

The Broken Halo

[#broken halo meaning](#) [#fallen angel symbolism](#) [#loss of innocence metaphor](#) [#spiritual decline imagery](#) [#shattered ideals reflection](#)

The Broken Halo represents profound themes of loss, shattered ideals, and the complex journey from grace to imperfection. This powerful image often symbolizes a fallen angel, the loss of innocence, or the shattered purity of a once pristine state, prompting deep reflection on moral and spiritual decline. Explore the evocative meaning behind this phrase and its rich symbolism across literature, art, and personal introspection.

The Broken Notebooks

For almost a thousand years, a prehistoric people living on the Greek islands carved highly stylized sculptures of the female body in marble. The Cycladic figurines, with their folded arms and blank faces, inspired Picasso and Modigliani, but continue to baffle archaeologists. No one knows what they mean or why they were buried with the dead. The Broken Notebooks is the story of one man's search for answers. Moved by their austere beauty, haunted by loss, his journey takes him from museums in London and Athens to looted graves on the hillsides of Greek islands, from meetings with marble workers and archaeologists to solitary encounters with his own past. The Broken Notebooks is a daring, unsettling novel - a montage of fact and fiction, reflections, readings, and voices. It's also a deeply personal meditation on death, failure, loss, and our place in a crumbling world.

The Broken Heart. You Think You Will Die, But You Just Keep Living, Day After Day After Terrible Day

If They Broken Your Innocent Version Upgrade to Monster Version

Searching for even more wild places and new experiences, Dan became determined to explore 'off the map' in Africa. From the mighty Sahara Desert in the north to the dense equatorial jungles of the Congo and the open grasslands of Southern Africa, Dan turned his biggest dream into reality. Over the course of three years Dan's second major expedition spanned fifty-four thousand miles through thirty-five unique African countries. THE ADVENTURE WAS A THOUSAND TIMES BIGGER THAN HE DREAMED POSSIBLE. After exploring the Pan-American Highway from Alaska to Argentina Dan became hooked on the freedom of global overland travel, and he only wanted more. New languages, exotic foods, stunning landscapes and local people with an entirely different outlook became Dan's everyday life. As the months turned into years, through highlights and despair Dan gained a new appreciation for what it truly means to be alive. Viewing our modern world through African eyes gave Dan a new perspective, and he was pulled in by the endless joy, laughter and kindness at every turn. While the landscapes and wildlife are undeniably breathtaking, it is the natural warmth of the African people that is truly unforgettable. All across the continent Dan was welcomed with love and generosity, and now he will never be the same.

A Broken Journey

Reproduction of the original: A Broken Journey by Mary Gaunt

The Broken Journey

The third book in the Aletheia Adventure Series sees the return of Jack Merryweather and Timmy Trial from Book 1. Just before Christmas, Jack and Timmy find themselves in the land of Err, in the middle of a ferocious snowstorm. They are lost and alone, and courageously set out to find their friends who are part of the Christmas mission in the town of Broken. There are many dangers and troubles on their journey, and, at last, they are so fiercely attacked by the Meddlers of Err that they can go no further. But there is a purpose in their strange and broken journey: Jack and Timmy must take one more trek into danger to help someone who is badly broken. They really need rescuing themselves, so how can they rescue the lost? Do the two boys have the faith and courage to battle against the creatures of Err? And will they ever make it to safety in time for Christmas? Through the adventure, this book explores truth from the Bible. This book can be enjoyed on its own - without reading the rest of the series.

A Broken Journey

The new book from this well-loved author Jilly Turners consolation through a difficult wartime childhood is Alec, an evacuee from London. But when Alec is orphaned and sent to Australia, Jilly ends up pregnant at seventeen, with no choice but to give up the baby she loves so much. But does Alec, returned from Australia, hold the key to Jillys future happiness? And will she ever stop grieving for the son she gave away?

Night of the Broken Journey

Olaedo is seventeen years old, tall, black, intelligent, and very beautiful. Her name personifies beauty. While others were created, she was moulded by God Himself on a Sunday when He was most happy and pleased. Born into an affluent family, she is the only daughter. Olaedo's birth brings immense joy to her mother, who bore five sons before her. So when Olaedo arrived, she was a bundle of joy and a jewel of inestimable value. Her beauty is a blessing as well as a distraction. She finds it difficult to walk the streets and constantly receives embarrassing stares from admirers. Fights break out among those seeking her attention. She becomes the legendary tall and beautiful tree that can never hide itself in the forest. It is said that her charm and beauty would make a eunuch renounce his vow of celibacy. As the beautiful Olaedo grows up, and boys will not let her be, she is determined to remain chaste so she can become a nun. But her mother, who missed the opportunity of studying to be a lawyer, insists that her daughter must become a lawyer since she missed the opportunity herself.

Broken Journey

Excerpt from A Broken Journey: Wanderings From the Hoang-Ho to the Island of Saghalien and the Upper Reaches of the Amur River I have to thank my friend Mrs Lang for the drastic criticism which once more has materially helped me to write this book. Other people also have I to thank, but so great was the kindness I received everywhere I can only hope each one will see in this book some token of my sincere gratitude. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Broken Journey

This is the second volume of Kenneth Roy's magisterial trilogy on the history of Scotland since the Second World War. The first volume, *The Invisible Spirit: A Life of Post-War Scotland 1945-75*, was met with immediate acclaim. This new volume brings the story much closer to the present day and traces enthrallingly the social, political and cultural threads which lead directly to the Scotland we live in today. Along the way the author describes the oil boom in Shetland, Scotland's doomed campaign at the World Cup in Argentina, the Orkney child sex abuse scandal, the Lockerbie bombing, the massacre of schoolchildren and a teacher at Dunblane, the cloning of Dolly the sheep, and much more. Kenneth Roy uses his record of events to mount a searing critique of the Scottish body politic of the time and its key personalities and institutions. In sparkling, often very funny prose the country is anatomized in a way which will make uncomfortable reading for many current politicians and public office-holders today. The book culminates in a referendum and the inauguration of the new Scottish parliament. Echoes of present-day aspirations, antagonisms and concerns are all too evident.

A Broken Journey

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

A Broken Journey

A childhood crush who moved away. An adult love that shattered her world. Twenty-seven year old Mackenzie Tillson hasn't been living for quite some time, rather, just existing. Life is passing her by and even with the love of her friends and family she can't quite seem to snap out of the disconnected bubble

she has created around her. Moving day by day as a shell of a person who once knew what it meant to live. Until one day, the boy who first had her heart comes back. With a vengeance...Drew Dean has been apart from the girl he loved all of those years ago for far too long and now that fate has provided them with a second chance, he will make it clear to her that she is, and always has been the one for him. But what Drew discovers in the process, is Mackenzie may just end up being completely unreachable. Is it possible to get through to someone who has no intentions of ever letting anyone in again? Can a person find their way through the darkness and emptiness they've created? For Mackenzie, trudging along in life alone is where she feels she deserves to be. But will she find it in her to fight and break the barrier of the internal distorted view she has of herself? Or will she let everyone and everything slip away? As Mackenzie tries to piece together the remnants of her shattered existence, she inadvertently discovers life, love and loss are one in the same. A hopeful journey to be taken with an ending to fill the emptiness she's carried for too long. *This book contains adult situations and some explicit language.*

A Broken Journey

What happens when a young girl is marked by trauma and abuse? Can a life ever recover from horrific images of the past? Can God take a broken journey and not only bring healing, but use the past to impact the present... for good? These questions and others will be answered in the pages of this book.

Broken Journey

Talks about an attempt on breaking Pole to Pole circumnavigation of world by helicopter.

A Broken Journey

Each time I begin a book of travel I search for the reasons that sent me awandering. Foolishness, for I ought to know by this time the wander fever was born in my blood; it is in the blood of my sister and brothers. We were brought up in an inland town in Victoria, Australia, and the years have seen us roaming all over the world. I do not think any of us has been nearer the North Pole than Petropaulovski, or to the South Pole than Cape Horn—children of a sub-tropical clime, we do not like the cold—but in many countries in between have we wandered. The sailors by virtue of their profession have had the greater opportunities, but the other five have made a very good second best of it, and always there has been among us a very understanding sympathy 'with the desire that is planted in each and all to visit the remote corners of the earth.

The Broken Journey

Each time I begin a book of travel I search for the reasons that sent me awandering. Foolishness, for I ought to know by this time the wander fever was born in my blood; it is in the blood of my sister and brothers. We were brought up in an inland town in Victoria, Australia, and the years have seen us roaming all over the world. I do not think any of us has been nearer the North Pole than Petropaulovski, or to the South Pole than Cape Horn—children of a sub-tropical clime, we do not like the cold—but in many countries in between have we wandered. The sailors by virtue of their profession have had the greater opportunities, but the other five have made a very good second best of it, and always there has been among us a very understanding sympathy 'with the desire that is planted in each and all to visit the remote corners of the earth. Anybody can go on the beaten track. It only requires money to take a railway or steamer ticket, and though we by no means despise comfort—indeed, because we know something of the difficulties that beset the traveller beyond the bounds of civilisation, we appreciate it the more highly—still there is something else beyond comfort in life. Wherein lies the call of the Unknown? To have done something that no one else has done—or only accomplished with difficulty? Where lies the charm? I cannot put it into words—only it is there, the “something calling—beyond the mountains,” the “Come and find me” of Kipling. That voice every one of the Gaunts hears, and we all sympathise when another one goes.

A Broken Journey Illustrated

Ending a Broken Journey

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

The Broken Journey

Journey of the Broken

Includes the plays Broken Journey, Best Man Speech and The Last Valentine A car breaks down in a quiet place in the small hours. Soon a man is dead, a woman traumatised, another man accused. But who really knows what happened? Even the dead man tells a tale. Broken Journey examines the terror and beauty hidden in the mist. The truth hurts for bridegroom Addy, when his downtrodden friend takes revenge on him in his Best Man Speech, and a cruel trick goes seriously wrong for a gang of schoolfriends when they send a mysterious new boy in The Last Valentine.

