Fowler's Dictionary of Modern English Usage

A comprehensive guide to the English language provides detailed and expert information on grammar, style, spelling, vocabulary, and punctuation with clear explanations and example sentences.

Fowler's Concise Dictionary of Modern English Usage

Fowler's Concise Dictionary of Modern English Usage is an invaluable quick-reference work, providing clear, practical and up-to-date guidance on questions of grammar, spelling, style, and word choice. Jeremy Butterfield has judiciously revised the text to reflect the English usage practices and concerns of the 21st century.

Fowler's Concise Dictionary of Modern English Usage

Fowler's Concise Dictionary of Modern English Usage is an invaluable reference work that offers the best advice on English usage. Known in previous editions as the 'Pocket Fowler', this third edition is a descendant of the original 1926 edition of A Dictionary of Modern English Usage by Henry Fowler. Based on the unrivalled evidence and research of the Oxford Languages Programme, the new edition answers your most frequently asked questions about language use. Should you use a split infinitive, or a preposition at the end of a sentence? Is it infer or imply? Who or whom? What are the main differences

between British and American English? Over 4,000 entries offer clear recommendations on issues of grammar, pronunciation, spelling, confusable words, and written style. Real examples are drawn from OUP's vast database of classic and contemporary literary sources, newspapers and magazines, and the Internet. Jeremy Butterfield has judiciously revised the text to reflect the English usage practices and con

A Dictionary of Modern English Usage

This work offers advice on English usage in an accessible quick-reference format. Drawing on the resources of "Oxford's English dictionaries" language monitoring program, it provides clear, practical, and up-to-date guidance on questions of grammar, spelling, style, and word choice. Jeremy Butterfield has revised the text to reflect the usage practices and concerns of the 21st century.

Fowler's Concise Dictionary of Modern English Usage

'What grammarians say should be has perhaps less influence on what shall be than even the more modest of them realize ...' No book had more influence on twentieth-century attitudes to the English language in Britain than Henry Fowler's Dictionary of Modern English Usage. It rapidly became the standard work of reference for the correct use of English in terms of choice of words, grammar, and style. Much loved for his firm opinions, passion, and dry humour, Fowler has stood the test of time and is still considered the best arbiter of good practice. In this new edition of the original Dictionary, David Crystal goes beyond the popular mythology surrounding Fowler's reputation to retrace his method and arrive at a fresh evaluation of his place in the history of linguistic thought. With a wealth of entertaining examples he looks at Fowler's stated principles and the tensions between his prescriptive and descriptive temperaments. He shows that the Dictionary does a great more than make normative recommendations and express private opinion. In addition he offers a modern perspective on some 300 entries, in which he shows how English has changed since the 1920s. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

A Dictionary of Modern English Usage

guide to precise phrases, grammar, and pronunciation can be key; it can even be admired. But beloved? Yet from its first appearance in 1926, Fowler's was just that. Henry Watson Fowler initially aimed his Dictionary of Modern English Usage, as he wrote to his publishers in 1911, at "the half-educated Englishman of literary proclivities who wants to know Can I say so-&-so?" He was of course obsessed with, in Swift's phrase, "proper words in their proper places." But having been a schoolmaster, Fowler knew that liberal doses of style, wit, and caprice would keep his manual off the shelf and in writers' hands. He also felt that description must accompany prescription, and that advocating pedantic "superstitions" and "fetishes" would be to no one's advantage. Adepts will have their favorite inconsequential entries--from burgle to brood, truffle to turgid. Would that we could quote them all, but we can't resist a couple.

A Dictionary of Modern English Usage

Offers guidance on English grammar and discusses the meanings, proper use, and pronunciation of a wide range of words.

A Dictionary of Modern English Usage

This new edition of Oxford's flagship single-volume dictionary brings you the results of the latest research into the real English of today. Oxford is lead partner in the British National Corpus, a massive and constantly expanding hundred-million-word database which allows dictionary editors to sample today's language - newspapers, magazines, books, advertisements, even transcripts of spoken English. With thousands of occurrences of each common word available for instant analysis, lexicographers are able to track the latest trends in, for instance, spelling and hyphenation or disputed usages, with greater accuracy than ever before. This rolling, constantly updated 'opinion poll of language' combined with Oxford's unparalleled world reading programme (we spend more on language research than any other dictionary publisher in the world), ensures that COD9 is the up-to-date reference for today's English.

