Searching for Eden

"As one critic wrote about Searching for Eden: "In the beginning--and throughout the play--here was laughter. And the audience found it good." More than a hundred years after Mark Twain wrote his own short stories about Adam and Eve, James Still combines those stories for Act One of Searching for Eden, and then imagines Adam and Eve in the present day for Act Two to create this completely original and contemporary play about the world's first love story. Act One takes place at the dawn of time in the Garden of Eden. In the imaginations of Still and Twain, the Garden of Eden is a place where the battle of the sexes begins, where language is deliciously invented, and where loneliness and heartbreak are poignantly discovered. After intermission, we jump forward to the present day--but Adam and Eve have only aged into their 40s and are dealing with middle age and the distractions of high-power careers. Adam has surprised Eve with this trip back to Eden (a last-minute vacation package Adam found on the Internet) as an anniversary gift. The "first couple" returns to present-day Eden (now an upscale resort simply called "E") in an attempt to recapture the primal passions of their youth. While Act One is about childhood, discovery, and new love--Act Two is about middle age, rediscovery and trying to make old love new again. At its heart, Searching for Eden is about the pleasures and terrors of knowing one person--and being known by that person--for a long, long time."--Publisher's website.

Still Searching for Eden

What happens if you combine history with the personal thoughts from a couple's lifelong diary and journal entries and the creative writings of a modern-day—ahem—author? This is exactly what you will discover within the pages of this story. Come and take a trip through a combination of songs, poetry, personal thoughts, and a small expedition through a few historical events that you may not have learned about in school. It all begins with the renovation of an old Victorian house built in 1904 in Paris, Texas. This is book number 2 in the Still Searching series currently underway by Mr. Murray.

Searching for Eden

Miranda approaches her twenty-seventh birthday determined to reinvent her life and settle down, but Joseph North, the chief of police in Abingdon, Virginia, becomes suspicious of her after finding a baby picture of his niece in her possession.

In Search of Eden

More Heart-Gripping Fiction From Bestselling Author Linda Nichols A girl who has never been able to settle down, Miranda begins various adventures, but whenever reality begins to tarnish her dreams, she gives up. As she approaches her twenty-seventh birthday, she determines to reinvent her life. But there's one loose end to tie down first... Joseph Williams, the chief of police in Abingdon, Virginia, always tries to do what is right, to perform his duty and protect those he loves. He becomes suspicious of the new woman in town, and after checking further, he discovers she has no history. Then he finds a

baby picture of his niece in her possession... In Search of Eden is a story about law and grace, about forgiveness and redemption, about finding joy and rest in a broken world.

In Search of Eden (The Second Chances Collection Book #2)

The gates to paradise were closed many years ago and yet our search for Eden continues: a hoping and yearning to find a place to call home... a place in which we can thrive. Helen Cottee takes us on a unique journey to seek and build places we can call home, offering tools for us to transform the world we already dwell in.

Searching for Eden

A “certainly weird . . . strangely wonderful . . . [and] often irresistible” search to find the real Garden of Eden (The New York Times Book Review). Where, precisely, was God’s Paradise? St. Augustine had a theory. So did medieval monks, John Calvin and Christopher Columbus. But when Darwin’s theory of evolution changed our understanding of human origins, shouldn’t the desire to put a literal Eden on the map have faded away? Not so fast. This “gloriously researched, pluckily written historical and anecdotal assay of humankind’s age-old quixotic quest for the exact location of the Biblical garden” (Elle) explores an obsession that has consumed scientists and theologians alike for centuries. To this day, the search continues, taken up by amateur explorers, clergymen, scholars, engineers and educators—romantic seekers all who started with the same simple-sounding Bible verses, only to end up at a different spot on the globe: Sri Lanka, the Seychelles, the North Pole, Mesopotamia, China, Iraq—and Ohio. Inspired by an Eden seeker in her own family, “Wilensky-Lanford approaches her subjects with respect, enthusiasm and conscientious research” (San Francisco Chronicle) as she traverses a century-spanning history provoking surprising insights into where we came from, what we did wrong, and where we go from here. And it all makes for “a lively journey” (Kirkus Reviews).

