### The Temporary European

Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. *The Temporary European* is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is "Jams Are Fun"—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's "dream job": researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.

### Fodor's Amsterdam

Amsterdam's greatest charm may also be its greatest enigma: how can such a gracious, historical treasure house also multitask as the most offbeat metropolis in the world? From Rembrandts to rock and roll, the city has always been a mesmerizing mix of old and new. Now, as this new edition reveals, Amsterdam and the entire Netherlands is being dramatically revamped for the 21st century by artisanal trendmakers, designers, star chefs, and future-forward architects. Fodor's curated coverage includes the best of the country beyond Amsterdam, including Haarlem, the Hague, Delft, and Rotterdam. Expanded Coverage: The year 2013 will be a banner one for Amsterdam, as two top museums will unveil massive renovations: the Rijksmuseum (home of Rembrandt's Nightwatch) and the Stedelijk (a modern-art collection). New write-ups showcase the city's hip "outlier" neighborhoods: North Amsterdam, the Eastern Drydocks, and the gentrifying De Wallen "Red Light" district. The dining chapter dishes on the burgeoning school of Amsterdam cuisine (turbot on a bed of beetroot and sea nettles, anyone?), and a "Netherlands Today" section focuses on high-profile topics such as the changes for "vice visitors" (laws concerning sex and drugs), contemporary design, and immigration. Illustrated Features: Packed with gorgeous color photos, this new edition will add images of iconic recent Amsterdam buildings, such as the Nemo science center designed by Renzo Piano, the ARCAM center for architecture, and Delugan Meissl's Eye Film Institute, along with new design-centric hotels such as the Conservatorium and the Andaz Amsterdam. A two-page feature presents top Dutch designers. Discerning Recommendations: This edition offers savvy advice and recommendations from local writers to help travelers make the most of their time. Fodor's Choice designates our "best picks," from hotels to nightlife and beyond. "Word of Mouth" quotes provide valuable insights from fellow travelers.

\* Shortlisted for the 2021 Stanford Dolman Travel Book of the Year prize \* A critically-acclaimed Sunday Times, Spectator and Independent Book of 2020 \* Now with colour photography by Michael Turek 'Richly absorbing... An impressive exploration of Siberia's terrifying past.' Guardian 'Evocative and wonderfully original.' Colin Thubron \_\_\_\_\_ Siberia's expansive history is traditionally one of exiles, bitter cold and suffering. Yet there is another tale to tell. Dotted throughout this remote and beautiful landscape are pianos created during the boom years of the nineteenth century. They tell the story of how, ever since entering Russian culture under the influence of Catherine the Great, piano music has run through the country like blood. How these pianos made the journey into this snow-bound wilderness in the first place is remarkable. That they might be capable of making music in such a hostile landscape feels like a miracle. The Lost Pianos of Siberia is an absorbing story about a piano hunt - a quixotic quest through two centuries of Russian history and eight time zones stretching across an eleventh of the world's land surface. It reveals not only an unexpected musical legacy, but profound and brave humanity in the last place on earth you might expect to find it. \_\_\_\_\_ What readers

are saying about The Lost Pianos of Siberia: \*\*\*\*\* 'You know a book's good when, on finishing it, you just want to start again.' \*\*\*\*\* 'Beautifully written, full of compelling anecdotes celebrating Siberia's extraordinary history.' \*\*\*\*\* 'The most unusual and intelligent way to tell a travel story.'
