Moebius 1/2

Jodorowsky and Moebius's internationally bestselling Sci-Fi saga THE INCAL comes to its phenomenal finale! Lowly class 'R' detective John Difool and his faithful companion, Deepo, are unwillingly hurled into yet another universe-saving mission, as their world is faced with the threat of an all-devouring metallic virus. Visionary storyteller Jodorowsky returns to the epic mythology he created with the late Moebius in the early 80s. For the conclusion of the legendary spiritual space adventure series, he partners with Eisner-winning artist Ladrönn.

Final Incal

Working closely with Moebius Production in France, Dark Horse presents the final part of Moebius's Inside Moebius series. In this third and most surreal volume, Jean "Moebius" Giraud exists in an expansive, magical desert locale within his subconscious. He not only meets and talks with several of his own creations--like Stel, Blueberry, Major Grubert, and Arzak--but he encounters versions of himself from multiple decades and argues with them about art and creativity. This final volume also features the last interview segment about this strange series between the artist and Isabelle Giraud. Translation by World of Edena translator Diana Schutz.

Moebius Library: Inside Moebius Part 3

The hilarious and epic early adventures of John DiFool and his concrete seagull, Deepo.

Before the Incal

A collection of the dream-like science-fiction images and visual storytelling techniques of Jean Giraud ("Moebius"), including his wordless "pantomime" work and the character Arzach.

Arzach

The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difool as he searches for the precious and coveted Incal.

The Fifth Essence - Planet DiFool

OUT OF PRINT

H. P.'s Rock City

Moebius' and Alejandro Jodorowsky's Sci-Fi masterpiece collected in one epic volume. Lose yourself in the in the story that inspired many legendary filmmakers including George Lucas and Ridley Scott. John Difool, a low-class detective in a degenerate dystopian world, finds his life turned upside down when he discovers an ancient, mystical artifact called "The Incal." Difool's adventures will bring him into conflict with the galaxy's greatest warrior, the Metabaron, and will pit him against the awesome powers of the Technopope. These encounters and many more make up a tale of comic and cosmic proportions that has Difool fighting for not only his very survival but also the survival of the entire universe.

The Incal

The Complete adventures of John Difool continue as the investigation into the mysterious birth rate in the Red Ring continues. In this volume, John stumbles across several overwhelming obstacles including the involvement of the Prez, the robocops, and the Techno pope in a grand conspiracy, becoming a professional detective and falling in love. If all of this wasn't enough, this volume of the series also features tons of actions and the deaths of several characters. A must-read chapter in one of the most acclaimed sci-fi stories in the world.

Blueberry: Ballad for a coffin

Discover the lineage of the galaxy's ultimate warrior, created by the legendary artist Moebius and film director Alejandro Jodorowsky ("El Topo, Santa Sangre" and "Holy Mountain"). Gimenez's lavish artwork fills every page with a stunning combination of action and drama, telling one of the most unique stories in comics today.DC Comics

The Incal: #1. Orphan of the city shaft

The comedic and ironic misadventures of a confused Philosophy professor on the path to spiritual awakening. PUBLICATION IN 3 VOLUMES - COMPLETED SERIES Alan Mangel has it all. As a popular Philosophy Professor at the world famous Université de La Sorbonne, he is wealthy, married and academically acclaimed. On his sixtieth birthday, however, Alan's life will crumble as Elisabeth, a beautiful young student, claims she received a vision from God that he is to impregnate her with the second-coming of John the Baptist. As Alan gives himself up to the wild forces bullying him through life, he engages on a spiritual journey that challenges his very "reality." Everything once true is proven to be false. Everything once false is proven to be true. One of the most compelling and personal works by legendary international comics superstars Moebius and Alejandro Jodorowsky ("The Incal").

The Metaborans

The hunt for a long-missing costumed crimefighter has led investigator Jake Stevens down one blind alley after another, yielding only a scant handful of clues and a trail of dead bodies pointing to Stevens himself. Jake no longer knows who to trust, but he knows his business, and he races to place the final piece in the puzzle before the police take him down. But is it too late for the truth to save him?