Paradise Lust

Eden or paradise is not a place, nor has it even been a place, but rather is a metaphor for an inner experience of a paradisaical state of inner unity. It is the home we miss and long for, and yet it is the home we have never left, nor has 'It' ever left us..

Finding Our Way Back to Eden

The second book in the Acadia Duology, a forbidden friends-to-lovers romance, from the New York Times bestselling author of the TikTok sensation ARCHER'S VOICE. When the world as you know it has ended, when all that you love has been washed away, where do you find strength? Calder and Eden are free from the stifling grasp of Acadia, but the new world they've stepped into is just as isolating. Each convinced the other died in the flood that decimated their community, they're forced into modern life, hearts broken, futures unclear. After all they sacrificed to be together, a life without one another, forever haunted by grief and memories, seems impossible to bear. But they do bear it. They survive. And when they meet by chance years later, happiness, for once, finally seems within their grasp. Still, the past is a bright, burning pain between them, and Calder and Eden cannot truly move on until they lay it to rest. With Acadia's story forced into the public eye and dangerous questions mounting, the two must untangle the truths of the life they came from to discover who they are and who they might become together. Only, what they discover might drown them for good. Praise for Mia Sheridan: 'The bible to how to write a good, convincing love story' L.J. Shen 'There is no love story like a Mia Sheridan love story' A.L. Jackson

In Search of Eden

Garden of Eden Cherubim Sacred Sword Ancient Secrets Feel-good YA Fantasy Aussie Sheep Farm – wait...what? Long ago, Eden was moved to keep it safe from fallen civilisation. Who are the Cherubim that guard it now? In the heart of the lands now known as Australia, an ancient gateway is kept hidden and safe by a creature so powerful even the moon would obey her commands – at least it would if she had any idea that she wasn’t just a normal girl about to finish high school. When a mining company starts to explore the area, Lainie finds out just how far she will go to keep them away from the land she was born to serve.

Finding Eden

A group of strangers. An unusual place. A Disembodied Voice. Heaven On Earth? I don't think so.

The Sentinels of Eden (complete series)

Book two in the Eden series. Handsome, angry and spoiled, Danny Carlow struggles to find his place in the world when his hatred for authority makes survival difficult. The only thing keeping him from completely giving up and turning to a life of crime is his friendship with clean-cut Paul Mattling. More than his conscience and best friend, Paul's also the one Danny secretly pines for with every ounce of his being. Paul is a natural over-achiever with a football scholarship and straight A's to boast about. Yet he's haunted by an abusive childhood that's left him more scarred than anyone realizes. Looking for an escape from his demons, Paul has his own deviant secrets, ones he doesn't want anyone, especially Danny, to know about. When dark desires are accidentally revealed, Danny and Paul end up coming together in a clash of wild passion more tumultuous than either of them could have anticipated. Tasting the forbidden is sweet, but it turns the tables on their relationship, putting everything, even their lifelong friendship, in jeopardy.

Eden's Children

Dr. Warren is confident that he has succeeded in solving the problem where the human race originated, or where the Garden of Eden was. Not a few will be startled to learn that the cradle of the human race was at the North Pole, but Dr. Warren sustains this theory with a surprising array of evidence, and this in turn throws much light on the most vital of the current problems of biology, terrestrial physics, ancient cosmology, comparative mythology, primeval history, scientific anthropology, and Hebrew and Ethnic tradition. Dr. Warren has given to this work the study of many years, and writes with an enthusiasm and assurance of victory which make his volume exceedingly interesting.

