The Mystery of the Mosaic

After arriving in Venice, Ethan and Ella embark on a high-speed gondola chase in the second book of this chapter book series about mystery, travel, and adventure. When Ethan and Ella first land in Venice, they are in awe of all the canals and tiny little streets. They're especially excited to look for a five-hundred-year-old-mosaic near Calle Farnese that Grandpa Harry tells them about. While the twins are out getting gelato later that day, they notice someone looking around suspiciously as he unties a gondola from a dock. The next morning, the twins hear two gondoliers arguing, one of them accusing the other of stealing his most beautiful boat. The gondolier begs Ethan and Ella to help him find the boat. They agree, and also tell the man they need to get to Calle Farnese. Will the twins be able to find the stolen gondola and their Grandpa's favorite mosaic...before dinner? With easy-to-read language and illustrations on almost every page, the Greetings from Somewhere chapter books are perfect for beginning readers.

The Mystery of the Gold Coin

Second graders Ethan and Ella are sad about moving away from their hometown to travel the world with their mom, a journalist, and dad, who will home school them, but before they go they have a mystery to solve.

The Mystery Across the Secret Bridge

While in Machu Picchu, Peru, with their parents, eight-year-old twins Ethan and Ella cross a secret bridge and discover a mysterious stone sculpture.

The Mystery of the Secret Society

"Twins Ethan and Ella go on an adventure in Greece, where they learn about the mystery-solving Society of Apollo"--

The Mystery at the Coral Reef

With help from their cousin Harry, eight-year-old twins Ella and Ethan discover who is illegally taking coral from the reefs near their aunt and uncle's beach house on the shore of Australia's Coral Sea.

The Mystery of the Stolen Painting

Excited to be in Paris, Ethan and Ella are on the hunt for a secret bakery and a stolen painting in the third book of Greetings from Somewhere, a chapter book series about mystery, travel, and adventure. Ethan and Ella are excited to get to Paris—they've only ever seen pictures of the Eiffel Tower! After arriving, the twins receive an email from their beloved Grandpa Harry. He tells them that there's a secret bakery near the Louvre museum—so secret, in fact, that you need a password to get inside. Lucky for the twins, their dad wants to take them to see some artwork at the Louvre. But while they're browsing paintings at the museum, alarms suddenly go off, the building is evacuated, and tons of police show up outside. A painting has been stolen! And Ethan and Ella are on the case! Can they manage to find the stolen painting and the secret bakery without giving themselves away? With easy-to-read language and illustrations on almost every page, the Greetings from Somewhere chapter books are perfect for beginning readers.

The Mystery of the Lion's Tail

"Twins Ethan and Ella are in the Maasai Mara in Kenya, and there's another mystery to solve. Where are all the lions? Ethan and Ella spot lots of cool animals, but the one they're most excited about, they can't seem to find"--

Greetings from Nowhere

Aggie isn't expecting visitors at the Sleepy Time Motel in the Great Smoky Mountains. Since her husband died, she is all alone with her cat, Ugly, and keeping up with the bills and repairs has become next to impossible. The pool is empty, the garden is overgrown, and not a soul has come to stay in nearly three months. When she reluctantly places a For Sale ad in the newspaper, Aggie doesn't know that Kirby and his mom will need a room when their car breaks down on the way to Kirby's new reform school. Or that Loretta and her parents will arrive in her dad's plumbing company van on a trip meant to honor the memory of Loretta's birth mother. Or that Clyde Dover will answer the For Sale ad in such a hurry and move in with his daughter, Willow, looking for a brand-new life to replace the one that was fractured when Willow's mom left. Perhaps the biggest surprise of all is that Aggie and her guests find just the friends they need at the shabby motel in the middle of nowhere. From an author long recognized for her true Southern voice and heartfelt characters, *Greetings from Nowhere*, with its four intertwining stories, brings Barbara O'Connor's work to a new level of sophistication. This title has Common Core connections.

