Hearing God

When a father loves his children, he speaks words of affirmation and love to them. When a husband and wife love one another, they make sure to communicate with one another honestly and frequently. If God loves human beings as his children and treasures his relationship with them as a spouse would, would he not also speak to them frequently, with both love and honesty? In Hearing God, author Ben Dixon explores what it means to hear God speak to you personally, both through his written word, the Bible, and inwardly, through the voice of his Holy Spirit. From the riches of his personal experience and from the stories of others, Ben explores why God speaks to us, how to clearly hear God when he does speak, and what to do once you have heard him speak to you. This book will challenge you to build your relationship with God, to expect to hear him speak you personally, and to believe what he says and apply it to your life in real ways that will bring personal transformation.

The Power of a Whisper

Full-throttle faith resides in fully yielded hearts. In "The Power of a Whisper: Hearing God, Having the Guts to Respond," Hybels reveals the attitudes and actions that help Christians hear directly from heaven as they navigate the most significant challenges on Earth.

Frequency

God is speaking. Are you listening? As you open your spiritual "ears," you will learn to determine which channels God is using to broadcast his intentions. Discover how to discern his specific versus his

general voice, recognize the multiple ways he communicates, and draw closer to him by reading his Word. As believers in Jesus Christ, we naturally want to know how we can hear God's voice. Does God speak? Is He speaking to you? The good news is, yes, He is speaking. And like a radio host broadcasting His voice into the airwaves, God speaks all the time. The question is, are we tuned in to the right frequency? God communicates with us in multiple ways, whether through the Bible, through circumstances, or even through a whisper. Pastor Robert Morris demonstrates how we can grow in our faith, maturing from sheep hearing His voice to hearing it as His friend or even as a prophet. When we begin to understand the general and specific ways God speaks to us, then we can begin to cultivate a life of deeper connection with our Creator. In Frequency, you will: Gain a better understanding of how to recognize God's voice Discern the general voice of God from the specific voice of God Grow in your relationship with the Lord by developing consistent time in His Word Value the voice of the Lord and enjoy drawing closer to your Creator Frequency will demystify the process of hearing God and take you to a new level in your faith.

But learning to recognize God's voice and the many ways in which He speaks is vital for following His plan. In HOW TO HEAR FROM GOD, Joyce Meyer shows readers that God reaches out to people every day, seeking a partnership with them to offer guidance and love. She reveals the ways in which God delivers His word and the benefits of asking

God for the sensitivity to hear His voice. Joyce asks the question, "Are you listening?" and shares how to do just that.