Finding Eden

ADAM AND EVE IN THE GARDEN OF EDEN: A BIBLE-BASED STUDY CONCERNING FREE WILL, HUMAN NATURE, AND THE FALL OF MAN presents an extremely insightful and long overdue look into what really happened in the Garden of Eden. Using the BIBLE as its irrefutable source, this book digs deeply into what the BIBLE actually tells us about the events that occurred there. Every school child knows the story of Adam and Eve, the fruit, the temptation of the serpent, and the expulsion from the Garden of Eden. The story of what happened in that paradise is often presented as a fairy tale, an ancient parable, or a story not relevant to the rest of the BIBLE. But such misreadings are a mistake, for what happened in the Garden of Eden is completely relevant to everyone, and this story's underlying message is urgently needed in the world of today more than ever. By understanding the lessons learned from Adam and Eve's time with God in the Garden of Eden, we can gain clear insights into the nature of free will, the essence of what it means to be a human being, why our world is in its current state, why paradise was lost, and, perhaps most importantly, how paradise can be regained. The deeper lessons from the Garden are rarely discussed or even explored - and these lessons seem to have been forgotten by most people in the modern age, for it does not seem to be understood that woven into this ancient world narrative are golden strands of wisdom that thread themselves into a map that can lead us to eternal treasures of spiritual wisdom, and, ultimately, on a path back to a life - and a world - that is truly the paradise that God intended us to have. Here at last is a book that answers the most difficult questions about this story: Why, exactly, did God create Adam and Eve? What beings existed before humans? How do we know the serpent was the Devil? What methods of deception did the Devil use to trick Adam and Eve? Who are the people who were living in Nod when Adam and Eve were expelled from the Garden? Who is to blame for the Fall of Man: Adam, Eve, or the Devil? Since humans are not perfect, did God make a mistake when He made humans? Since the Devil is evil, did God make a mistake when He created the Devil? Why is there so much evil in world? What, exactly, is free will? Where is the Garden of Eden? Does the Garden still exist? Why is this story relevant today? Here at last is a book that provides crystal-clear, definitive answers to each of these perplexing questions. The answers to many of these questions will surprise you, inspire you, and remove any doubts you have ever harbored concerning God's plans for this world and for you. In this book's discussions you will find your faith in God and His plan raised to new levels as each of these issues - and so much more - is addressed definitively by finding the answers that are based on the BIBLE and that are found in the BIBLE - for this book is BIBLE-based, meaning that the BIBLE is the source for the information discussed here. Only by sticking to the BIBLE and adhering to a close reading of its actual words can we be certain to attain clarity in our discussion of what is actually said in the BIBLE itself. It is the

sincere purpose of this book to take a deep look at what really happened in the Garden of Eden and what it means for us today. As you read this book, the BIBLE is quoted directly, and the excerpts under discussion are reprinted in bold (not in hard-to-read italics or red text or in microscopic footnotes) for your convenience so you do not have to close this book and go searching through your BIBLE to find the lines as they are referenced, nor do you have to flip around to other pages in this book to locate passages. This book focuses on Chapters 2 and 3 of Genesis, and these chapters are printed in their entirety within the in-depth, line-by-line discussion of the text itself, a discussion that will transform your life for the better forever.

Paradise Found

In 1929 an infant boy dies. From this tragedy a mystery is born that his mother, Sophie Zeitman, will never solve. Her husband, Jack, responds to his son's death by angrily rejecting Sophie. After a time, a traveler from Sitka, Alaska appears in their neighborhood. Although Sophie's love for Jack endures, she is forced to make a critical decision. Her father, wise and gentle Israel Mikaelov, intuits her dilemma. "Show me Alyosha, Papa," she says. At this same time, Jack's feelings for Sophie surface once again. Alyosha mysteriously leaves. Mikael is born. One day toward the end of her life, Sophie's sixteen year old grandson, Ira, discloses a terrifying experience to her. Seeing that he is on the threshold of needing to make his own difficult decisions, she reveals her unsolved secret for the first time. Sophie's strength is her guiding spirit. Through mere suggestion she imparts the truth that time on earth is finite and should be made valuable. In addition, she eases all the lives she touches into searching for the light that exists in every dark corner. This belief never wavers even though she is burdened by her secret that could immobilize any other person. And then there's the non-poker-playing foursome Sophie, Blanche, Maggie, and Gertie who, for over fifty years, trade barbs and insults, penetrate each other's souls, and rock with laughter over things they would never reveal to anyone else. The cards always remain undealt. In the end, is Sophie's mystery solved by one of the remaining foursome? Now Sophie is eighty-two years old and is in the last stages of Alzheimer's disease. She has lost her orientation to time and memory. The Last Syllable probes the idea of time and how people structure their lives as time moves inexorably forward. The Last Syllable proposes that even though Sophie's recorded time has expired, this is not the end of her story.

