Day Hikes in Yosemite National Park

Includes 55 hikes in this incredible park, which lies within the Sierra Nevada Range in central California. Hikes in the park range from quiet paths through giant sequoia groves to fairly strenuous climbs up Yosemite's chiseled gorges.

One Best Hike: Yosemite's Half Dome

This is the only guide for hiking to the top of Half Dome - the signature landmark of Yosemite National Park, CA. It provides a history of the original Indian inhabitants of the area. The unique geological formations are explained. The focus of the book is to provide information on safe hiking practices to complete this extremely strenuous hike of 16-miles round trip that is climaxed by a harrowing 400 foot vertical ascent to the top of the 8,842 foot high granite monolith with the aid of a pair of steel cable banisters set at 45 degrees incline. Included is an extensive trail description with photos and narration of 16 points of interest. The author has completed this hike over 30 times and is a recognized expert source of information about the hike. This is not a topographic map intensive guide; rather it tells historical vignettes to interpret the hike so readers identify with events of the mid 1800's. He relates the story of the interaction of the Miwok and Mono Paiute Indians with the hordes of white invaders during California's Gold Rush. The reader is aware of how Yosemite developed after the white man's "discovery." The explanation of how odd geologic formations arose from ancient magma flows provides the reader with an understanding of what happened to the "missing part" of Half Dome. The full day hike up to the top of Half Dome is one of the most popular in the country. It is not easy. The book prepares the reader for the adventure with an extensive discussion of the equipment required, the training needed and a detailed "walk through" of the entire trail. Photographs and descriptions of salient features take the apprehension out of doing the hike. Sections with descriptions of 16-Points of Interest - waterfalls, historical areas, flora and fauna, drinking water sources and the actual cables provide readers with

the "real deal" information to safely prepare for and complete this "bucket list" Adventure. Readers are given specific information on the gear needed. This includes a boots/foot care, use of hiking poles and a summary of water filter usage clothing selection and food suggestions.

Best Easy Day Hikes Yosemite National Park

Best Easy Day Hikes Yosemite National Park is a perfect guidebook for those who want to sample the best of Yosemite within an easy day's walk, from the world-famous domes and waterfalls of Yosemite Valley to the more remote, less well known, but equally spectacular corners of the park. From a short stroll to an extended ramble, this book is for hikers of almost every ability, age, and interest. This guidebook will tell you when to go, where to hike, and where to find the best photos, flowers, and wildlife watching.

Yosemite National Park

The Essential Guide for Hikers, Backpackers, and Equestrians Yosemite National Park is a hiker's paradise. Many people return time and again to experience its multifaceted landscapes. With 800-plus miles of maintained trails and several hundred more just beyond the park's boundaries, the options for exploration are endless. It would take years to visit every corner of the park—yet each trail yields new wonders to admire. Fortunately, expert hiker Elizabeth Wenk helps you choose where to go and what to see in this meticulously updated guidebook. Yosemite National Park describes almost every trail in Yosemite and most of the trails just outside the park. The routes are divided into 96 trips of varying length and difficulty, each with a standalone map that complements the author's trip description. Take in the stunning views of the Pothole Dome hike in less than an hour. Plan a family backpacking trip along the remarkably flat Twenty Lakes Basin. Enjoy endless views of El Capitan on the Valley Loops Trail. Discover granite slabs, subalpine lakes, rugged peaks, and endless flowers on the Clark Range Circuit. This classic book leads you to sequoias, waterfalls, and canyons in Yosemite and the surrounding Emigrant, Hoover, and Ansel Adams wilderness areas. In this book you'll find 96 routes along popular and less-frequented trails Detailed trip narratives that let you know what to expect At-a-glance icons highlighting the best spots for views, camping, swimming, and more Comprehensive information on lodging, permits, and other park activities Descriptions of the region's history, geology, flora, and fauna **BONUS:** This guide comes with the Yosemite National Park and Vicinity Topographic Map—a separate, foldout, full-color map that shows roads, campgrounds, restricted areas, and all major trails in the park and its surroundings. If you're planning a visit to Yosemite, you must have this book!

Top Trails: Yosemite

Jeffrey Schaffer has selected 46 "must-do" Yosemite hikes. Whether you're looking for a scenic stroll, a full-day adventure, or even a spectacular backpacking trip, you'll find it here. And with at-a-glance information for each hike, visitors can determine which hikes are most suitable to their skills, schedules, and preferences. Books in the affordable and easy-to-use Top Trails series feature elevation profiles, detailed maps, driving directions, and "don't get lost" trail milestones. Innovative trail-feature charts give information on which trails are child-friendly; which allow horses; where to see giant sequoias, waterfalls, lakes, wildflowers, and autumn colors; which trips have the best photo opportunities; and which have camping, running, or biking opportunities.

