Imam Bakeer & Shaykh Yasir Introductions

What does it mean to have a problem in Aqidah

Do you support LGBTQ politcal rights?

Why is making prayer to shrines/graves not shirk?

Why do you criticize Shaykh Mohamad Abdul Wahab?

Why should we listen to someone who changes his opinion?

You are a Dae'e & not an Alim and should not talk about Aqidah?

Do you doubt the preservation of the Quran?

Are you making unity with the Shia?

Why did you call some texts "bizarre"?

Do you reject the Haddood?

Why does Shaykh Yasir support Shaykh Yusuf Qaradawi?

'S Basically a Kind of Shift in Focus the Believers Now Are Defined as those Not Just To Believe in One God in the Last Day but as those Who Believe in One God in the Last Day and Who Follow the Quran as Their Scripture and Who Accept Muhammad as the Prophet Who Brought the Scripture and Actually to this Day That's Still the Simplest Way To Define a Muslim as You Know Muslims Fight each Other All the Time as Most People Most Religions Do She's against Sunnis and So On but One Thing They all Exert the Two Things They all Accept Is the Koran Is the Scripture and Muhammad Is Their Prophet about

And of Course the Challenge once You Find Them Is You Have To Read Them To Figure Out What They Say and this Is Also Not So Easy because Often the Writing Is Torn I Mean this One Is Pretty Clear What's Available Is Clear but You Know What Was over Here or on the Lines above or in Long You Know We Don't Know but You Get What You Get and You Try and Work with It One Hopes One Would Find More Complete Documents and I Think Is My Last Slide I'll Show You a More Complete Document That I Found Guess What in all Places Chicago

That this Was What You Should Do Well these Chains of Authority Then Were Scrutinized by Muslim Scholars They Said Well You Know It Says It Went from a to B to C but B You Never Studied with C C Died before B Was Born You Know So this Is a Weak Hadith It Can't Be True so They Did that Kind of You Know that's Due Diligence It Was Formally and They Constructed End Collection of Hadith Which Is like One Percent of the Total Number Which Were Considered the Sound Hadith Someone Had Strong Chains of Authority but Even in those Collections of Sound Hadith We There Are Many that We Know Must Be Fabricated Where the Prophet Is Seen as Predicting Things That Happened Two Hundred Years after His Death I Mean Yeah He Was a Prophet but I Really Don't Think He Foresaw Authorizes the Best of the Feasting

But They Also Look at the Body of Text and They Try To Coordinate Them and One Thing We Can Do by Looking at these Analysis Try To Decide When this Hadith Went into Circulation We Can See if You Have Many Different Transmissions of It You Can See How the Chains of Authority Kind Of Converge on Someone and that Person Is Probably the Person Who Put It into Circulation Even though He Said He Got It from Three Generations Earlier if You Don't Have any Other Transmissions Probably He Put It into Circulation so He either Made It Up or His Teacher Made It Up and He Spread It So One More Question and Open Up to the Floor cuz They're a Lot Smarter People Out There than Me and It Struck Me When You Put Up One of Your Slides
