this. She enlists the aid of her friend and former CO, Richard Hughes, captain of Astrella II. Risking charges of insubordination, they search for Malkis beyond the boundaries of the known Galaxy -- acting without orders! Both Rona and Hughes are well aware of the reputation of the merciless alien beings known as "Gorgonians"--they leave no witnesses and they never take prisoners! About the Author M. R. Tighe is also the author of Judgment on Tartarus.

Ransom of Tartarus

There's a traitor on the planet Tartarus! With the insider's aid, Dar-kan hira-Gurd -- the beautiful, sadistic, dangerous Ghendarian commander -- invades the City of the Ruler. She usurps the throne of Ahn-eld, then plots her long-awaited revenge upon Malkis of Tartarus. Acting on a gut instinct that the planet is under attack, Richard Hughes, commander of Astrella II, risks battling Ghendarian warships in a desperate attempt to rescue Malkis and Rona. But in order to save his wife, his world, and his friends from the brutal and merciless invaders, Malkis is forced to make an unthinkable sacrifice! Ransom of Tartarus is the third book in the Tartarus Trilogy. Books one and two of the trilogy are Judgment on Tartarus and True Son of Tartarus.

Religious Language

An original and accessible discussion of the nature of religious language that draws on the latest research in the philosophy of language. The historical background to research on religious language is also explored and connections are made with both Continental Philosophy and Theology.

Judgment on Tartarus

Newly assigned to the space cruiser Astrella II, captained by the legendary "Hero of the Gorgonian Wars," Richard Hughes, Ensign Corona Scott fears her long-dreamed-of career is about to be deep-sixed! She runs afoul of her new CO's volcanic temper, and Med Supervisor Johann Weiner warns her that Astrella's ExO, Malkis of Tartarus, is going to make her life a living Hell. He hates Terran females! Rona's ideals are put to the test as the shocking bigotry and hatred she finds aboard Astrella culminate in sabotage and murder and, ultimately, in a serious rift between Hughes and his ExO. Without warning, Astrella is mysteriously dispatched to the enigmatic planet Tartarus, where Rona Scott encounters an unsought destiny beyond her wildest dreams, and where the fate of Astrella's crew rests upon the outcome of a barbaric, bloody duel to the death!

The Earth's True Children

The Earth's True Children is a mythical tragedy featuring an element of science fiction/fantasy. Founded by a group of separatists who had become disenchanted with the decadence rife in the other six great northern city-states of the world, the city of Anaxagorus and its citizens pride themselves on their crusade for knowledge and moral adherence. Hylax, the son of Heracon -- the late but still revered

pioneer of the city – has grown tired of government and seeks a simple life. Struggling to deal with his obligation to his father's legacy and his own feelings of disillusionment with mankind, he tries to find a way of satisfying himself and his people. But when his old confidant, Abenader, returns half-dead from the desert and a person dear to him is murdered, a conspiracy threatens to usurp his authority. Meanwhile, an age-old species has emerged from the confines of the earth. They have seen the future and know where man's corrupting and insatiable desire to plunder its resources will lead. A great conflict looms that could reshape the world entirely. At once an intimate and epic study of power, set in a time akin to the ancient Greek era, 'The Earth's True Children' examines humanity at its best and at its worst. Warning: This is NOT a book for children.

Biblical Prophecy need not remain a mystery. The key that unlocks and clarifies Biblical Prophecy is hidden in the Word of God itself. The Bible is the textbook the Holy Spirit uses to reveal all Truth, including the Truth revealed in Biblical Prophecy. Understanding Revelation brings clarity to Biblical Prophecy by identifying those scriptures which shed light on their true meaning in an easy to understand way as one sits in the Presence of Jesus Christ our God, Savior, and Teacher. Understanding Revelation is an exciting and comprehensive journey promising to bring about a profound appreciation for the amazing mysteries God has hidden away for His children in this amazing Book known as the Bible. Understanding Revelation - For Those With Ears To Hear.

