Intro

01 - Start with WHAT IF. Palahniuk asked himself: "What if there was a place you could go and get into a fight as casually as you would go ask someone to dance? What would the rules be for that place?"

02 - Your most embarrassing life experiences can become the most interesting stories. On a camping trip, Palahniuk got into a fight and showed up at work the next day with a "smashed up" face. This is how the idea for Fight Club was born.

03 - Write from your unusual personal experience! Palahniuk actually ATTENDED the support groups for terminally ill people, and he EXPERIENCED THE FEELING: "No matter how shitty and boring my life was, at least I didn't have cancer."

04 - Secret societies are always an INTERESTING theme for the audience. Palahniuk was a member of the Cacophony Society and he used those ideas as the basis for the fictional organization Project Mayhem in Fight Club.

05 - When writing adaptations go through the book with a highlighter and decide which scenes are you going to use. Then you need to change those scenes in a screenplay language which means you can only use EXTERNAL behaviour.

06 - To find the voice of a character try to write "OUTSIDE THE SCRIPT". Write extra scenes with that character that are not going to be in the script. And write a specific interview for the character which will make them come alive.

08 - "Until you get some pushback you don't feel like you're pushing hard enough." If you get a push back from a producer or a studio that you crossed the line with a scene or dialogue it's not a bad thing. It's just proof that you're doing your job.

09 - A great way to TEST YOUR IDEA is to tell it at a party and people will vie for a chance to relate some aspect of their life to it. A great anecdote doesn't leave people speechless; it leaves them competing to tell a better version of your story. That's when you know you have something really BIG.

10 - Think of the themes that are not yet addressed in movies and write about those. The main reason why Fight Club became such a phenomenon was because it was addressing themes like 'rough play', 'secondary father' and other aspects of men's lives and reinvented them from the new perspective.
