The Tempest

The Tempest was first published in 1623 and is probably the last play Shakespeare wrote by himself. The product of his artistic maturity, it has inspired a variety of modern adaptations and remains one of his most popular plays. While its plot is fairly straightforward, The Tempest addresses numerous issues and topics current in the 17th century, such as magic and colonialism. Scholars, in turn, have responded by generating a vast body of criticism. This reference is a comprehensive guide to the play. The volume begins with a brief consideration of the play's textual history, followed by an evaluation of the merits of various modern editions. It then looks at some of Shakespeare's likely sources and influences, from classical literature to accounts of a 17th-century shipwreck. A chapter on the play's dramatic structure moves through the text and touches on issues raised in greater detail later in the book. The volume then studies some of the play's themes and summarizes how critics have responded to them. Finally, the book comments on the play's performance history and analyzes major productions.

Shakespeare's The Tempest

In the 400 years since The Tempest was first staged, millions of words have been written about it. Critics, directors and actors have interpreted it in widely different ways and developed theories ranging from the more-or-less plausible to the eccentric and the completely outlandish. It is undoubtedly one of Shakespeare's greatest plays, and as well as its bewitching music, its hallucinatory quality and its enchanted island setting, it contains some of Shakespeare's most beautiful poetry and most famous lines. From Caliban's "The isle is full of noises" to Prospero's "We are such stuff/As dreams are made on", The Tempest haunts our collective imagination. But what is it actually about? Is it about British colonialism, as so many modern critics, especially modern American critics, firmly maintain? Is it a Christian play? Or is it, as Sir Peter Hall believes, the "most blasphemous play Shakespeare wrote",

about a "man on an island who's allowed to play God and who doesn't just dabble in witchcraft but actually performs it"? Is it an anti-feminist play, as some feminist critics believe? Or does it, on the contrary present a softer, more feminised view of the world than his earlier works? And what does *The Tempest*, the last play Shakespeare wrote on his own, tell us about his view of art, and of the human condition? This short guide, drawing on the most interesting and arresting criticisms of the play, explains the issues which have perplexed and divided scholars through the ages, and offers a bold, incisive and authoritative view of its own.

The Tempest

This edition of *The Tempest* provides a clear and authoritative text, edited to the highest standards of scholarship, and includes an in-depth survey of critical approaches to the play.

The Tempest

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Shakespeare's The Tempest

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1916 edition. Excerpt: ...Miranda's character, in which tenderness and simple faith in good are throughout the leading notes. Notice her description of the vessel as " brave" and "good," and her instinctive confidence that it carried "noble creatures." 7. Who follows a neuter antecedent when it is personified, as here, " in her." Il. or ere. The phrase is really pleonastic. Or represents E. E. wr, " before." As this meaning of or died out, it seems to have been combined with ere for the sake of emphasis. Cf. Abbott, 131. 13. fraughting souls, the souls who composed the freight or freight. 14. piteous, pitying. 15. O, woe the day! Miranda, when she speaks these words, supposes not that the crew has escaped, but that her father counts their destruction " no harm." 19. Of whence. For this redundant phrase cf. Abbott, 179. more better. The double comparative is frequently used by Shakespeare. Cf. Abbott, 11. 20. full, completely. 25. Lie there, my art. Steevens quotes in illustration Fuller's anecdote about Lord Burleigh, Elizabeth's Lord Treasurer, who, " when he put off his gown at night, used to say, 'Lie there, Lord Treasurer.'" Voss aptly notices that " Shakespeare here very skillfully separates Prospero, the man, from Prospero, the magician. A magician, devoted body and soul to his art, can claim but little of our sympathy.... But Prospero's magic resides only in his mantle, staff, and book. Prospero himself remains akin to us." 26. wreck. The Ff here, and in lines 390, 414, 488, read wracke, which gives a far finer rhythm. 27. The very virtue of compassion, the very essence of compassion. 29-31. no soul... vessel. There is no necessity to alter the reading of the Ff; the sense is clear, though grammatically there is an anacoluthon. Prospero begins..."

Shakespeare's The Tempest

A new edition of *The Tempest* which brings alive the rich interpretative possibilities of this most popular play.

