I ask, saying the words quickly before I can stop myself, and I can feel my cheeks going scarlet red. I can't believe I just asked him that! A look of surprise flashes across Henry's face, but it switches to a reassuring smile very quickly. He brushes my dark hair out of my eyes. "I think it's be great." He says, his gorgeous green eyes studying me. "Why? Is that something that you like?" "I, well," I stumble on my words. I'm trying hard not to be embarrassed by this conversation, but it's really difficult. "I've never done it before, but I can't stop thinking about it lately. I think it's something I might like. Life is fun when you're the lesbian lovers' boy-toy! ~~~~~ PG Excerpt ~~~~~ ?Hello?? The voice, clear and resonant, echoed through the house. ?Hey, honey!? She walked out of her bedroom and leaned over the bannister, making sure to give Brandon a good look at her breasts, which were barely restrained by the tight, scoop-neck top she was wearing. ?How was school?? Brandon shrugged as she walked down the stairs. ?It was school,? he said with a crooked smile. ?What have you been up to today? Where?s Maureen?? ?She?s meeting with a client,? she replied. She made a face. ?Potential client, at least. I think that after you leave for college, she?s going to try to get some larger customers. The people she has pays the bills, with a little left over,? she commented, looking around at the large, comfortable house. ?With some help from me. But there?s no reason why she shouldn't try to expand a bit. She?s damn smart, Brandon. I hope you appreciate what she?s done for you.? ?I do.? ?I know you do.? She wrapped her arms around him in a hug, savoring the strength of his warm male body, so different from her wife's. I love Maureen,

Brandon, but I'm not sure about the two of us kicking around here all by ourselves. You're only thirty-nine," he said, his breath ruffling her hair. "Maybe you two could adopt. Or or one of those other things. In vitro, or whatever. I wouldn't mind a little brother. Or sister." She snorted, and pulled away slightly. "I like the things which lead to getting children. But I'm not sure how good a mom I would be, kiddo." He frowned down at her. "You did all right with me." "Yeah. But you were three. Can you imagine me trying to potty-train a toddler? I don't have the patience. I'd go nuts." He folded her back in with a low laugh, and she bit back a sigh of pleasure. It was only with the greatest difficulty that she kept herself from reaching down to fondle his manhood. She could sense it, deep inside his jeans. Not hard, not yet. But close. It would take only a push to nudge him over the edge. But how to get him there, dammit? She had worn this outfit solely for the purpose of getting him excited. Her top was low-cut and didn't even reach to her waist. An old shirt which she had kept through many years, it was thin enough that it was practically see-through. And her skirt barely reached the middle of her thighs. Come on, Brandon. Make a move. I'm right here. Her body was hot and flushed, blood pounding at his nearness.
