America's History: for the AP® Course

America's History for the AP® Course offers a thematic approach paired with skills-oriented pedagogy to help students succeed in the redesigned AP® U.S. History course. Known for its attention to AP® themes and content, the new edition features a nine part structure that closely aligns with the chronology of the AP® U.S. History course, with every chapter and part ending with AP®-style practice questions. With a wealth of supporting resources, America's History for the AP® Course gives teachers and students the tools they need to master the course and achieve success on the AP® exam.

Henretta's America's History

Using BFW's highly touted LaunchPad to deliver superior content online, this comprehensive APUSH® text is known for its attention to AP® themes and content in a nine-part structure that closely aligns with the chronology of the APUSH® course. America's History, often known simply as Henretta, takes deep dives into historical events and contexts, while examining why and how history unfolded as it did. Henretta boasts a wealth of supporting resources and gives teachers and students the tools they need to master the course and achieve success on the AP® exam. -- Publisher (<https://www.bfw-pub.com/high-school/us/product/Americas-History-for-the-AP-Course/p/131928115X>)

America's History for the AP* Course

America's History offers a thematic approach and skills-oriented pedagogy that helps students succeed in the redesigned AP U.S. History course. Known for its attention to AP themes and content, the new edition features a new nine part structure closely aligned with the chronology of the new AP U.S. History course, an expanded documents program, LearningCurve—an online adaptive learning tool that reinforces students' reading—and a wealth of supporting resources and digital options that give teachers and students the tools they need to master the course and the new exam.

America's History, High School Binding

In order for students to succeed in an AP U.S. history course, they need to understand not only what happened, but also why it happened. America's History has long been praised as a text that helps students to think critically about history and analyze both how and why historical events have occurred. America's History deftly weaves together political, social, and cultural history in a narrative that students find accessible and engaging. Exceptional pedagogical support — overviews, maps, figures, illustrations, and embedded documents — are carefully integrated to encourage the development of students' historical skills. America's History is the text that covers not only the facts, but also the skills that students need to have success in the AP U.S. history course. Need help with the audit? Click here to download an AP correlation.

Annotated Teacher's Edition for America's History, For the AP* Course

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools series of student activity books are an accompaniment all year long. This AP* U.S. History companion is filled with vocab, activities and assignments that follow the Henretta, Hinderaker, Edwards and Self eighth edition for all 31 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as

regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Strive for a 5 for America's History

"America's History helps AP students: Grasp vital themes: The seventh edition emphasizes political culture and political economy to help students understand the ways in which society, culture, politics, and the economy inform one another. Understand periodization: America's History's unique seven-part structure, which organizes history into distinct eras, introduces students to periodization and helps them understand cause and effect, identify historical continuities, and track change over time. Develop the skills they need to succeed: America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves."--Back cover.

America's History

Complete with a robust collection of supporting resources to help you succeed in your AP(R) U.S. History course, America's History: for the AP(R) Course presents relevant themes and content to prepare you for the exam.

America's History, Combined Volume

"America's History helps AP students: Grasp vital themes: The seventh edition emphasizes political culture and political economy to help students understand the ways in which society, culture, politics, and the economy inform one another. Understand periodization: America's History's unique seven-part structure, which organizes history into distinct eras, introduces students to periodization and helps them understand cause and effect, identify historical continuities, and track change over time. Develop the skills they need to succeed: America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves."--Back cover.

America's History: For the Ap(r) Course

"How did that happen?" students wonder about their past. America's History provides a clear explanation. Instructors rely on America's History to help them teach that history matters — this means helping their students understand not only what happened, but also why. For the new, sixth edition, the authors took a hard look at all aspects of their text, considered what worked and what didn't, and crafted a broad revision plan that demonstrates, once again, their unmatched commitment to America's History. The hallmark of the revision is a thorough reconsideration of the post-1945 period that incorporates new scholarship and makes sense of the recent past, but America's History, Sixth Edition offers much more. This includes additional narrative changes in both volumes, a new in-text feature program based on written and visual primary documents in every chapter, and a host of new and improved pedagogic features. With its clear exposition, insightful analysis and in-text sources, America's History, gives instructors and students everything they need.