Searching for New Eden

Miranda approaches her twenty-seventh birthday determined to reinvent her life and settle down, but Joseph North, the chief of police in Abingdon, Virginia, becomes suspicious of her after finding a baby picture of his niece in her possession.

The Holy Spirit Unveiled

WHAT IF YOUR WHOLE LIFE WAS A LIE ... 18-year-old Eden Pruitt stepped out of line just once. Unfortunately, that disastrous decision ended with an arrest, a mug shot, and two very concerned parents. Now they're starting over. In Iowa, of all places. On the cusp of her senior year, of all times. The situation isn't ideal but she'll have to manage. The change of address was her fault, after all, and she isn't going to make this harder on her parents. But life in Iowa turns strange fast. Odd things are happening and Eden has no idea what any of it means. Then she comes home from her first day of school to a ransacked house and the nightmare officially begins. Her parents are missing. She believes

something horrible has happened to them. But nobody believes her. Except for a mysterious stranger who is as dangerous as he is enticing.

In Search of Eden

In his trailblazing studies of the spirit in Jewish and Christian Antiquity, John R. (Jack) Levison shatters theological and exegetical taxonomies. Should the spirit be understood as breath or Spirit--or both? Is the spirit directed to creation or salvation--or both? Is the spirit a force or an angel--or both? Does the spirit inspire ecstasy or wisdom--or both? When Levison transfers the starting point of pneumatology from the New Testament to the Hebrew Bible, from Christianity to Judaism, questions swell, assumptions detonate, and expectations flourish. Consequently, Levison's studies are considered "impressive and provocative" (Review of Biblical Literature), "delightful, engaging" (Catholic Biblical Quarterly), "compelling, eloquent, sensitive" (Word and World), and "a remarkable read" (Themelios), with "profound ramifications for both Jewish and New Testament Studies" (Journal of Jewish Studies). Now, for the first time, selections of his breathtaking array of studies are available in three accessible volumes. This volume, in which you will discover some of the programmatic studies Levison published on the biblical literature of both testaments, reveals why Reading Religion: A Publication of the American Academy of Religion forecasts that "Levison will continue to be at the center of our most fruitful discussions of pneumatology."

The Fabrication of Eden Pruitt

After the tragic loss of her fiancé, Eden Sommers heads to Mercer Island, the one place she's always found peace. Instead of solace, she finds herself tormented by questions and a determination to find out what really happened to the man she loved. Romance is the last thing on her mind when she meets a man who reminds her of her fiancé. Although she's attracted to the sexy stranger, she can't help but be on guard. Is it possible to find love again, especially when her new love is keeping secrets?

