The Twins' mate:book 4

Sebrina looks at Josh as he stands in front of her. She knows what he is going to say. She knows he will reject her for her more beautiful blond twin sister. She and Leona can not be more different, and everyone can not believe they are twins. Her parents always loved Leona more than her as she had red hair and green eyes and freckles, while Leona was the pretty one with blond hair, blue eyes and perfect skin. Sebrina has learned not to ask her parents for love and attention from a young age as all their love and attention went to the cute child. They ignored her like she did not exist. It made Sebrina push people away from her, and that is why she is standing here in front of Josh, her mate waiting for him to reject her. It is not uncommon for twins to have the same mate. It happened before. Sebrina being the rebel she is, smiles as she waits for Josh's words. "I, Josh Norton, future alpha of the Red Wood Pack, reject you, Sebrina Dawson, as my mate," Josh says. Everything inside Sebrina feels like it is dying a slow death, her wolf is whimpering, but she quiets her down. "I, Sebrina Dawson, accept your rejection, future alpha of the Red Wood Pack. I hope you and Leona will be happy," Sebrina says with a sarcastic smile on her face. She knows her sister, and she knows she is spoiled rotten. "You are just going to accept it like that?" Leona asks from the side. Sebrina knows her sister wants a fight, but she will not give her the satisfaction. Sebrina looks at Leona as smiles. "Best of luck to the two of you," Sebrina says. My father is the beta to Josh's father, and Sebrina knows her life is not worth a dime after today. Leona will want her dead to make sure Josh stays hers forever and that he does not change his mind in the future. Sebrina knows she is risking her life to leave her pack, but going away or staying in the same for her. If she stays, she will die, but she might have a chance out there in the big evil world. So she runs away, not knowing what adventure waited for her and that she will meet her biggest nightmare—the Alpha of all Alphas, Blaze Walker and she have to run not only from her sister but also from Blaze.

Life Begins at Fifty

"Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do." --Mark Twain Ever wondered if there must be more to life than this? Ever thought, "It's now or never"? Ever wanted to travel the world? Me too! At the 'ripe old age' of fifty, I decided I wanted some fun - I wanted to live rather than just exist! I wanted some wild and whacky experiences to tell my

grandchildren about in years to come. So, after years of feeling like a hamster in a wheel, juggling work with children, I rebelled in the most spectacular way. I walked away from my job, rented my house out, went off travelling around the world for six months with my nineteen-year-old daughter, and embraced a whole new way of life. I hope you laugh as much as we did at the crazy things that happened to us and the madcap things we tried (white-water rafting, skydiving, hiking up glaciers, jumping off waterfalls and posing naked in front of them, to name a few). I hope it makes you realise that you only get one life, and now is the time to start living it, doing what you really want to and enjoying every precious moment. Follow your dreams--you'll be amazed where they take you! I did, and my life has never been the same since. For more information about Life Begins at Fifty, please go to www.lifebeginsatfifty.info

Demons Shemons

Most people come home with a window sticker, a shot glass, or a bottle opener cleverly disguised as a key chain from their summer vacations, but not AJ. She drunkenly stumbled into a sacred Native American Indian ritual and accidentally inherited an ancient hunter spirit. Now AJ, Norm (the hunter spirit), and Danny, Norm's rightful heir, wander the country fighting demons that escape from Hell to enjoy this world's lavish all-you-can-eat soul buffet. A national park in Mississippi is the next stop on their traveling shit show because someone or something (spoiler alert: it's totally a demon) is killing residents of a nearby small town. But demons aren't the only thing AJ and Danny have to contend with this go around. Throw in a self-righteous, holier-than-thou reverend, his dick-for-brains son, a not-so-sure-what-side-of-the-law-she's-on sheriff and a super-sexy, do-jiggly-things-to-your-naughty-bits park ranger and well, AJ just might find herself in a battle that she's not prepared for ... love.

So, Do You Like ... Stuff?