America's History

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge new scholarship, the seventh edition of America's History is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths — balance, comprehensiveness, and explanatory power — as well as its outstanding visuals and extensive primary-source features, authors James Henretta, Rebecca Edwards, and Robert Self have shaped America's History into the ideal resource for survey classes.

America's History, Combined Volume

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics,

diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

America's History

Known for its interpretive voice, balanced analysis, and brief-yet-comprehensive narrative, America's History, Value Edition helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful. The two-color Value Edition includes the full narrative, the popular nine-part organization, and select images and maps. This new Value Edition introduces a breakthrough in teaching and learning through the addition of LaunchPad, an intuitive e-book and course space with LearningCurve adaptive quizzing. LaunchPad also features all of the contents of the full edition including primary source activities, map and visual activities, adaptive and summative quizzing, and a wealth of optional resources.

U.S. History

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge new scholarship, the seventh edition of America's History is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths — balance, comprehensiveness, and explanatory power — as well as its outstanding visuals and extensive primary-source features, authors James Henretta, Rebecca Edwards, and Robert Self have shaped America's History into the ideal resource for survey classes.

America's History, Value Edition, Volume 2

Brief and affordable, yet careful not to sacrifice elements vital to student learning, America gives students and instructors everything they want — and nothing they don't. The authors' own abridgement preserves the hallmark explanatory power of the parent text, helping students to understand not only what happened but why — so they're never left wondering what's important. A unique seven-part narrative structure highlights the crucial turning points in American history and explores the dynamic forces shaping each period, facilitating students' understanding of continuity and change. The narrative is enriched and reinforced by vibrant full-color art and carefully crafted maps, which provide invaluable tools for student comprehension and enrichment. Two primary-source features in every chapter ensure that students understand historical events as they were viewed nationally and internationally. The result is a brief book that, in addition to being an excellent price, is an excellent value.

America's History, Volume 1: To 1877

Updated for the 2015 AP® US History Redesigned Course revisions. Authored by experienced AP® teachers, workshop leaders, and AP® Exam readers, this document reader is the must-have resource for your redesigned AP® US History classroom. Documenting US History complements your textbook and in class work by helping students cultivate the historical skills they will need to think critically and purposefully. The 22 chapters follow the 9 periods of U.S. History as defined in the new framework. Within each period and chapter, pedagogical tools scaffold students' development of the historical thinking skills central to the course and the exam. Key concepts are illustrated by primary documents and secondary sources including written texts, drawings, photographs, maps, and charts. The units are developed sequentially, beginning with fundamental building blocks to writing historical argument moving toward effective ways of using and organizing evidence and concluding with different ways of approaching historical argument.

Strive for a 5: Henretta's America's History for the Ap(r) Course

"How did that happen?" students wonder about their past. America's History provides a clear explanation. Instructors rely on America's History to help them teach that history matters — this means helping their students understand not only what happened, but also why. For the new, sixth edition, the authors took a hard look at all aspects of their text, considered what worked and what didn't, and crafted a broad revision plan that demonstrates, once again, their unmatched commitment to America's History. The hallmark of the revision is a thorough reconsideration of the post-1945 period that incorporates new scholarship and makes sense of the recent past, but America's History, Sixth Edition offers much more. This includes additional narrative changes in both volumes, a new in-text feature program based on written and visual primary documents in every chapter, and a host of new and improved pedagogic

features. With its clear exposition, insightful analysis and in-text sources, America's History, gives instructors and students everything they need.

America: A Concise History, Volume 2: Since 1865

Strive for a 5: Preparing for the AP® United States History Exam provides a thorough student review of American history with tips for test preparation. Designed to accompany the eight edition of America's History, and written by some of the most respected and experienced AP(r) US History teachers in the country, Strive for a 5, gives students the practice they need to succeed in the redesigned AP® US History course and on the exam.