Hiking Yosemite National Park

Four million outdoor adventurers visit California's Yosemite National Park each year, drawn to the park's spectacular scenery, vast swaths of wilderness, and extensive trail system. Yosemite Adventures offers a unique approach to exploring the park by presenting the area as a varied, year-round playground appropriate for recreationists of all abilities and interests. In addition to hiking and backpacking trips, readers will enjoy descriptions of skiing, snowshoeing, rock/mountain climbing, and fishing outings. Each of the 50-plus adventures—which have all been completed by the author—include photographs; detailed maps; elevation profiles; and a wealth of insider tips about recommended gear, permits, food, and campsites for a successful outing. The book promises to be a must-have resource for Yosemite's vast legion of avid outdoor recreation enthusiasts.

Yosemite Adventures

This best-selling guide, intended for those who are looking for moderately easy hikes in Yosemite is now in a much smaller and compact size. It describes twenty different trips and provides information on distance, route, time required, and sights to see for each with trail charts and maps included.

Easy Day Hikes in Yosemite

* A collection of 100 of the Yosemite area's best hikes * 110 color photographs and 102 color maps* Includes popular trails located outside the boundaries of Yosemite National Park* Winner of the National Outdoor Book Award for best "Adventure Guidebook" Yosemite National Park is a hiking destination know world round and this guidebook provides directions to the best trails Yosemite has to offer. Virtually all the hikes in this book are readily accessible from major arterials, and there are explicit trailhead directions for each hike. The hikes in 100 Hikes in Yosemite National Park are divided into eight geographical regions. The regions approximate a counterclockwise loop, starting from the southeast and finishing in the southwest. Each hiking chapter is broken up in three basic parts: the information block, which helps you size up the hike by telling you how to get there and what to expect; the opening, which gives you a feel for what the hike is like; and the body, which describes the landmarks and trails, providing a blow-by-blow account of the actual hike, preceded by trailhead directions. You'll learn where the tough spots are on the trail, how much shade is available, and the locations of important Yosemite landmarks and special scenes you won't want to miss. Roughly a third of the hikes in this book are located just outside the park boundaries, and about half of those lead into the Yosemite National Park. A handy trail index helps hikers choose from trails ranging in difficulty from "cakewalk to butt-kicker." With extensive facts about plants, wildlife, and geological features as well as local history, each hike in this guidebook is loaded with outdoor entertainment and information.

100 Hikes in Yosemite National Park

This fully revised and updated guide to hiking in Yosemite National Park will help readers choose and plan a day hike or backpacking trip best suited to their time, energy, experience, and personal preferences. There are fifty-nine classic day hikes and overnight backpacking trips meticulously prepared by backcountry guide Suzanne Swedo.

Hiking Yosemite National Park

With this book in hand, hikers can spend their days wandering in wildflower meadows, hiking to cragged peaks, or swimming in cobalt-blue lakes in the Sierra Nevada, and then settle into a deck chair at sunset to enjoy the alpenglow. Hot Showers, Soft Beds, & Dayhikes in the Sierra describes 112 carefully chosen dayhikes in Yosemite, Sequoia and Kings Canyon national parks, John Muir, Ansel Adams,

Desolation, and Emigrant wilderness areas, and more. Many hikes have easy-through-strenuous options, and every hike listed is in close proximity to one or more quality accommodations (over 80 cabins, B&Bs, motels, lodges, guest ranches, and resorts are described).

Hot Showers, Soft Beds, and Dayhikes in the Sierra

Twenty hikes in California. Hikes varying from half-hour strolls to full-day adventures, this guidebook is for everyone, including families.

Hiking Yosemite National Park, 2nd

Explore granite domes, thundering waterfalls, and towering trees: Moon Yosemite, Sequoia & Kings Canyon reveals the best of these stunning national parks. Inside you'll find: Flexible Itineraries: Unique and adventure-packed ideas for day hikers, winter visitors, families with kids, campers, and more The Best Hikes in Each Park: Detailed hike descriptions, individual trail maps, mileage and elevation gains, and backpacking options Experience the Outdoors: Ride the open-air tram through Yosemite Valley or hike downhill from Glacier Point past roaring waterfalls. Drive the legendary Generals Highway or take a scenic bike ride to pristine lakes (and yes, more waterfalls!). Go for a horse-drawn wagon ride on a history tour or take a rock-climbing lesson. Walk among the goliaths of Sequoia's Giant Forest and stop at a historic lodge for dinner and a well-deserved drink How to Get There: Up-to-date information on traveling between the parks, gateway towns, park entrances, park fees, and tours Where to Stay: From campgrounds and rustic lodges to the majestic Ahwahnee, find the best spots to kick back, both inside and outside the parks Planning Tips: When to go, what to pack, safety information, and how to avoid the crowds, with full-color photos and easy-to-use maps throughout Helpful resources on Covid-19 and traveling to the parks Expertise and Know-How from seasoned explorer and outdoor expert Ann Marie Brown Find your adventure in Yosemite, Sequoia, and Kings Canyon national parks with Moon. Best Easy Day Hikes Northern Sierra

