The American Hymn and Tune Book: Containing Nearly 1000 Hymns

A comprehensive collection of hymns both old and new, The American Hymnal is a must-have for any church or music lover. Edited by Harry Emerson Fosdick and William James Dawson, two of America's foremost theologians and hymnwriters, this book features more than 600 hymns and anthems, including many beloved classics as well as some lesser-known gems. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The American Vocalist

This helpful resource provides extensive information about each hymn in The Presbyterian Hymnal (1990)--background detail about hymn origins, publication history, authors, translators, composers, and arrangers. Stories about some of the hymns are also included. An excellent handbook that supplies information useful for a variety of purposes.

Liturgical Hymns Old & New

The American Vocalist:

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, Wonderful Words of Life explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of

African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J. Mouw Mark A. Noll Felicia Piscitelli Robert A. Schneider Rochelle A. Stackhouse Jeffrey VanderWilt

The American Hymns and Tune Book

This handy songbook is filled with the words, music, history, and chords of your favourite old-time camp meeting hymns, spirituals, and gospel songs.

The American Hymnal

Nearly all religious traditions have reserved a special place for sacred music. Whether it is music accompanying a ritual or purely for devotional purposes, music composed for entire congregations or for the trained soloist, or music set to holy words or purely instrumental, in some form or another, music is present. In fact, in some traditions the relation between the music and the ritual is so intimate that to distinguish between them would be inaccurate. The A to Z of Sacred Music covers the most important aspects of the sacred music of Buddhism, Christianity, Confucianism, Hinduism, Islam, Judaism, and other smaller religious groups. It provides useful information on all the significant traditions of this music through the use of a chronology, an introductory essay, a bibliography, appendixes, and hundreds of cross-referenced dictionary entries on major types of music, composers, key religious figures, specialized positions, genres of composition, technical terms, instruments, fundamental documents and sources, significant places, and important musical compositions.

The Presbyterian Hymnal Companion

From the moment the pilgrims landed on the shores of the New World, to the dark days following September 11, songs of faith have inspired, comforted, and rallied our beloved country. Stories Behind the Hymns That Inspire America describes the people, places, and events that have shaped the heart and soul of America. The stories behind these songs will fascinate you and bring new meaning and richness to special spiritual moments in the history of our nation. Discover how: § “Faith of Our Fathers,” sung at Franklin Delano Roosevelt’s funeral, had its roots not with the pilgrims but with a Catholic fighting for the right to worship freely in Anglican England § World events, from the downing of Flight 007 in Russian airspace to Desert Storm and September 11, propelled Lee Greenwood’s “God Bless the U.S.A.” § The author of “Battle Hymn of the Republic” lived the words “His truth is marching on” until the day she died § Combining African rhythms and southern folk melodies, slaves brought Bible truths to life with songs such as “Roll, Jordan, Roll” The songs in this book have energized movements, illuminated dark paths, commemorated historic events, taken the message of freedom and faith across this nation and beyond, healed broken spirits, and righted wrongs. Their stories will make you proud of your heritage as you realize anew that in America, even one voice can make a lasting influence.

The American Hymn And Tune Book: Containing Nearly 1000 Hymns: Adapted To 280 Popular And Useful Tunes, Ancient And Modern

William Penn's promise of religious freedom brought many diverse religious groups to Pennsylvania in the 17th and 18th centuries. Each brought pre-existing hymns and hymn tunes, but many also wrote original texts and music. This book examines the hymns of the 1694 Wissahickon settlement under Johannes Kelpius, the 18th century Ephrata Cloister of Conrad Beissel, and the hymn life of the Bethlehem Moravian Unitas Fratrum. Among the later writers of hymn text or music selected for this study are William Kirkpatrick, John Wyeth, William Gustavus Fischer, Francis Hopkinson, Eleanor C. Donnelly, and many more. Sample texts are included for many hymns, and six musical scores are reproduced. Of special interest are the earliest texts and music from the Wissahickon and Ephrata communities. Pennsylvania's hymn background is unique and compelling. The stories of the writers and their hymns should appeal to anyone interested in hymns, theology, music, or American history. Dr. Lucy E. Carroll is currently organist and choir director at the Carmelite Monastery in Philadelphia, and Adjunct Associate Professor at Westminster Choir College in Princeton NJ. She was appointed Scholar in Residence by the PHMC for the Ephrata Cloister site, and she has served as a PHC Commonwealth Speaker. She is Research Chair for the Kelpius Society of Philadelphia. Her articles on music have appeared in many journals and periodicals, and her Churchmouse Squeaks cartoons appear monthly in the Adoremus Bulletin. The recipient of numerous awards and honors, Dr. Carroll has served as