In Search of the Spirit: Selected Works, Volume One

The lives of a middle-aged doctor and a love-struck young woman intersect across time in *Sleeping in Eden*, Nicole Baart's haunting novel about love, jealousy, and the boundaries between loyalty and truth. On a chilly morning in the Northwest Iowa town of Blackhawk, Dr. Lucas Hudson is filling in for the vacationing coroner on a seemingly open-and-shut suicide case. His own life is crumbling around him, but when he unearths the body of a woman buried in the barn floor beneath the hanging corpse, he realizes this terrible discovery could change everything. Lucas is almost certain the remains belong to Angela Sparks, the missing daughter of the man whose lifeless body dangles from a rope above. When Angela went missing years earlier, he and his wife never really believed she was just another teenage runaway. Fueled by passion, Lucas resolves to uncover the details of Angela's suspected death, to bring some closure to their small community and to his wife. But his obsession may not be able to fix what is broken and Lucas may be chasing shadows... Years before Lucas ever set foot in Blackhawk, Meg Painter met Dylan Reid. It was the summer before high school and the two quickly became inseparable. Although Meg's older neighbor, Jess, was the safe choice, she couldn't let go of Dylan no matter how hard she tried. Caught in a web of jealousy and deceit that spiraled out of control, Meg's choices in the past ultimately collide with Lucas's discovery in the present, weaving together a taut story of unspoken secrets and the raw, complex passions of innocence lost.

Sleeping in Eden

Twelve-year-old Eden, on a visit to her late mother's birthplace of Safina Island, Georgia, discovers a creepy sketchbook that leads her to Everdark--a spirit world ruled by an evil witch who Eden must defeat in order to make it back home.

The Innocence of Love: A Steamy Small-Town Twin Pregnancy Mystery Romance

Part-time archeologist and full-time enchantress, Savanah St. James unearthed the world's most sought after antiquity, Draq's lair. About to open an exhibit in one of the most famous museums in London, Savanah thought she'd finally found her pot of gold until one man crashed into her--literally. And there in lay her problem. Savanah had an audacious knack for finding love in all the wrong places. Living the dream, Ethan Kitt had it all--money in his pocket, his own plane, freedom to travel the world, and a boss whose only request was blood once a week. Waiting in line at customs, Ethan's dream of a woman in every port sank when he laid his eyes on the one woman who would whip his furry hide into submission. In the midst of being hunted by the most notorious vamp alive, Ethan and Savanah scour the Eastern coastline from New York to Louisiana trying to find a way to trust their instincts and each other in order to survive.

Eden's Everdark

James Hollis examines society's fixed views and fantasies in regards to relationships. This text is not a practical guide on how to fix a relationship, but rather a challenge to greater personal responsibility, a call for individual growth as opposed to seeking rescue through others.

A coming-of-age teen is thrown into a world of ancient secrets when he discovers a supernatural artifact that protects a weapon of mass destruction. With the help of a diverse group of friends, he embarks on a global adventure, seeking the truth about his sister's death, and uncovers two clandestine, supernatural societies waging an epic, hidden war that threatens the future of civilization. D. J. Williams's suspenseful, page-turning style whisks readers into a wildly exciting, supernatural adventure that grabs hold of the imagination and never lets go. As Jack races to collect ancient artifacts critical to the survival of the world, readers are transported to incredible locales across Asia, including the lush jungles of the Philippines and the high-energy streets of Hong Kong. Themes of addiction, revenge, faith, and friendship emerge as Jack battles literal and psychological demons, and even his own friends and family members, on his quest to thwart the forces of evil.

Eden's Charms

Does your knowledge of the Old Testament feel like a grab bag of people, books, events and ideas? How many times have you resolved to really understand the OT? To finally make sense of it? Perhaps you are suffering from what Sandra Richter calls the "dysfunctional closet syndrome." If so, she has a solution. Like a home-organizing expert, she comes in and helps you straighten up your cluttered closet. Gives you hangers for facts. A timeline to put them on. And handy containers for the clutter on the floor. Plus she fills out your wardrobe of knowledge with exciting new facts and new perspectives. The whole thing is put in usable order--a history of God's redeeming grace. A story that runs from the Eden of the Garden to the garden of the New Jerusalem. Whether you are a frustrated do-it-yourselfer or a beginning student enrolled in a course, this book will organize your understanding of the Old Testament and renew your enthusiasm for studying the Bible as a whole.