A guide for families and other busy people who want to explore the Sierra Nevada's three national parks on foot, but don't have the time for a multi-day backpacking trip. Includes information on park facilities and accommodations, and tips for hiking with children. Each hike description lists mileage, difficulty, elevation gain and a "child rating," indicating the age range for which the trail is best suited. Custom maps show all the routes.

Moon Yosemite, Sequoia & Kings Canyon

The history of Yosemite National Park is as compelling as the waterfalls, monoliths, and peaks that have mesmerized visitors for more than a century. But what hikers see today in the iconic Yosemite Valley, as well as on the peaks in the high country and within the Mariposa Grove of Big Trees, is a world away from the place Native Americans once called Ahwahnee, and from what gold-seekers and mountain men looked upon in the park's earliest days. Historic Yosemite National Park is a vibrant collection of stories about different aspects of Yosemite National Park's fascinating history, from the conservation works of pivotal characters such as writer John Muir and photographer Ansel Adams to the daring exploits of rock climbers and the natural forces that have shaped Yosemite's stunning vistas. These stories reveal why Yosemite National Park has inspired humankind for centuries.

50 Best Short Hikes in Yosemite and Sequoia/Kings Canyon

From a short stroll to an extended ramble, this book is for hikers of every ability, age, and interest.

Hiking Waterfalls Yosemite National Park

Revised and updated (2nd ed., 1983) guidebook describes virtually every trail in the park as well as all the major trails that lead into Yosemite from adjoining areas. The hikes, from two-hour strolls to multi-day backpacking trips, are described in detail. Includes an updated, four-color plastic topographic map of

the park and vicinity showing over 1,000 miles of trail. Annotation copyrighted by Book News, Inc., Portland, OR

Moon Yosemite, Sequoia & Kings Canyon

In his enthusiastic explorations and fervent writing, Michael J. Yochim "was to Yellowstone what Muir was to Yosemite. . . . Other times, his writing is like that of Edward Abbey, full of passion for the natural world and anger at those who are abusing it," writes foreword contributor William R. Lowry. In 2013 Yochim was diagnosed with ALS (Lou Gehrig's disease). While fighting the disease, he wrote *Requiem for America's Best Idea*. The book establishes a unique parallel between Yochim's personal struggle with a terminal illness and the impact climate change is having on the national parks--the treasured wilderness that he loved and to which he dedicated his life. Yochim explains how climate change is already impacting the vegetation, wildlife, and the natural conditions in Olympic, Grand Canyon, Glacier, Yellowstone, and Yosemite National Parks. A poignant and thought-provoking work, *Requiem for America's Best Idea* investigates the interactions between people and nature and the world that can inspire and destroy them.

Best Easy Day Hiking Guide and Trail Map Bundle: Yosemite National Park

Walks of a Lifetime in America's National Parks: Extraordinary Hikes in Exceptional Places Walk the national parks and find out for yourself why they're "America's best idea" and why walking is the richest way to experience and appreciate these iconic places. There can be no better guides than Bob and Martha Manning, longtime Hiking Ambassadors for the American Hiking Society and life-long stalwarts of the National Park System. In this book, the Mannings introduce and describe all the national parks and offer first-hand descriptions of the very best trails that lead walkers to quintessential scenic vistas, celebrated rivers and lakes, majestic waterfalls, outstanding wildlife viewing areas, significant historic and prehistoric sites, and much more. These walks range from short nature trails to half and full-day hikes to backpacking trips. The book is richly illustrated with hundreds of color photographs, and concludes with a wealth of practical advice on how to best visit and hike the national parks.

Yosemite National Park

This fully updated second edition, now with an alluring array of color photos, will whet your appetite for both unexplored territory and the classics. Discover outdoor adventure in the Pacific Northwest, and find your own favourite paradise.

Requiem for America's Best Idea

Sampling twenty-four of the most scenic and least physically challenging trails within the park, this guide features spectacular hikes accessible by paved road, and none is difficult to find. This indispensable guide provides accurate hike descriptions, easy-to-follow maps, and concise trail information for the author's favorite trails. With hikes varying from half-hour strolls to full-day adventures, it has something for everyone.
