use my three-quarter inch flat brush

varying the color slightly in the tones

layering up with the transparent watercolor

make the lamp post slightly taller

remove some of the paint

bringing it down across the bottom of those lamp posts

brush very lightly across the pavement area adding a bit

breaking up the blocky shapes of the buildings

add a little bit more spatter to the foreground

increase the density of buildings on the left

sweep in some yellow ochre rich paint across the sky

paint in the lamps using the payne's grey mixture

spatter of the dark paint onto the dry painting
begin the process of painting in my railings
suggesting the idea of figures in the distance

Many of them work in order to be able to buy new toys for them ...

They scolded their children too often

They missed out on the most important moments

They didn't play enough creative games

They didn't take enough photos and videos

They didn't take their child's opinion into account

They didn't enjoy communicating with their child

They didn't educate them about money

They didn't make their child happy enough

They didn't hug their children often enough

They weren't consistent

They often followed someone else's advice