The Tempest

Believed to have been written between 1610 and 1611, "The Tempest" is likely the last play written solely by Shakespeare. The story concerns the Magician Prospero, the rightful Duke of Milan, and his daughter, Miranda, who have been stranded on an island by Prospero's jealous brother Antonio. The plot of "The Tempest" itself is however of less importance than in Shakespeare's other works. Supernatural elements are introduced with great freedom, and the dramatist's interest was clearly not in the reproduction of lifelike events. The presentation of character and the attractive picturing of the beauty of magnanimity and forgiveness are the things which, along with its delightful poetry, make the charm of this play. It is not to be wondered at that readers have frequently been led to find in the figure of the great magician, laying aside his robes and wonder-working rod in a spirit of love and peace toward all men, a symbol of the dramatist himself at the close of his great career; and it is surely legitimate to play with this idea without assuming that Shakespeare consciously embodied it. One can hardly conceive a more fitting epilogue to the volume which is the crown of the world's dramatic literature than

the romance of "The Tempest". This edition is printed on premium acid-free paper, includes a preface and annotations by Henry N. Hudson, and an introduction by Charles H. Herford.

Shakespeare's The Tempest

"Shakespeare's valedictory play is also one of his most poetical and magical. The story involves the spirit Ariel, the savage Caliban, and Prospero, the banished Duke of Milan, now a wizard living on a remote island who uses his magic to shipwreck a party of ex-compatriots. This extensively annotated version of The Tempest makes the play completely accessible to readers in the twenty-first century." "Linguist and translator Burton Raffel offers generous help with vocabulary, pronunciation, and prosody and provides alternative readings of phrases and lines. His on-page annotations give readers all the tools they need to comprehend the play and begin to explore its many possible interpretations. Raffel provides an introductory essay, and in a concluding essay, Harold Bloom examines the characters Prospero and Caliban."--BOOK JACKET.

The Tempest

Honoring Shakespearean scholar Michael Neill, this eleventh issue of The Shakespearean International Yearbook brings together essays by a diverse group of writers, to examine Neill's extraordinary body of work, employing his many analyses of place as points of departure for new critical investigations of Shakespeare and Renaissance culture. It also challenges us to think about the conception of place implicit in the "International" of the Yearbook's title: the violence as well as calmness, the settling and unsettling, that has worked to produce—and still works to produce—the "global." Many of the essays move out of early modern England, whether spatially (journeying to Ireland, India, Indonesia, Italy, Sudan, and New Zealand) or temporally (traveling to 20th- and 21st-century reproductions, rewritings, or reappropriations of Shakespeare and other texts). The volume concludes with an Afterword by Michael Neill. The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies across the world. Among the contributors to this volume are Shakespearean scholars from Italy, New Zealand, South Africa, UK, and the US.

Shakespeare's The Tempest

This issue marks the 10th anniversary of The Shakespearean International Yearbook. On this occasion, the special section celebrates the achievement of senior Shakespearean scholar Robert Weimann, whose work on the Elizabethan theatre and early modern performance culture has so influenced contemporary scholarship. Ten essays in this issue of Yearbook, including one by the honoree himself, focus on those aspects of Shakespearean studies which Weimann has impacted most profoundly: the idea and practice of a "popular tradition"

The Tempest

This Annotation-Friendly edition has: - Large spaces between lines for annotations - Large outer margins - Pages at the end of each chapter for note taking - Ariel font size 12 for ease of reading - An introduction - Author biography - Glossary of literary terms - The Tempest glossary - A useful guide to successful annotating For more on our growing collection of educational books, and bulk discounts for schools, visit: firestonebooks.com

The Tempest

Offers a performance text of William Shakespeare's "The Tempest," and includes essays about and photographs of notable productions as well as an audio CD with twenty-three scenes.

Shakespeare's Play of The Tempest

The Tempest is a comedy written by William Shakespeare. It is generally dated to 1610-11 and accepted as the last play written solely by him, although some scholars have argued for an earlier dating. While listed as a comedy in its initial publication in the First Folio of 1623, many modern editors have relabelled the play a romance.

The Tempest. Teacher's Guide

The Tempest is a play by English playwright William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone.