Greetings from the Flipside

After being left at the altar, comically creative Hope Landon goes missing, is presumed dead, and later lands a job with an inspirational greeting card company in New York City . . . or does she?

Greetings from Tucson

A coming-of-age story with true love at its core, *Greetings from Tucson* tells the story of four sisters' lives through the lens of handwritten letters. These long lost letters, found decades after they were penned, once formed a lifeline that held them together when their worlds were otherwise falling apart. In June of 1945, tragedy struck, and Cookie, Frankie, Dottie, and Connie were torn from everything they knew—their parents, their home, and, most importantly, each other. Forced to live thousands of miles apart, they feared their bond would be broken. The sisters began writing letters to each other to celebrate their milestones and mourn every heartbreak. Through those letters, they found a way to strengthen their sisterhood when the odds were so stacked against them. The letters were like prisms, reflecting their lives from childhood into adulthood, as they fell in love or fulfilled their lifelong dreams. That is, until one sister's secret from the past changed everything. Would she break the fragile bond they worked so hard to nurture after their fateful split so many years ago?

Season's Greetings

Now we don't want to start Christmas like this, do we? Cheating at snakes and ladders, fighting over comic books, a bungled infidelity beneath the tree. Christmas has arrived in the Bunker household along with family and friends. But as the children lurk just out of sight, it's the adults who are letting the side down. I couldn't. Not in our sitting-room. Not in front of the television. Somewhere else. Presiding over the festivities are two warring uncles, one a kindly, incompetent doctor with an interminable puppet show to perform; the other a bullying retired security guard who dominates the TV, brings toy guns for his nieces and determines there's a thief in their midst. Alan Ayckbourn's masterly *Season's Greetings* offers a seriously entertaining look at the misery and high jinks of an average family Christmas. The play opens at the National Theatre, London, in December 2010. Three times I caught him at it. Ripping open presents, helping himself to the contents.

Balanced on the Blade's Edge

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not

to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

Utopia

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries.

Spin the Bottle

Lainey Byrne is a woman in control, juggling a hectic job, her boyfriend Adam and a family with more than its fair share of dramas. Things go into a spin when she is wrenched from her life in Melbourne to run a B&B in Ireland for a year. Bed-and-breakfast quickly tumbles into bed-and-bedlam, especially when a reunion with childhood friend Rohan Hartigan sparks an unexpected romantic dilemma. Meanwhile, back in Australia, her father's taken to his bed, her mother's up the walls, her three brothers are running amok – and as for Adam ... It's going to take more than a game of spin the bottle to sort this one out!

Unearthed

From the New York Times best-selling author duo Amie Kaufman and Meagan Spooner comes a "literally breathtaking" new sci-fi series about a death-defying mission on an alien planet. Now in paperback! When Earth intercepts a message from a long-extinct alien race, it seems like the solution humanity has been waiting for. The Undying's advanced technology has the potential to undo environmental damage and turn lives around, and their message leads to the planet Gaia, a treasure trove waiting to be explored. For Jules Addison and his fellow scholars, the discovery of an ancient alien culture offers unprecedented opportunity for study . . . as long as scavengers like Amelia Radcliffe don't loot everything first. Despite their opposing reasons for smuggling themselves onto the alien planet's surface, they're both desperate to uncover the riches hidden in the Undying temples. Beset by rival scavenger gangs, Jules and Mia form a fragile alliance . . . but both are keeping secrets that make trust nearly impossible. As they race to decode the ancient messages, Jules and Mia must navigate the traps and trials within the Undying temples and stay one step ahead of the scavvers on their heels. They came to Gaia certain that they had far more to fear from their fellow humans than the ancient beings whose mysteries they're trying to unravel. But the more they learn about the Undying, the more Jules and Mia start to feel like their presence in the temple is part of a grand design -- one that could spell the end of the human race . . .