The Eden Project

Eve, banished from Eden gives birth to Cain and Abel then watches in horror as one brother learns to hate the other. Pharaoh's daughter, unable to bear children, saves Moses from the Nile and raises him as her son, only to lose him when he discovers the truth about his identity. And Claudia Procula, the

wife of Pontius Pilate, faces her own capacity for rage as well as her husband's panic and stubbornness when he ignores the warning she sends just before he condemns a man to death . . . R. M. Lamming reaches through the dust of centuries with a strong and extraordinary lens. Told with uncompromising honesty - sometimes raw, sometimes anguished, sometimes tender - *As In Eden* is an epic yet immensely intimate novel, an unforgettable account of the search for inner meaning in the light of extreme circumstances.

Hunt for Eden's Star

The quiet Amish lifestyle isn't all that it seems in this debut cozy mystery series, for fans of Amanda Flower and Wanda E. Brunstetter. Petunia Yoder is Blueberry, Pennsylvania's youngest old maid, at twenty-two years of age, and completely unmarriageable. But she's determined to celebrate her friends' weddings with joy and a full heart. Unfortunately, Petunia's best friend, Eden Beiler, is playing a dangerous game with a man who is ruining her reputation. Ike Smoker is the community's iceman—the one who cuts, stores, and sells the ice—and when Petunia discovers him dead with an ice pick in his chest, Eden is found on the scene with blood on her hands. Homicide detective Asher Nate is new to the area, and he has a challenge on his hands. The Amish community sticks close together, and he doesn't understand the subtleties and nuances of the clues he uncovers. He needs an Amish interpreter, and he asks Petunia if she'll help. In a bid to keep her best friend out of prison, she agrees. The community is filled with people who had good reason to hate Ike Smoker, especially as Petunia and Asher begin to uncover his secrets. Was someone trying to protect their family's reputation? Or to exact revenge for a sin buried deep in the past? There's a litany of damning clues that litters the ground—and if Petunia and Asher can't come up with the truth, they could end up as the next ones on the killer's list.

The Epic of Eden

Five years ago, international business lawyer Eden Fortune lost her heart during a whirlwind romance in Paris. She hadn't pegged oil tycoon Ben Ramir as a love 'em and leave 'em kind of guy.

The Geographical Distribution of Disease in Great Britain

Eden's greatest wish has finally come true. No longer confined to her lamp, she begins a spectacular life in Manhattan with her new guardian, Pepper, a bubbly genie alum who's also a Broadway actress. Eden only gets a taste of the city's wonders before she's whisked away for a wish granting--she is still a genie with a job, after all. David Brightly isn't like other wishers Eden has met. The owner of the world's leading tech company seems more interested in tapping into the lamp's power than making his first wish. Trapped in Brightly's laboratory and unable to get to the lamp, Eden has no choice but to escape and go on the run. She finds herself on the streets of Paris, nowhere near out of danger. Brightly has half the city searching for Eden, claiming she is his kidnapped daughter. She manages to don a disguise and get word of her predicament out to the loyal genies on earth. But Paris is also headquarters of Electra, a group of former genies bent on revenge against Eden, and it seems the scheming Sylvana has teamed up with Brightly to seize the lamp's power once and for all. Eden embarks on a dangerous mission to retrieve the lamp and protect the centuries-old genie legacy. But Brightly has more tricks up his sleeve than any mortal Eden has met. Soon, every genie will have to pick a side in an epic showdown against the greatest threat the lamp has ever faced.

As in Eden

An analysis of the development of the botanical garden in Europe as an attempt to recreate the Garden of Eden includes discussions of the history of the famous gardens in Paris, Oxford, and Uppsala.

