Feng Shui Cures for Astrology

YOU ARE MUCH, MUCH MORE THAN THE SIGN YOU WERE BORN WITH OR THE YEAR YOU WERE BORN IN. You are a very powerful creator of your reality and the beliefs you hold determine the quality of your life. You selected your astrological sign and year you were born into to remind yourself of what it is you came to do. However, much of the information that circulates in the planet about Astrology is not empowering or liberating. Many people react to this by giving away their power to astrologers, fortune tellers and predictions. Here is a book that combines ancient Feng Shui knowledge and modern Vibrational Healing to give you back your power by enhancing the positive aspects of your sign while minimizing or transcending what you may have perceived as its negative traits. Feng Shui Cures for Astrology includes 24 unique illustrations, one for each of the 12 signs of the Western and Eastern systems of Astrology. Monica's playful and whimsical silhouettes were created with the intent to help you connect with Astrology in new ways. The abstract images Bill Austin created to go inside the silhouettes for this book were encoded with healing frequencies for each particular sign. Each of the images is accompanied only by the most basic information about the sign. In addition, you get 8 Astrology Master Healing Images which include healing frequencies for Mercury Retrograde, Fears Around Astrology and 2012. In this book Bill and Monica would like to offer you the possibility of clearing yourself from superstitions and dis-empowering beliefs you may have picked up regarding astrology over the years, while at the same time giving you tools by which you can connect with a Heart Oriented version of this ancient art in both the Western and Eastern versions.

Flying Star Feng Shui

Flying Star Feng Shui adds a new "time dimension" to feng shui practice reflecting the fact that the subtle energies present in our living environment are constantly changing. The flying star combinations make it possible to respond to-or prepare for-these changing energy "situations." These methods produce impressive and rapid results and can both shorten periods of bad luck, while initiating or prolonging periods of good fortune. These concepts have previously been available only from a few untranslated or highly technical sources. Author Stephen Skinner has a international reputation as a populizer of feng shui concepts for Western readers. In Flying Star Feng Shui he introduces one of the most effective and popular aspects of feng shui practice today.

Taoist Feng Shui

- The first book to explain how feng shui developed from the Taoist systems of astrology, yin and yang, and the five elements.
- Provides a background on Taoist philosophy to help readers better understand the principles of feng shui and how to use them properly.
- Helps readers improve home, business, garden, property, neighborhoods, and much more.

The Chinese art of feng shui has become extremely popular in the West, but too often advice on the subject consists of overly simplistic instructions for rearranging one's house without any explanation of the profound philosophical system behind these changes. The ancient Taoists developed feng shui from their understanding of the subtle interplay of energies that make up the universe, and no true mastery of feng shui is possible without a knowledge of Taoism. Taoist Feng Shui provides step-by-step guidelines for improving your home, business, garden, property, and neighborhood using this ancient system of knowledge. In Taoist Feng Shui, Susan Levitt traces the history of feng shui and shows how it is grounded in knowledge of yin and yang and the five Taoist elements of fire, earth, metal, water, and wood, as well as many other principles essential

to Taoism. Once a background in Taoism is established, readers can better understand the philosophy behind concepts such as choosing the best colors for each room of the home, room-by-room furniture placement, yin and yang balance, correct lighting, outdoor landscaping, the function of hallways and entrances, and the proper use of mirrors, crystals, fountains, and other feng shui tools. With in-depth examples from the author's private feng shui practice, Taoist Feng Shui can help all readers transform their personal environments to create peace, harmony, health, wealth, and good fortune.

The Feng Shui of Love

T. Raphael Simons, America's leading feng shui expert, teaches readers how to transform their homes to attract, enhance, and enrich romantic love in their lives. Based on ancient Taoist secrets that join feng shui and Chinese astrology, Simons' method is personalized through questionnaires and individualized charts. Readers will learn how to use their own personal styles of relating, relationship elements, and areas of special interest to arrange their homes in a personally meaningful and effectual way. Feng Shui for Life

Remedies of Vastu contains easy and practical remedies for the rectification of vastu related faults. There is nothing wrong if a man seeks advice from Vastu consultant to ward off the faults existing in house like an ailing person sees a doctor to have his advice. A Vastu consultant advises renovation of a building only when it is essential and there is no way out. He is like a good doctor who advises a patient to go for a surgery when the disease with which the latter is suffering from cannot be cured by medicines or by any other means. Vastu faults can also be removed without any renovation - by changing the place of the goods in the house and by selecting right direction for meal and slumber. They can be removed by worship of gods and deities. Fengshui, Pyramid, Yantra - Mantra can also be chosen as helping hands in attaining happiness and prosperity. In this book apart from a brief description of Vastu, different methods of remedies have been incorporated. In nutshell scholars have mentioned some remedies to overcome Vastu faults. Some advise to perform Vastu Shanti and some to propitiate the planets. Some others advise to adopt remedies mentioned in Tantra-Mantra whereas some to wear Rudraksha. Yet some more scholars advise to overcome the faults by worshiping Yantra, some scholars advise to use pyramid or to adopt remedies mentioned in Feng Shui. Some others advise changes in directions of different goods of house. Apart from these scholars, Vastu practitioners advise to reconstruct the building whereas some advise to sell out the house. There might be difference among the scholars on remedies for Vastu as to which remedy is the best and the quickest for a particular

native. However, all the remedies may prove to be effective, but the thing essential is to take necessary steps as mentioned in Vastu and that too on time. It is not possible to mention all the remedies here. Therefore, easy remedies have been incorporated in the book which could be adopted by a common man. This book has specially been designed for the students of All India Federation of Astrologers' Societies but the students interested to know this subject can also get benefitted equally with the study of this book. The purpose of this book is to make the students acquainted with the common remedies found in our life. The students are advised to use the materials and the methods of worship mentioned in this book, only under the guidance and direction of a learned person. The materials are not likely to cause any harm. But even if they do, the author or the publisher will be no way responsible for that.