Broken Journey

Meet Rachel Watson, a troubled woman struggling to rebuild her life after a devastating divorce. Rachel takes the same train to work every day, allowing her a glimpse into the lives of others as she passes by their homes. Among the houses, she becomes fascinated with the seemingly perfect couple living in number 15, Bluestone Lane-Megan and Scott Hipwell. To Rachel, they represent the happiness she lost.

A Broken Journey

Comfort ventured deep into an unknown world when she left Eswatini (formerly Swaziland) in Southern Africa for the United Kingdom in 2004, provoked to break away from non complacency; she was hungry for a fresh start. And, she needed to finally get her life on track after it suddenly, drastically changed when she found herself a young divorcee and going through a series of bad romantic relationships which left her feeling worthless and thinking that she was a failure. She was relieved to have finally pulled it off when she got a visa to the UK but only to be confronted with different realities as she found herself battling poverty, abuse of different types, rejection, trials, loss, and got in a later in life marriage with its blessings and challenges, all which accompany a full life. In her treacherous broken journey, she blew it numerous times but thank God for those undeserved numerous second chances she benefited

from. Inspiring is her life as she navigates from lowest lows to heights she never could have imagined. WHAT HAPPENED?

The Broken Journey

A real life story that happened to a young woman that helped to shape her life for the rest of her life. Love, drama, sexual misappropriations from a little girl barely four and a half years old until the age of adulthood. The tragedy that would happen to her was meant to kill her but she did not die, she made it. She is the individual that has been given the opportunity to write a series of books that reflects the real life drama of what was her life. Pray that someone is healed, helped, set free, delivered and comes back from the hardships of their lives just by reading about the things that happened to me. God Bless.

Broken Journey

With God, it's never too late to be your best you. As the daughter of Zig Ziglar, the motivator's motivator, Julie knew that she needed to be positive-- but spent much of her life as the poster child for "doing life wrong." She tells you how she discovered the path from heartache to redemption, and helps you on your own journey of transformation in order to experience God's grace and forgiveness more profoundly.

A Broken Journey, Illustrated Wanderings from the Hoang-Ho Yo the Island of Saghalien and the Upper Reaches of The Amur River

The Story: 'Love Letters, ' is a medieval tale of a discouraged young woman, enticed into a harrowing quest by passionate love letters written to her by a Prince she has never met. On her journey, she is seduced, abused, beaten and humiliated, leaving her ashamed and convinced that she is not worthy of being loved. A mysterious alphabet, along with the passionate letters she carries, encourage her to persevere in her search to find the Prince that won her heart and changed her life, with his words. This mystical allegory is a love story, written to surreptitiously get young adults to read Psalm 119, the longest chapter in the Bible, and draw them into a deeper love for God with a greater appreciation and knowledge of the scriptures. Overview: Beth has had a relatively normal upbringing. However, the death of her mother, struggles with her father and Beth's longing to be on her own, stimulates the desire to leave home. At that opportune moment, a journal containing love letters arrive, purporting to be written by the Prince, requesting her hand in marriage. Setting out to be with him, her journey takes her through trials and difficulties to find her love. Each of the 22 chapters is named after the 22 letters of the Hebrew alphabet which tells of her struggles and spiritual growth because of them. the response in her words become the words of the psalmist in Psalm 119. The Takeaway: Our culture unfortunately, has become Biblically illiterate. The Bible is the most powerful, widely published, read and cherished book in the history of the world. Psalm 119 is the longest and most fascinating, intriguing and inspirational chapters in the entire Bible. Every single one of its 176 verses extols the power and virtue of God's immutable word. They are divided into 22 sections in an acrostic using each of the 22 letters in the 'Aleph-Bet' of the Hebrew alphabet. Here you can find how to be restored in times of failure; purity when defiled; correction when misguided; truth when you are ignorant; victory when you have been defeated; a song during times of humiliation; hope in times of doubt; a way to find goodness during pain; to be able to return when you are lost; a thankful heart rather than bitterness; a helping hand when you are faint; a heart that soars when you are to be judged; honey to appease your hunger; light for the darkness; a hiding place when you are fearful; a blessing from the one you serve; wonder in a drab world; holiness when you have been polluted; someone to listen when you call; an advocate

when you are condemned; peace in the midst of turmoil; and most of all, a shepherd to lead you into an eternal home. Psalm 119 is telling us that to know the Creator God, you must get to know his Word and you will know Him. Primary Audience: The young adult, 'clean teen' market is one of the fastest growing markets in the reading world. Young women are hungering for stories of genuine faith, powerful hope and sincere love, and hopefully a deeper love for God. Keeping a diary and journaling is a therapeutic healing exercise recommended by Psychiatrists and Counselors. This practice is also being kindled by the desire to record their inner struggles and victories, as well as pouring out their emotions for the one they love. But women of all ages love a good romance. Many also desire to better understand the place of values, the importance of faith and how it can fit into contemporary lives. This story is inspirational on so many levels, it appeals to all ages. The understanding gained from the inclusion of scripture is life transforming for all people of any age. All revenues from this book are being given to ministries who rescue young women from human trafficking.

A Broken Journey

Caroline Chisolm's hard work and determination changed the history of female migration to Australia and ensured better conditions for families on migrant ships and offered them paid work. Eliza Hawkins was a trailblazer, surviving a dangerous journey as the first European woman to cross the Blue Mountains to Bathurst, travelling by horse and cart. Mary Gaunt from Ballarat dared to lead her own expeditions in West Africa and China, travelling from Peking to the edge of the Gobi desert in a mule cart and became a very popular travel writer and novelist. Hilda Rix Nicholas fought for women painters to be taken seriously and held successful exhibitions in France and Britain, before returning to Australia to paint superb images of rural life in the Monaro. Sister Anne Donnell was one of the first nurses to volunteer in World War One. Her letters made her famous, recounting the sufferings of Anzacs in a military hospital on Lemnos, where British administrative bungalows kept the nurses and their patients short of sheets, bandages and drinking water. Nell Tritton from Brisbane became personal assistant and translator to handsome Alexander Kerensky, the reformist Russian Prime Minister who was later deposed by Lenin. As Madame Kerensky she helped him escape assassins sent by Stalin. As the Nazis advanced on Paris Nell used her own money to purchase forged Spanish visas so her husband's Russian-Jewish employees and their families could escape from the invading Nazis. Louise Mack worked in Tuscany and became the world's first female war correspondent in German-occupied Belgium. She wrote a bestselling war memoir and donated her royalties to help Belgian war victims before returning to Sydney, where she married an Anzac veteran. Margaret Ogg and Vida Goldstein were ridiculed when they dared to claim that women were intelligent enough to sit in Parliament. Enid Lyons, mother of twelve, became Australia's first Cabinet Minister, but it took another 50 years for Julia Gillard to become Australia's first female Prime Minister. A lawyer by profession, mother and grandmother, Dame Quentin Bryce blazed a trail for women by becoming Australia's first female Governor-General. After leaving office she returned to her home state of Queensland where she now heads a programme designed to combat domestic violence.

A Broken Journey

Dr Brent's Broken Journey

Broken Rules

Peoples' expectations can make you or break you. Aurora Stone knows what it's like to be raised under heavy expectations. From an early age, her parents' laid the law down and she'd never strayed off the path that they had laid before her. She kept every rule they ever gave her and for every rule she broke, she felt immense guilt whilst her little sister made it her life's mission to break the rules. "Everyone calls me perfect; the perfect daughter, the perfect student, the perfect friend, practically perfect in every way, I might as well be fricking Mary Poppins. I was brought up on a list of rules and I don't remember the last time I broke one..." Don't drink to excess and never get drunk. Don't do drugs, not even just to try it, just don't do it. Don't lie, never cheat on a test. Always be the best, get the best results, be competitive but be generous and gracious. Don't do anything that might put you in danger. Work hard, be selfless. Don't dress inappropriately; only wear skirts that fall below the knee. No piercings and definitely no tattoos. Don't gamble. Do charity work. Go to church, sing in the choir, find yourself a nice Christian boy and settle down, get married, have children, and above all else never ever have sex outside of wedlock. The list of rules seems endless. Aurora decides on a night out with her friends that she wants to break the

rules, so when she sees Landon sat at the bar watching her, she makes a split second decision that might just change her life, one broken rule at a time. When Landon offers to help her break the rules, he doesn't expect her to break his rules too. Aurora Stone knows what it means to keep the rules. She's lived with the expectations of the people around her. The only person whose expectations aren't met? Hers. On the spur of the moment, Aurora decides to break the rules. Only the list seems endless and Aurora is a little overwhelmed by it. When she sees Landon sat at the bar watching her, she makes a split second decision that might just change her life, one broken rule at a time. The list of broken rules quickly exceeds the number of rules they keep as they embark on this whirl wind adventure of control and chaos.

The Broken Rules

Part one: A Dark, Demented, Supernatural Mystery Soap Operetta Comedy Thriller- A Gothic Love Story Musical- "If you want to keep a secret, you must also hide it from yourself." George Orwell, 1984..."But no matter how breathtaking those eyes of his were, and indeed they surely were- anyone could see they were- something- something horrible lurked behind them- a painful, contorted horrible, shaking my soul inside out. -Imre was helping me, Eir O'Casey, the known brainiac, the invisible, the shunned one, the weird estranged loner of the Senior class of Schenectady High school and neighborhood, and Tony Cosentino wasn't happy about him AT ALL- Whatsoever Tony said to you, you had better do it, and fast, or wind up very much like a broken egg, scrambled. He was the leader of the school, the number one Heartthrob, the most popular young man around... until Imre. Strange, it was strange and eerie. Quickly I scanned the hallway. The corridor was echoing empty and blaring quiet. I was alone, and with him... Him, with the Bermuda blue see-thru eyes of his, and- that horrible thing that I sensed lurking behind them. But what could possibly be so horrible about the renowned and illustrious Imre Himmel? That sent me thinking." Startled, Imre stopped in his tracks and flitted his bewildered gaze down to my petite frame, and then looked out remotely, unfocused- "I shan't, - should never tell... or involve you, but I shall," Was his mysterious, soft answer. Wait... did I ask... or did he...' No, Eir, your mind is playing tricks on on you, Tomfoolerey. "No, it isn't- it isn't Tomfoolery," he quickly replied, softly. And so it began... one by one, the peculiar, startling coincidences, the strange recollections and even stranger abilities, and the lurking, hidden danger that started to unfold a deep, dark, despairing secret hidden for ages that involved them all...

