Looking for Lydia; Looking for God

Looking for Lydia; Looking for God is a memoir. It is a spiritual memoir. It is a confession. It is a family saga and a cameo of life in Norfolk, a southern city after the Civil War. It is the mystery of a nineteenth-century woman, come from Philadelphia to Norfolk, Virginia, the year the War ended, and the story of the mysteries that don't get solved and the questions that don't get answered. It is the study of the Bible that began in the Lydia H. Roper Home, in Norfolk, Virginia, and it has grown outward from there in the most unexpected ways. It is rooted on every page in the concrete details of the Roper Home and in the lives of the family that built and chartered it. It is, finally, a story about growing older for everyone, everywhere. Looking for Lydia is packed with detail. It sifts through layers of the Bible; the post-Civil War South; the lives of the women at the Lydia Roper Home; the lives of the women in the Roper family; the founding of a southern lumber empire by a carpetbagger from Pennsylvania; and, finally, the search for the elusive Lydia Roper. As you read, you will fall in love with a small group of women, in their ninth and tenth decades, as they discover the Bible, each other, and themselves.

Finding God in My Loneliness

Young or old, single or married, male or female—at some point in life, we're all confronted with loneliness. We try to fill the void or change our circumstances so we no longer feel the pain. But what if our pangs of loneliness are meant to point us to something greater? Looking at various aspects of loneliness, Lydia Brownback reminds us of God's power to redeem our loneliness and use it in our lives to draw us to himself. Ultimately, she helps us see that even when we feel misunderstood, forsaken, or abandoned, we're never really alone. God is always with us, and only he can meet all of our needs in Christ Jesus.

This book is what the world needs now, from a voice we need to hear. Sally Mann is the fourth of five generations living and ministering in one East End community, with a PhD and five lifetimes of stories. Her experiences will make you laugh, cry and, if you pay attention, help you see how

much-needed change can happen...Sally brilliantly connects Biblical characters with contemporary people and shows how these individuals have helped shape over 150 years of her family's ministry in one East London neighbourhood.' Ash BarkerExecutive Director Red Letter Christians UKSally and Dave love their community. They have a jealous passion to see it thrive. They have resilience which comes from long-term commitment; knowing their dreams of what God might do will take more than a few years of committed service, but decades, and perhaps generations, to achieve. They seek deep transformation in the places they serve - bringing structural changes like good education, just governance, and improving the health and well-being of all their neighbours. Alongside this they have built lively, inclusive, Christian congregations. We should listen to their story.Steve ChalkeFounder & Leader Oasis GlobalIn all the window dressing around how to fix the church or make it more connected to our massively disruptive times Looking for Lydia changes the conversation. It turns most of our pretensions on their head as it brings us back to the God who radically meets us in the other. A Journey with Christ

Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, "Mum, there were two angels at the gate at night!" Her son was six years old at the time. He held her face and said, "I know the names of the two angels. They are called Angel Gabriel and Angel Michael." The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards. She was amazed! How did they know the names of these two mighty archangels? Instantly, she realized that her son had had a supernatural encounter, together with his five-year-old cousin! This was the beginning of a series of incredible journeys with Jesus Christ. This book records their breathtaking trips to heaven and hell, their conversations with God the Father, their encounters with angels, relatives they met in heaven, and even the twenty-four elders who worship before the Throne of God all day and all night. These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God, heaven is real, and the only way to get there is through Jesus Christ, His Son.

A Woman of Lydia

Remembering your way to restoration If, at this moment in your life the glow has dimmed even in minute measure and you feel the need to upgrade your heart and spirit to the next level or return to a deeper place then this book was written with you in mind. It was birthed during a wonderful but very difficult and painful time in my life, which spurred me into seeking God by taking several life lessons classes at my church on prayer and discipleship. I became fascinated with the enormous connotations and hues found in God's different names. The more I studied the different names of God the closer I felt to him and the more proof I found of His loving interventions in my life. Using poetry, prose and journaling, I hope to help others find the deep peace of God's presence in their own lives. In *A Woman of Lydia*, the reader is encouraged to recall in their hearts and spirit those instances that they have seen the character of God played out in their own lives then write it out in their own words what that memory is and how it has impacted their lives. Hopefully having a tangible reminder of God's grace in hand can be of value to all of us during these trying times. She is employed at The Methodist Hospital in the Texas Medical Center and has been writing for the last 12 years and has published one other non-fiction work "Elegy." She is the mother of five, enjoys her church, traveling and feels especially blessed to be employed in a career that is more ministry than actual work.

