How Healthcare In America Became a Huge Scam - How Healthcare In America Became a Huge Scam by Shelby Church 32,844 views 1 day ago 30 minutes - 0:00 Healthcare in the US is a scam 1:22 Healthcare in the US is double the cost of other developed nations 3:28 Healthcare ...

Healthcare in the US is a scam

Healthcare in the US is double the cost of other developed nations

Healthcare outcomes are worse in the US

The cost of healthcare in europe (it's way cheaper!)

Why corporations provide healthcare

wait times to see a doctor are still high in the US

Why it's so expensive reason #1

Hospitals have way more pricing power in the US than other countries

Hospitals have inflated administrative costs

Top insurance and hospital execs make millions of dollars

My mom's experience working in medical billing in the 90's
Privatized health insurance = more admin work for doctors
My recent medical bill experience
I'm buying my own medical testing supplies lol
Health insurance "price adjustments" aren't real
Use Fairhealthconsumer.org to see average prices for services
Trying to fight my medical bill: how it's going
People don't have time to be negotiating every bill!
This makes people avoid the doctor (sometimes even the ER!)
It's a scam to doctors and nurses too: the burn out is real!
What we can do: check the reviews of medical centers (and leave your own! with prices!)
Getting medical services in a different country
Document your medical visits yourself
Follow ChristyRPN on tiktok and use her tips
remember private practices are negotiable
Costplusdrugs.org for discounted prescriptions
