The People's Bible: John

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. The Gospel of John tells us the story that is the foundation of the distinctive teaching of Christianity. It provides all the elements necessary to see the full picture of the person and work of Jesus: a human Christ to redeem us, a divine Christ to reveal God's nature, and a powerful, Spirit-filled Christ to help us lead holy lives. This commentary unveils, in today's terminology, the deeply satisfying portrait of Christ painted in the Gospel of John. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

The Jesus Bible NIV Edition [Brown]

'John is a remarkable Gospel, utterly different from the other three. It reflects the unique insights of the man who was closest to Jesus while he was on earth, and is full of concern that we should not just know about what Jesus did, but should also realize who he was. It reflects, too, John's burden the believers in Jesus should not be side-tracked by erroneous teaching, whether concerning Jesus' identity or the veracity of his claims. He wanted believers to be absolutely sure that eyewitnesses, Jesus' own words and his astonishing works all point to one who was truly God come in the flesh, the living Word, the very glory of God among humanity. John's collected evidence and proof all make the most compelling testimony to Jesus' right to demand our on-going trust and obedience.'

ESV Study Bible

This is the original 1611 King James Bible version, which has its 400th Year Anniversary this year - The Bible World Press. "The Christian Bible is divided into two parts. The first is called the Old Testament, containing the (minimum) 39 books of Hebrew Scripture, and the second portion is called the New Testament, containing a set of 27 books. The first four books of the New Testament form the Canonical gospels which recount the life of Jesus and are central to the Christian faith. Christian Bibles include the books of the Hebrew Bible, but arranged in a different order: Jewish Scripture ends with the people of Israel restored to Jerusalem and the temple, whereas the Christian arrangement ends with the book of the prophet Malachi. The oldest surviving Christian Bibles are Greek manuscripts from the 4th century; the oldest complete Jewish Bible is a Greek translation, also dating to the 4th century. The oldest complete manuscripts of the Hebrew Bible (the Masoretic text) date from the Middle Ages" - Wikipedia
