New Round Up 2

A classic developmental skills text for lower-intermediate to intermediate students of English, Fundamentals of English Grammar is a reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the Third Edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Numerous "real communication" opportunities More options for interactive work in pairs and groups Additional open-ended communicative tasks for both speaking and writing Expanded error-analysis exercises Interesting and lively new exercise material New appendices for phrasal verbs and prepositions The program components include the Student Book, Workbook, Chartbook, Teacher's Guide, and Companion Website. For an online workbook, see Fundamentals of English Grammar Interactive.

Fundamentals of English Grammar

Provides an essential survey of ESL grammar, and contains all of the grammar charts in the 4th edition of "Understanding and using English grammar" -- Back cover.

Understanding and Using English Grammar Chartbook

Blending communicative and interactive approaches with tried-and-true grammar teaching, "Basic English Grammar," Third Edition, by Betty Schramper Azar and Stacy A. Hagen, offers concise, accurate, level-appropriate grammar information with an abundance of exercises, contexts, and classroom activities. New features of "Basic English Grammar," Third Edition: Increased speaking practice through interactive pair and group work. New structure-focused listening exercises. More activities that provide real communication opportunities. Added illustrations to help students learn vocabulary, understand contexts, and engage in communicative language tasks. New Workbook solely devoted to self-study exercises. New Audio CDs and listening script in the back of the Student Book. Student Book is available with or without Answer Key. Student Book and Workbook are available in split versions.

Basic English Grammar

Fundamentals of English Grammar Sb/App International Edition

Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.

The author explains structure and then shows how it works in different language contexts - the literary, the non-literary, the spoken and the written. He explores a wide range of linguistic themes including sociolinguistics, language acquisition and register, and shows how our language can be interpreted.

A Comprehensive Grammar of the English Language

This practical, brief paperback with hands-on activities is designed to "fill in the blanks" in teachers' own knowledge of English grammar and to demonstrate a reliable method for teaching English grammar to elementary school pupils. It provides a solid foundation in the sociolinguistic and psycholinguistic aspects of grammar and grammar instruction; followed by step-by-step coverage of the basics of word and phrase development, and of the construction of the three or four types of sentences that English words can be used to create. In addition, coverage examines solutions to common usage problems faced by native speakers, non-standard speakers, and ELL students.

New Language Leader