Lydia, Woman of Philippi

Smart, strong, and a follower of the Jewish God, Lydia has nonetheless always quietly conformed to the expectations of the wealthy Roman society surrounding her. Even though married off at fifteen to a man she dislikes, she is determined to be a faithful wife. But when her husband is killed some years later, Lydia vows never to remarry and returns to her father's house in Thyatira with her twelve-year-old daughter. There, a new life begins to emerge. // As she is trained in the family dye business, Lydia's shrewd management quickly creates profit, prestige—and envy. At odds with her jealous brother, who is a staunch Roman and can't understand her obsession with the Jewish religion, Lydia finds herself yet again at the mercy of a patriarchal society. Will fleeing to Philippi be enough to protect herself and those under her care? Will she keep her vow to widowhood when a handsome Greek God-fearer turns out to be more than just an employee? And when she meets a strange man named Paul the apostle by the river one Sabbath day, will Lydia have the courage to once more let her life be dramatically changed—this time forever?

Flourish

What Keeps Us from Flourishing? We all long to live out our faith with daily joy, but so often that joy eludes us. Why is that? More often than we realize, it's because we've absorbed messages that curve us in on ourselves. These messages have even crept into the church, disguised as truth. It's time we learn to discern teaching that's toxic from that which is true and pure. *Flourish* equips us with tools to identify the lies that come at us about where to find real life. As we dig deep into what God says in his Word, we will learn to discern the worldly influences that threaten to warp our understanding of what it really means to be a Christian, and emerge with a faith that flourishes—full of the abundant life Jesus promises.

God on the Rocks

Shortlisted for the Man Booker Prize: "So charming a novel that you don't want to give away a single one of the many twists of its plot" (The New York Times). Originally published in Great Britain in 1978, the novel describes Margaret Marsh's coming of age one summer between the world wars. Caught in the backwash of a fervently religious father, a mother bitterly nostalgic for what might have been, the tea and sympathy of some thoroughly secular neighbors and the bawdy jokes of her nanny Lydia, Margaret's world hurtles toward a shattering moment of truth. Drama, tragedy, and a touch of farce lend themselves to Gardam's typically eloquent prose. With subtlety and precision, *God on the Rocks* provides an intimate portrait of the tensions that divide men and women, present and past, and the love and sorrow

that linger throughout. Jane Gardam's reputation in the United States has been greatly enlarged by the critical acclaim and commercial success garnered by her latest novels, *Man in the Wooden Hat* and her masterpiece *Old Filth*. Now, newcomers and fans alike can enjoy the pleasure of the splendid writing that established Gardam's considerable canon some four decades ago. "Gardam is a unique and wonderful writer, mixing no-nonsense presentations of heartbreak, despair, and uncertainty, with equally dry but hilarious bouts of humor, desire, love, friendship, and even happiness, fleeting as that might be." —The Huffington Post "Gardam orchestrates the subtle evolution of character and plot with Olympian omniscience and wry humor." —The Boston Globe "God on the Rocks offers plenty of the wit and humanity that are her trademarks." —The Christian Science Monitor

God's Word on Women

God's Word has many examples of famous women: women that were Queens, Prophets, Business Women, Wives and Mothers. God shows us women of strength and courage but many countries and cultures down through the ages have ignored what God says about women. This book provides valuable history but also application on how God wants women to be fulfilled, complete, even perfect.

Lydia, a Seller of Purple

Lydia: the woman you must know: addresses the issue of the Christian woman's place at home, church and the society through the character study of the New Testament woman Lydia. As the first Christian convert in Europe Lydia showed qualities that was rare in women of her time. She was devoted to God and an independent woman. She managed a business and a household without the support of a man. And put a different face on feminism; but showed that a woman's liberation begins with the fear of God. Lydia, although an immigrant woman did not waver in her beliefs, values and things she held dear from her past. She did not allow her adopted society's view to affect her dreams to be the woman God created her to be. Following her conversion, she hosted the missionaries in her home for the period that they stayed in Philippi and gave an example of what christian hospitality should be. The book sheds light on God's will to use women in Christian ministry as well as God's plan for women and work outside home. It also reaches out to women to strive to live their dreams in reality.

When her orphanage arranges her marriage, she emigrates to England, only to find herself in London during the

World War II bombing. Inspired by family history and supported by extensive research, Lydia's story is a harrowing but ultimately reassuring story of resilience, faith, and survival.

Luke

The Christian community often thinks of purity only as it relates to issues of sexuality, but the term encompasses much more than that. We need to look closely at all it means to be pure as God intended. So what does purity mean? As modern women, how can we follow Paul's command in Colossians to "put to death" impurity? How does purity adorn a godly woman? Lydia Brownback looks to Scripture to answer these questions as she engages an issue faced by all women. The newest in a series of compact devotional books for women, Purity guides us to understand that our hearts are purified as we lean on the purity of Christ and his perfect work for us. These devotionals are a daily reminder to women that putting Christ first takes care of everything else.

