Children's Books in Print

FINALLY! A graphic book to learn Spanish written specifically to address your foreign language needs. 30 DÍAS Spanish in 30 days is clear, easy, fun and entertaining. It's also different from any other textbook designed to learn Spanish, making it unique and effective. This is a self-paced textbook, containing 30 lessons divided into 8 Chapters. Not unlike a 30-day exercise program, it's up to you to get the final results in 30 days. This book is also ideal for someone who likes to do things at half speed and wants to take longer. One thing is guaranteed: You will learn Spanish! The book is written in a story format; it takes place in León, a city in a Latin American country, where three students from The United States travel to learn Spanish. The three students are: Larry, a bold school teacher and bodybuilder model in his 30's; George, a pleasant, sensible lawyer in his 50's, and his daughter Jane, a 17 yr. old daddy's girl who struggles with learning Spanish. The students have an extraordinary personal teacher named Ms. Díaz. Each chapter contains 4 fully explained lessons; which include object drawings when appropriate, 4 full pages of classroom setting illustrations, 4 vocabularies, 4 quizzes, expressions, a chapter review, a chapter test, and an answer key. In addition, the book has 8 practical stories: graphic, comic-style book drawings in which the three American students explore the city in order to practice each chapter's vocabulary. You will also find a Glossary at the end of the book and so much more! 30 DÍAS makes learning Spanish simple and enjoyable. You're going to be ecstatic to own this amazing thoughtful book as well as to share it with others!