Inspired by his blog of the same name (which is inspired by what the author considers to be one of the great all-time "Simpsons" quotes), So, Do You Like Stuff? is a collection of Mike Kenny's funniest material. Follow the author as he questions whether or not he picked up the correct child from daycare. Watch and learn as he interprets nonsensical hit songs. Feel for him as he attempts to accomplish the mundane tasks assigned to him by his father-in-law. Hide in fear with him as he passively fights off grizzly bears by hoping they go away. So, Do You Like ... Stuff? is a compilation of newly improved, reedited columns and blog posts, as well as original, previously unreleased material. "Stuff" may cover a wide range of topics, but the themes here are common to everyone: family, work, health, cat condominiums. The usual. Just, unusually funny.

The Year of Living Biblically

Body Politics.

Kizomba dancing originated in Angola, Africa but has been gaining in popularity in the Netherlands since 2011. Curious how this cultural transmission affects white Dutch notions regarding self and other, this book examines the socio-cultural production of difference among white Dutch in the Dutch kizomba scene, primarily in relation to people of African and African diasporic descent. Tying into existing literature regarding the paradoxical state of contemporary Dutch society regarding gender, race and ethnicity, the author explores the balancing act between freedoms and restrictions that shape, guide, and inform peoples behaviour. She thereby illustrates various performative mechanisms through which difference is reproduced. This is relevant in a time characterized by racial ignorance on the one hand, and xenophobia and heated debate concerning Dutchness and Otherness on the other. Taking the body as point of departure through which gender, sexuality, race, ethnicity and nationality are analysed, the author demonstrates how the micro-politics of small, embodied movements connect to larger transnational mobilities and their macro-political contexts. The fine-grained ethnographic descriptions navigate the reader through a highly sensitive topic in the Netherlands and contribute to social and academic debates in contemporary Dutch society.

Making It Like a Man

Making It Like a Man: Canadian Masculinities in Practice is a collection of essays on the practice of masculinities in Canadian arts and cultures, where to "make it like a man" is to participate in the cultural, sociological, and historical fluidity of ways of being a man in Canada, from the country's origins in nineteenth-century Victorian values to its immersion in the contemporary post-modern landscape. The book focuses on the ways Canadian masculinities have been performed and represented through five broad themes: colonialism, nationalism, and transnationalism; emotion and affect; ethnic and minority identities; capitalist and domestic politics; and the question of men's relationships with themselves and others. Chapters include studies of well-known and more obscure figures in the Canadian arts and culture scenes, such as visual artist Attila Richard Lukacs; writers Douglas Coupland, Barbara Gowdy, Simon Chaput, Thomas King, and James De Mille; filmmakers Clement Virgo, Norma Bailey, John N. Smith, and Frank Cole; as well as familiar and not-so-familiar tokens of Canadian masculinity such as the hockey hero, the gangsta rapper, the immigrant farmer, and the drag king. Making It Like a Man is the first book of its kind to explore and critique historical and contemporary masculinities in Canada with a special focus on artistic and cultural production and representation. It is concerned with mapping some of the uniquely Canadian places and spaces in the international field of masculinity studies, and will be of interest to academic and culturally informed audiences.