organist, conductor, theatre director, educator, music coordinator, clinician and guest speaker. She chaired the music segment of the 1992 International Conference on Arts and Communication at St. John's College, Cambridge, England and was awarded the International Order of Merit.

Wonderful Words of Life

The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs. With background on the composer, the inspiration behind the lyrics, scriptural references for devotional consideration, and a sampling of the song lyrics, this book brings forth the message of these great songs of the faith like never before!

Hymns of the Old Camp Ground

URL: <https://www.areditions.com/rr/rra/a071.html> The eight Little House books by Laura Ingalls Wilder (1867-1957), anchored in her family's history and filled with memories of frontier life, are cornerstone classics in American children's literature. Embedded in them are citations to 127 pieces of music--from parlor songs, stage songs, minstrel show songs, patriotic songs, Scottish and Irish songs, hymns and spirituals, to fiddle tunes, singing school songs, play party songs, folk songs, broadside ballads, catches and rounds. No books in American literature of comparable standing and popularity feature America's vernacular music so centrally, assign it such a major narrative role, and index it in such rich abundance. This edition is a reconstruction of "the family songbook," based on the music referenced in Wilder's books. Although no such object ever existed, her representations of music-making have likely informed the imaginations of more Americans than many a paper-and-bindings anthology, for what millions of readers have come to know about America's musical heritage is what they learned from the Little House books--the titles and lyrics to songs; how songs and tunes functioned; where they were heard; what they meant; the importance of music to individuals, families, and communities. Wilder's references and her evocative images of music-making thus form the basis of understanding about "American music" to many readers. The Ingalls Wilder Family Songbook is an effort to give fresh voice and sound to the music inscribed in these great books and new appreciation about how music functioned during a place and time important in American history and mythology.

Best of American Country Hymnal

Displays of devout religious faith are very much in evidence in nineteenth-century sentimental novels such as *Uncle Tom's Cabin* and *Little Women*, but the precise theological nature of this piety has been little examined. In the first dedicated study of the religious contents of sentimental literature, Claudia Stokes counters the long-standing characterization of sentimental piety as blandly nondescript and demonstrates that these works were in fact groundbreaking, assertive, and highly specific in their theological recommendations and endorsements. *The Altar at Home* explores the many religious contexts and contents of sentimental literature of the American nineteenth century, from the growth of Methodism in the Second Great Awakening and popular millennialism to the developing theologies of Mormonism and Christian Science. Through analysis of numerous contemporary religious debates, Stokes demonstrates how sentimental writers, rather than offering simple depictions of domesticity, instead manipulated these scenes to advocate for divergent new beliefs and bolster their own religious authority. On the one hand, the comforting rhetoric of domesticity provided a subtle cover for sentimental writers to advance controversial new beliefs, practices, and causes such as Methodism, revivalism, feminist theology, and even the legitimacy of female clergy. On the other hand, sentimentality enabled women writers to bolster and affirm their own suitability for positions of public religious leadership, thereby violating the same domestic enclosure lauded by the texts. *The Altar at Home* offers a fascinating new historical perspective on the dynamic role sentimental literature played in the development of innumerable new religious movements and practices, many of which remain popular today.

