V&a William Morris Morning Garden Pocket Planner

A Galison pocket planner is handy at the desk, on the go, or even in your laptop bag. Our William Morris Morning Garden planner was created in cooperation with London's Victoria and Albert Museum, which has a comprehensive assortment of William Morris Art and Crafts designs among its collections. This lovely planner features designs from John Henry Dearle's Golden Lily color woodblock print on paper. It was published as a wallpaper sample by Morris & Co. 1880-1917. Flower details and quotations by artists decorate the inside planner pages, and some pages show full-page illustrations of other William Morris patterns. The rose-colored spine text encourages you to "write, plan, create". Have nothing in your home that you do not know to be useful or believe to be beautiful. --William Morris.

Plant a Seed Pocket Planner