Comical Vacations Book 3

Comical Vacations 3 Three-Book Bundle Contents The Finch Family Easter Holiday 6 Let the good times roll since Kitty is excited to be going away for four fun filled days on their first (of many and hopefully not the last) Finch family holidays, together with her boyfriend for a short stay in a quaint B&B in Scotland. Where she hopes they will get to spend some time alone as well as with the rest of the clan. Well, she would be more excited if she could shake the damn stomach bug she seems to have picked up, probably from work. Only it will not stop her going for the Easter celebration up in the Highlands, where real men wear kilts and women wear a shoe size twelve if Moira is anything to go by. Whether it is a haunting by a ghost in the guesthouse or hunting for Nessie and the lost buried gold coins connected to Bonnie Prince Charlie or seeking the precious playing card belonging to her brother, then you can be sure that Kitty will give it her all even if it costs her more than her dignity in the end. There is also a secret to keep, a secret to reveal and a secret admirer to deal with. Not to forget there is also a beast on the prowl. As this mini vacation has plenty of cringe-worthy situations and surprises galore to cope with but Kitty has survived worse, believe you me. The Finch Family Bank Holiday 7 Now normally Kitty Finch loves a good wedding so she was happy to head down to Berkshire with the rest of the Finches to stay at a farm over the long bank holiday weekend. She saw it as a chance to be in a famously posh romantic setting with her ex, since Kitty wants to rekindle their relationship. I mean who does not fall in love with love when surrounded by so much joy, sentiment and happiness but not when she finds out he is bringing a 'plus one' and she is feeling fat or should that state be fatter than usual because of her pregnancy. If Kitty was under the impression that she could hide at the back to avoid not just the camera lens but also her exes then she had better think again. When an accident occurs and Kitty has to step into someone else's shoes but not with her swollen feet so thankfully she gets to wear her own footwear in the end, however, it still doesn't help her walk down that aisle any better. Joining Kitty and company in this hilarious mix of mayhem and merriment are a baby doll, naked butlers and a male escort. There are also a whole lot of laughs along the way so what more can anyone ask for from a British bank holiday. The Finch Family Christmas Holiday 8 This is it folks, the final Finch family holiday in the Comical Vacations series (nine books in total). It finds Kitty Finch heading off for a Christmas break with some of her family, past and present, plus picking up a friend or two along the way. This time they are going on a Nordic liner for a mini Christmas cruise, so they are all looking forward to this trip as long as it does not sink. Well knowing her luck, they could all end up at the bottom of the sea if this were any other kind of novel. Only that is not a very 'happy ending' so she feels confident that they will make it back to dry land and they do. Not before there is upset all round of course and a stupid bet to win first, whilst the pranks soon become the bane of her life. After which they embark on the next leg of their journey to travel up to the north of Norway for an ice-filled fun treat. When staying at the snow hotel and getting to see and try things that they have never tried or seen before. Will Kitty ever get the love she deserves? Should she even have attempted to win a silly wager? Can this British family ever

have at least one lousy holiday without everything going tits-up for Kitty Finch? Would Kitty be able to claim she truly had the time of her life, or would she be lying through her gritted teeth?

Examine the cultural and political implications of male-to-female gender performance! The *Drag Queen Anthology: The Absolutely Fabulous but Flawlessly Customary World of Female Impersonators* examines the phenomena of male-to-female gender performance and the people who live it. This provocative collection of original essays explores the possibilities, limitations, ironies, and controversies surrounding men who perform as women to an audience that knows the truth but celebrates the illusion. The book's contributors call on extensive backgrounds in sociology, anthropology, theater, literature—even military studies—and use a variety of approaches to address common themes and genres of presentation, performance, and style in a wide range of historical settings and cultures. The *Drag Queen Anthology* explores female impersonation in the past and present, addressing the often-contradictory cultural impulses found in the performance of femininity. The book examines the important issues of this unique form of gendering, including the cultural and sociopolitical implications of drag, the symbolic cultural ideals associated with women, the impact of the performer's social identities on his performance, and the reactions of the GLBT, straight, and feminist communities to drag. The book looks at traditional drag performance, challenges accepted perceptions about female impersonation, and exposes the notion of the effeminate drag queen as an outdated myth. The *Drag Queen Anthology* examines the important issues of male-to-female gender performance, including: how drag queen performance is used to attain situational status and power how drag queens challenge contemporary notions of gender what embodiment occurs when men undertake performances of femininity how drag queen performance is viewed as a theatrical presentation of self what representations of drag queens in film suggest about current gender relations why communities organize around drag queen performers how drag queen performance differs on-stage and off how male-to-female gendered performance intersects with performances of sexual identity, social class, race, age, and ethnicity The *Drag Queen Anthology: The Absolutely Fabulous but Flawlessly Customary World of Female Impersonators* is an indispensable resource on drag's core elements of performance and parody and how each affects contemporary notions of gender.