The Broken Rule

Book two in River Rule Trilogy. Una survives her first deadly night in the jungle. Wolf tricks her into breaking the sacred rule putting her life in danger. Amidst a web of lies and deceit, can Avi's and Una's bond survive the ultimate betrayal?

Broken Rule

Book One In A Four-Part Complete SeriesExpectations. Rules. Perfection. Aurora's life is dictated by everyone else's rules and expectations. One night, one man changes everything. It's a split second decision that might just change her life, one broken rule at a time. Together Aurora and Landon begin an adventure of rule breaking, undeniable chemistry and hot sex. It's a whirlwind of giving and losing control.Aurora is just out of University, living in London and studying to become a teacher when she meets Landon Peters, the unprofessional, sexy as hell, British billionaire CEO. He's seductive, downright naughty and yet somehow still a perfectly English Gentleman.When shocking secrets are revealed and their lives begin to unravel will this socialite and British Bad Boy be able to put their rules aside or will it all erupt in scandal?More About The Rules SeriesAurora Stone is the daughter of two of London's High Society Elites. Her entire life has been dictated by her parents and she's finally ready to break free from their expectations and rules.A one-night-stand with CEO bad boy and all-round "manwhore" Landon Peters is the perfect place to start.Landon agrees to help her break her rules but with every rule he helps her break, she breaks at least five of his. He doesn't understand how a girl he barely knows could possibly get under his skin when he's managed to keep all the rest at arm's length.His world and the control he usually wields is unravelling and fast. Aurora's ability to make his rules seem completely irrelevant terrifies him. He doesn't do vulnerable and that's exactly what she makes him; weak and completely at her mercy.Can this British bad boy and pretty English socialite build a future together or is what they have really just sex?The Other Books In The Rules SeriesBroken Rules, Enforced Rules, Revised Rules & A Secret MelodyThe Rules Series is the first series in a British Contemporary Romance Saga - Hanleigh's London - and is followed by The History Series.

Broken Rules

The second edition "If you want to keep a secret, you must also hide it from yourself." George Orwell, 1984... Eir, "Heirloom" O'Casey was the female teen oddball of Schenectady, ignored and whispered of, only a shadow, a strange wraith of salient otherworldly sensitivity. Although brilliant and alluringly, athletically beautiful, her odd, antiqued character demeanor and clothed appearance, along with her super-shyness seemed to her to be the cause for the estrangement from her peers...so it strangely seemed. Yet her little forgotten life, her book was far more than just its cover even if no one noticed, and had been that way for so many years...until the mysterious, enigmatic, noble and handsome new student Imre Himmel showed up, changing her little cloistered and invisible existence to one of epic proportions in a mere two weeks time, opening the door to so many supernatural and other hidden treasures she dare not mention. Popular heartthrob Tony Cosentino, the brash leader of the school who had known Eir since kindergarten wasn't too happy about any of it, at all...and vowed to do something about it and Imre if it almost even... killed someone. He had to. Everything was at stake, everything he knew, and didn't know, for far odder, twisted truths lay where he poked and prodded. And so it began... one by one, the peculiar, startling coincidences, the strange recollections and even stranger abilities, and the lurking, hidden danger that started to unfold a deep, dark, despairing secret hidden for ages that involved them all...

The Broken Rule Part One

In their college years, childhood friends Clark, Greg, and Miran create a relationship rule meant to prevent emotional attachment, without spoiling the physical pleasure. After several bad relationships, one of the young men introduces the rule to a close childhood-female friend, not realizing their rule needed stipulations. This story portrays that destiny doesn't always come to fruition in the order that we expect; and that good things can come out of bad situations if you decide to take the right path.

The Broken Rule

A romance novel inspired by the songs of Taylor Swift! *NOW A USA TODAY BESTSELLER* This BookTok sensation is perfect for fans of Jenny Han's *The Summer I Turned Pretty* and Sarah Dessen's *Along for the Ride*. Meredith's family's annual game of assassin at Martha's Vineyard during a summer wedding is the perfect chance to honor her sister's legacy, and finally join the world again. But when she forms an alliance with a cute groomsman, she's at risk of losing both the game ... and her heart. When Meredith Fox lost her sister, Claire, eighteen months ago, she shut everyone out. But this summer she's determined to join the world again. The annual family vacation to Martha's Vineyard seems like the perfect place to reconnect. Her entire extended family is gathering for a big summer wedding, and although Meredith is dateless after being unexpectedly dumped, she's excited to participate in the traditional Fox family game of assassin that will take place during the week of wedding festivities. Claire always loved the game, and Meredith is determined to honor her legacy. But when Meredith forms an assassin alliance with a cute groomsman, she finds herself getting distracted. Meredith tries to focus on the game and win it for her sister, but she can't help falling for him. And as the

week progresses, she realizes she's not only at risk of losing the game, but also her heart. "The feel-good summer read of my dreams!"—Alicia, Goodreads Reviewer "Boy, did it also give me all the summer feels."—Larissa, Goodreads Reviewer "This book is bound to become a favorite of all who love contemporary romance."—Kelly, Goodreads Reviewer "If beachy contemporary romances are your jam, then trust me—you do NOT want to miss this book."—Jessica, Goodreads Reviewer

Popular heartthrob Tony Cosentino, the brash leader of the school who had known Eir since kindergarten wasn't too happy about any of it, at all...and vowed to do something about it and Imre if it almost even... killed someone. He had to. Everything was at stake, everything he knew, and didn't know, for far odder, twisted truths lay where he poked and prodded. And so it began... one by one, the peculiar, startling coincidences, the strange recollections and even stranger abilities, and the lurking, hidden danger that started to unfold a deep, dark, despairing secret hidden for ages that involved them all...

Sardoodledom

Bowdlerized version, which means it's a bit more "clean" in content than the original; Sardoodledom: The Broken Rule, Part one, Volume one; A Modern Teen, Gothic Dystopian Dark Noir, humor Thriller Musical Love Story; This is not your Disney dream, yet fairy tale princes and princesses are paragoned and mentioned; a Soap Operetta of young adult epic proportions gone waywardly wanton. Forgotten and rancidly ridiculed, Eir O'Casey, aka Eirloom, Eirlooney, Triple-A, (always all alone) the top brilliant egghead of the school, a unique, comely female student-athlete, is withdrawn and timid, highly sensitive yet strangely blacklisted by her peers, with only one true friend Tina. She forbears her last senior year in High school in Upstate Schenectady NY along with always known since Kindergarten Scaramouche scoundrel Cagey Coz, Tony Cosentino, the bold, brutish handsome Heartthrob and gang ruler of the school... up. until the Polite, perplexing, princely, dreamboat new student enigma Imre Himmel shows up out of nowhere, turning everyone's world and school days upside down...and to everyone's odd surprise, strikes an intimate, quick rapport with Eir, becoming her staunch ally, to Tony's building, barking fury. Mysterious, uncanny, paranormal incidents and coincidences start to occur between Eir and Imre, sprouting a blooming, passionate love and intense respect for each other, as well as dangerously dastardly individuals from Imre's clandestine past and present suddenly appear, tailing and trying to end it all for him; and Eir's femme fatale arch-enemy rival Tanyia is tantalizingly out to win Imre as her own new conquest, and step all over Eir at all costs. It doesn't end here, this is only the beginning for them all, secrets and sacrifices, envy and esoteric stunners...and a possessed, haunted mansion that may hold the answers to it all...

Sardoodledom

Wynter broke the first rule the first day she met him. Never crush on a pilot. But in her defense, she thought he was a chauffeur. And she had no rule against chauffeurs. Some Rules Begged to Be Broken. Wynter Worthington. Rules were there for a reason. Right? I had no problem following the rules.... Until I met Cooper. Then everything I had believed no longer mattered. Cooper Abrams. I had everything a guy could want. The perfect job. Any girl I wanted. But when I met Wynter Worthington, she became the only girl I wanted. And the only girl I couldn't have. Will Wynter and Cooper break enough rules to get together?

Three Broken Rules

Love doesn't care about rules. Jase Currington's destiny has always been on a distant planet as a member of an elite governing council, but he broke the biggest rule when he fell in love with a forbidden human. His temptation on Earth is now his affliction on Century. Love doesn't care about heartbreak. Kelsey Jackson knew the foreigner was trouble--and that was before he confessed his origin and complicated future. She couldn't convince her heart not to fall in love and chose a summer of passion over regret. Perhaps the best they can do is choose which rules they will live by and which ones they will break.

Broken Rules

It was now almost eight months - eight months since the harrowing and peculiar incidents that had changed Eir's, Tony's, and Imre's lives- a sudden, swift departure for Eir and Tony, just as sudden and bizarre as Imre's had been -, and he, Imre, had been waiting and praying for it all along- and it was going to get even more dangerous and sinister for them all... EIR~ I was now Eirloom O'casey, Angel to be, genuine true person- the icon; the stoic surviving half of someone who had been ripped away, hidden somewhere... where no one could find him, - yet- I knew, - I felt- he was trying, vainly trying but wasn't able to do anything to get back- to me... to anyone. Something morbid and malicious was holding him back, holding him hostage, a sick morbid- I knew it and I fought the festering vile lump of remorse, of the bleeding wound within me every day he was gone because of it. TONY~ "Well, yeah\

Darkened Promise

Part Two of The Broken Rule, Darkened Promise~ It was now almost eight months - eight months since the harrowing and peculiar incidents that had changed Eir's, Tony's, and Imre's lives- a sudden, swift departure for Eir and Tony, just as sudden and bizarre as Imre's had been -, and he, Imre, had been waiting and praying for it all along- and it was going to get even more dangerous and sinister for them all... EIR~ I was now Eirloom O'casey, Angel to be, genuine true person- the icon; the stoic surviving half of someone who had been ripped away, hidden somewhere... where no one could find him, - yet- I knew, - I felt- he was trying, vainly trying but wasn't able to do anything to get back- to me... to anyone. Broken Rules

Third Edition: The Thrilling conclusion to the Broken Rule: It was almost eight months later, after the harrowing, deadly, shocking incident that changed all of their lives in an instant. Resilient Eir stumbles upon a fated cryptic message from the missing, abducted, enigmatic Imre. This leads to an unexpected trip for Eir and Tony, for cagey Tony knew more than she or anyone was aware of ... and has held it only to himself until now, for it all comes spilling forth with another jarring supernatural clue- to figure out just how and where to find Imre, who has secretly been praying they discover what he has left for them before the tangled web of their secret family ensnares them all, and which he is finding more and

more hidden horrid truths. Can they all free themselves from it? Will Eir and Tony be able to find and rescue Imre? Read on to find out...