Cloaked #4

The lush beauty of Canada's wildlife and landscape is brought to life in a colouring book along with excerpts from the country's greatest writers. Featuring 40 gorgeous illustrations paired with excerpts from some of Canada's most beloved poets and writers, The Canadian Backwoods Colouring Book

will satisfy all your colouring needs throughout the year. Beginning in January, this book will take you through each month and season, exploring the wildlife and landscapes that define Canada.

The Incal Black & White Edition

The unauthorized biography of Canada's most famous artist couple and the rivalry that drove them. She painted as if with pure light, radiant colours making quotidian kitchen scenes come alive with sublimated drama. He painted like clockwork, each stroke precise and measured with exquisite care, leaving no angle unchecked and no subtlety of tone unattended. Some would say Mary Pratt was fire and Christopher, ice. And yet Newfoundland's Frida Kahlo and Diego Rivera (or Jackson Pollack and Lee Krasner...) presented their marriage as a portrait of harmony and balance. But balance off the canvas rarely makes great art, and the Pratts' art was spectacular. As a youth at Mount Allison University in New Brunswick, Mary pursued her future husband, a prodigious art talent, and supported his determination to study painting instead of medicine. They married and removed themselves to a Newfoundland outpost where his painting alone provided the means to raise a family. But as Mary's own talents became evident and she sought her own hours at the easel, when not raising their four children, and as rumours of Christopher's affair with a young model spread, the Pratts' harmonious exterior slowly cracked, to scandal in Newfoundland and fascination across the country. A marriage ended, and gave way to a furious competition for dominance in Canadian art.

The Canadian Backwoods Colouring Book

This collection of Chris Samnee's Daredevil presents three versions of the work. The first book presents Daredevil Issues 23 - 27 in original art. Additionally, all of Chris' beautiful layouts will be printed here, again, scanned from the original art. The second book is a horizontal softcover, printing all Mark Waid's scripts. Lastly, Samnee's artistic technique involves drawing thumbnail breakdowns on the script pages themselves, so there is a third artistic version.

Art and Rivalry

A collection of drawings of monsters.

Chris Samnee's Daredevil

One of the all-time-great stories of the Silver Surfer, by the legendary Stan "The Man" Lee and visionary French artist Jean Giraud, A.K.A. Moebius - as stunning now as it was 30 years ago! A star falls to Earth. Panic grips the planet as mankind prepares for its inevitable end. But the star is a ship, and inside is a god. All he asks is adoration. Overcome with relief, man rushes to obey. There is only one voice of dissent that will not be silenced: the Silver Surfer, who recognizes the "god" as his former master! But why has Galactus encouraged mankind to live down to his darkest nature? The Sentinel of the Spaceways stars in a bewitching tale of man's folly and nobility. COLLECTING: SILVER SURFER (1988) 1-2

Sticky Monsters

From acid house to prog rock, there is no form of modern popular music that hasn't been propelled forwards by the synthesizer. As a result they have long been objects of fascination, desire and reverence for keyboard players, music producers and fans of electronic music alike. Whether looking at an imposing modular system or posing with a DX7 on Top of the Pops, the synth has also always had an undeniable physical presence. This book celebrates their impact on music and culture by providing a comprehensive and meticulously researched directory of every major synthesizer, drum machine and sampler made between 1963 and 1995. Each featured instrument is illustrated by hand, and shown alongside its vital statistics and some fascinatingly quirky facts. In tracing the evolution of the analogue synthesizer from its invention in the early 1960's to the digital revolution of the 1980s right up until the point that analogue circuits could be modelled using software in the mid-1990's, the book tells the story of analogue to digital - and back again. Tracing that history and showing off their visual beauty with art-book quality illustrations, this a must for any self-respecting synth fan.

