

Beyond Metropolis The Planning And Governance Of Asias Mega Urban Regions Woodrow Wilson Center Press

[#Asia mega urban regions](#) [#Urban planning Asia](#) [#Regional governance](#) [#Metropolitan development](#) [#Asian urban policy](#)

This book explores the complex dynamics of planning and governance within Asia's rapidly expanding mega urban regions. It offers critical insights into the challenges and strategies for sustainable development, infrastructure, and administration that extend beyond traditional city limits, examining the unique socio-economic and political landscapes shaping these vast metropolitan areas.

Each note is structured to summarize important concepts clearly and concisely.