Bigger and better than ever before, its new features include: * The most up-to-date spellings, with improved coverage of meaning and usage based on a computerized 'snapshot' of today's language * 25% more content than the previous edition * New words, including such items as holiday village, nip and tuck, central locking, ragga, house-sit, Balti, pesto, Cajun, road-pricing, Feynman diagram, supermodel, and slaphead * New, more up-to-date pronunciation system, representing today's received pronunciation * Over 300 new boxed usage notes with guidance on good English * New, clearer etymologies * easier to use with more compounds as main entries

The Concise Oxford Dictionary of Current English

This invaluable reference work offers the best and most sought-after advice on English grammar based on Henry Fowler's original, which is still a classic text after nearly 80 years. Updated with the use of Oxford's unique language databases, it comprises over 4,200 entries giving clear recommendations on grammar, pronunciation, spelling, confusable words, and writing style. DT Advice on how to avoid common pitfalls in English usage, such as the split infinitive, infer or imply, who or whom DT Broad coverage of British and American English, including examples from all over the English-speaking world DT Wide-ranging illustrative quotations from well-known authors, such as Julian Barnes and A. S. Byatt, and international newspapers and journals

The Concise Oxford Dictionary of Current English

This handy guide provides crystal-clear help with writing correctly and appropriately in everyday situations. Arranged alphabetically, the book contains concise entries with guidance on individual words and phrases, and longer entries on broader topics such as overused words, bullet points, and avoiding sexist language.

Pocket Fowler's Modern English Usage

Renowned for its authority and wit, this is the standard work on the correct but natural use of English. Completely revised and expanded, it provides guidance on grammar, syntax and style.

Oxford A-Z of English Usage

A modern English dictionary with all the words, phrases and meanings you need for everyday use with a special reference section covering the key aspects of English grammar.

The New Fowler's Modern English Usage

Facsimile reprint of the 1911 First edition.

Collins English Dictionary and Grammar: Your all-in-one guide to English

Correct English usage as it's never been taught before: lucidly, memorably, and humorously -- for all ages.

The Concise Oxford Dictionary

The Concise Oxford English Dictionary is a world-famous bestseller, chosen by thousands of users for its up-to-date and authoritative coverage of the English language. It contains over 240,000 words, phrases, and definitions, providing meanings for everyday words including scientific and technical vocabulary, as well as English from around the world. This revised edition of the dictionary has been updated with hundreds of new words and phrases drawn from ongoing language research of the Oxford Reading Programme and the Oxford English Corpus. This edition also features a new centre section, with quick-reference word lists (containing, for example, lists of Unusual Words, and Onomatopoeic Words), and a revised and updated English Uncovered supplement, which presents interesting facts about the English language. The revised edition of the Concise Oxford English Dictionary also retains such popular features as the Word Histories and Usage Notes that can be found throughout the A-Z text of the dictionary. This luxury edition includes thumb indexes and a page ribbon to mark your place, and is beautifully presented with printed endpapers and coloured head and tailbands. A convenient reference for the home, office, and school, it is also an ideal gift for friends or family.

A Grammar Book for You and I-- Oops, Me!

New Oxford English Grammar is Oxford's brand new and definitive guide to grammar usage. This book has been written by a leading expert in the field, covers both British and American English, and makes use of the unrivalled language monitoring of Oxford's English Dictionaries programme. Arranged in three clear parts for ease of use, its comprehensive coverage ranges from the very basic to the most complex aspects of grammar, all of which are explained clearly and engagingly. This descriptive source of reference is invaluable for those with an interest in the English language, undergraduate students of all disciplines, and for anyone who would like a clear guide to English grammar and how to use it.