Silver Surfer: Parable 30th Anniversary Edition

A collection of Sci-Fi masterpieces featuring stories by acclaimed creators Geoff Johns and Kurt Busiek. "Métal Hurlant" magazine was created in Paris in 1974 by Moebius, Druillet and Dionnet,

the founding fathers of Les Humanoïdes Associés. This movement soon revolutionized the medium and inspired countless writers, artists and filmmakers the world over. Versions in various languages flourished everywhere, including in the States with "Heavy Metal." The French version was eventually shut down in 1987. But in 2002, Humanoids relaunched a limited publication of a 13-issue anthology, with one main goal: establishing a creative bridge between the US and Europe. Includes stories written and illustrated by comic book stars Geoff Johns, Kurt Busiek, Guy Davis, and Jerome Opena, among many others.

Synthesizer Evolution

The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difool as he searches for the precious and coveted Incal.

Metal Hurlant - Selected Works

- Includes a dictionary of nearly 300 magical plants with descriptions of each plant's scientific name, common names, elemental qualities, ruling planets, and zodiacal signatures, with commentary on medico-magical properties and uses
- Explores methods of phytotherapy and plant magic, including the Paracelsian "transplantation of diseases," ritual pacts with trees, the secret ingredients of witches' ointments, and the composition of magical philters
- Explains the occult secrets of phytogenesis, plant physiology, and plant physiognomy (classification of plants according to the doctrine of signatures)

Merging the scientific discipline of botany with ancient, medieval, and Renaissance traditions of occult herbalism, this seminal guide was first published in French in 1902 as a textbook for students of Papus's École hermétique and sparked a revival in the study of magical herbalism in early twentieth-century France. Author Paul Sédir, pseudonym of Yvon Le Loup (1871-1926), explains the occult secrets of phytogenesis (the esoteric origin and evolutionary development of the plant kingdom), plant physiology (the occult anatomy of plants), and plant physiognomy (classification of plants according to the doctrine of signatures). Unveiling the mysteries behind planetary and zodiacal attributions, he provides readers with the keys to make their own informed determinations of the astral properties of plants. Moving from theory into practice, Sédir explores various methods of phytotherapy and plant magic, including the Paracelsian "transplantation of diseases," the secret ingredients of witches' ointments, and the composition of magical philters. In the third section of the book, Sédir offers a dictionary of magical plants that covers nearly 300 plant species with descriptions of their astral signatures, occult properties, and medico-magical uses. Compiled from an array of rare sources and esoterica, this classic text includes a wealth of additional materials and supplemental charts and diagrams drawn from Sédir's occult colleagues, all of whom adopted and expanded upon Sédir's pioneering system of plant correspondences.

The Luminous Incal

The duo of Alexandro Jodorowsky and Moebius lead us on a sensual and poetic journey, creating before us an erotic masterpiece. In "Angel Claws," frequent collaborators Alexandro Jodorowsky and Moebius ("The Incal," "The Eyes of the Cat") indulge their naughtier sides as they describe a young woman's quest for sexual awakening. Suggestive eroticism quickly evolves to metaphysical delirium.

Occult Botany

Art of He-Man and the Masters of the Universe

From the dawn of this century, Matt Leines has produced a steady flow of fine art to delight and confound viewers?drawings and paintings rich in color and detail?exploring the kaleidoscope of memory and outer zones of imagination. He possesses a workmanlike approach to symbolism and surrealism, the poet?s ability to realize longed-for images and a passion for theatrical sports. The world moves in patterns, faces unfixed, lines dancing across pyramid walls. Perspective is subservient to unique modernist iconography; his characters operate in a kind of abstract epic or post-Columbian codex that blurs pure myth and daily life.00Observant, vibrant, obsessively intricate and rippling with gnostic strength and humor, Leines? output reflects the 80?s pop culture of his New Jersey youth, highlights from the modern art playbook and a global range of graphic influences. He is master of lines and balance?the kind of kid born with a crayon gripped in his hand?who developed his talent through practice and study. This genius for drawing is supported by genuine sympathy for the mysteries of existing and an eye that ranges far and wide, past, present and future, real and unreal.00Leines lives and works in Brooklyn. He passed through other east coast visual centers, earned a degree from Rhode Island School of Design and spent a few years at Space 1026 in Philadelphia. Free News Projects published a retrospective monograph in 2008 titled, You Are Forgiven. His work has been shown at Deitch Projects, Clementine Gallery and The Hole in New York; Roberts and Tilton and New Image Art in Los Angeles; as well as international venues in Sweden, Italy, Spain, Greece and Japan.0.

