Game Development with Ren'Py

Get your feet wet in developing visual novels and take a guided tour through easy to follow tutorials using three of the most popular tools (Ren'Py, TyranoBuilder, and Twine). This book uses a two-pronged approach into the fine art of text-based games, showing you what makes for compelling writing as well as the programming logic and techniques needed to bring your visual novels to life. In this book, you will uncover the rich history of interactive fiction from the bare-bones 1970s games to the audiovisually rich modern output. You will take a detailed look at how to work with some of the most popular and exotic sub-genres and tropes of interactive fiction, such as nakige ("crying game"), dating sims, and horror. Once the stage is set, you will learn to use all-purpose programming logic and techniques in three mini tutorial games and also learn how to deploy your titles to both desktop and mobile platforms. Not solely relegated to the ancient historical period of the 1980s and 1990s, interactive fiction has again become appealing to developers as new tools became available. The visual novel is an increasingly popular and potentially lucrative genre of video game, being deployed for Windows, Mac, iOS, Android, and more. Game Development with Ren'Py reveals how multi-platform tools such as Ren'Py, TyranoBuilder, and Twine are becoming ever more plentiful for creating games in this genre. What You'll Learn Gain a working knowledge of Ren'Py, TyranoBuilder, and Twine Examine the basics of general programming logic Deploy to all available operating systems and platforms Review different approaches to fiction writing in the context of text-based games Who This Book Is For People with no programming experience who are interested in working in the genre of visual novels or interactive fiction.

Ascendance of a Bookworm: Part 2 Volume 4

The long winter comes to an end and vibrant spring returns to Ehrenfest. The temple swirls busily as attempts to control Myne's future escalate and the High Bishop, fueled by hate, shrouds the city in the darkness of his nefarious plots. But Myne just wants everything to stay the same. Her little brother has been born, she's making new books thanks to her progress making ink, and she wants nothing more than to just keep spending more heart-warming time with her family and friends. The world, however, forces her to make a cruel and unbearable decision. To protect those she loves, she must begin walking a new road. Part two of this biblio-fantasy concludes in this heart-wrenching volume! There's a collection of short stories following the shocking climax, as well as two completely original short stories and a four-panel manga drawn by You Shiina.

The Whole Art of Detection

This collection of short mysteries by the international-bestselling author of *Dust and Shadow* “belongs on the top shelf with the very best of Doyle’s” (Nicholas Meyer, author of *The Seven-Per-Cent Solution*). Inspired by Sir Arthur Conan Doyle’s Sherlock Holmes and Dr. John Watson, Edgar Award–finalist Lindsay Faye has masterfully woven these quintessential characters into her own works of fiction—from her acclaimed debut novel, *Dust and Shadow*, to a series of short stories for the Strand Magazine, whose predecessor published the first Sherlock Holmes story in 1892. The best of Faye’s Sherlockian tales, including two new works, are brought together in a collection that spans the character’s career, from self-taught upstart to lauded detective, both before and after he faked his own death over a Swiss waterfall in 1894. In “The Lowther Park Mystery,” the unsociable Holmes is forced to attend a garden party at the request of his politician brother and improvises a bit of theater to foil a conspiracy against the government. “The Adventure of the Thames Tunnel” brings Holmes’s attention to the murder of a jewel thief in the middle of an underground railway passage. With Holmes and Watson encountering all manner of ungrateful relatives, phony psychologists, wronged wives, outright villains, and even a peculiar species of deadly red leech, *The Whole Art of Detection* is a must-read for any fan of historical crime fiction. “If Lindsay Faye’s byline weren’t on the cover, readers might deduce that the Sherlock Holmes mysteries in *The Whole Art of Detection* actually came from Sir Arthur Conan Doyle.” —David Martindale, Fort Worth Star-Telegram

Devil May Cry Volume 1

The world of this first in a series of exciting novels connects to the thrilling smash-hit game, *Devil May Cry*. Rated for teens.