Greetings from Utopia Park

In this engrossing, provocative, and intimate memoir, a young journalist reflects on her childhood in the heartland, growing up in an increasingly isolated meditation community in the 1980s and '90s—a fascinating, disturbing look at a fringe culture and its true believers. When Claire Hoffman's alcoholic father abandons his family, his desperate wife, Liz, tells five-year-old Claire and her seven-year-old brother, Stacey, that they are going to heaven—Iowa—to live in Maharishi's national headquarters for Heaven on Earth. For Claire's mother, Transcendental Meditation—the Maharishi's method of meditation and his approach to living the fullest possible life—was a salvo that promised world peace and enlightenment just as their family fell apart. At first this secluded utopia offers warmth and support, and makes these outsiders feel calm, secure, and connected to the world. At the Maharishi School, Claire learns Maharishi's philosophy for living and meditates with her class. With the promise of peace and enlightenment constantly on the horizon, every day is infused with magic and meaning. But as

Claire and Stacey mature, their adolescent skepticism kicks in, drawing them away from the community and into delinquency and drugs. To save herself, Claire moves to California with her father and breaks from Maharishi completely. After a decade of working in journalism and academia, the challenges of adulthood propel her back to Iowa, where she reexamines her spiritual upbringing and tries to reconnect with the magic of her childhood. *Greetings from Utopia Park* takes us deep into this complex, unusual world, illuminating its joys and comforts, and its disturbing problems. While there is no utopia on earth, Hoffman reveals, there are noble goals worth striving for: believing in belief, inner peace, and a firm understanding that there is a larger fabric of the universe to which we all belong.

Glitch

In the Community, where implanted computer chips have erased human emotions and thoughts are replaced by a feed from the Link network, Zoe starts to malfunction, or glitch, and begins having her own thoughts, feelings, identity--and telekinetic powers.

The Search for WondLa

Eva Nine was raised by the robot Muthr. But when a marauder destroys the underground sanctuary she called home, twelve-year-old Eva is forced to flee aboveground. Eva Nine is searching for anyone else like her. She knows that other humans exist because of a very special item she treasures ~ a scrap of cardboard on which is depicted a young girl, an adult, and a robot along with the strange word "WondLa". Tony DiTerlizzi honours traditional children's literature in this totally original space age adventure: one that is as complex as an alien planet, but as simple as a child's wish for a place to belong.

Greetings, Hero

Greetings, Hero is for the outsiders. This short story collection, the first of widely published Irish author Aiden O'Reilly, features a dizzying array of characters, stories and dreams. Families, regrets, outsiders, love, death and DIY girlfriends all collide in this collection, with stories stretching across Europe, from building sites in Dublin to the Husemann Strasse in Berlin. Through 17 exquisitely crafted short stories, O'Reilly expertly questions our position in the world - and the role of those pushed to its margins.

But often we can find ourselves chasing unavailable love, putting other's needs before our own all the while abandoning the one who needs us most - ourselves. From Sheleana Aiyana, spiritual writer and founder of Rising Woman, comes a transformational inner-work journey to heal lifelong relationship patterns and reclaim power over your life. *Becoming the One* is your invitation to make peace with your past, stand in your worth and find your way home to yourself.

How to Say Hello

Don't feel like hugging today? No worries! We can say hello with a smile, a wave or even a high five! The fourth book in Sophie Beer's feel-good series is all about consent for little readers. As is Sophie's signature style, *How to Say Hello* takes big concepts and nestles them in clear yet playful narratives. Inclusive, vibrant and uplifting, *How to Say Hello* supports children in establishing boundaries as they navigate relationships.

Heads I Win, Tails I Win

INVESTING IS ONE OF THE FEW AREAS IN LIFE WHERE EVEN VERY SMART PEOPLE LET HOPE TRIUMPH OVER EXPERIENCE According to Wall Street Journal investing columnist Spencer Jakab, most of us have no idea how much money we're leaving on the table—or that the average saver doesn't come anywhere close to earning the "average" returns touted in those glossy brochures.