The Incal: #2. John Difoool, class R detective

The Administration contacts Kyrii and Cibo, encouraging them to keep searching for the Net Terminal Gene which will stop the City from its intractable, chaotic growth. The Admin also warns them of the autonomous Safeguards, vicious entities that attempt to kill off any humans who access the Netsphere without the required Net Terminal Gene. Kyrii is attacked, and a group of humans who have settled on the outskirts of Toha Heavy Industries comes to his aid. Kyrii awakens with a newfound ability to read his surroundings, which allows him mere seconds to fend off an attacker lurking among the humans settlement. In the ensuing battle, Cibo makes a heavy sacrifice, but not before learning a startling truth about her traveling companion...

Vignettes from the Zenith City Archives

A mixture of humour, psychedelia, sex and space opera. The man from Ciguri is lost on an alternate Earth and desperately trying to find his way home, pursued by assassins sent on a vengeance mission by Sper Gossi.

BLAME! 2

Frank Castle, the one-man army known as the Punisher, has dedicated his life to waging war against the criminal underworld. But that isn't the whole story. In the tradition of "Wolverine: Origin," witness the true birth of the Punisher years before, as Frank Castle the man enters his third tour of duty in Vietnam, but leaves as a force of nature.

The Man from the Ciguri

A stylish, political adventure about a pair of hip clever teens who fool the world into believing they have superpowers. It is the 1960s. The Russians have the A-bomb, the H-bomb, and now the most terrifying weapon of all: a pair of psychically superpowered young people. Terrified and desperate, the US top brass scours from coast to coast in search of psychic Americans. Enter Dr. Isobel Santaclara,

an eccentric illusionist and grifter who has recruited two teenagers and trained them to trick the US government, the Russians, and the whole world into believing they are dangerous psychics. *The Skeptics* is a pre-punk period piece, an honest, unfuzzy, non-nostalgic look at the Cold War in DC.

The Punisher

Working closely with publisher Casterman and Moebius Production, Dark Horse now brings you Numa Sadoul's landmark interviews with Jean "Moebius" Giraud. The master reflects on his many lives as an artist and man, from his Heavy Metal breakthrough era to a year before his untimely passing. Numa Sadoul--whose exclusive fourteen-hour interview with Hergé in 1971 was the basis of the 2003 documentary *Tintin and I*--is known for his book-length conversations with such major comics figures as Jacques Tardi, André Franquin (Spirou), and Albert Uderzo (co-creator of *Astérix*). Edward Gauvin, translator of over three hundred graphic novels, brings us Sadoul's English-language debut, as he explores the mind of the maestro Moebius.

Skeptics

Peter Mendelsund has enjoyed years as a much-sought-after book cover designer and art director. Among the many recognizable jackets he has created are those for *The Girl with the Dragon Tattoo*; collections of the works of Joyce, Kafka, Dostoevsky, de Beauvoir, and Foucault; the contemporary works of Martin Amis, Tom McCarthy, Ben Marcus, Jo Nesbø, and James Gleick; and many more. All have greatly benefitted from the care and touch Mendelsund gave them. *Cover* abounds with Mendelsund's completed book jackets along with ephemera from his previously unseen creative method, including jacket sketches, interior art and editorial illustrations, and scores of rejected drafts. These images are punctuated by Mendelsund's reflections on his work and his process, as well as by texts from writers with whom he has worked and designed for. *Cover* is a compendium of beautiful design and a beautiful design object itself; a profile and celebration of one of the publishing world's most talented and prolific contemporary creators, and a brilliant showcase of his deft touch for balanced and innovative design.