Stories Behind the Hymns That Inspire America

Essays by scholars from around the world explore the means by which music's long-acknowledged potential to persuade, seduce, indoctrinate, rouse, incite, or even silence listeners has been used to advance agendas of power and protest.

The Hymn Writers of Early Pennsylvania

The great hymns keep on giving strength, bolstering faith. They endure because they "build on the human heart." As do these meditations based on seventy favorite hymns and gospel songs. Sometimes they beckon, softly and tenderly; sometimes they pierce like a trumpet call. Like the hymns, the readings in this books may herald tidings of comfort and joy. Rephrase an old, old story. Remind us that Jesus loves us and bids us to shine. Testify to God's amazing grace. Prompt us to fall on our knees, to lift up every voice. Some of them tie a song's origin to its message. Many weave in moments of epiphany: How and when did a particular hymn touch someone's spirit? All of them lead you to consider God's Word as you face daily victories and challenges. There's something extraordinary about these devotional readings by Evelyn Bence. Put yourself in the hands of a masterful storyteller--who knows how to draw you in and draw you near.

The Complete Book of Hymns

Excerpt from Hymn and Tune Book for the Church and the Home This book is a revised edition of the Hymn and Tune Book published by the American Unitarian Association in 1868. The hymns and tunes that could best be spared are replaced by hymns and music, new and old, gathered from the ample resources supplied within the last ten years by. Composers and compilers of all denominations in England and America. To all whose contributions and labors have helped to enrich this book, our obligations are gratefully acknowledged. While many hymns have been restored to their original text, some slight changes, established by familiar usage, have been accepted without note. Hymns with substantial variations from the original are indicated by the Sign Jr attached to the author's name. The collection has been made catholic and inclusive for varying moods and experiences, and for manifold phases of thought. Its aim is to present within moderate Size, and with appropriate music, the best hymns in the English tongue. To all who desire, with Jesus of Nazareth, to worship one God as Father, believing that the substance of all true religion is love to God and man, this book is respectfully offered. The Ingalls Wilder Family Songbook

For too long, scholars have published new research on Edwards without paying due attention to the work he took most seriously: biblical exegesis. Edwards is recognized as an innovative theologian who wielded tremendous influence on revivalism, evangelicalism, and New England theology. What is often missed is how much time he devoted to studying and understanding the Bible. He kept voluminous notebooks on Scripture and died with unrealized plans for major treatises on the Bible. More and more experts now recognize the importance of this aspect of his life; this book brings together the insights of leading Edwards scholars on this topic. The essays in *Jonathan Edwards and Scripture* set Edwards' engagement with Scripture in the context of seventeenth-century Protestant exegesis and eighteenth-century colonial interpretation. They provide case studies of Edwards' exegesis in varying genres of the Bible and probe his use of Scripture to develop theology. The authors also set his biblical interpretation in perspective by comparing it with that of other exegetes. This book advances our understanding of the nature and significance of Edwards' work with Scripture and opens new lines of inquiry for students of early modern Western history.

Spiritual Moments with the Great Hymns

Winner of the ASCAP Nicolas Slonimsky Award for Outstanding Musical Biography The musical landscape of New York City and the United States of America would look quite different had it not

been for William Schuman. *Orpheus in Manhattan*, a fully objective and comprehensive biography of Schuman, portrays a man who had a profound influence upon the artistic and political institutions of his day and beyond. Steve Swayne draws heavily upon Schuman's letters, writings, and manuscripts as well as unprecedented access to archival recordings and previously unknown correspondence. The winner of the first Pulitzer Prize in Music, Schuman composed music that is rhythmically febrile, harmonically pungent, melodically long-breathed, and timbrally brilliant, and Swayne offers an astute analysis of his work, including many unpublished music scores. Swayne also describes Schuman's role as president of the Juilliard School of Music and of Lincoln Center, tracing how he both expanded the boundaries of music education and championed the performing arts. Filled with new discoveries and revisions of the received historical narrative, *Orpheus in Manhattan* confirms Schuman as a major figure in America's musical life.
