All eight stories of everyone's favorite sheep burst off the page in this fun and frolicking treasury! Get ready for whimsical, woolly adventures in this collection of eight funny stories of everyone's favorite sheep by bestselling author Nancy Shaw and illustrator Margot Apple! Ride along with this crowd of mischievous, well-meaning sheep as they take a ride in a jeep, create chaos in a shop, and much more! Each adventure can be read aloud in five minutes, making it a perfect book for story time, bedtime, or any time you're just

looking for sheer fun! Features these eight stories: Sheep in a Jeep, Sheep on a Ship, Sheep in a Shop, Sheep Out to Eat, Sheep Take a Hike, Sheep Trick or Treat, Sheep Blast Off!, and Sheep Go to Sleep

Sheep in a Jeep 5-Minute Stories

"Beep Beep Sheep in a jeep on a hill that s steep." "Sheep in a Jeep" is well-loved by the preschool and early-reader sets for its slapstick story of five sheep (in a jeep) and silly sound effects especially when the jeep goes splash and thud in the mud Nancy Shaw s rollicking rhymes are Seuss-snappy, and Margot Apple s appealing pencil illustrations are expressive and hilarious. Shear delight. Don t miss Shaw and Apple s other sheep-heaped titles: "Sheep in a Shop," "Sheep on a Ship," "Sheep Out to Eat," "Sheep Trick or Treat," "Sheep Blast Off," and "Sheep Take a Hike." "

Sheep in a Jeep

Five hungry sheep discover that a tea shop may not be the best place for them to eat.

Sheep Out to Eat

Following the beloved Sheep in a Jeep, this illustrated children's book follows the rhyming misadventure of zany sheep on a pirate ship. It's time for bed but the sheep just can't settle down. Never fear, a trusty sheepdog is here to help. But what will it take to get these restless sheep to bed? A hug? A blanket? A drink of water? Will this dedicated collie ever get these bleating sheep to sleep? Perhaps only a daring pirate adventure will do the trick... From the author and illustrator behind Sheep in a Jeep, this sweet and silly bedtime tale is perfect for reading aloud to a demanding little one who doesn't want to go to bed. "The spare text is easily mastered by the beginning reader, while adults reading this aloud will appreciate the tongue-twisters and rollicking rhymes."—Publishers Weekly

Sheep on a Ship

Sheep hunt for a birthday present and make havoc of the shop, only to discover they haven't the money to pay for things.

Sheep in a Shop

At the end of the day, tired sheep return to their shed but none can sleep until the collie arrives, giving a hug, a drink of water, and more until all have begun to snore.

Sheep Go to Sleep

When a mysterious spacecraft lands in a nearby pasture, the lovable, blundering sheep get in gear for the ride of their lives! Unfortunately, these sheep don't know the first thing about piloting a spaceship . . . but there may be someone else on board who does! Readers will have a blast with Nancy Shaw's clever rhymes and Margot Apple's hilarious illustrations in this latest Sheep adventure.

Sheep Blast Off!

Part coming-of-age story, part mystery, The Trouble with Goats and Sheep is a quirky and utterly charming debut about a community in need of absolution and two girls learning what it means to belong.

The Trouble with Goats and Sheep

"In the Footsteps of Sheep details the completion of a mission the author, a Welsh-born Scot, set for herself: to travel and camp throughout Scotland, find cast off tufts of wool from 10 Scottish sheep breeds, then spin the wool on her spinning stick while walking (or waiting for ferries), and finally design and knit one pair of socks to represent each breed ... all the while writing about her adventures and taking plenty of photographs. Debbie has written beautifully about her journey; the hills, shorelines, and bogs explored; the sheep and people she met along the way; weather both foul and fair, and a particularly exciting chapter about the intriguing St. Kilda archipelago and its feral Soay and Boreray sheep. The eleven sock patterns, one at the end of each chapter, are a bonus and, for those of us unable to gather and spin our own fleece, all were test-knitted with commercial wool. The designs are knitted from top to toe with different motifs, among them color-patterns, cables, spirals, stripes, Kilt Hose with top-turnovers, and a pair of baby booties."--Provided from Amazon.com.

In the Footsteps of Sheep

After being awakened six sheep try various antics to get back to sleep.