Doctor Moebius and Mister Gir

From its opening pages, *Ant Colony* immerses the reader in a world that is darkly existential, with false prophets, unjust wars, and corrupt police officers, as it follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all too familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns--loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws.

The New Dream

The fantasy art of Charles Vess is acclaimed worldwide, his rich palette, striking compositions, and lavish detail second to none. Vess created memorable works for such best selling fantasy authors as Neil Gaiman, Susanna Clarke, Charles De Lint, and George R. R. Martin, as well as a who's-who list of publishers and clients. His art is breathtakingly singular while recalling the golden age of illustration, when paint and brush were the vessels that carried readers to distant lands, bygone ages, and realms of the imagination. Featuring a foreword by Susanna Clarke, author of Jonathan Strange & Mr Norrell.

Moebius 1/2

Jodorowsky and Mœbius's internationally bestselling Sci-Fi saga THE INCAL comes to its phenomenal finale! Lowly class 'R' detective John Difool and his faithful companion, Deepo, are unwillingly hurled into yet another universe-saving mission, as their world is faced with the threat of an all-devouring metallic virus. Visionary storyteller Jodorowsky returns to the epic mythology he created with the late Mœbius in the early 80s. For the conclusion of the legendary spiritual space adventure series, he partners with Eisner-winning artist Ladrönn.

Final Incal

Collects the first three sold-out monographs by Swedish illustrator, Kilian Eng.

Object Compendium

A collection of the dream-like science-fiction images and visual storytelling techniques of Jean Giraud ("Moebius"), including his wordless "pantomime" work and the character Arzach.

Arzach

The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difool as he searches for the precious and coveted Incal.

The Fifth Essence - Planet DiFool

The duo of Alexandro Jodorowsky and Moebius lead us on a sensual and poetic journey, creating before us an erotic masterpiece. In "Angel Claws," frequent collaborators Alexandro Jodorowsky and Moebius ("The Incal," "The Eyes of the Cat") indulge their naughtier sides as they describe a young woman's quest for sexual awakening. Suggestive eroticism quickly evolves to metaphysical delirium.

Angel Claws

The unauthorized biography of Canada's most famous artist couple and the rivalry that drove them. She painted as if with pure light, radiant colours making quotidian kitchen scenes come alive with sublimated drama. He painted like clockwork, each stroke precise and measured with exquisite care, leaving no angle unchecked and no subtlety of tone unattended. Some would say Mary Pratt was fire and Christopher, ice. And yet Newfoundland's Frida Kahlo and Diego Rivera (or Jackson Pollack and Lee Krasner...) presented their marriage as a portrait of harmony and balance. But balance off the canvas rarely makes great art, and the Pratts' art was spectacular. As a youth at Mount Allison University in New Brunswick, Mary pursued her future husband, a prodigious art talent, and supported his determination to study painting instead of medicine. They married and removed themselves to a Newfoundland outport where his painting alone provided the means to raise a family. But as Mary's own talents became evident and she sought her own hours at the easel, when not raising their four children, and as rumours of Christopher's affair with a young model spread, the Pratts' harmonious exterior slowly cracked, to scandal in Newfoundland and fascination across the country. A marriage ended, and gave way to a furious competition for dominance in Canadian art.

Art and Rivalry

In this Middle Grade foray into the 80's-nostalgia hit series from Netflix, when Erica's frenemy loses track of her mother's prized Parakeet, the two will have to work together to return the bird safe and sound, or deal with the consequences. They learn that even the toughest and smartest people need a little help now and then. Hawkins Indiana has been plagued by strange events for years now. With the Starcourt Mall's recent destruction, Erica has lost her favorite hangout spot and her "free Ice cream for life" deal at Scoops-Ahoy. To make matters worse, her brother is too busy for her and her mom won't let her play Dungeons and Dragons anymore. This is the story of an ambitious, bossy, brilliant ten-year-old dealing with boredom and the complexities of maintaining friendships through tough times. Written by Greg Pak (Stranger Things: Zombie Boys, Stranger Things: The Bully, Ronin Island) and Danny Lore (Queen of Bad Dreams, James Bond) with art by Valeria Favoccia (Stranger Things: Zombie Boys, Assassin's Creed), colors by Dan Jackson, and letters by Nate Piekos.