Darkened Promise

Someone at some point claimed that the love of a good woman could change even the most wayward man. Savannah Honey has put this theory to test more often than she'd care to admit. And what experience has taught her is that it isn't true. Bad boys never change. So she makes a new rule...no more bad boys, period. Hard knocks haven't made Damien hard...they've made him indifferent. But when he gets a second chance at love with the girl who once showed him a kindness in his youth that he never forgot, he can't help but care. Dangerous and forbidden, their attraction is impossible to defend and even harder to resist. But love never reads warning labels and sometimes rules were made to be broken. Broken Rules is a full-length novel.

Broken Rules

Cites successful examples of community-based policing.

Fixing Broken Windows

Historical short mysteries Murder and theft - yes, of course ... But back then the circumstances were entirely different than they are today. Or weren't they? In Cornwall in 1072 the young Caitlin saves her inheritance from the Norman conquerors. In Paris in 1795 the gendarme Michel single-handedly punishes a corrupt baker. In Swabia in 1754 Hildegard, one of the lawless "travelers" provides Christmas dinner. In Lucerne in 1824, the homeless Clara becomes a cue ball of a political intrigue. I have added historical notes to every story.

The Rule Book

"Mama's Rules" is about lessons, love, and rules that are put in place by moms. When Mama's Rules get broken, sometimes children may feel as if they got away with breaking the rules. However, moms have a way of discovering when a rule has been broken. Discover how mama found out about the broken rules of the two sisters.

Mama's Rules

Judiciary is an essential and integral part of a state, and its independence is a prerequisite of a liberal democratic state. Bangladesh, which emerged through a war of independence against the Pakistani in 1971, included democracy as one of the state principles in its constitution in 1972, and the constitution ensured the separation of judiciary from executive, and independence of the judiciary. I had the opportunity and honor to observe this transformation and the hindrances as a participant of the Bangladeshi judiciary since 1974 -- rising from a practitioner at a lower court in the north-eastern district of Sylhet to the highest judicial position of the country, the Chief Justice of the Supreme Court. But, in 2017, after delivering a historic verdict in favor of the independence of judiciary, I was forced to resign and exiled by the current government. The series of unfortunate and unprecedented events, which led to the tension between the executive and judiciary and subsequent improper action against me, began on September 17, 2014 when the Bangladesh Parliament amended the constitution to provide power of impeaching judges to the members of the parliament. The 16th Amendment of the Constitution deleted the provision of removing Judges from office through a highly powerful committee of peers called the Supreme Judicial Council (SJC). The SJC, as stipulated in the constitution, also allowed

the accused to have self-defense. Most importantly, the process was meant to protect the judiciary from being subjected to political vagaries and serving political leaders than the citizens. On May 5, 2016, a special High Court bench declared the amendment illegal and unconstitutional. Soon after the verdict, the MPs blasted judges for nullifying their legislation and began displaying sheer disrespect to the judiciary. However, the state party opted for an appeal which was heard by a seven-member full appellate bench. It was incumbent on me to head the Bench. On July 3, 2017, the bench unanimously rejected the appeal upholding the High Court verdict. The complete text of the unanimous verdict, including the observations, were made public on August 1, 2018. Following the appellate decision, on September 13 the parliament passed a resolution calling for legal steps to nullify the Supreme Court verdict. Prime Minister and other members of her party and ministers blasted me for going against the parliament. Cabinet members including the Law Minister began smearing me alleging misconduct and corruption. While I remained confined at my official residence and lawyers and judges were prevented to visit me, media were told that I am unwell and have sought medical leave. Various ministers said I will go abroad on medical leave. On October 14, 2017, as I had to leave the country, I tried to clear the air in a public statement that I am neither unwell nor am I leaving the country for good. I was hoping that my physical absence combined with Court's regular vacation will allow the situation to calm down and good sense will prevail; that the government will understand that the essence of the Verdict - upholding the independence of judiciary - is beneficial to the nation and the state. Finally, in the face of intimidation and threats to my family and friends by the country's military intelligence agency called the Directorate General of the Defense Forces Intelligence (DGDFI), I submitted resignation from abroad. This book comprises an introduction, highlighting my judicial life, experiences, challenges before the judiciary in Bangladesh, its struggle for independence, sanctity of the legal profession, erosion of values in judicial services, political interference and the state of nascent democracy.

A Broken Dream

They agreed to a road trip designed to break every outdated sex law they could find, making their own rules, no complications, no commitments. But then, every rule is meant to be broken. Shaken by a recent break-up, Aussie lifesaver Xavier West stumbles into the nearest bar only to find Hope, a woman as mysterious as she is beautiful. Their passionate one-night stand is so incredible Xavier can't let it end. He invites her to join him on a sex-fuelled road trip across America. They have only one goal -- to break every outdated sex law they can find, state by state. They promise each other there will be no complications and no commitments, but the longer they travel, the more secrets Xavier discovers Hope is concealing. As her lies unravel, his need to protect her grows stronger, just as Hope's feelings for him multiply each day. When she discovers Xavier is hiding his own dark secrets, it threatens to tear the lovers apart, while behind closed doors, their encounters grow steamier every time they come together. Can they keep their promises to each other, or is every rule meant to be broken?

How a Broken Process Leads to Flawed Regulations

The whole of The Rules Series in one place...Broken Rules Aurora Stone knows what it means to keep the rules. She's lived with the expectations of the people around her. The only person whose expectations aren't met? Hers. On the spur of the moment, Aurora decides to break the rules. Only the list seems endless and Aurora is a little overwhelmed by it. When she sees Landon sat at the bar watching her, she makes a split second decision that might just change her life, one broken rule at a time. The list of broken rules quickly exceeds the number of rules they keep as they embark on this whirlwind adventure of control and chaos. Enforced Rules: When Landon Peters met Aurora Stone everything changed. His world began unravelling and his sense of control seemed lost. Aurora's ability to make his rules seem completely irrelevant terrifies him, especially when he rashly invites her to his parents' house for dinner and he accidentally allows her to see more than he would like. With control out of his reach though he might just push to enforce the rules between himself and Aurora in a desperate attempt to reclaim the control he craves. After all, he told Aurora he would help her break her rules but he hadn't planned on it being at the expense of his own. Revised Rules: Now that Landon and Aurora are together they try to put their rules behind them but it might be easier said than done. Living together so early on in their relationship seemed like a great idea when Aurora first moved in, but a few weeks in they are beginning to realise that they both have flaws. Especially when life gets even more complicated and neither one of them feels in control of what's happening around them. Together, they learn that control is often fleeting but those moments of control can be hot and extremely intense, especially when the person you love is giving you that control, and losing control can be even more exhilarating when you lose it together. What are readers saying? The Rules Series by Hanleigh Bradley is an erotic

journey of two souls who find that rules ARE meant to be broken, but only for the best of reasons, one of them being love. With a touch of humour, scorching heat and often reckless abandon, one may need asbestos gloves and an open mind to follow how quickly these two are dancing in the sheets. The sex is far from vanilla and the romance is definitely chocolate covered strawberries as these two find that someone special through thick and thin. Author Hanleigh in this amazing romance novel, 'The Rules Series' manages to put together all that you want in a book with lovable characters and enchanting plot, moving at a fast spellbinding pace, combined with a writing style that provides vivid pictures of the characters and setting without being overly tedious. Author Hanleigh is a truly gifted writer, who weaves a romantic story that is at once captivating, full of surprise and colourful - with detailed descriptions that serves to fully engage the reader and keep them at the edge of their seats. An excellent teller of tale, author Hanleigh's 'The Rules Series' has a diverse appeal and would be appreciated by a wide range of readers. Highly recommended. Once I started reading The Rules Series, I could hardly stop until I reached the end. It left me turning pages, breathless (many times), and wondering what would happen to the characters and their families. If you want to get in deep with characters and their lives, as if you live in their world, definitely read Broken Rules, Enforced Rules and Revised Rules! This is the first series written by a very British author about very British characters and the writing reflects that. As an American, it was fun to read a book written in a different dialect. Hanleigh's Books: Broken Rules Enforced Rules Revised Rules Repeating History (Coming Soon)

Rules Are Meant To Be Broken

Let go of expectations – they always lead to suffering That's the Fourth Rule of Ten Ex–Buddhist monk, former LAPD detective, and current private investigator Tenzing "Ten" Norbu knows Bill Bohannon as many things: loving husband, devoted father, police administrator, former partner, and best friend. But then an uninvited guest from Bill's past upends the Bohannons' Fourth of July barbecue, revealing in levelheaded Bill the most unexpected behavior—behavior that awkwardly drops Ten in the middle of a crumbling marriage. Ten makes an unexpected move of his own when he agrees to pro bono work for a convicted felon. But it was dope slinger Godfrey Chambers Ten had repeatedly busted during his days on the force, not the reformed and rechristened G-Force who is now asking for Ten's help in claiming money left to him by a kind-hearted benefactor—and contested by the benefactor's self-serving family. Soon Ten's investigations lead him down the darkest corridors of the Internet and halfway around the globe to Sarajevo as he navigates the seedy worlds of human trafficking and personal regret. As his cases intertwine, Ten will rely on the wisdom of the Buddha and his own network of relationships—with super hacker Mike, outrageously idiosyncratic assistant Kim, old monastery friends Yeshe and Lopsang, Serbian cabbie and former policija Petar, and, of course, feline rock Tank—to solve the puzzle -and keep free of his own tangled past. Especially when an old flame returns. The Fourth Rule of Ten, the thrilling fourth book in the Dharma Detective series, proves the only thing better than exceeding expectations is having none at all