Herald of Truth

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

The Living Universe

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Understanding Revelation

The Purgatorio is the celestial afterworld where all people who die on Earth first immediately arrive to be purged and processed in their after-life by the Angels and Wise Prophets. The Journalist Romano as Adam & the ancient Prophet Zarathustra arrive to attend the Annual Lantern Parade in the attached Paradiso but will experience all the aspects of the Purgatorio before moving onto the Paradiso. The Café Graeco-Roman is the largest public café in the Celestial Kingdom where souls gather to discuss their personal, recreational and theological concerns amidst conspiratorial undercurrents led by the diabolical Devil and his tough-talking Three Crown Princes arriving as both undercover comedians and Garçons. The World's main religions of Hinduism, Buddhism, Confucianism, Taoism, Judaism, Shintoism, Zoroastrianism, Jainism, Sikhism, Christianity and Islam and the Primitive Religions as well are explored by both the Young French Professeur and the Extraordinary School Children. The Conspiracy Theorists are introduced while Celestial Tour Announcements about Guided Trips to Earth are permitted to those who qualify are given all day. A Literary Intermezzo is offered to display the literature greats forming their Literary Collective which include souls like Chaucer, Charles Dickens, the Grimm Brothers, Christopher Marlowe, Mary Shelley, Lady Murasaki, Edgar Allan Poe, Robert Louis Stevenson, Shakespeare, the Russian existentialists & others. Theological and Intellectual debates are also offered with the ancient Greek philosophers of Socrates & Plato & Aristotle to the modern thinkers Darwin, Richard Wagner, Friedrich Nietzsche, George Bernard Shaw, Voltaire, Rabelais & others. Ideologies and Faiths are also explored in Chapters with the subjects of the True Authorship of the

Christian New Testament & the Higher Criticism of the Bible. GOD also has approved an Interstellar Scientific Project designed to explore the Universe with celestial physicists, mathematicians, bio-chemists, bio-technologists, behavioral scientists, political economists, philosophers, existentialists, theologians etc. all assisted by Albert Einstein among others.

HOW DO PSYCHIC ABILITIES WORK . . . AND HOW CAN YOU TELL IF THEY'RE REAL? Celebrity psychic and #1 New York Times bestselling author Sylvia Browne takes a fascinating look into the history of psychics dating from biblical times as she reveals the truth about spiritual phenomena like witches, talking boards, angels, astral projection, and more. Did you know . . . • If someone tells you that an object is "haunted," they are probably fooling you. Objects can retain impressions of prior owners, but they don't contain the spirits of those on the Other Side. • If you get rid of one item in your house, it should be the talking board. Using one is like leaving your front door unlocked, inviting anyone (good or evil) to waltz right in. • Sylvia didn't believe in "living ghosts" until she had a terrifying experience that changed her mind. The phenomenon called a doppelgänger happened to her more than forty years ago. • It's possible to tell if a psychic is giving you a good reading or just following a script. A few key phrases can give away a fake. Through a wealth of personal stories and research into the lives of great psychics, Sylvia offers solid advice on how to put valid procedures to use and ignore the rest. The Secret History of Psychics explains how you can spot a fraud and shows you how to tap into your own legitimate psychic skills!

Outlines of the History of Medicine and the Medical Profession

Princess Valeria doesn't want the throne, yet she's got a crucial decision to make. The fate of the entire world is in her hands . . . Evemore is humanity's last realm of light and justice. The place where all your dreams come true. A unified Nordic kingdom protected by Knights who are willing to give their own lives for those who can't defend themselves. If it falls, our world will be lashed by tyranny. Enemies from in and out of our sacred walls are now conspiring to sit on the throne and enslave our world with their revolution. Meanwhile, more and more escape their barbaric Badlands, swarming the edges of our realm. Among them, Ian the Red, a slave, has dared to break free to pursue his dream of becoming a knight.

Prometheus, the Fire-bringer

This book offers a political anthropological perspective on the problematic character of science, combining insights from historical sociology, political theory, and cultural anthropology. Its central idea, departing from the works of Frances Yates and the Gnosticism thesis of Eric Voegelin, is that far from being the radical opposite of magic, modern science effectively grew out of magic, and its varieties, like alchemy, Hermetic philosophy, the occult, Gnosticism, and Neoplatonism. Showing that the desire to use science to solve various – real or presumed – problems of human existence has created a permanent liminal crisis, it contends that the 'will to science' is parasitic, existing as it does in sheer relationality, outside of and in between concrete places and communities. A study of the mutual relationship between magic and science in different historical eras, ranging from the Early Neolithic to recent disease prevention ideas, Magic and the Will to Science will appeal to scholars and students of social and anthropological theory, and the philosophy and sociology of science.

Dispensational Truth, Or God's Plan and Purpose in the Ages

Are you searching for the absolute truth, or answers to why the planets most horrific events seem to be unfolding right now? Events like hurricanes, earthquakes, economic woes, viruses, terrorism and war. This book will give answers about history, philosophy, science, and theology, conspiracy theories, secret societies, angels and demons, and the spiritual realm. If you're looking for the Holy Grail or the bloodline of Christ, this book will provide answers. Possibly today's most controversial book.