We're handicapped not only by psychological biases and a fear of missing out, but by an industry with multimillion-dollar marketing budgets and an eye on its own bottom line, not yours. Unless you're very handy, you probably don't know how to fix your own car or give a family member a decent haircut. But most Americans are expected to be part-time fund managers. With a steady, livable pension check becoming a rarity, we've been entrusted with our own finances and, for the most part, failed miserably. Since leaving his job as a top-rated stock analyst to become an investing columnist, Jakab has watched his readers—and his family, friends, and colleagues—make the same mistakes again and again. He set out to evaluate the typical advice people get, from the clearly risky to the seemingly safe, to figure out where it all goes wrong and how they could do much better. Blending entertaining stories with some surprising research, Jakab explains ·How a typical saver could have a retirement nest egg twice as large by being cheap and lazy. ·Why investors who put their savings with a high-performing mutual fund manager end up worse off than if they'd picked one who has struggled. ·The best way to cash in on your hunch that a recession is looming. ·How people who check their brokerage accounts frequently end up falling behind the market. ·Who isn't nearly as good at investing as the media would have you think. He also explains why you should never trust a World Cup—predicting octopus, why you shouldn't invest in companies with an X or a Z in their names, and what to do if a time traveler offers you economic news from the future. Whatever your level of expertise, *Heads I Win, Tails I Win* can help you vastly improve your odds of investment success

Why Do We Quote?

Quoting is all around us. But do we really know what it means? How do people actually quote today, and how did our present systems come about? This book brings together a down-to-earth account of contemporary quoting with an examination of the comparative and historical background that lies behind it and the characteristic way that quoting links past and present, the far and the near. Drawing from anthropology, cultural history, folklore, cultural studies, sociolinguistics, literary studies and the ethnography of speaking, Ruth Finnegan's fascinating study sets our present conventions into cross-cultural and historical perspective. She traces the curious history of quotation marks, examines the long tradition of quotation collections with their remarkable recycling across the centuries, and explores the uses of quotation in literary, visual and oral traditions. The book tracks the changing definitions and control of quoting over the millennia and in doing so throws new light on ideas such as imitation, allusion, authorship, originality and plagiarism.

A Serial—like podcast following the clues she's left behind. And an ending you won't be able to stop talking about. "Today, WNRK is launching the first episode of our new serialized podcast, *The Girls*, created and hosted by West McCray." When popular radio personality West McCray receives a desperate phone call from a stranger imploring him to find nineteen-year-old runaway Sadie Hunter, he's not convinced there's a story there; girls go missing all the time. But when it's revealed that Sadie fled home after the brutal murder of her little sister, Mattie, West travels to the small town of Cold Creek, Colorado, to uncover what happened. Sadie has no idea that her journey to avenge her sister will soon become the subject of a blockbuster podcast. Armed with a switchblade, Sadie follows meager clues hoping they'll lead to the man who took Mattie's life, because she's determined to make him pay with his own. But as West traces her path to the darkest, most dangerous corners of big cities and small towns, a deeply unsettling mystery begins to unfold—one that's bigger than them both. Can he find Sadie before it's too late? Alternating between Sadie's unflinching voice as she hunts the killer and the podcast transcripts tracking the clues she's left behind, *Sadie* is a breathless thriller about the

lengths we go to protect the ones we love and the high price we pay when we can't. It will haunt you long after you reach the final page.

West's Awake

Queenstown, Co Cork. Ireland. 1916 Sixteen-year-old Harp Devereaux is growing up in a country in turmoil. Her mother Rose is struggling to navigate single parenthood, run the Cliff House, and stay out of the way of the authorities. Harp's uncle, Ralph Devereaux, has only one thing on his mind. The port of Queenstown bustles with activity as people traverse the Atlantic either in search of new lives on foreign shores or returning to old familiar ones in Ireland. The Cliff House is fast gaining a reputation as a wonderful place to stay, and the business is going from strength to strength. Rose and Harp have turned their fortunes around and for the first time they are prosperous and independent. But all is not well. Civil and military unrest across the country in the wake of the Easter Rising is threatening to bubble over, and everyone is on edge. The British soldiers are making their presence felt in unpleasant ways, and the return of Ralph Devereaux to what he sees as his ancestral home is poses a serious threat. Just as they are managing the situation, a series of unforeseen events places both Harp and her mother in grave peril. Ralph suddenly holds all the power and is not afraid to wield it. They desperately need help, and there's only one place they can go to get it. From a tense Queenstown to the vibrant Irish community in Boston, from wartime Liverpool, to the streets of Dublin seething with revolution, *The West's Awake* continues the spellbinding *Queenstown Story*.