Six Sleepy Sheep

'This book deserves a place in your bookcase next to Harari's Sapiens. It's every bit as fascinating and is surely destined to be just as successful' Julian Norton From the plains of ancient Mesopotamia to the vast sheep farms of modern-day Australia, sheep have been central to the human story. Since our our Neolithic ancestors' first forays into sheep-rearing nearly 11,000 years ago, these remarkable animals have fed us, clothed us, changed our diet and language and financed the conquest of large swathes of the earth. Sally Coulthard weaves this fascinating story into a vivid and colourful tapestry of engaging anecdotes and extraordinary ovine facts, whose multiple strands celebrate just how pivotal these woolly animals are to almost every aspect of human society and culture. This title was published also in the United States under the title Follow the Flock. 'A snappy, stimulating book, and certainly not just for shepherds' Mail on Sunday 'Full of fascinating social history' Independent 'You won't look at a sheep in the same way again' Country Living

A Short History of the World According to Sheep

'An important book on several levels... Read a few sentences out loud, wherever you are.' Rosamund Young Everybody thinks they know what sheep are like: they're stupid, noisy, cowardly ('lambs to the slaughter'), and they're 'sheepwrecking' the environment. Or maybe not. Contrary to popular prejudice, sheep are among the smartest animals in the farmyard, fiercely loyal, forming long and lasting friendships. Sheep, farmed properly, are boons to biodiversity. They also happen to taste good and their fleeces warm us through the winter - indeed, John Lewis-Stempel's family supplied the wool for Queen Elizabeth's 'hose'. Observing the traditional shepherd's calendar, The Sheep's Tale is a loving biography of ewes, lambs, and rams through the seasons. Lewis-Stempel tends to his flock with deep-rooted wisdom, ethical consideration, affection, and humour. This book is a tribute to all the sheep he has reared and sheared - from gregarious Action Ram to sweet Maid Marion. In his inimitable style, he shares the tales that only a shepherd can tell.

The Sheep's Tale

Follow Irene Waggener's journey into the High Atlas Mountains of Morocco to learn about a knitting tradition that stretches back in time through generations to the very origins of the craft. In this collection of essays and patterns, Irene provides a glimpse of life in a High Atlas village where knitting once played a key role in surviving harsh, snowy winters. The knitting patterns in this book include traditional designs by shepherds who want to share their knowledge with other knitters and future generations. The patterns are presented against the backdrop of Irene's essays, providing the cultural and environmental context in which knitting was practiced in the High Atlas. In addition, Irene's research takes the reader backwards in time as she examines the history of knitting in Morocco and North Africa. Through historical accounts, linguistic clues, and museum artifacts - some of which have not been available to the general public until now - Irene presents a picture of early knitting and how it may have developed in North Africa. Her research is accompanied by knitting patterns inspired by historical sources, bringing to life once again the skills of early North African knitters.

Keepers of the Sheep

Sheep are the thread that runs through the history of the English countryside. Our fortunes were once founded on sheep, and this book tells a story of wool and money and history, of merchants and farmers and shepherds, of English yeomen and how they got their freedom, and above all, of the soil. Sheep have helped define our culture and topography, impacting on everything from accent and idiom, architecture, roads and waterways, to social progression and wealth. With his eye for the idiosyncratic, Philip meets the native breeds that thrive in this country; he tells stories about each breed, meets their shepherds and owners, learns about their past - and confronts the present realities of sheep farming. Along the way, Philip meets the people of the countryside and their many professions: the mole-catchers, the stick-makers, the tobacco-twisters and clog-wrights. He explores this artisan heritage as he re-discovers the countryside, and finds a lifestyle parallel to modern existence, struggling to remain unchanged - and at its heart, always sheep.

Counting Sheep

Haruki Murakami's third novel, *A Wild Sheep Chase* is the mystery hybrid which completes the odyssey begun in *Hear the Wind Sing* and *Pinball, 1973*. The man was leading an aimless life, time passing, one big blank. His girlfriend has perfectly formed ears, ears with the power to bewitch, marvels of creation. The man receives a letter from a friend, enclosing a seemingly innocent photograph of sheep, and a request: place the photograph somewhere it will be seen. Then, one September afternoon, the phone rings, and the adventure begins. Welcome to the wild sheep chase. 'Mr. Murakami's style and imagination are closer to that of Kurt Vonnegut, Raymond Carver and John Irving' *New York Times*

I Am a Sheep Lady What Is Your Super Power?

I am the luckiest man alive, because I get to live and work in the most beautiful place on earth: Matterdale in the English Lake District. When I was a child we didn't really go anywhere, except a week in the Isle of Man when I was about ten years old, and I never left Britain until I was twenty. Even now, years later, the best bit of any travelling is coming home. Bringing us into the world of shepherd's baking competitions, sheep shows and moments out on the fell watching the sheep run away home, James Rebanks interweaves thoughts and reflections on the art of shepherding with his photographs of the valley, people and animals that make up the daily life of the fells. A life lived by the three hundred surviving fell farming families, this is a book of photos and words filled with reverence and love.

The Illustrated Herdwick Shepherd

A sheep narrates this photo-illustrated book describing the body parts and behavior of sheep on a farm. Includes photo glossary and labeled diagram.

Sheep

The Little Prince and ;(French: and Le Petit Prince) is a and novella and by French aristocrat, writer, and aviator and Antoine de Saint-Exupéry.