Concise Oxford English Dictionary

The Oxford English Dictionary is the internationally recognized authority on the evolution of the English language from 1150 to the present day. The Dictionary defines over 500,000 words, making it an unsurpassed guide to the meaning, pronunciation, and history of the English language. This new upgrade version of The Oxford English Dictionary Second Edition on CD-ROM offers unparalleled access to the world's most important reference work for the English language. The text of this version has been augmented with the inclusion of the Oxford English Dictionary Additions Series (Volumes 1-3), published in 1993 and 1997, the Bibliography to the Second Edition, and other ancillary material. System requirements: PC with minimum 200 MHz Pentium-class processor; 32 MB RAM (64 MB recommended); 16-speed CD-ROM drive (32-speed recommended); Windows 95, 98, Me, NT, 2000, or XP (Local administrator rights are required to install and open the OED for the first time on a PC running Windows NT 4 and to install and run the OED on Windows 2000 and XP); 1.1 GB hard disk space to run the OED from the CD-ROM and 1.7 GB to install the CD-ROM to the hard disk: SVGA monitor: 800 x 600 pixels: 16-bit (64k, high color) setting recommended. Please note: for the upgrade, installation requires the use of the OED CD-ROM v2.0.

Oxford Modern English Grammar

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Oxford English Dictionary

Delves into the way the English language developed throughout history and the manner in which it is used in the modern day through observations about its commonalities and peculiarities, enhanced with charts, examples, spelling, and idioms.

The King's English

For over seventy years 'Modern English usage' has been the standard work on the correct but natural use of English. Renowned for its authority and wit, Fowler has become a household name in all English speaking countries. This edition, published in 1927, sold over 60,000 copies in its first year and quickly became the benchmark for all points of grammar, syntax and style. Its influence has extended even to the battlefield : Churchill wrote to the Director of Military Intelligence about the plans for the invasion of Normandy, 'Why must you write 'intensive' here? 'Intense' is the right word. You should read Fowler's 'Modern English usage' on the use of the two words. The early reviews attest to its on-going success as a practical and clear arbiter of what is best practice in the written language. It was, and is, heralded as 'brilliant ... comprehensive, thoughtful, thorough ... fresh and pungent ... wise, witty, vigorous, absorbing.' – back cover.

A Dictionary of American-English Usage

The New Oxford Style Manual brings together the new editions of two essential reference works in a single volume. Combining New Hart's Rules with the New Oxford Dictionary for Writers and Editors, this is the definitive guide to the written word. New Hart's Rules, Oxford's definite guide to style, gives authoritative and expert advice on how to prepare copy for publication in print and electronically. Topics covered include how to punctuate and hyphenate accurately, capitalization guidelines, structuring text

coherently, how to use quotations and citations clearly, how to provide accurate references, UK and US usage, and much more. Recent developments in the publishing industry, such as scientific publishing conventions have been included in the up-to-date edition. These guidelines are complemented by the New Oxford Dictionary for Writers and Editors which features 25,000 A to Z entries giving authoritative advice on those words and names which raise questions time and time again because of spelling, capitalization, hyphenation, or cultural and historical context. Entries give full coverage of recommended spellings, variant forms, confusable words, hyphenation, capitalization, foreign and specialist terms, proper names, and abbreviations. The New Oxford Style Manual also includes superb appendices for quick reference including proofreading marks, countries and currencies, and alphabets. Combining these two updated works and drawing on the unrivalled research and expertise of the Oxford Reference and Dictionaries departments, this volume is an essential part of every editor's and writer's toolkit.

Damp Squid

'[a] story so poignant, impossible to forget, and exceedingly well told' Simon Winchester, author of *The Surgeon of Crowthorne*, in his Foreword Henry Watson Fowler was born in Tonbridge, Kent, in 1858. This is the first full biography of a man whose *Modern English Usage* has become a classic text known simply as 'Fowler'. It is based on meticulous research from previously unpublished papers, letters, and material from the Oxford University Press archives, and tells the story of his work on *The King's English* and the Concise and Pocket Oxford Dictionaries, as well as on *Modern English Usage*, and of his collaboration on some of these projects with his brother Frank. Against the descriptions of Fowler's work is set the story of a man whose career began as a schoolmaster, but who moved to London to begin a new life as a writer. Jenny McMorris chronicles the life of a fascinating and colourful figure who, amongst other things, found love and married at the age of 50, and despite his advancing years enlisted during World War I. Written to coincide with the 75th anniversary of the publication of Fowler's *Modern English Usage*, this fascinating account of one of the most influential figures in the history of the development of the English language gives an insight into the man behind the scholar.