Spidey Vol. 1

Think you know everything about Peter Parker? Think again! Expect action, adventure and hilarity in equal measure as we head back to high school to explore Pete's early days! Modern talent combines with the classic Marvel flavor to present the web-slinging wonder's younger years in truly amazing, spectacular, sensational style. It's a return to the hassles of overdue homework, not knowing how to talk to girls and a never-ending merry-go-round of madness courtesy of the best rogues' gallery in comics, each one more incredible than the last. You'll love watching Spidey tangle with Doctor Octopus and dig Sandman, the walking beach. With these and more faces from Peter's past -both familiar and surprising figures -you'll remember what made Spider-Man the world's greatest hero in the first place! COLLECTING: SPIDEY #1-6.

Danganronpa: The Animation Volume 1

Each year, the elite Hope's Peak Academy selects only the most gifted and talented students to enroll...plus one ordinary student, chosen by lottery. Makoto Naegi was that lucky person--or so he thought! When he shows up for class, he finds the elite students are a bizarre cast of oddballs under the ruthless authority of a robot teddy bear principal, Monokuma. The bear lays down the school rules: the only way out of Hope's Peak is to not only murder another student...but get away with it, as every murder is followed by a tribunal where the surviving students cross-examine each other! Inspired by the Danganronpa videogame series and based on the anime of the same name, the Danganropa manga is a quirky, fun, weird, and dynamic take on the high school Battle Royale genre.

100 Ways to Kill Lois

This series focuses on one of the star characters, and their views on life... however skewed they may be! Want advice from Peter or Stewie? Probably not, but they're going to give it to you anyway! In between these hilarious one-on-one segments are stories rivaled only by the TV show itself.

Swallowing Darkness

I am Meredith, princess of faerie, wielder of the hands of Flesh and Blood, and at long last, I am with child—twins, fathered by my royal guard. Though my uncle, Taranis, King of Light and Illusion, claims that he is the true father since he abducted me from my home, betrayed, and defiled me. And now he has branded my guards as a threat to my unborn children. Bearing an heir has placed me halfway to my aunt's throne, that much closer to my reign over the Unseelie Court—and well ahead of her son, my cousin Cel, in this race. Now I must stay alive to see my children born and claim my place as queen. But not all in faerie are pleased with the news, and conspirators from every court in the realm plot against me and mine. They seek to strip my guards, my lovers, from me by poisoned word or cold steel. But I still have supporters, and even friends, among the goblins and the sluagh, who will stand by me. I am Meredith Nic Essus, and those who would defy and destroy me are destined to pay a terrible price—for I am truly my father's daughter. To protect what is mine, I will sacrifice anything—even if it means waging a great battle against my darkest enemies and making the most momentous decision ever made as princess of faerie.

Don't Call Me Dirty

When a young man takes in an unfortunate vagrant, helping him clean up and get back on his feet, a special relationship begins to blossom between the two unlikely companions.

Danganronpa 2: Goodbye Despair Volume 3

Despair is contagious...and so, it seems, is death! Fed up with the lack of bloodthirst from his captives, Monokuma has infected them with the Despair Disease, which manifests as cowardice in the mighty Owari...gullibility in the worldly Mioda...and dishonesty in the, er...in Komaeda. Afraid that they could commit murder while not in their right mind, the sick students are quarantined, keeping in touch with the "healthy" students by video monitor...only to find that despite all their precautions, the killing hasn't stopped! Danganronpa 2: Goodbye Despair is an alternate version of the events told in the manga Danganronpa 2: Ultimate Luck and Hope and Despair. That series told the story through the eyes of "Ultimate Lucky Student" Nagito Komaeda; now Goodbye Despair gives you the perspective of his arch-rival in the desperate classroom murder game, Hajime Hinata!

The Witness for the Prosecution

When wealthy spinster Emily French is found murdered, suspicion falls on Leonard Vole, the man to whom she hastily bequeathed her riches before she died. Leonard assures the investigators that his wife, Romaine Heilger, can provide them with an alibi. However, when questioned, Romaine informs the police that Vole returned home late that night covered in blood. During the trial, Ms. French's housekeeper, Janet, gives damning evidence against Vole, and, as Romaine's cross-examination begins, her motives come under scrutiny from the courtroom. One question remains, will justice prevail?