The Rules Series

Be mindful, both making and keeping commitments, that they be springboards to liberation, instead of suffering. That's the Fifth Rule of Ten Ten and his fiancée, Julie, excitedly await the arrival of Ten's best friends, Lama Yeshe and Lama Lobsang. Ten's boyhood friends are now the Head Abbots at Tenzing's former monastic home in India. Ten has helped Yeshe and Lobsang organize a fundraising event sponsored by the Los Angeles Buddhist temple where Tenzing first taught years ago, before shedding his robes to attend the police academy. The big feature of the event will be the unveiling of a sacred sand-painted mandala that the monks will construct in the center of the temple. At the premiere, however, a group of hooligans commit an outrageous act that catapults the story into action. To complicate matters, one of the novice lamas—a brilliant protégé of Lobsang's—goes missing. Soon a series of strange crimes beset the city, some physical, some cyber. Each crime is unique, but all are mysteriously interconnected. Ten's attempts to solve those crimes pull him into a dark mirror-world of his sacred Tibetan Buddhist tradition; soon he is engaged in a life-and-death battle with a powerful shadow presence. He joins forces with Yeshe, Lobsang, his ex-partner, Bill, and his hack-tivist buddy, Mike, to track down the Patient Zero of this epidemic of criminal chaos. Finally, he must face the truth: the source of the evil, and the solution, are a lot closer to home than he first thought.

The Fourth Rule of Ten

This is a summary of The Rule of Nobody: Saving America from Dead Laws and Broken Government by Philip K. Howard... Summarized by J.J. Holt

The Fifth Rule of Ten

The secret to good government is a question no one in Washington is asking: "What's the right thing to do?" What's wrong in Washington is deeper than you think. Yes, there's gridlock, polarization, and self-dealing. But hidden underneath is something bigger and more destructive. It's a broken governing system. From that comes wasteful government, rising debt, failing schools, expensive health care, and economic hardship. Rules have replaced leadership in America. Bureaucracy, regulation, and outmoded law tie our hands and confine policy choices. Nobody asks, "What's the right thing to do here?" Instead, they wonder, "What does the rule book say?" There's a fatal flaw in America's governing system—trying to decree correctness through rigid laws will never work. Public paralysis is the inevitable result of the steady accretion of detailed rules. America is now run by dead people—by political leaders from the past who enacted mandatory programs that churn ahead regardless of waste, irrelevance, or new priorities. America needs to radically simplify its operating system and give people—officials and citizens alike—the freedom to be practical. Rules can't accomplish our goals. Only humans can get things done. In The Rule of Nobody Philip K. Howard argues for a return to the framers' vision of public law—setting goals and boundaries, not dictating daily choices. This incendiary book explains how America went wrong and offers a guide for how to liberate human ingenuity to meet the challenges of this century.

The Rule of Nobody: Saving America from Dead Laws and Broken Government by Philip K. Howard... Summarized

Renowned Bible teacher Henrietta Mears had a dream: to make the Bible accessible to everyone. What the Bible Is All About realizes her dream, and that book has become an essential companion for students of the Bible for more than 50 years. What the Bible Is All About for Moms is the second devotional based on Dr. Mears' classic study guide. These 66 readings, one for each book of the Bible, will bring God's Word into the homes and hearts of moms of all ages. Each chapter includes mom-specific excerpts from Henrietta's original text, suggested Scripture reading for daily or weekly study, a devotional reading to connect the day's verses to the everyday lives of mothers, a few ideas about applying God's Word to the reader's life and a suggested thought or question for further reflection. Moms are in the Bible from beginning to end, and now the Bible can be in the hearts and minds of moms!

The Rule of Nobody: Saving America from Dead Laws and Broken Government

Twelve-year-old Catherine just wants a normal life. Which is near impossible when you have a brother with autism and a family that revolves around his disability. She's spent years trying to teach David the rules from a peach is not a funny-looking apple to keep your pants on in public---in order to head off David's embarrassing behaviors. But the summer Catherine meets Jason, a surprising, new sort-of friend, and Kristi, the next-door friend she's always wished for, it's her own shocking behavior that turns everything upside down and forces her to ask: What is normal?

What the Bible is All About for Moms

Lance Grayson, Amber's one love has died. After receiving the startling news of Lance's death, Amber's world has shattered. However, being invited to say her final goodbye to her true love, Amber realizes Lance has one last request for her. Understanding Madeline, the grieving widow, knows of her secret life, Amber believes Lance's final task for her is to aid his family after his departure. As Amber embarks on this new journey, she must rely on Christopher to calm her nagging suspicion that there's something wrong with Lisa. While trying to put aside her bereavement to live with humans, Amber fights with the notion of never loving again. Welcome back to The Chronicles of Amber Harris.

Rules

In this prequel to the popular Tenzing Norbu Mystery series, we meet Ten as a confused 13-year-old boy - before his life as an ex-Buddhist-monk, ex-LAPD-officer, turned private eye. The Broken Rules of Ten invites readers to join Ten as he navigates his first brush with mysticism, mystery, and maybe even murder. Like most teenagers, Ten's life is rife with change and emotional upheaval. In addition to

his newfound fascination with girls and some unexpected bodily sensations, he's been spending less time with his Parisian mother and more time in his Tibetan father's Dharamshala monastery. This, in conjunction with the fact that his best friends, Yeshe and Lobsang, aren't having the same revelations about the world around them, leaves Ten feeling puzzled and isolated. When the brilliant 17-year-old scholar Lama Nawang, already a legend and a star, takes the lonely boy under his wing, Tenzing senses that his luck is about to change - and it does, but not in the way he expects. He becomes entangled in a dark web of intrigue including the theft of a secret teaching, the betrayal of a community's trust, and the mysterious death of a local Indian boy. Tenzing breaks almost every rule in the monastery, along with a young girl's heart, as he struggles to recover the Buddha's sacred text and uncover the real reason behind Lama Nawang's cascading series of seemingly wrong actions.

Broken Rules

Don't do it. Don't contact your ex. Your relationship ended for a reason. reclaim your power through journaling and expressing your love and loss. When you have the urge to reach out to your ex turn to your journal instead.

The Broken Rules of Ten

I have found rock bottom. It's here, moving in with my older brother because I'm too broke to afford to live on my own. It's okay though, because we've always been close and I think I'm going to have fun living with him again. That is until I meet Cooper... Turns out, my brother has very strong opinions on the idea of me dating his best friend and is dead set against it. According to him, Cooper is everything I should stay away from: flirtatious, adventurous, non-committal, and freaking hot. (I added that last part because I feel like you need the whole picture.) My brother is right-I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah-who am I kidding? I'm going for it. The Off Limits Rule is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

The Broken Chase

When American covert operative Chase Fulton finds himself aboard a luxury mega-yacht off the Florida Keys with a dead Russian billionaire on deck and the beautiful SVR officer he loves standing over the body with a bloody knife in her hands, he believes his life could never become more complicated. But he is wrong. A vow to a mentor and beloved friend sends him on a tumultuous quest through the criminal underworld of South Florida to rescue an innocent young woman who represents not only Chase's painful past, but also may be his only hope for psychological survival in the future. After suffering the agony of loss and ultimate betrayal, Chase learns that loyalty is a veil behind which deception, dishonor, and treason often lurk.

The Blind Chase

In the aftermath of a mission on American soil that left covert operative Chase Fulton and his elite team of tier-one operators battle weary, severely injured, and questioning why and how another American team could've become so corrupted, they each find themselves examining what makes them not only willing, but yearning to lick their wounds, pick up their weapons, and return to the battlefield. Believing they may never find the answers they so agonizingly longed for, the team is left more cautious than ever, strengthening the unspoken bond that weaves them so tightly together, until they're barely able to imagine themselves without the remaining members of their team. An outsider burning with the lust to right the horrific wrongs of men he once trusted turns to Chase's team in desperation, but un-ringing the bells of the past proves to be not only impossible, but also potentially catastrophic to the team. Amidst the tumultuous waters of closing the wounds cut by men of greed, dishonor, and treason, Chase is handed a mission he and the team could've never imagined possible. The very freedoms on which the country was founded hangs in the balances of justice with the clock ticking and the team waging war against an invisible enemy on a limitless battlefield. Never before has so much rested in the hands of Chase Fulton and his team, and this time, they're flying blind against an enemy, the likes of which none of them have ever faced before. Feel the tension, taste the desperation, and experience the roar of battle like only Cap Daniels can deliver in this heart-pounding thriller, where the impossible becomes the inevitable.

The Poison Chase

When the enemies of freedom hide beneath a patriot's flag, it's up to American covert operative Chase Fulton to find a way to infiltrate the criminal organization and dismantle it from within. Living inside a lie

built on the foundations of greed, disregard for human life, and murderous intent may prove to be the most challenging assignment of his career. As Chase battles his demons and questions his decisions to drive away a team member, the necessity of unit cohesion drives him to take on a solitary mission in which he'll face enemies so driven by ideology and financial profit that they'll make any deal, bribe any official, and flaunt their wealth in the faces of those who lack the resources to stand against them. From the Wiregrass Region of southern Alabama to the burning deserts of northern Africa and the Middle East, Chase Fulton's determination, endurance, and fortitude are put to the test against foes unlike any he's ever faced in a realm he can scarcely imagine possible. The unthinkable mission promises to test alliances, stretch the bonds of friendship, and leave one of America's finest warriors questioning everything he thought he knew. From the terrifying opening to the ominous conclusion, *The Poison Chase* promises to leave readers on the edge of their seats like never before.