Murder of an Amish Bridegroom

Can love survive when dreams divide? Rafe Easton rescued an abandoned baby from certain death on a forbidden island. Now that courageous act could cost him his pending marriage and his reputation. The Hawaii of 1891 is not untamed as it was when the first missionaries arrived, but the dangers haven't disappeared. Power, wealth, and ambition still drive the affairs of the island life, and Rafe Easton is poised to win big on all three--except for one thing. The woman he loves is walking away from their promise of life together on account of a baby boy . . . and the forsaken people of the island he came from. For her part, Eden Derrington must choose between her father's lifelong dream of curing leprosy, and a life of privilege with the man she's loved since childhood. Will Rafe wait for her while she serves

alongside her father? And what if she herself falls victim to the dreaded disease that took her mother many years ago? Set against the backdrop of tropical paradise, revolutionary intrigue, hidden motives, and deadly secrets, *The Spoils of Eden* sheds light on Hawaii's colonial era and the men and women whose sacrifices yielded such unexpected results.

The Sheikh's Secret Son

According to legend, the Garden of Eden was located in Iraq, and for millennia, Jews resided peacefully in metropolitan Baghdad. *Memories of Eden: A Journey Through Jewish Baghdad* reconstructs the last years of the oldest Jewish Diaspora community in the world through the recollections of Violette Shamash, a Jewish woman who was born in Baghdad in 1912, sent to her daughter Mira Rocca and son-in-law, the British journalist Tony Rocca. The result is a deeply textured memoir—an intimate portrait of an individual life, yet revealing of the complex dynamics of the Middle East in the twentieth century. Toward the end of her long life, Violette Shamash began writing letters, notes, and essays and sending them to the Roccas. The resulting book begins near the end of Ottoman rule and runs through the British Mandate, the emergence of an independent Iraq, and the start of dictatorial government. Shamash clearly loved the world in which she grew up but is altogether honest in her depiction of the transformation of attitudes toward Baghdad's Jewish population. Shamash's world is finally shattered by the Farhud, the name given to the massacre of hundreds of Iraqi Jews over three days in 1941. An event that has received very slight historical coverage, the Farhud is further described and placed in context in a concluding essay by Tony Rocca.

Eden's Escape (Eden of the Lamp, Book 2)

In this brilliant acclaimed novel dinosaurs still rule the Earth. The cosmic catastrophe that ended the Age of the Dinosaurs 65 million years ago never happened. The evolution of the great reptiles continued, climaxing with the Yilanè, the most intelligent and advanced race on Earth. But when the onset of a new Ice Age forces them to cross the ocean to explore and colonize a vast contingent, they clash violently with a savage new breed of mammal that they have never before encountered. Mammals that walk erect, hunt and use crude stone tools - and weapons . . .

The Garden of Eden

Following the death of her beloved Aunt Belle, Lorna Kent abandons her life in the city to move to a small country town. Once an ancient valley settlement, Canterlow's surrounding countryside remains, even in 1919, virtually untouched by the passage of time. Immediately welcomed by her new community, Lorna soon finds herself helping at the local school and befriending its well-respected headmaster, Adam Ushart. Enchanted by its beauty, and enraptured by her first experience of love, Lorna is unprepared for the dark undercurrent of violence and betrayal lying beneath the smooth surface of life in Canterlow. When the mysterious death of a beautiful young girl named Alice captures her imagination, Lorna soon finds herself entangled in a web of dangerous secrets. Alice had also been in love, and by discovering the identity of the young girl's seducer, Lorna finds herself involved in the lives of more than one person with something to hide.

The Spoils of Eden

A geologist, a microbiologist and a town planner take a journey into the strange regions of Chile's secret heart. They are exposed to astonishing landscapes and species, and encounter a variety of Chile's indigenous inhabitants. They are, respectively, a Chilean ex-fugitive from the Pinochet regime, a Frenchman, and an Englishman, who represents Cronin and reproduces the author's Chilean journey in a semi-fictionalized form. The beliefs and inner convictions of each, and their professional backgrounds, bear upon them as they interpret what they encounter in the scarcely habitable Patagonian islands and mainland of the south and the remote northern altiplano of the Aymaric heartland, thousands of feet above sea level, shrouded in millennia-old secrets. The three are friends, yet differ deeply in what they read into their rediscovery of one of the world's strangest countries.