I will serve my Lord and Savior Jesus Christ with my whole heart. I will choose to live in love and love will live in me. I will choose to surrender thoughts that violate the will of God for my life. I will obey my

Saviors command and choose to live holy as HE is holy. I will choose to live in the moment where now faith is always activated in my life. I will choose to live in my supernatural living victory through Christ. I will choose to speak the Word of God and expect supernatural results. I will choose to overcome; this is my supernatural outcome. I will stand in the face of adversity and choose to remain victorious. I will not live in mediocrity. I choose to live in my GOD given authority. I will choose to die to my flesh and command my soul to obey the Spirit of God. Lydia, or Conversion; a sacred drama, by a clergy man of the Church of England [W. Pace].

Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is. Thereafter, day after day, we willingly take up our cross and attempt to follow in his footsteps, finding out all too soon that "The Way" is not easy. Some will not understand our belief in the "invisible God." They will consider us fools and secretly despise us for claiming to see what they cannot. While they may be blind to his presence, we see God everywhere, and in everything. Ours is a life-long spiritual journey which tests our strength, courage, faith, and convictions. While it may seem that we are walking alone, we are not. The Lord is always with us. Look around my friends...there are other Believers, each walking at their own pace...some far ahead, while others trail behind. Occasionally, someone comes along who falls into step and walks the long road with us. Know that they have been intentionally sent by God to pick us up when we stumble and fall, get lost, or become discouraged. We need their uplifting prayers, encouragement, and testimonies of faith, to remind us never to give up hope. This book is about my walk with The Lord. However, I believe the sentiments expressed are not mine alone, but universal to Christians everywhere. It is my hope that the words God has given me, will also minister to you as you walk your walk.

The Attributes of God for Kids

An easy-to-carry "pocket book" that steers women away from the world's weak remedies for anxiety and fear and points them to their security in Christ. While fear-provoking headlines fill our days, and struggles with anxiety are a fact in a fallen world, Scripture says fear does not need to be a fact of life for Christians. This little carry-along "pocket book" for women focuses on the Bible's great truths about what lies beneath their fears and the means to overcome them-for those who worry just a little, those who suffer a gnawing, controlling fear or actual panic attacks, and every woman in between. The first

in a series of small, Bible-centered volumes for women, each of which covers a particular struggle, Trust is full of biblical truths and promises that will reassure readers that if they belong to Christ, they have absolutely nothing to fear. On-the-Go Devotionals easily tuck into a purse or gym bag and make great gifts. Each lesson is self-contained, with Scripture and a paragraph or two of teaching that will steer women away from worldly coping techniques, away from themselves and their circumstances, and onto God and their security in Christ.

May Day; or, Anecdotes of Miss Lydia Lively

Edward Hoare, M.A.

Through the years, I have heard many people mention the word Remnant. I even had an idea of what the word meant. But it was not until I was traveling that the Lord spoke to me concerning this word. He said, "Lydia, I have never used an entire church to carry out my perfect plan. I have always used a remnant. You have been looking to the entire church for the help that you need to carry out the Vision that I have given you. That is not how I work. Within every Church, there is always a Remnant of People. Time and again, I have found myself stressed out . . . disappointed because I believed everyone in the Church should feel the same way I do about carrying out God's Vision. I placed my attention on the Church as a whole---not on that special people God had set apart for His perfect plan. The Word that God spoke to me brought revelation and freedom. It was then that the Lord told me to write this book. Get ready for the greatest revelation you will ever experience. Ask God to open your understanding and reveal the unveiled truth about God's Remnant.

Lydia's Life

At first glance, it may seem as though the Bible is populated with the stories of faithful men, courageous men, or nefarious men, men who were either enemies or friends of God. Mostly stories of men. Added to the difficulty of seeing women in the pages of Scripture is the effort it takes to "hear" their voices and understand their stories. The Bible itself was written largely from the male perspective, concentrating on male heroes and villains. (Only the books of Ruth and Esther focus on a woman, and neither one is written from an explicitly female lens.) Women most often become supporting characters. Without thinking about it, we've accepted this point of view, and this unspoken role for women across time. But a second glance reveals the stories of often-unnamed women as living faithfully and courageously for God (as well as some living powerfully and villainously against God). Regardless of whose point of view is reflected in Scripture's stories, women as much as men have contributed to the great narrative of God and humanity. May their grit and tenacity, their dignity and tragedy embolden you and me to live out our faith to the full.