Stranger Things: Erica the Great (Graphic Novel)

The hilarious and epic early adventures of John DiFool and his concrete seagull, Deepo.

Before the Incal

The Complete adventures of John DiFool continue as the investigation into the mysterious birth rate in the Red Ring continues. In this volume, John stumbles across several overwhelming obstacles including the involvement of the Prez, the robocops, and the Techno pope in a grand conspiracy, becoming a professional detective and falling in love. If all of this wasn't enough, this volume of the series also features tons of actions and the deaths of several characters. A must-read chapter in one of the most acclaimed sci-fi stories in the world.

Virtual Meltdown

A visual tour-de-force graphic novel from artist and writer Dave McKean (Black Dog, The Sandman). The Raptor, Sokol, flickers between two worlds: a feudal fantastical landscape where he must hunt prey to survive, and Wales in the late 1800s where a writer of supernatural tales mourns the passing of his young wife. He exists between two states, the human and the hawk. He lives in the twilight between truth and lies, life and death, reality and the imagination. World Fantasy, Harvey, British Science Fiction Association, and V+A Book Award winner Dave McKean's first creator-owned character is a wandering spirit for our times. This deluxe, oversized hardcover edition with an exclusive signed tip-in illustration is perfect for fans of Dave McKean's beautiful art who want to experience Raptor in large-scale glory.

The Incal: #1. Orphan of the city shaft

This massive collection features three classic Halo tales by some of the best writers and artists in comics. Halo: Uprising follows the Master Chief as he single-handedly takes on the Covenant's miles-long Forerunner Dreadnought as it makes its way to Earth! Then, join the ranks of the UNSC's meanest, most battle-hardened Marines in Helljumper, as a group of ODST respond to a remote science colony's SOS call and discover an enormous Covenant military presence! Finally, a UNSC ship encounters a strange phenomenon that sends it plummeting toward an unknown planet. The Spartan Black fireteam needs to unlock the secrets of an ancient Forerunner installation if they're going to survive the experience but, to complicate matters, they're not the only ones shipwrecked. Check out their story in Halo: Blood Line!

Raptor: a Sokol Graphic Novel Limited Edition

Sticky Monsters

Carbon and Silicon are the first of a new generation of robots meant to care for the aging human population. Raised in the protective cocoon of a laboratory, they are eager to discover the outside world but are dramatically separated during an escape attempt. Lost and alone, they will gather three centuries' worth of experiences, observing the last gasps of humanity facing the ecological, economic, and social disasters that they themselves have created. Faced with this declining world, will Carbon and Silicon manage to find their place? Born in a laboratory in Silicon Valley, two androids named Carbon and Silicon will witness the evolution of humanity. From this dawn of true artificial intelligence, the pinnacle of human achievement, they will directly witness ecological, economic, and cultural crises that alter civilization as we know it. Through their eyes, we rediscover our planet as it reaches the point of no return. The latest project by celebrated author Mathieu Bablet, this ambitious work addresses themes separating artificial intelligence from humanity. A fable about the ravages of capitalism and the illusion of transhumanism. A cautionary tale spanning 300 years of frighteningly plausible future scenarios.