Documenting United States History

Traces the history of the United States from the arrival of the first Indian people to the present day.

America's History, Volume 2: Since 1865

Known for its clear, insightful analytical narrative and balanced approach, America's History, Concise Edition is a brief, affordable text that brings America's diverse past to life. The Concise Edition features the full narrative of the parent text, select images and maps, built-in primary sources and skills-based pedagogy that gives students practice in thinking historically.

Strive for a 5 for America's History

America's History explains WHY events occurred, not just when. Students are provided an analytical and big-picture approach to American history with a plethora of support tools.

The American Pageant

Aligned to the latest AP standards, American History, AP edition, shows students that history is not just a collection of names and dates, but an ongoing story which teaches us about the present as well as the past! Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling text invites students to think critically about the many forces that continually create the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, a brand new pedagogy program, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story.

America's History: Concise Edition, Combined Volume

The APUSH Pocket Dictionary by Stampede Learning Systems is a concise reference of key historical figures, places, and events you need to know for the AP U.S. History exam. It is a perfect refresher to reinforce the material you learned from class or from our AP U.S. History Exam Prep Guide and Course Reader, just in time for the APUSH exam. Our pocket dictionary is a perfect companion to your textbook and can be used as a study guide as you prepare for tests in class and for the big APUSH exam.

America's History: Concise Edition, Combined Volume

Designed for America's History, Ninth Edition, this two-volume primary source reader offers a chorus of voices from the past carefully selected to enrich the study of U.S. history. Five to six documents per chapter, ranging from speeches and political cartoons by celebrated historical figures to personal letters and diary entries by ordinary people, foster historical thinking skills while putting a human face on America's diverse history. To support the structure of the parent text, unique part document sets at the end of each part present sources that illustrate the major themes of each section. Brief introductions place each document in historical context, and questions for analysis help students practice historical thinking skills and link individual sources to larger themes.

America's History, Value Edition, Combined Volume

Barron's, 5-Steps and the others are great resources for reviewing at the end of the year, but Tamm's Textbook Tools workbooks accompany students all year long. They are filled with assignments that follow the regular text throughout the year, all 40 chapters. They can also be used as reviews. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, diagram every chapter, and think things through with the authors. Find TTT on FB, or click author name at the top of this page for other titles in this series.

American History

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Brinkley, American History, AP Edition

"How did that happen?" students wonder about their past. America's History provides a clear explanation. Instructors rely on America's History to help them teach that history matters — this means helping their students understand not only what happened, but also why. For the new, sixth edition, the authors took a hard look at all aspects of their text, considered what worked and what didn't, and crafted a broad revision plan that demonstrates, once again, their unmatched commitment to America's History. Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor black tobacco farmer who worked the same land as her slave ancestors yet her cells - taken without her knowledge - become one of the most important tools in modern medicine.

APUSH Pocket Dictionary

Known for its interpretive voice and thoughtful analysis, America's History models exactly the kind of thinking and writing students need to be successful. An accessible and balanced narrative with built-in primary sources and skills-based pedagogy gives students practice in thinking historically, and features new ways of mastering the content so that students come to class prepared. Now integrated with LearningCurve—an online adaptive learning tool that reinforces students' reading—and accompanied by a wealth of supporting resources and digital options, including an all-new companion reader, that give teachers and students the tools they need to be successful.

Sources for America's History, Volume 1: To 1877

America's History explains WHY events occurred, not just when. Students are provided an analytical and big-picture approach to American history with a plethora of support tools to help determine what's most important.

America's History: Since 1865

Designed for America's History, Eighth Edition, this two-volume primary-source reader offers a chorus of voices from the past carefully selected to enrich the study of U.S. history. Five to six documents per chapter, ranging from speeches and political cartoons by celebrated historical figures to personal letters and diary entries by ordinary people, foster historical thinking skills while putting a human face

on America's diverse history. To support the structure of the parent text, unique part document sets at the end of each part present sources that illustrate the major themes of each section. Brief introductions place each document in historical context, and questions for analysis help students practice historical thinking skills and link individual sources to larger themes.