The Complete Plain Words

Covers basic grammar, punctuation, spelling, and idiomatic phrases of American English.

A Dictionary of Modern English Usage

A paperback version of the updated edition of Eric Partridge's classic text published by Hamish Hamilton in 1994, examining the use of language in everyday life, and now reflecting the language of the 1990s. First published in 1942.

New Oxford Style Manual

This A-Z provides 1001 words you need to know to make your writing and speaking effective, convincing, and expressive. With clear guidance on choosing the right word, this book is essential for anyone wanting to achieve greater success in written and spoken tasks including essays, interviews, CVs and application letters, reports, and more.

The Warden of English

Searchable database of The concise Oxford dictionary edited by Judy Pearsall. Resource contains 240,000 definition entries for words and phrases in the English language

The Oxford Dictionary of American Usage and Style

This third edition of the *OECD Style Guide* is designed to help draft and organise published material so that readers can easily navigate, understand and access OECD analysis, statistics and information.

Usage and Abusage

This colour edition medical dictionary should be of use both as a home medical guide and as an aid for all those working in the medical and allied professions. Over 10,000 concise entries cover all the major medical and surgical specialties and the dictionary aims to reflect recent medical advances, including

those in genetics, infertility treatment, cancer, imaging techniques, organ transplantation, and the links between BSE and Creutzfeldt-Jakob disease, and there is coverage of new drugs in clinical use.

1001 Words You Need To Know and Use

Provides definitions of words in contemporary use in English-speaking countries throughout the world, with examples of idiomatic uses, guides to irregular forms, notes on grammar and preferred usage, and lists of related terms.

The New Fowler's Modern English Usage

Allen's Dictionary of English Phrases is the most comprehensive survey of this area of the English language ever undertaken. Taking over 6000 phrases, it explains their meaning, explores their development and gives citations that range from the Venerable Bede to Will Self. Crisply and wittily written, the book is packed with memorable and surprising detail, whether showing that 'salad days' comes from Antony and Cleopatra, that 'flavour of the month' originates in 1940s American ice cream marketing, or even that we've been 'calling a spade a spade' since the sixteenth century. Allen's Dictionary of English Phrases is part of the Penguin Reference Library and draws on over 70 years of experience in bringing reliable, useful and clear information to millions of readers around the world – making knowledge everybody's property.

Spoken Word

Is it correct to pronounce "mischievous" as a three-syllable word (miss-chi-vuhss) or a four-syllable word (miss-chee-vi-uhss)? If it is right to use "alumni" as the plural of "alumnus," why is it wrong to use "octopi" as the plural of "octopus"? Should we write "12 am" or "12 a.m."? What is the difference between "principle" and "principal"? Is it "just desserts" or "just deserts"? If you don't know the answer to these questions, if you need a quick and effective guide to correct English, then Oxford A-Z of English Usage is just what you are looking for, containing a gold mine of useful advice on a wide array of common writing and speaking problems. Based on Oxford's world-renowned dictionary research program and packed with vivid examples of real usage (and misusage) from contemporary sources, this guide provides essential information on the kinds of issues writers face every day. Readers will find more than 600 entries arranged in alphabetical order, shedding light on common issues of uncertainty and confusion (affect / effect; compliment / complement; loath / loathe), on questions of punctuation and pronunciation, on grammatical terms, and much more. In addition, there are more than 20 special feature articles on specific topics such as abbreviation, euphemism, hyphenation, and folk etymology (where we learn that though more than half the examples in print use "just desserts," the proper word is "deserts," meaning reward, not "arid land"). With a clear and attractive two-color page design, Oxford A-Z of English Usage gives the reader quick and easy answers to their most common questions, with clear and coherent explanations and sample sentences. It will prove the first port of call for any reader seeking easy-to-understand, reliable help with English usage.

The Concise Oxford Dictionary

A handbook of advice on the proper use of the English language. Includes a section on vogue words that have acquired a power and influence beyond what they originally possessed.

OECD Style Guide Third Edition

The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary

is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.