Framed Drawing Techniques

BLAME! 2

Journey through the countryside in this magical realist debut from an underground Chinese cartoonist. In *Night Bus*, a young woman wearing round glasses finds herself on an adventurous late night bus ride that constantly makes detours through increasingly fantastical landscapes. Meanwhile a young cartoonist returns home after art school and tries his hand at becoming a working artist while watching over his aging grandmother whose memory is deteriorating. Nostalgic leaps take us to an elementary school gymnasium that slowly morphs into a swamp and is raided by a giant catfish. Beetles,

salamanders, and bug-eyed fish intrude upon the bus ride of the round-glasses woman as the night stretches on. *Night Bus* blends autobiography, horror, and fantasy into a vibrantly detailed surreal world that shows a distinct talent surveying his past. Nature infringes upon the man-made world via gigantism and explosive abundance—the images in *Night Bus* are often unsettling, not aimed to horrify, but to upset the balance of modern life. Zuo Ma is part of a burgeoning Chinese art comics scene that pushes emotion to the forefront of the story while playing with action and dreams.

The Metaborans

Moebius draws himself encountering his favorite characters--creations like Blueberry, Arzak, and Major Grubert--and also meets a younger version of himself! Working closely with Moebius Production in France, Dark Horse presents *Inside Moebius*, A six-part study with *Inside Moebius Part 1* collecting the first two chapters in this fantastic exploration of a creator meeting his own creations. Dark Horse will release all parts to this exceptional, intimate series in 2018! This is the third volume in the Moebius Library hardcover series and the beginning of Moebius's most intensely personal project.

Criminal Deluxe Edition, Volume 3

This collection of Chris Samnee's *Daredevil* presents three versions of the work. The first book presents *Daredevil* Issues 23 - 27 in original art. Additionally, all of Chris' beautiful layouts will be printed here, again, scanned from the original art. The second book is a horizontal softcover, printing all Mark Waid's scripts. Lastly, Samnee's artistic technique involves drawing thumbnail breakdowns on the script pages themselves, so there is a third artistic version.

Night Bus

Working closely with Moebius Productions in France, Dark Horse is putting the work of a master storyteller back in print--with some material in English for the first time! Stel and Atan are interstellar investigators trying to find a lost space station and its crew. When they discover the mythical paradise planet Edena, their lives are changed forever. The long out-of-print *Edena Cycle* from Moebius gets a deluxe hardcover treatment! Moebius's *World of Edena* story arc is comprised of five chapters--*Upon a Star*, *Gardens of Edena*, *The Goddess*, *Stel*, and *Sra*--which are all collected here. A storyboard artist and designer (*Alien*, *Tron*, *The Fifth Element*, among many others) as well as comic book master, Moebius's work has influenced creators in countless fields. "Moebius is a master draftsman, a superb artist, and more—his vision is original and strong." —George Lucas

Moebius Library: Inside Moebius Part 1

The Complete adventures of John Difoole continue as the investigation into the mysterious birth rate in the Red Ring continues. Chris Samnee's Daredevil

The work of a visionary and iconoclastic feminist cartoonist—available in English for the first time *The Sky is Blue with a Single Cloud* collects the best short stories from Kuniko Tsurita's remarkable career. While the works of her male peers in literary manga are widely reprinted, this formally ambitious and poetic female voice is like none other currently available to an English readership. A master of the comics form, expert pacing and compositions combined with bold characters are signature qualities of Tsurita's work. Tsurita's early stories "Nonsense" and "Anti" provide a unique, intimate perspective on the bohemian culture and political heat of late 1960s and early '70s Tokyo. Her work gradually became darker and more surreal under the influence of modern French literature and her own prematurely failing health. As in works like "The Sky is Blue with a Single Cloud" and "Max," the gender of many of Tsurita's strong and sensual protagonists is ambiguous, marking an early exploration of gender fluidity. Late stories like "Arctic Cold" and "Flight" show the artist experimenting with more conventional narrative modes, though with dystopian themes that extend the philosophical interests of her early work. An exciting and essential gekiga collection, *The Sky is Blue with a Single Cloud* is translated

by the comics scholar Ryan Holmberg and includes an afterword cowritten by Holmberg and manga editor Mitsuhiro Asakawa delineating Tsurita's importance and historical relevance.

Moebius Library: The World of Edena