The Sunbird

In Wilbur Smith's *The Sunbird*, Dr. Ben Kazin is a brilliant archeologist. Louren Sturvesant is rich, impulsive, and physically imposing, everything Ben is not. Now, the two men--friends, competitors and partners--are searching for the legendary lost city of Opet, built by an Egyptian culture that reached Africa two thousand years ago, then vanished completely. For Ben, the expedition is a chance to prove a controversial thesis. For Louren, it is a chance to spend millions--and make it all back in gold and glory. But what awaits them is an astounding discovery, a siege of terror, and an act of betrayal that will tear the two men apart and bind them together forever... Hidden beneath water, jungle, and blood-red cliffs is a lost world where two men and a beautiful woman were caught in a furious battle of passions two thousands years ago, but which has begun once again....

The Teenage Years

Winner of the 2012 Roald Dahl Funny Prize! Thirteen-year-old schoolboy, Dirk Lloyd, has a dark secret - in fact he is a dark secret. Dirk - according to his own account - is the earthly incarnation of a Dark Lord, supreme ruler of the Darklands and leader of great armies of orcs and warriors, intent on destruction and bloody devastation. Following a colossal final battle between the forces of good and evil, the Dark Lord was defeated and hurled by his arch-foe's spells into the Pit of Uttermost Despair. At the bottom of the Pit lies...a supermarket car park in the municipal town of Whiteshields, somewhere in modern day England. And when he is found, and tries to explain that he is the Dark Lord, people think he means Dirk Lloyd. The fact that he's trapped in the puny body of a schoolboy doesn't help. And so begins Dirk's battle to recover his dignity, his power, and his lands... Along the way he faces the inconvenience

of being fostered by a do-gooding family, the Purejoies; the torture of endless hours of drudgery at the Whiteshields Brainwashing Centre (aka school); a vengeful Headmaster; two interfering Psychotic Persecutors (psychotherapists); and constant laughter and disrespect when he attempts to marshal his lackeys and lickspittles (friends) to do what he wants them to. Dirk makes friends with the son of his foster family, Christopher, and the local Goth Girl, Sooz, and together they attempt to cast a spell that will transport Dirk back to his homeland. Inevitably, not everything goes to plan... But that's for book 2 Roald Dahl Prize winner, 2012.

White Silence

The first instalment in the gripping supernatural thriller series from international bestselling author, Jodi Taylor. 'I don't know who I am. I don't know what I am.' Elizabeth Cage is a child when she discovers that there are things in this world that only she can see. But she doesn't want to see them and she definitely doesn't want them to see her. What is a curse to Elizabeth is a gift to others - a very valuable gift they want to control. When her husband dies, Elizabeth's world descends into a nightmare. But as she tries to piece her life back together, she discovers that not everything is as it seems. Alone in a strange and frightening world, she's a vulnerable target to forces beyond her control. And she knows that she can't trust anyone... White Silence is a twisty supernatural thriller that will have you on the edge of your seat. Readers love Jodi Taylor: 'Jodi Taylor does brilliant, strong female heroes, and Elizabeth follows on from Max in the St Mary's series' 'I look forward to another adventure with this quirky and perfectly matched pair' 'Hold on to your seat and close your eyes if you dare!' 'Gripping and full of curious plot turns' 'An on-the-edge-of-your-seat thriller where no assumptions can be made'