The Modern Divine Comedy Book 6: Purgatorio 2 Departure

The language of the Bible has no inconsiderable influence in forming and preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology,

and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by vulgarisms, nor tricked out with the ornaments of affected elegance. Noah Webster, 1833

Evemore Knight of Light

What would it be like to realize one day that everything you believed to be true was nothing but a lie? That you lived in an illusion constantly fed by those around you? That reality is often diametrically opposed to the chimera that was inoculated to you? That to learn the truth you need to forget everything you know? - What is God? - Are aliens real? - Is the material universe just an illusion? - Why are we here, where do we come from and where do we go after death? - Is Earth a prison? - Are humans the descendants of the gods of the past? - Is the Bible just a collection of plagiarized myths? - Was Christianity invented by Philo of Alexandria? - Was the Garden of Eden located on the territory of today's Romania? - Are Lucifer and Adam the same character? - Is Noah's Ark one of the Giza pyramids? - Is the Great Pyramid an interdimensional travel device? - Was the prophet Abraham a descendant of the Akkadian emperor Sargon the Great? - Was Moses really Pharaoh Akhenaton? - Is there an unseen war between the Aryan and Semitic races? - Did Alexander the Great discover the source of life in Dacia? - Did Pharaoh Tutankhamun's family practice black magic? - Does the Asteroid Belt come from the Mariana Trench? - Are the fallen angels at the top of the Masonic pyramid? - Is time travel possible? - Is the Apocalypse an event of the past? - Was Jesus possessed? All these questions (and many more) can be answered by "The Secrets of the Gods\

The Essayist

Long ago, when gods and heroes walked the earth in triumph and tragedy, true love and epic deeds were set among the stars... Far away, on the distant plains of ancient Ethiopia, Phaethon's greatest joy in life comes from watching the Sun travel across the heavens. But he longs for something more... When the sad bonds of his lonesome existence are about to overwhelm him, a great truth is revealed to Phaethon that sets him off on an epic adventure to unite his family and discover his life's purpose. Will Phaethon succeed in his quest and find his place in the order of things? In this story of love, loss, and of deep yearning to find one's place and make a difference in a world, only the Gods of Olympus can decide... Chariot of the Son is an epic retelling of the Phaethon story from Greek mythology. It is the first book in this mythological fantasy series by best-selling and award-winning author and historian, Adam Alexander Haviaras. If you enjoy books by Madeline Miller, Stephen Fry, Natalie Haynes or Jennifer Saint then you will love the Mythologia series. Download Chariot of the Son today and prepare to experience immortality with the gods and heroes of the ancient world!

LOOK FOR THE FINAL SONS OF NAVARUS BOOK, BLOOD ASCENDANT, COMING NOVEMBER 12, 2019! The Sons of Navarus series by New York Times and USA Today bestselling author K.M. Scott writing as Gabrielle Bisset—Get Blood Spirit (Sons of Navarus #3), The Deepest Cut (A Sons of Navarus Short Story), and Blood Prophecy (Sons of Navarus #4 and includes the short stories His Love and Forbidden Fruit) in this new Sons box set! Long ago, the first vampire was born from the love of the goddess Macaria, the daughter of Hades, God of the Underworld, and Navarus, the human male who fell in love with her. As her consort, he walked the night as she always had, becoming the first vampire. Loving her, he turned her vampire and together they had eight sons. The youngest, Idolas, had a vision of the world long after ancient Greek times, of a time when the Archons, those vampires chosen to keep law and order in the vampire world, would move to overthrow the elders in the Order of Macaria and impose their iron rule on all. The vampire world is now very far from the love Macaria and Navarus shared millennia ago. The Archons have moved to fulfill the Prophecy of Idolas and begin the takeover. Standing in their way are the Sons of Navarus, eight vampire warriors chosen by the Order of Macaria to protect the way of life vampires have enjoyed for thousands of years and defeat the Archons when the day Idolas prophesied came true. That time has come and for the eight Sons of Navarus, this war will test all their strength and courage. They must unlock the secrets of the Prophecy of Idolas to defeat the Archons or perish in trying for none of their kind can be safe if the Archons win this battle. Follow the Sons as they fight to save their world and the love each of them would die for. vampires, mythology, romance, paranormal romance, New York Times bestselling author, USA Today bestselling author, paranormal series Be sure to read all the Sons of Navarus series and see why readers love these Alpha males! Magic and the Will to Science

In *Women and War in Roman Epic*, Elina Pyy discusses the narrative and ideological functions of gender, and the fashioning of Roman imperial identity, in the works of Virgil, Lucan, Statius, Silius Italicus and Valerius Flaccus.

The Truth is in Dreams Stories and Fairy Tales

This collection addresses the role of ritual representations and religion in the epic poems of the Flavian period. Drawing on various studies on religion and ritual and the relationship between literature and religion in the Greco-Roman world, it explores the poets' use of the relationship between gods and humans and religious activities.

Wild Animals Photographed and Described

Presents translations of three satirical plays along with information on staging, history, religious practice, myths, and issues raised by each play.