The Poison Chase

When collegiate baseball phenom Chase Fulton suffers a freak injury on the field that shatters his dreams of becoming a Major League catcher, his future looks bleak until he's recruited into quasi-governmental covert operations, where his training as an assassin and covert intelligence operative launches him into a world fraught with danger, intrigue, and unexpected passion. As Chase navigates the Caribbean, he's pursued by a beautiful Russian SVR officer who is trained and prepared to find, interrogate, and kill him if necessary. He learns exactly how deadly the realm of international espionage can be when duty and love collide.

The Opening Chase

After learning that he'd been the target of the most elaborate infiltration scheme by Russian intelligence since the Cold War, American covert operative and assassin, Chase Fulton, vows to coax the mastermind of the complex scheme out of the Kremlin and into the open, where he'll exact his revenge. An unexpected encounter with a mysterious figure who claims to have known Chase's father opens doors into a world Chase isn't prepared to enter. From the high seas of the North Atlantic to the Shenandoah Valley outside Washington D.C., Chase must face the demons of his emotions, as well as the forces of evil determined to destroy him, as he resolves to become more focused, deadlier, and stronger than ever.

The Stronger Chase

A fictional account of the relationship between American statesman Thomas Jefferson and his slave, Sally Hemings.

Sally Hemings

In the thin light of the moon, the woman's limp body hangs from the iron fence amongst the redwoods. Looped over the railings is the little gold locket her mother gave her when she turned sixteen. The picture of the girl inside smiles out at a future she'll never see... As day breaks over the fairground, Detective Katie Scott forces herself to take in another disturbing scene in front of her. A woman, the same age as her, found slumped in the carriage of the Ferris wheel, red lipstick dragged across her lips, her throat cut. Katie doesn't want to believe that the serial killer picking off women across the state has found their way to the small town of Pine Valley, California, but when her team finds a gold engagement ring hanging nearby, it's a terrifying, but undeniable fact. With a twisted killer on her doorstep, Katie knows if she doesn't act fast, she'll find more women left out in the cold like broken dolls. Her team hit dead end after dead end, but only she can see the vital link between the victims: a connection with Katie herself. Katie has spent years pushing traumatic memories of her years in the military far out of reach, but she must confront them now or more innocent women will die. But as the killer circles closer and closer to Katie, what if the only answer is to give him what he wants? There must be another way... Warning - This absolutely unputdownable thriller will keep you up all night! Fans of Lisa Regan, Rachel Caine and Melinda Leigh better hold on tight for a nail-biting rollercoaster ride! Readers love Jennifer Chase: 'THERE WAS NO WAY I WAS PUTTING THIS BOOK DOWN!!!!... I was literally holding my breath... I HAD TO KNOW!!!! As for the explosive ending WOW definitely not what or who I was expecting.' Goodreads reviewer, 5 stars 'Fantastic... had me glued to the pages and I didn't want to put it down... so gripping and suspenseful and wonderfully paced... A brilliant, nail-biting and highly recommended read.' Brianne's Book Reviews, 5 stars

Pretty Broken Dolls

A race against time... and a deadly killer. Chase is an unputdownable thriller of pacey action, suspense and a terrifying killer, from bestselling author Dean Koontz. Perfect for fans of Richard Laymon and Harlan Coben. 'A master storyteller his fast-paced plots are wonderfully fiendish, taking unexpected twists and turns' - San Diego Union-Tribune Ben Chase is a war hero with bitter memories. Vietnam left him with a hard drinking habit, a mental breakdown - and massive guilt. So who will believe him when he swears a psychopath is out to get him? When society is sick, the mad are sane - and persecution is a killer's game... What readers are saying about Chase: 'Great vintage Koontz, tightly plotted, full of twists and well written' 'A good thrilling read that kept me turning the pages to find out what happened next' 'Five stars'

Chase

'A candid, warm, sad, surprisingly funny, raw, brave, bittersweet book.' – MATT HAIG 'Chase the Rainbow is a game-changing book. Poorna Bell's moving account of the pressures on modern men could be a life-saver. This is a brave and bold work that will inspire us all to talk openly and honestly about depression once and for all. Everyone should read this book.' – ARIANNA HUFFINGTON 'I recently devoured this book in a couple of days. It's so beautifully written, honest and beyond thought-provoking. I urge you to delve into its courageously written pages to learn about Poorna Bell's story.' – FEARNE COTTON 'A story of love and loss and a vital contribution to the mental health debate. A great read.' – ALASTAIR CAMPBELL An honest yet uplifting account of a woman's life affected (but not defined) by the suicide of her husband and the deadly paradox of modern-day masculinity. Punk rocker, bird nerd and book lover Rob Bell had a full, happy life. He had a loving wife, a big-bottomed dog named Daisy and a career as a respected science journalist. But beneath the carefully cultivated air of machoism and the need to help other people, he struggled with mental health and a drug addiction that began as a means to self-medicate his illness. In 2015, he ended his life in New Zealand on a winter's night. But what happened? How did a middle-class Catholic boy from the suburbs, who had an ocean of people who loved him, and a brain the size of a planet, end up dying alone by his own hand? How did it get to this point? In the search to find out about the man she loved, and how he arrived at that desperate, dark moment, Poorna Bell, former executive editor and global lifestyle head for HuffPost, went on a journey spanning New Zealand, India and England to discover more about him. Chase the Rainbow is an affecting, poetic, and deeply personal journey which teaches to seek hope and happiness, even in the most tragic of circumstances. Shattering the stigma surrounding depression and suicide, Poorna Bell challenges us talk about what we most fear, and to better understand the personal struggles of those closest to us. 'Forget Nicholas Sparks, Poorna Bell's debut book is a real-life tearjerker like no other. It's a harrowing and intensely emotional account, one that we impel everyone to read.' – VOGUE

Chase the Rainbow

From the #1 New York Times bestselling author of It Happened One Summer and Hook, Line, and Sinker comes a sexy and hilarious rom-com trilogy about three broke and beautiful strangers who share an apartment in NYC... College drop-out Roxy Cumberland moved to New York with dreams of becoming an actress, but her dwindling bank account is quickly putting the kibosh on that fantasy. To make some quick cash, she signs up to perform singing telegrams. Her first customer is a gorgeous, cocky Manhattan trust-funder if she ever laid eyes on one. And what could be more humiliating than singing an ode to his junk, courtesy of his recent one night stand? Maybe the fact that she's dressed in a giant pink bunny costume... After a night out to celebrate winning his last case, lawyer Louis McNally II isn't prepared for the pounding in his head or the rabbit serenading him from the front door. But the sassy wit and sexy voice of the girl behind the mask intrigue him, and one look at her stunning face—followed by a mind-blowing kiss against his doorjamb—leaves Louis wanting more. Roxy doesn't need a spoiled rich guy who's had everything in life handed to him on a Tiffany platter. But there's more to Louis than his sexy surface and he's determined to make Roxy see it...even if it means chasing her all over NYC. "Louis and Roxy are a terrific match from the start. But Bailey is a master at portraying a heroine with a complex core, and Roxy's proud character carries the novel making readers wish she was their roommate, empty bank account be damned." – Washington Post

Chase Me

When American covert operative Chase Fulton is arrested for first-degree murder only minutes after returning from a grueling mission in the frozen wilds of the Russian interior, nothing is what it appears

to be. From deadly gunfights in America's oldest city to abductions on the high seas of the Caribbean, Chase must face a new and deadly enemy and learn to adapt his skill set of international espionage to fight in the filthy trenches of the Miami underworld of organized crime. Encouraged by an aged Southern patriarch whose family tree roots burrow through American history to the War of 1812 and beyond, Chase must blend two-hundred-year-old tradition with modern-day combat tactics to overcome evils unlike any he's ever faced in this spine-tingling tale of danger and intrigue.

The Entangled Chase

A sexy standalone novel from New York Times and international bestselling author Elle Kennedy She's the one girl he shouldn't want . . . Everyone says opposites attract. And they must be right, because there's no logical reason why I'm so drawn to Colin Fitzgerald. I don't usually go for tattoo-covered, video-gaming, hockey-playing nerd-jocks who think I'm flighty and superficial. His narrow view of me is the first strike against him. It doesn't help that he's buddy-buddy with my brother. And that his best friend has a crush on me. And that I just moved in with them. Oh, did I not mention we're roommates? I suppose it doesn't matter. Fitzzy has made it clear he's not interested in me, even though the sparks between us are liable to burn our house down. I'm not the kind of girl who chases after a man, though, and I'm not about to start. I've got my hands full dealing with a new school, a sleazy professor, and an uncertain future. So if my sexy brooding roomie wises up and realizes what he's missing? He knows where to find me. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' Tijan, New York Times bestselling author

The Chase

In the midst of the most disastrous economic climate of Wall Street's history, one executive has weathered the storm more deftly than any other: Jamie Dimon, chairman and CEO of JPMorgan Chase. In 2008, while Dimon's competitors watched their companies crumble, JPMorgan not only survived, it made an astonishing \$5 billion profit. Dimon's continued triumph in the face of an industry-wide meltdown has made him a paragon of finance. In *Last Man Standing*, award-winning journalist Duff McDonald provides an unprecedented and deeply personal look at the extraordinary figure behind JPMorgan's success. Using countless hours of interviews with Dimon and his full circle of friends, family, and colleagues, this definitive biography is by far the most comprehensive portrait of the man known as the Savior of Wall Street. Now, in an updated prologue, McDonald offers insight into the future of Wall Street and how Dimon will overcome the challenge of aggressive new regulation from Washington—and how he plans to continue to thrive as the world's preeminent banker.