The Tempest

Complete and unabridged paperback edition. The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants -- Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes including magic, betrayal, revenge, and family. In act four, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language. Though The Tempest is listed in the First Folio as the first of Shakespeare's comedies, it deals with both tragic and comic themes, and modern criticism has created a category of romance for this and others of Shakespeare's late plays. The Tempest has been subjected to varied interpretations--from those that see it as a fable of art and creation, with Prospero representing Shakespeare, and Prospero's renunciation of magic signaling Shakespeare's farewell to the stage, to interpretations that consider it an allegory of European man colonizing foreign lands. William Shakespeare, The Tempest

The Tempest (Norton Critical Editions)

"Presenting an utterly reliable text, together with a rich collection of social, historical, and performance-based materials, this edition illuminates our understanding of the play as it has been interpreted traditionally, while simultaneously pointing the way to innovative, revisionist readings for the future." S. P. Cerasano, Colgate University "The Norton Critical Tempest is a truly wonderful resource: it illuminates Shakespeare's most open-ended play with a wealth of richly suggestive contextual materials on magic, on human perfectibility, on travel and alien worlds, on colonial domination, on religion and politics. Providing a well-selected sampling of interpretive criticism and artistic rewritings, the edition will inspire students to become researchers and re-creators themselves as they bring these texts into conversation with Shakespeare's magical and enigmatic creation." Lynne Magnusson, University of Toronto This Norton Critical Edition includes: * The First Folio (1623) text, accompanied by the editors' preface and

detailed explanatory annotations. * A rich collection of source materials by Ovid, Giovanni Pico della Mirandola, King James I, Michel de Montaigne, and others centered on the play's major themes of magic, witchcraft, politics, religion, geography, and travel. * Seventeen wide-ranging scholarly essays, seven of them new to the Second Edition. * Nineteen rescriptings that speak to *The Tempest's* enduring inspiration and provocation for writers from Thomas Heywood and Percy Bysshe Shelley to Aimé Césaire and Ted Hughes. * A Selected Bibliography.

The Tempest

Presents William Shakespeare's "*The Tempest*" and includes excerpts from its sources, eighteen works of criticism by writers ranging from John Dryden to Barbara Fuchs, and seventeen works based on the play by such authors as Percy Shelley and Ted Hughes.

The Tempest

"Presenting an utterly reliable text, together with a rich collection of social, historical, and performance-based materials, this edition illuminates our understanding of the play as it has been interpreted traditionally, while simultaneously pointing the way to innovative, revisionist readings for the future." --S. P. Cerasano, Colgate University "The Norton Critical *Tempest* is a truly wonderful resource: it illuminates Shakespeare's most open-ended play with a wealth of richly suggestive contextual materials--on magic, on human perfectibility, on travel and alien worlds, on colonial domination, on religion and politics. Providing a well-selected sampling of interpretive criticism and artistic rewritings, the edition will inspire students to become researchers and re-creators themselves as they bring these texts into conversation with Shakespeare's magical and enigmatic creation." --Lynne Magnusson, University of Toronto

The Tempest (No Fear Shakespeare)

Read Shakespeare's plays in all their brilliance--and understand what every word means! Don't be intimidated by Shakespeare! These popular guides make the Bard's plays accessible and enjoyable. Each No Fear guide contains: The complete text of the original play A line-by-line translation that puts the words into everyday language A complete list of characters, with descriptions Plenty of helpful commentary

The Tempest (Dover Thrift Editions)

The Tempest gives us a magician, Prospero, a former duke of Milan who was displaced by his treacherous brother, Antonio. Prospero is exiled on an island, where his only companions are his daughter, Miranda, the spirit Ariel, and the monster Caliban. When his enemies are among those caught in a storm near the island, Prospero turns his power upon them through Ariel and other spirits. The characters exceed the roles of villains and heroes. Prospero seems heroic, yet he enslaves Caliban and has an appetite for revenge. Caliban seems to be a monster for attacking Miranda, but appears heroic in resisting Prospero, evoking the period of colonialism during which the play was written. Miranda's engagement to Ferdinand, the Prince of Naples and a member of the shipwrecked party, helps resolve the drama. The authoritative edition of *The Tempest* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -The exact text of the printed book for easy cross-reference -Hundreds of hypertext links for instant navigation -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently linked to the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by Barbara A. Mowat The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe.

