Macbeth

'The Scottish Play' is Shakespeare's shortest tragedy, but its characters are some of the most memorable in his oeuvre: the misguided Macbeth, the ruthless Lady Macbeth and the otherworldly Weird Sisters are recognisable as classic Shakespearean roles. Saturated with blood and despair, the tragedy of Macbeth is a concentrated study of guilt and ambition inflamed by the supernatural.

Macbeth

Part of The New Penguin Shakespeare series, this text looks at Macbeth with an introduction, a list of further reading, commentary and a short account of the textual problems of the play. The series is used and recommended by the Royal Shakespeare Company.

All's well that ends well. Twelfth night. Winter's tale. Macbeth

In this expanded analysis of Macbeth in performance, Bernice W. Kliman examines a number of major productions of the play on stage and screen, inviting the reader to contemplate and compare directors' and actors' choices for what is arguably Shakespeare's most compelling play. Kliman's in-depth analysis of Orson Welles's 1948 film version as well as his earlier stage production, Roman Polanski's famous film, and several different television versions from America and Britain offers an invaluable guide to the most prominent performances across a range of media. She also considers Yukio Ninagawa's staging, which provides an exciting and novel Japanese perspective on the play for Western audiences.

All's well that ends well. Twelfth night. Winter's tale. Macbeth

One night on the heath, the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland. At first sceptical, he's urged on by the ruthless, single-minded ambitions of Lady Macbeth, who suffers none of her husband's doubt. But seeing the prophecy through

to the bloody end leads them both spiralling into paranoia, tyranny, madness, and murder. This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

Twelfth-night ; Macbeth

Macbeth's struggle between his own ambition and his loyalty to the King is dramatically compelling. As those he kills return to haunt him, Macbeth is plagued by the prophecy of three sinister witches and the power hungry desires of his wife.

Macbeth

A tragic story of a man who, obsessed by ambition, murders to gain a crown-and thereby loses his soul.

Macbeth

One night on the heath, the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland. At first sceptical, he's urged on by the ruthless, single-minded ambitions of Lady Macbeth, who suffers none of her husband's doubt.