Last Man Standing

Now she's playing for her life! With the death of her husband and son, concert pianist Riley Forte's life and career shattered. Her comeback performance bombs, her sponsor pulls out, and she faces the tattered ruins of a once-happy life. When Mt. Rainier erupts, isolating her in a small community stalked by a serial killer, it seems like the end of everything, but it brings a new chance for Riley. If she can evade the clutches of a dedicated killer. In a riveting action story filled with breathtaking suspense, Riley fights to hang on to the one thing she has left—her life, and the one thing she needs to turn it around—redemption. Fans of Jeffery Deaver, Lisa Gardner, and Peter Robinson will be captivated by this page-turner. If you like a gripping, suspenseful tale, grab your copy of *Nocturne in Ashes* and prepare to burn the midnight oil. Watch the trailer on the Joslyn Chase YouTube channel, and for an audio sample of the first five chapters, visit joslynchase.com/audio-samples-full-length-stories/

Nocturne In Ashes

You may think you know how this cancer story goes. The characters: a little boy, a loving family, the team of doctors. The diagnosis: terminal, little hope for a cure. There are two possible outcomes. Will his family be plunged into extreme sorrow or miraculous joy? What if the answer was both? Ellie Poole Ewoldt debuts with a memoir of desperate hope and fierce love; of a family who refused to give up even when they heard the worst possible news for their two-year-old son, Chase. Moment by moment, the Ewoldts faced brain surgery and chemo, spinal taps and transfusions. And yet, the true miracle lay not in the medicine or Chase's prognosis—rather, Chase's life shows us the miracle of hope, even through

the darkest nights. If there is anything he and the Ewoldts have learned, it is that God is always good and will stay at your side through every moment, no matter what it holds. You'll fall in love with Chase through his story and be inspired to help chase away cancer—for this headstrong boy, his fighting friends, and all those in your own life who need hope for whatever tomorrow may bring.

Chase Away Cancer

When American covert operative Chase Fulton finally believes his life has become as close to normal as it will ever be, he finds himself in a magnificent anchorage in The Bahamas with his beautiful new wife on the first night of their honeymoon. But as the sun melts across the western horizon, his dream vacation is thrown into chaos when a mega yacht races into the harbor at full speed, bearing directly on his catamaran. After narrowly surviving the collision, it soon becomes obvious the episode was no accident. In the wreckage lies the body of a beautiful former Russian spy Chase remembers all too well, but the bullet hole at the base of her skull makes it crystal clear she was not a victim of the crash. She was instead an unmistakable warning from the Russians, who have declared that they're gunning for America's newest hero and will stop at nothing to have Chase Fulton's head on the Kremlin's silver platter. From the frozen wilds of the Siberian Coast to the frigid depths of the foreboding Black Sea, Chase must forge out renewed alliances with ghosts from his past to crush the will of the Russian Sluzhba Vneshney Razvedki and save not only his life, but the lives of the ones he loves. Sunken sailboats, nuclear submarines, seaplanes in Siberia, and the return of Anya Burinkova are just the tip of the iceberg in this nonstop thrill ride, guaranteed to keep you on the edge of your seat.

The Angel's Chase

The hardscrabble Chase women - Mary, Hannah, and their mother Diane - have been eking out a living running a tiny seaside motel that has been in the family for generations, inviting trouble into their lives for just as long. Eighteen-year-old Mary Chase is a force of nature: passionate, beautiful, and free-spirited. Her much younger sister, Hannah, whom Mary affectionately calls 'Bunny', is imaginative, her head full of the stories of princesses and adventures that Mary tells to give her a safe emotional place in the middle of their troubled world. But when Diane dies in a car accident, Mary discovers the motel is worth less than the back taxes they owe. With few options, Mary's finely tuned instincts for survival kick in. As the sisters begin a cross-country journey in search of a better life, she will stop at nothing to protect Hannah. But Mary wants to protect herself, too, for the secrets she promised she would never tell - but now may be forced to reveal - hold the weight of unbearable loss. Vivid and suspenseful, *The Sisters Chase* is a whirlwind page-turner about the extreme lengths one family will go to find - and hold onto - love.

The Sisters Chase

December, 2014: In the forbidding waters off Antarctica, Captain Hammarstedt of the *Bob Barker* sets off on a voyage unlike any seen before. Across ten thousand miles of hazardous seas, Hammarstedt's crew will relentlessly pursue the *Thunder* – an infamous illegal fishing ship – for what will become the longest chase in maritime history. Wanted by Interpol, the *Thunder* has for years evaded justice: hunting endangered species and accumulating millions in profits. The authors follow this incredible expedition from the beginning. But even as seasoned journalists, they cannot anticipate what the chase will uncover, as the wake of the *Thunder* leads them on the trail of criminal kingpins, rampant corruption, modern slavery and an international community content to turn a blind eye. Very soon, catching *Thunder* becomes not only a chase but a pursuit of the truth itself – and a symbolic race to preserve the well-being of our planet. A Scandinavian bestseller, *Catching Thunder* is a remarkable true story of courage and perseverance, and a wake-up call to act against the destruction of our environments.

Catching Thunder

Out of Time . . . Out of Options . . . Out of Nowhere When a United States Supreme Court justice is abducted by an international cartel of smugglers, American covert operative Chase Fulton and his team of tier-one operators are ordered to find and rescue the victim, but that's only phase one of the mission that may change the landscape of international diplomacy forever. In a tropical paradise where vacationers see nothing less than perfection in every detail, from The Bahamas to South America, Chase and the team are forced to dive beneath the flawless surface and into the depths of terroristic depravity to unravel a web of unthinkable atrocity and infiltrate and devour an evil like none they've ever faced. When the U.S. military isn't an option, and the FBI is shackled by bureaucracy, only the invisible

forces capable of operating beyond the limits of civility and front-page exposure can crush the tyranny overshadowing the American geopolitical scene and restore order to the highest court. Join the warriors as they once again stare evil in the eye and refuse to blink. Stretching their capabilities and their very souls to limits like never before, five men hold countless lives and the foundations of freedom in their hands. But as they face a fearless enemy with nearly limitless resources, the team must wage a war like no other while racing against the relentless clock and the horrific consequences of failure. From the shallows of the tranquil Caribbean, to the depths of the soul-wrenching unimaginable, let Cap Daniels take you on an adventure you'll never forget and leave you questioning if freedom could stand without men like Chase Fulton and his team.

The Smuggler's Chase

The Werewolf Chase

Life isn't about "finding" fulfillment and success – it's about creating it. Why then has creativity been given a back seat in our culture? No longer. ** A Wall Street Journal, Los Angeles Times and Publishers Weekly Bestseller ** Creativity is a force inside every person that, when unleashed, transforms our lives and delivers vitality to everything we do. Establishing a creative practice is therefore our most valuable and urgent task - as important to our well-being as exercise or nutrition. The good news? Renowned artist, author, and CreativeLive founder, Chase Jarvis, reminds us that creativity isn't a skill—it's a habit available to everyone: beginners and lifelong creators, entrepreneurs to executives, astronauts to zookeepers, and everyone in between. Through small, daily actions we can supercharge our innate creativity and rediscover our personal power in life. Whether your ambition is a creative career, completing a creative project, or simply cultivating a creative mindset, Creative Calling will unlock your potential via Jarvis's memorable "IDEA" system: · Imagine your big dream, whatever you want to create—or become—in this world. · Design a daily practice that supports that dream—and a life of expression and transformation. · Execute on your ambitious plans and make your vision real. · Amplify your impact through a supportive community you'll learn to grow and nurture.

Creative Calling

A USA Today Bestselling Author She never saw it coming. Without even a shiver of suspicion to warn her, art curator Caroline Hammond discovers that her husband is having an affair with a man -- a revelation that forces her to question their entire history together, from their early days as high school sweethearts through their ten years as a happily married couple. In her now upside-down world, Caroline begins envisioning her life without the relationship that has defined it: the loneliness of being an "I" instead of a "we"; the rekindled yet tenuous closeness with her younger sister; and the unexpected -- and potentially disastrous -- attraction she can't get off her mind. Caroline always thought she knew her own love story, but as her husband's other secrets emerge, she must decide whether that story's ending will mean forgiving the man she's loved for half her life, or facing her future without him.

Results May Vary

With what he believes to be the most personal mission of his career behind him, American covert operative Chase Fulton answers a telephone call that will change his life forever. Bonaventure, the antebellum mansion that had been in his mother's family for over two hundred years, is on fire. Could

a priceless heirloom rescued from the fire become the foundation on which the rest of Chase's life is built? The arson investigation points the team in a terrifying and heart-wrenching direction when clues discovered in the carnage leave little doubt as to the arsonist's identity. With trust betrayed and old wounds ripped open, Chase and his team must face impossible odds to wade through the lies and uncover the truth of what really happened at Bonaventure Plantation. As always, things are never as they seem in Chase's world of deception and duty. While battling not only to recover his home, but also to save his own life, he must find a way to answer a whirlwind of questions following the horrific loss of a powerful and trusted ally. From the weathered Outer Banks of North Carolina, to the unforgiving streets of Buenos Aires, the team expands, old enemies reemerge, and alliances are put to the test in this, the twelfth installment of the Chase Fulton Novels series.

The Burning Chase

A giant Indian elephant. A wild journey across America. An enemy who will never stop. Tad and Cissie are on the run with Khush the elephant. Clammy-fingered, steely-eyed Hannibal Jackson will do anything to capture the animal. Maybe even kill . . . Staying ahead means being faster and smarter - but how do you hide an elephant? Especially one with a mind of its own...

The Great Elephant Chase

Politics, Central American cartels, federal fugitives, and three hundred hostages . . . That's just the beginning of Chase Fulton's newest assignment. When an apparent eco-terrorist threatens to decimate the largest oil producer in the western hemisphere, tensions rise, hundreds of human lives are on the line, and fortunes lay in the balance. Chase and his covert ops team must pull off one of the most daring hostage rescue operations ever attempted, and it has to be done without making the evening news. As the drama unfolds, the hostage situation is just the tip of the iceberg as Chase faces the possibility of losing the most important person in his life. Will he find answers to the storm of questions that threatens to rip his life apart, or will he fall prey to a mysterious watcher and a misguided federal officer who stand between him and all he holds dear? From the unforgiving depths of the offshore oil fields in the Gulf of Mexico, to the Desert Southwest where greed meets guilt and evidence battles innocence, this installment of the Chase Fulton Novels series promises to deliver thrills, drama, and intrigue like never before.