The Norton Shakespeare

The Norton Shakespeare brings to readers a meticulously edited new text that reflects current textual-editing scholarship and introduces innovative teaching features. The print and digital bundle offers students a great reading experience in two ways - a printed volume for their lifetime library and a digital edition ideal for in-class use. Every play introduction, note, gloss and bibliography has been

reconsidered in light of reviewers' suggestions, and new textual introductions and performance notes reflect the extensive new scholarship in these fields.

The Tempest

Shakespeare's last play, which contains some of the playwright's most famous lines, "The Tempest" tells the story of Prospero, the exiled Duke of Milan. He lives on an island with his daughter Miranda and the servants, Ariel, the spirit, and Caliban, the monster. The action develops when a shipwreck brings his usurping brother Antonio to the island.

Othello (Second Edition) (Norton Critical Editions)

This Norton Critical Edition includes:·The First Folio text (1623).· An introduction, explanatory footnotes, note on the text, and textual notes by Edward Pechter.· Fifteen illustrations.· Giraldi Cinthio's sixteenth-century story in its entirety, which Shakespeare used for both the plot and many details of Othello.· A generous selection of interpretive responses to Othello from its origins to the present day, including--new to the Second Edition--those by Stanley Cavell and Lois Potter. Edward Pechter's popular theatrical and critical overview of Othello has been significantly expanded.· An updated Selected Bibliography.

The tempest

"Grace Ioppolo has prepared this Norton Critical Edition of Shakespeare's most important play from the 1623 First Folio text (with the most significant variants from the 1608 Quarto I interpolated). The edition provides a full discussion, in A Note on the Text and the comprehensive Textual Variants and Notes, of the textual transmission of the play, now the scholarly focus of discussions of Shakespeare as a reviser of his own work. A critical introduction, addressing King Lear's origins, its legacy, and its place in literature, theatre, and popular culture, makes clear that King Lear is now the central play of Shakespeare's canon for literary and theatrical audiences alike." "The "Sources" section helps readers navigate King Lear's rich history. Nine essential primary sources are reprinted, from which Shakespeare borrowed significantly in creating his play, along with two additional probable sources." "The "Criticism" section presents thirteen major interpretations of King Lear written since the eighteenth century as well as three adaptations and responses to it. A selected bibliography is also included." --Book Jacket.

King Lear

Upon publication in 1997, The Norton Shakespeare set a new standard for teaching editions of Shakespeare's complete works. Instructors and students worldwide welcomed the fresh scholarship, lively and accessible introductions, helpful marginal glosses and notes, readable single-column format, all designed in support of the goal of the Oxford text: to bring the modern reader closer than before possible to Shakespeare's plays as they were first acted. Now, under Stephen Greenblatt's direction, the editors have considered afresh each introduction and all of the apparatus to make the Second Edition an even better teaching tool.

The Norton Shakespeare

Designed for "teaching the conflicts," this critical edition of Shakespeare's The Tempest reprints the authoritative Bevington text of the play along with 21 selections representing major critical and cultural controversies surrounding the work. The distinctive editorial material helps readers grapple not only with the play's critical issues but also with cultural debates about literature itself. The second edition includes four new readings, revised headnotes that more helpfully contextualize the critical essays, a portfolio of visual representations of Caliban, and an appendix on writing about critical controversies and The Tempest.

Shakespeare

This Norton Critical Edition looks at the full range of opinion and interpretation of this major play from its origins to the present day, from its "genius" (William Hazlitt) to its being a "hateful work, although Shakespearean throughout" (Samuel Taylor Coleridge), and beyond.

The Tempest

The Tempest is a popular text for study by secondary students the world over. This edition includes illustrations, preliminary notes, reading lists (including websites) and classroom notes.

Measure for Measure

The Tempest contains sublime poetry and catchy songs, magic and low comedy, while it tackles important contemporary concerns: education, power politics, the effects of colonization, and technology. In this guide, Alden T. Vaughan and Virginia Mason Vaughan open up new ways into one of Shakespeare's most popular, malleable and controversial plays.

