A simple guide to exporting - A simple guide to exporting by Cabinet Office 12,329 views 2 years ago 3 minutes, 33 seconds - This simple animation explains what traders have to do to move goods between the EU and GB.

George is the driver for the haulage company transporting the glassware.

Search find a customs agent' on GOV.UK for a list of agents who can help you submit customs declarations.

These are needed to complete customs processes and identify who is importing or exporting goods. They give their EORI numbers, invoices, purchase order and transportation details to their customs agents.

George's haulage company checks guidance on being a heavy goods vehicle operator.

Sandeep, Edward's customs agent, submits an export declaration for customs and safety and security exit requirements.

Pierre, the French customs agent, submits an EU customs Import declaration and makes an EU safety and security entry summary declaration.

The ferry operator scans the documentation and George boards the ferry.