The Emerald Chase

The New York Times bestselling author of the Tangled books returns with the third standalone romance in the Legal Briefs series, a collection of sexy novels about first crushes, second chances, and the final verdict of the heart. When Brent Mason looks at Kennedy Randolph, he doesn't see the awkward, sweet girl who grew up next door. He sees a self-assured, stunning woman...who wants to crush the most intimate—and prized—parts of his anatomy beneath the heels of her Louboutins. When Kennedy looks at Brent, all she sees is the selfish, Abercrombie & Fitch catalogue-worthy teenager who humiliated her in high school in order to join the popular crowd. A crowd that made those years a living hell for her. But she's not a lovesick social outcast anymore—she's a Washington, DC, prosecutor with a long winning streak. Brent is the opposing attorney in her next case, and Kennedy thinks it's time to put him through a little hell of his own. But things aren't exactly working out the way she planned. Brent has his sights set on Kennedy, and every fiery exchange only makes him want her more—and makes her wonder if he's as passionate in the bedroom as he is in the courtroom. In the end, they may just find themselves in love...or in contempt of court.

Appealed

If cats get nine lives, Muse burned through eight of hers by the time she met David Peeler. And David made a hash of the one life allotted to him. The pair of them are on the way out. But Muse goes first, and the death of the cat holds the key to a new life for David. If he can prove who murdered her before he shares her fate.

Death of a Muse

When American covert operative Chase Fulton returns home from his most recent mission battling a company providing weapons of war to the highest bidder regardless of their alliances, he finds himself haunted by a cryptic warning from the deputy director of Mossad, Israel's national intelligence

agency."There is someone close to you who is not what you believe them to be."Parallel assignments send Chase and his team into the wilds of the Rocky Mountains on the mission every operator fears he may one day be forced to face. Hunting down a traitor in their midst leaves Chase exploring the depths of his own self-doubt and questioning the loyalty of everyone he desperately longs to trust.As the team is forced to divide itself between seemingly unrelated missions, one by one, the elite tier-one operators come face-to-face with their own worst nightmares and find themselves entangled inside a web of deceit, betrayal, and grave danger.A murderous religious cult, enemies masquerading as allies, and lingering doubts come together, forcing Chase and his team into the most daring rescue mission of their lives. Will they find more than just an innocent victim held captive behind the walls of treachery, and will their rescue efforts restore the team's faith in themselves and each other? Or will it only reveal mighty chasms that can never be closed?With heart-stopping action, intrigue, and stunning settings like only Cap Daniels can deliver, *The Bitter Chase* will leave readers second-guessing everything they believe about Chase Fulton and everyone around him.

The Bitter Chase

When American covert operative Chase Fulton embarks on the most dangerous mission of his life to rescue a team of wounded, abandoned commandos in the mountains of Afghanistan, a new enemy shows his face. This time, the enemy is closer and more sinister than ever before. Just when Chase believes he's most alone, surprising allies and long-forgotten family ties arise and change everything he believes about his world. When his past and present collide to change his future forever, Chase is forced to make decisions about unexpected partnerships that have the power to change the geopolitical landscape of the planet for decades to come. From the battlefields of America's War on Terror to the treacherous and slippery political slopes of our nation's capital, Chase must learn to play old games by new rules in this white-knuckle, non-stop adventure.

The Devil's Chase

Prepare to be swept off your feet by *The Royally Series Collection*—three sexy, swoony, modern royal romances that will capture your heart, and satisfy your desire for a breathtaking happily ever after. *Royally Screwed*—By order of the Queen, Crown Prince Nicholas Pembroke has five months to choose a suitable bride. Then one snowy night, in New York City, he meets spirited and beautiful waitress, Olivia Hammond. Their whirlwind romance makes Nicholas question everything—who he is and who he wants to be—a King...or the man who gets to love Olivia forever. *Royally Matched*—Responsibility has never been Prince Henry Pembroke's strong suit. So when an unexpected heap of it is dropped in his regal lap, he reacts accordingly—by secretly signing up for a reality TV dating show. Henry plans on partying his worries away. What he doesn't plan on...is Lady Sarah Von Titebottom...the quiet, stunning, shy, librarian hiding behind a book. As Henry and Sarah grow closer, old words take on new meanings for the irresponsible royal. Words like Duty, Honor and most of all—Love. *Royally Endowed*—For years, broody royal bodyguard Logan St. James has watched over—and wanted—perfect, perky, beautiful Ellie Hammond, the younger sister of Princess Olivia. But he's bound by loyalty to the crown and, of course, the golden bodyguard rule: Never lose focus, never let them out of your sight, and never, ever fall in love. But Logan and Ellie are about to learn that when it comes to passion and pleasure, rules were definitely made to be broken. *Royally Raised*—This sweetest of short stories focuses on Henry and Sarah, 20 years after the conclusion of *Royally Matched*.

The Royally Series Collection

Award-winning voice actress Cheryl Chase gives life to the globally popular animated character, Angelica Pickles on *Rugrats*. Her debut children's picture book, *That's Coola, Tallulah* is as adorable as it is mischievous. This whimsical, wee tale of true friendship comes to dazzling life in Giulia Iacopini's enchanting illustrations. Ever wonder what your favorite lovey would do if you let them be in charge of playtime? Imagine being the fairiest of fairy princesses, the unicorniest unicorns, or tea party hostesses with the mostesses. Seeing is believing in this carefree romp of freedom and fun, featuring Stella Bella and her lively doll, Tallulah. They are inseparable playmates who get into all sorts of mischief. In the middle of the pair's high jinks, though, Stella Bella's conscience always leads her the right way—until its tea time and the cookie jar gets broken. When Mommy discovers the mess, uh oh, the two are separated. Will Stella Bella and Tallulah ever be able to play together again?

That's Coola, Tallulah!

When the Chinese Ministry of State Security unleashes a bold plan to sink a massive freighter in the Panama Canal as part of an elaborate intelligence gathering operation, American covert operative, Chase Fulton, is called upon to infiltrate the operation and turn the tides against the conspirators. As demanding as the mission appears on the surface, what lies deep beneath the murky waters of the Canal and just beyond the wall of agonizing memories engulfing the city where Chase's family was brutally murdered, are the true demons Chase must overcome. Deadly and mysterious sources offer Chase the answers he's so desperately sought for a decade, but will those answers only lead to deeper, more haunting questions? With his life on the line, his past finally revealed, and shocking deathbed revelations about the true identity of the beautiful Russian spy who haunts his soul, Chase Fulton must prove, once again, that when evil calls, men of honor not only stand to face it, but they rise above it and beat it into submission.

The Unending Chase

Following the death of his beloved mentor, Dr. Robert "Rocket" Richter, American covert operative, Chase Fulton, inherits far more than a life insurance policy. In Richter's belongings, Chase discovers journals that take him back to the final days of World War II and into the skies over Europe, where he learns that his own battles with the demons of his past aren't so different from those of the man he'd admired and loved. The undeniable truths revealed in Richter's final hours send the young American operative on a harrowing, self-imposed mission into the frozen wilds of Northern Europe, and as far as the icy doorstep of the Kremlin, to fulfill unspoken promises, and to save the life of the beautiful Russian spy who almost cost him everything. The treacherous journey finally unveils the mystery of Anya's true identity and brings the two face-to-face in a dramatic reunion that could change both of their lives forever. In the most shocking and unpredictable ending in the Chase Fulton Series so far, Chase's decisions for his future violently collide with his deeds from the past, and leave everything in question.

The Distant Chase

Collecting the work of a poet whom Publishers Weekly called "a major voice in contemporary poetry."

Horses where the Answers Should Have Been

Do you have a terrible memory from your childhood that you can't escape? Maybe you remember it daily, or maybe there is a certain trigger that takes you back to that time and place. Udenka, a boy in Nigeria, thought his painful memories were left in the past. His childhood was difficult; he was small, underfed and struggled to make it through school. Poverty, civil war and death were all trying to block his future. Despite this, he used his humble persistence and intelligence to eventually become a doctor. However, one experience in his past was different than the rest: the bee chase. Read on to share in his journey and uncover how a traumatic sight in Udenka's young life vibrantly comes back to him, even with all else he has overcome in the passing years.

The Bee Chase

One suspicious death. One key to what happened. Innocence and malice, hatched in the same nest, ends in tragedy for one family. Father Tonio Rinaldi helps fold back the layers exposing the rotten egg, standing by to pick up the broken pieces. One girl holds the key to the truth. Can Father Rinaldi guide her into revealing it?

The Broken Bird

Set on the first day of illegal hunting in England, Candida Clark's new novel is a gripping story of jealousy, revenge, class and marriage. An idyllic-seeming gathering of family and friends is blown apart by a husband's jealous rage; false scents lead to bloodshed; love, ultimately - even the memory of love - triumphs, healing the broken-hearted. Featuring the secretly-pregnant Lady Celia, her suspicious husband, a Labour anti-hunting MP, a feckless sister, a gay groom, a former Iraq soldier living in the gatehouse and a dangerous hunt-worker with a romantic grudge, this is stylish English fiction of the most satisfying kind.

The Chase

Fairy Tales, Happily Ever After's, and finding that one man like your father is every little girls dream. Then there are first loves, even at the age of 3 years old. What happens to a little girl when her father is taken so suddenly from her, the little boy who swore to love and protect her never returns, and her mother uses and abuses her? Jaden Smith was that little girl. After her father died when she was 9 years old, she was forced to live the life her mother said she was condemned to live. She had to learn to submit to men or she would pay the price. Her first love never died. As she grew up and she was forced to submit, she reminded herself of his promise. She knew that one day he would keep that promise. How can a man forget his first love and what he promised her? He doesn't. Chase Daniels was 8 years old when he first set eyes on her. He made her a promise, but he was forced to break that promise. Over the years, her memory was forced back, but he never forgot her. He always knew something was missing in his life and it was when a woman betrayed his love and trust that he remembered. As deep as his hurt went and trust was a thing of the past he wanted her, his first love. Follow Jaden and Chase on their path of self-discovery, healing, and finding their Happily Ever After.

Out of the Darkness