The Tempest (2010 edition)

"In the pure poetry and intoxication of words, Shakespeare never rose higher than he rises in this play."
--G. K. Chesterton

The Tempest: A Critical Reader

"Authorship Companion: Cutting-edge research in attribution studies; A new perspective on the dating of Shakespeare's plays, and on his dramatic collaborations; Combines the work of senior scholars with exciting new voices; Explores the latest developments in the understanding of Shakespeare's style and methods for detecting and describing it; Covers the entire breadth of Shakespeare's writing, across the plays and the poems; A record of all early documents relevant to authorship and chronology; A survey and synthesis of past scholarship to 2016; Individual case studies combined with broader analysis of theories and methods."--Publisher's description.

A Midsummer Night's Dream

William Shakespeare's great Roman tragedy of adultery amid political conflict is now available in a richly documented and illustrated Norton Critical Edition.

The New Oxford Shakespeare

The Tempest and its Travels offers a new map of the play by means of an innovative collection of historical, critical, and creative texts and images.

Antony and Cleopatra

This print pack contains Hamlet Norton Critical Editions Translated By Miola + Oedipus Tyrannus: Norton Critical Edition.

Othello

The great English Renaissance tragedy—violent, powerful, unforgettable—in a freshly edited and annotated student edition. "Neill's edit of the play is very well done. ... If there's a more knowledgeable or erudite unraveling of the play, I haven't seen it." —Steve Sohmer, Comitatus This Norton Critical Edition of John Webster's 1612–13 tragedy offers a newly edited and annotated text together with a full introduction and illustrative materials intended for student readers. The Duchess of Malfi's themes of love, loyalty, and betrayal have resonated through the centuries, making this a perennially popular play with audiences and readers alike. This volume includes a generous selection of supporting materials, among them Webster's likely sources for the play (William Painter, George Whetstone, Simon Goulart, and Thomas Beard) as well as related works by Webster and George Wither on widows, funerals, and memorializing death. A generous selection from Mark H. Curtis's classic essay, "The Alienated Intellectuals of Early Stuart England," tells readers as much about the character of Bosola as it does about his creator. Henry Fitzgeffrey (1617) and Horatio Busino (1618) provide early responses to the play. "Criticism" is thematically organized to provide readers with a clear sense of The Duchess of Malfi's central themes of dramaturgy; the politics of family, court, and religion; and gender. Also included are essays on contemporary re-imaginings of the play and its critical reception over time. Contributors include Don D. Moore, Inga-Stina Ewbank, Christina Luckyj, Barbara Correll, D. C. Gunby, Lee Bliss, Rowland Wymer, Brian Chalk, Theodora Jankowski, and Pascale Aebischer. A selected bibliography is also included.

The Tempest and Its Travels

"The Tempest, the last play Shakespeare wrote without a collaborator, has become a key text in school and university curricula, not simply in early modern literature courses but in postcolonial and history programs as well. One of Shakespeare's most frequently performed plays, The Tempest is also of great interest to a general audience. This volume will outline the play's most important critical issues and suggest new avenues of research in a format accessible to students, teachers, and the general reader"--

Hamlet

Shakespeare, Our Contemporary is a provocative, original study of the major plays of Shakespeare. More than that, it is one of the few critical works to have strongly influenced theatrical productions. Peter Brook and Charles Marowitz are among the many directors who have acknowledged their debt to Jan Kott, finding in his analogies between Shakespearean situations and those in modern life and drama the seeds of vital new stage conceptions. Shakespeare, Our Contemporary has been translated into nineteen languages since it appeared in 1961, and readers all over the world have similarly found their responses to Shakespeare broadened and enriched.

The Duchess of Malfi (Norton Critical Editions)

The Tamer Tamed is the subtitle or alternative title to John Fletcher's The Woman's Prize, a comedic sequel and reply to The Taming of the Shrew. The plot switches the gender roles of Shakespeare's play: the women seek to tame the men. Katherine (the "shrew" of the original) has died, and Petruchio takes a second wife, Maria. Maria denounces her former mildness and vows not to sleep with Petruchio until she "turn him and bend him as [she] list, and mold him into a babe again." After many comedic exchanges and plot twists, Petruchio is finally "tamed" in the eyes of Maria, and the play ends with the two reconciled. The play is seen to reflect how society's views of women, femininity, and "domestic propriety" were beginning to change. It is said that Fletcher wrote this play to attract Shakespeare's attention - the two went on to collaborate on at least three plays together. This brand new New Mermaid edition offers unique and fresh insight into the critical interpretation of the play. It builds on current critical foundations (the relationship with Taming of the Shrew, gender relations etc) and suggests different areas of interest (popular associations of the shrew, the question of reputation, and a re-examination of the play's structure). as well as examining stage history and recent productions.

The Tempest: A Critical Reader

This edition also provides a list of online and print resources.

Shakespeare, Our Contemporary

Stephen Greenblatt's Will in the World is widely recognised to be the fullest and most brilliant account ever written of Shakespeare's life, his work and his age. Shakespeare was a man of his time, constantly engaging with his audience's deepest desires and fears, and by reconnecting with this historic reality we are able to experience the true character of the playwright himself. Greenblatt traces Shakespeare's unfolding imaginative generosity - his ability to inhabit others, to confer upon them his own strength of spirit, to make them truly live as independent beings as no other artist has ever done. Digging deep into the vital links between the playwright and his world, Will in the World provides the fullest account ever written of the living, breathing man behind the masterpieces.

The Tempest

Presents the text of Shakespeare's tragedy in which Othello, a Moorish general, is led by a jealous and evil ensign to believe his wife, Desdemona, has been unfaithful, and includes explanatory notes, background, critical essays, and other reference material.

The Tamer Tamed

Hailed by The Times Educational Supplement as "superb\

The Tempest

In a recent sale catalog, one bookseller apologized for the condition of a sixteenth-century volume as "rather soiled by use." When the book was displayed the next year, the exhibition catalogue described

it as "well and piously used [with] marginal notations in an Elizabethan hand [that] bring to life an early and earnest owner"; and the book's buyer, for his part, considered it to be "enlivened by the marginal notes and comments." For this collector, as for an increasing number of cultural historians and historians of the book, a marked-up copy was more interesting than one in pristine condition. William H. Sherman recovers a culture that took the phrase "mark my words" quite literally. Books from the first two centuries of printing are full of marginalia and other signs of engagement and use, such as customized bindings, traces of food and drink, penmanship exercises, and doodles. These marks offer a vast archive of information about the lives of books and their place in the lives of their readers. Based on a survey of thousands of early printed books, *Used Books* describes what readers wrote in and around their books and what we can learn from these marks by using the tools of archaeologists as well as historians and literary critics. The chapters address the place of book-marking in schools and churches, the use of the "manicule" (the ubiquitous hand-with-pointing-finger symbol), the role played by women in information management, the extraordinary commonplace book used for nearly sixty years by Renaissance England's greatest lawyer-statesman, and the attitudes toward annotated books among collectors and librarians from the Middle Ages to the present. This wide-ranging, learned, and often surprising book will make the marks of Renaissance readers more visible and legible to scholars, collectors, and bibliophiles.

Aurora Leigh

Prospero, wise Duke of Milan, has been deposed by Antonio, his wicked brother and exiled with his daughter Miranda to a mysterious island. But Prospero possesses supernatural powers.

Macbeth

This new Complete Works marks the completion of the Arden Shakespeare Third Series and includes the complete plays, poems and sonnets, edited by leading international scholars. New to this edition are the 'apocryphal' plays, part-written by Shakespeare: *Double Falsehood*, *Sir Thomas More* and *King Edward III*. The anthology is unique in giving all three extant texts of *Hamlet* from Shakespeare's time: the first and second Quarto texts of 1603 and 1604-5, and the first Folio text of 1623. With a simple alphabetical arrangement the Complete Works are easy to navigate, and the reader's understanding and enjoyment are enhanced by the general introduction, short individual introductions to each text, a glossary and a bibliography. This handsome volume is ideal for readers keen to explore Shakespeare's work and for anyone building their literary library.
